WISCONSIN STATE COLLEGE

*Where the free Spirit Prevails*

RIVER FALLS

# Foreword

“Where the free spirit prevails” is the theme of the 1962-63 Meletean. This past year has seen this theme manifested in many ways. It is a theme that is symbolic of all activities represented at River Falls as students engage in educational, cultural, and social pursuits. There has been great progress made both in the physical growth and educational opportunities offered by WSC-RF. We feel that the prevailing free spirit is responsible to a great extent for the progress made. The Meletean joins in this ideal by adopting “Where the free spirit prevails,” as its theme.

Credit for the production of this book goes to the loyal Meletean staff. We feel, however, our job was only to outline the story that has unfolded this past year. The story and the theme is seen in every facet of college life. Underclassmen and beginning freshmen will continue to uphold the tradition and high standards of this institution and will strive for improvement. Graduates will go their separate ways, having gained from the spirit and educational facilities, to reach their desired goals.

Today we realize only a small portion of the appreciation we will have tomorrow for the college “Where the free spirit prevails.”

WISCONSIN STATE COLLEGE

RIVER FALLS, WISCONSIN

OFFICE OF THE PRESIDENT

Students of Wisconsin State College  
River Falls, Wisconsin

Dear Students:

It is appropriate that this edition of the Meletean should have as its theme a phrase applied to the College several years ago by a newsman who visited the campus - "The State College where the free spirit prevails." Although this particular phrase was used only recently, it describes a condition which has long existed at River Falls.

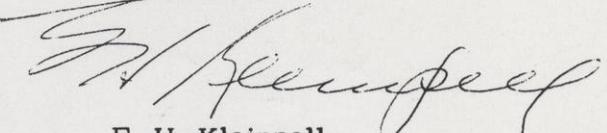

The freedom of the individual to search for truth and to proclaim what he believes to be truth is, indeed, basic to an institution of higher learning.

Over the years the College has believed that its function in providing leadership for a democratic society - a society dedicated to the free development of the individual - is to remove those fetters which might limit this search. That this idea is not new is indicated by the Latin derivation of the term "liberal education," -the education that liberi, free men, might pursue. However ancient the concept, it is one that needs frequent restatement.

As Justice Felix Frankfurter has said, "the mark of a truly civilized man is confidence in the strength and security to be derived from an inquiring mind."

River Falls has had that confidence which has permeated the campus. It is a confidence shared by the administration, the alumni, the faculty and the students. That it is well-founded is demonstrated by the stature of the college, the record of its graduates and the accomplishments of its student body.

Sincerely yours,

  
E. H. Kleinpell  
President

One stands

To open windows and doors  
that we may see ourselves and beyond

Our eyes focus more clearly

A twig becomes a lesson in infinity

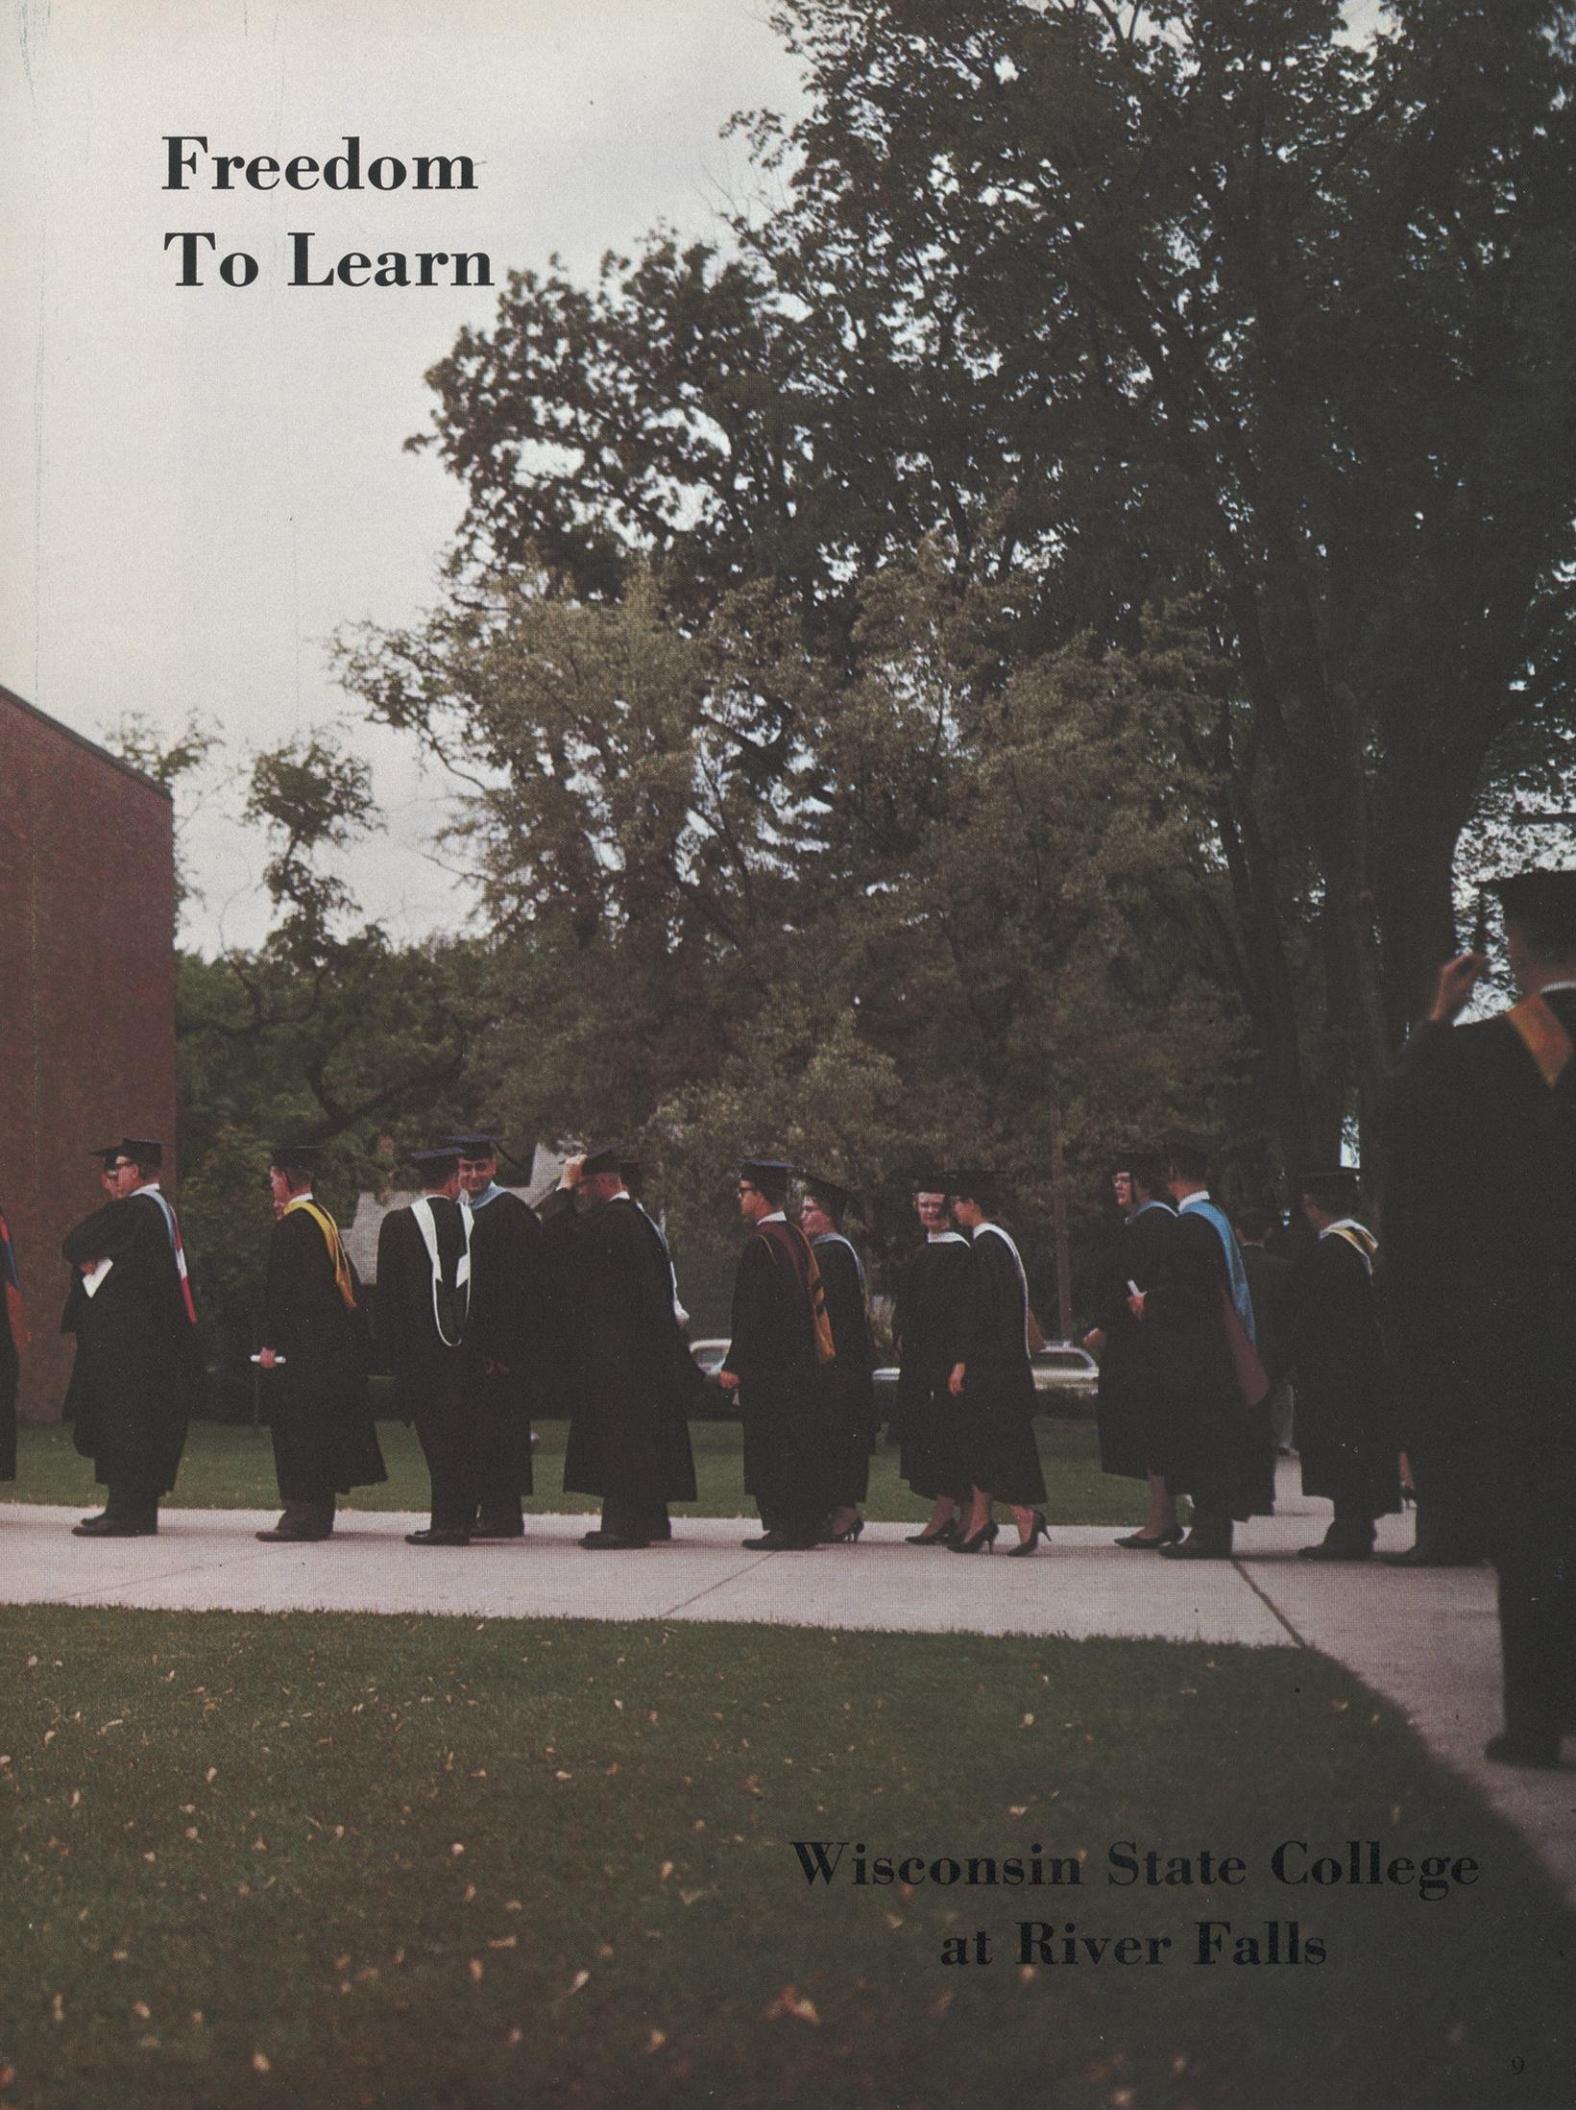

A mind responds; a gentle hammer molds  
For the load it will gladly carry

A man steps forth firmly into the light  
of a new and comfortable freedom

*To Dr. Virginia Akins,

## THE STATE COLLEGE

"WHERE THE FREE SPIRIT PREVAILS"

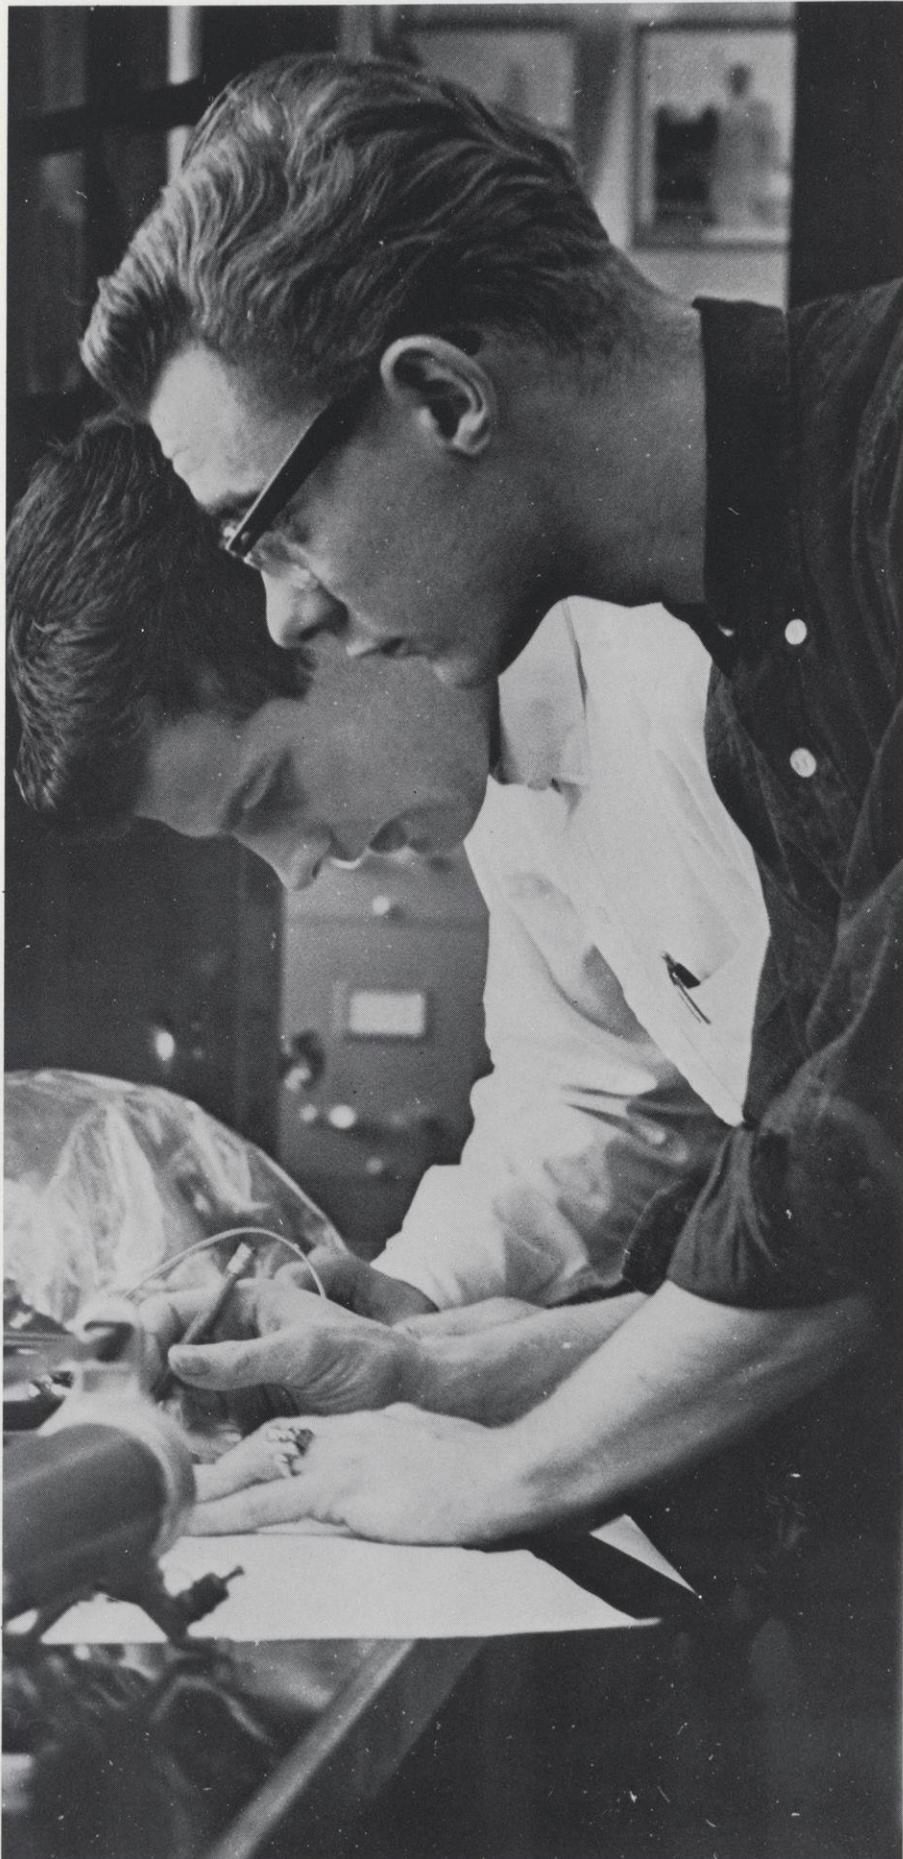

WILLIAM T. EVJUE, THE CAPITAL TIMES  
1957

PLAQUE DONATED IN 1961  
BY CLYDE W. ZIEGLER  
CLASS OF '26

A well-known Wisconsin editor several years ago, after a visit to the campus, termed River Falls "the State College where the free-spirit prevails." He was impressed with the free spirit of inquiry and the search for truth that has been traditional at River Falls and has made a lasting impression on its student body.

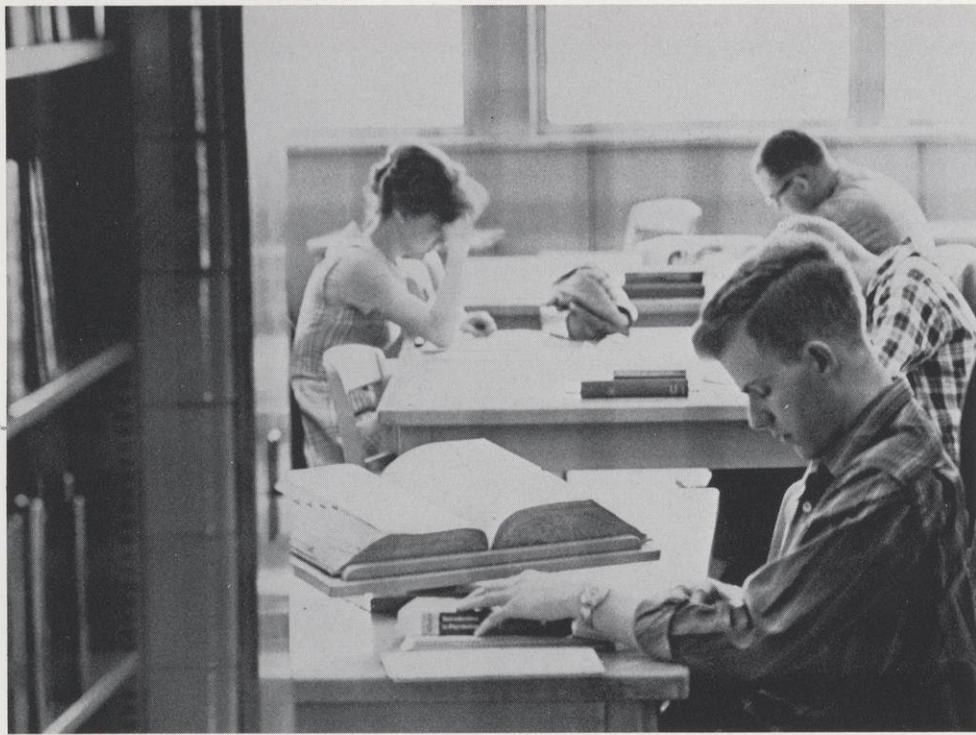

A graduate of the College thought the editor's description so fitting that he had it cast in bronze and presented to his alma mater.

Why is this "free spirit" so important? Because it is the basic difference between education in a democratic society and the type of learning that sets boundaries on men's minds. It leads to the kind of education that, as someone has said, "makes our teachers more important than our generals." It is the means to developing the "brain power" that our civilization must have to meet problems converging on it from all sides. It is our hope for civilization's survival.

• *Broadening knowledge.*

# Freedom To Inquire

• *In the library*

• *At a convocation*

Education is stimulating. It is aimed at producing ideas and examining them. But the first step is to form ideas. This can be done best when there is freedom to investigate.

The thinking of the past has been preserved so that we can know what thoughts have been held; what ideas have been tried. No one begins completely anew, for our progress is based on having retained what has gone before. The wealth of man's knowledge is contained in books and the student will find the library a source of mental stimulation.

It offers a place for examining ideas, weighing the new against the old and making comparisons and contrasts in ways of thinking. The laboratory also affords a setting for testing ideas, re-thinking what has been done in the past and striking out in new directions.

• *In the laboratory.*

## **Freedom To Question**

True education results when a student has had an opportunity to learn the facts, to hear or to read what authorities have said and to question how they have arrived at conclusions they hold. Education does *not* consist of a student's accepting blindly what he is told is true.

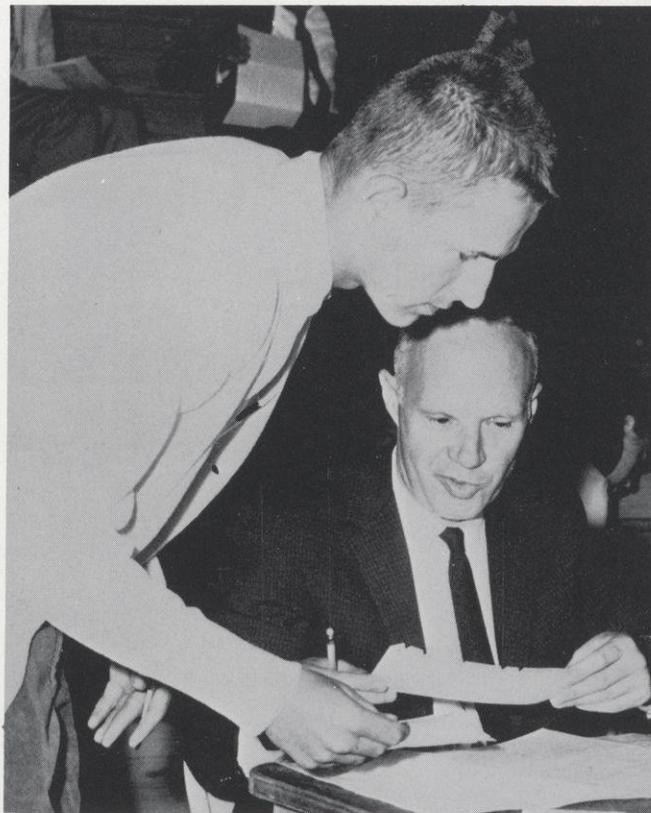

At River Falls the classroom, the guest lecture, the informal meeting with leaders of thought and opinion are designed to let the student question ideas and attitudes—his own as well as those of others.

Faculty members at River Falls encourage the student to develop an inquiring mind and to regard education as a continuing process. They know that the only true education is self-education and that while the College can provide the classrooms and laboratories, the professors, the stimulation and helpful atmosphere, the student himself will determine how much or how little he learns.

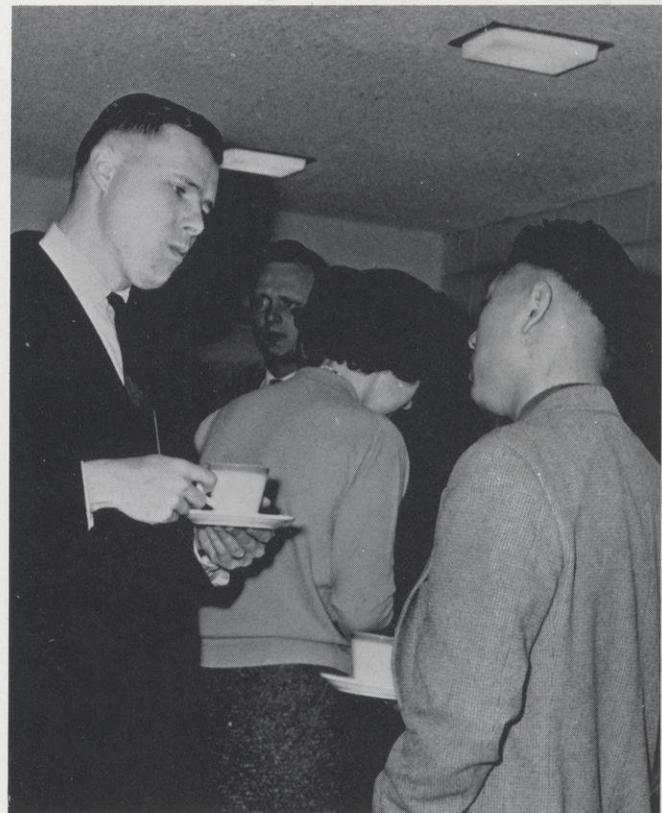

• *Weighing a statement.*

• *Seeking an answer*

• *Getting advice*

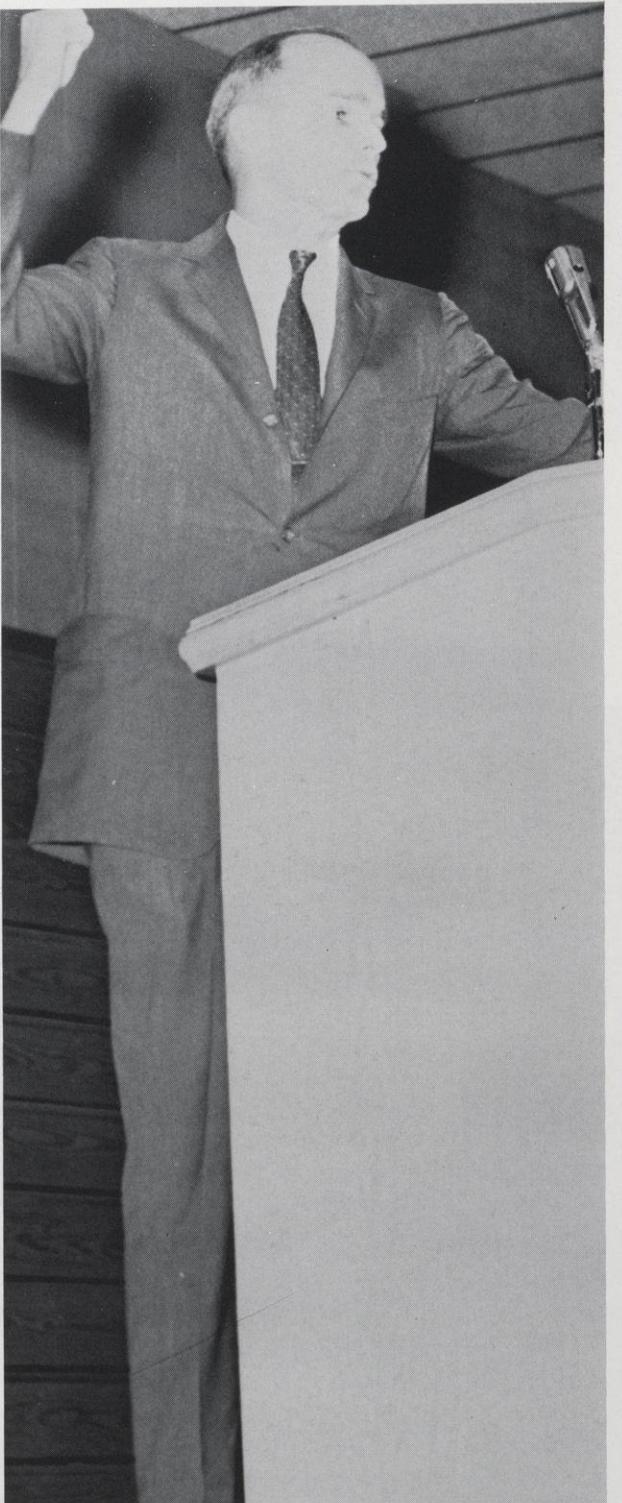

• *Considering a reply*

# Freedom of Expression

What has been learned must be tried! And River Falls offers unusual opportunities for leadership and self-expression.

Student government and organizations offer ample fields for development of leadership potential. Student publications such as the yearbook, newspaper and literary magazine afford outlets for self-expression and the sharing of ideas and ideals.

The forensics program gives experience in speaking and in communicating with others effectively.

• A statement of principle.

• At right, an editorial gets attention.

• Below, a matter of opinion.

• *In art.*

## **Freedom To Create**

Creativity is a vital part of education. The student should experience the ways in which man has expressed himself in literature, in music, in art, in drama and the dance.

Ideal in size, the College can offer creative opportunities to all of its students, permitting them to participate in plays, concerts and exhibits. There is freedom for original work and for experimentation.

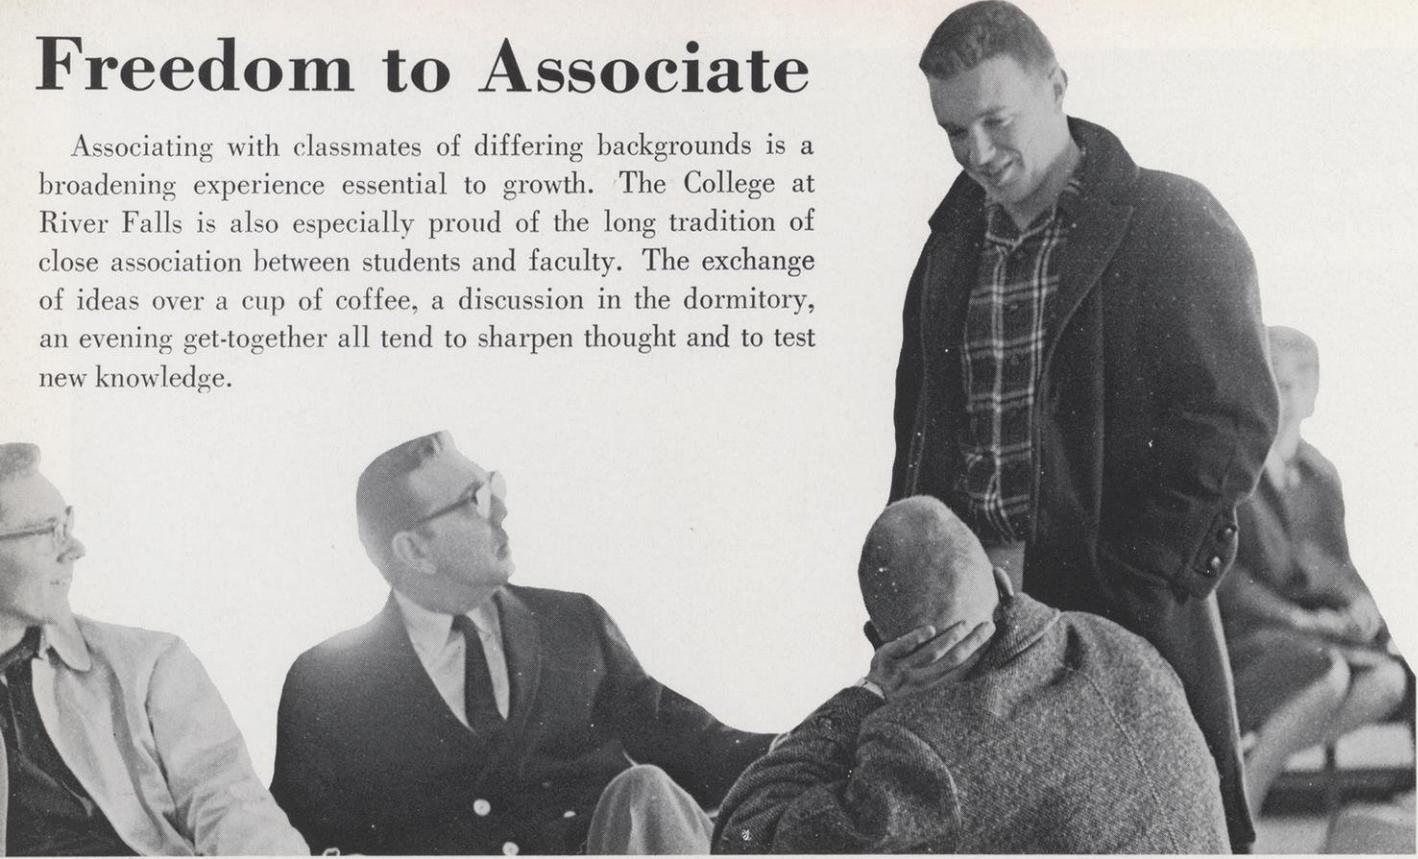

• *In drama.*

*In music*

# Freedom to Associate

Associating with classmates of differing backgrounds is a broadening experience essential to growth. The College at River Falls is also especially proud of the long tradition of close association between students and faculty. The exchange of ideas over a cup of coffee, a discussion in the dormitory, an evening get-together all tend to sharpen thought and to test new knowledge.

• *In informal gatherings.*

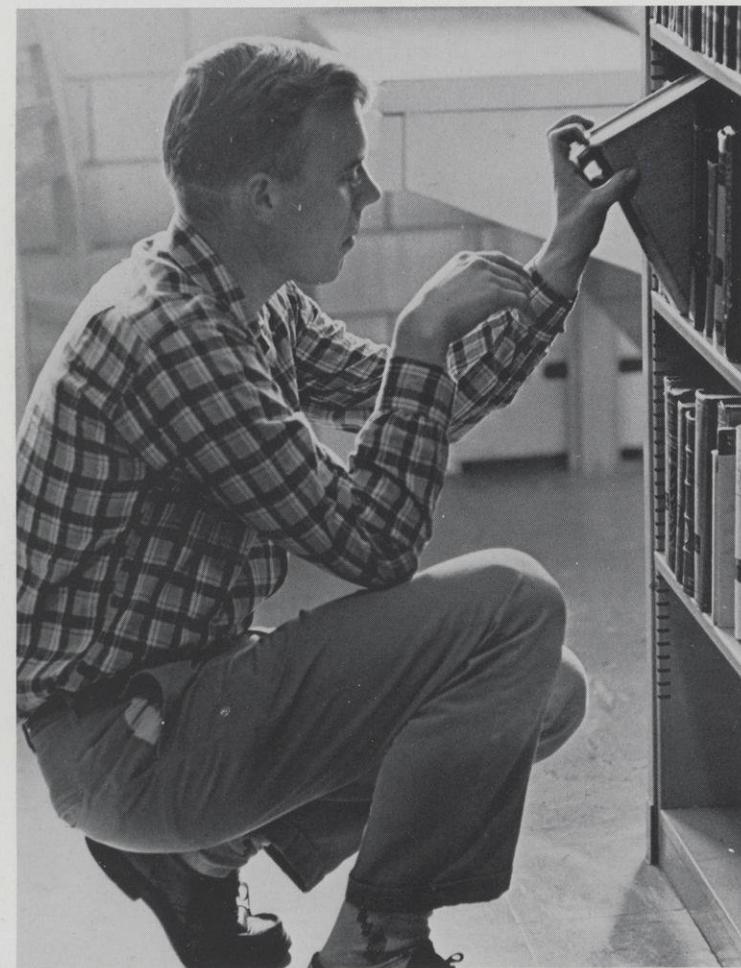

• *At a social event.*

• Through study.

• Through reading.

• Through experiment.

## Freedom to Grow

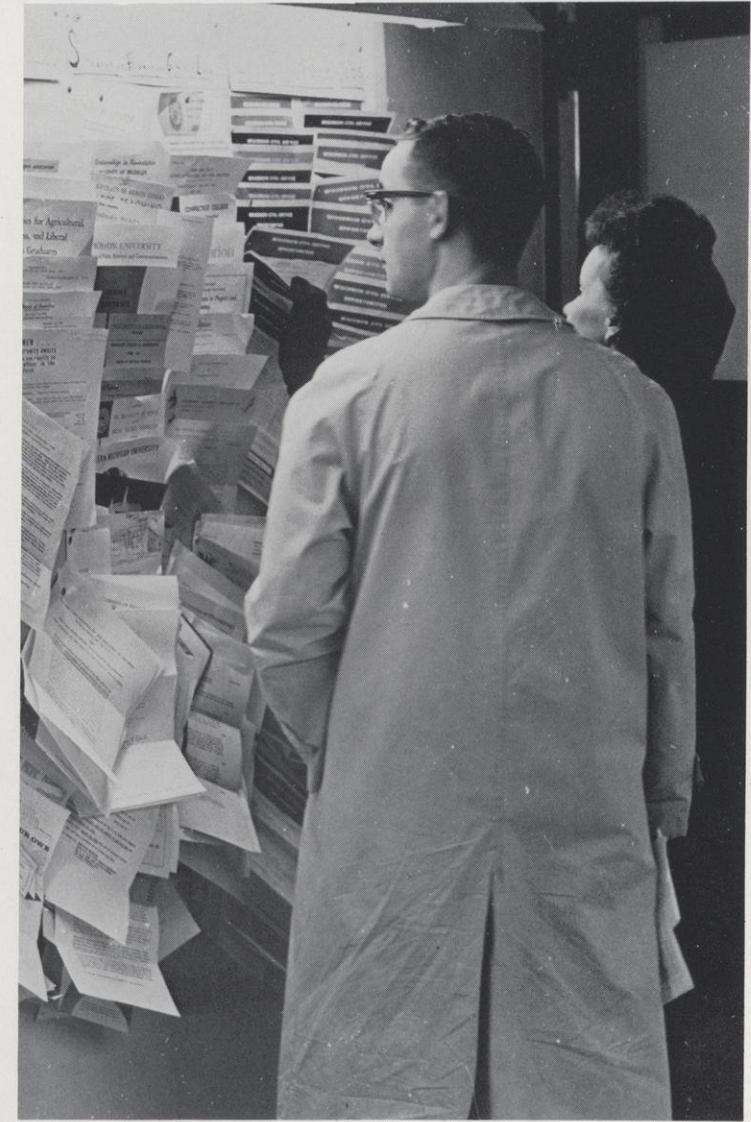

"Tall trees do not grow in a greenhouse and great oaks flourish only where the winds of freedom blow through their branches," a famous publisher once said.

The College at River Falls is determined that the "winds of freedom" shall continue to blow across the campus carrying the invigorating spirit of inquiry, questioning, creativity and self-expression. These are essential to lasting growth.

To ask basic questions, to investigate thoroughly, to express clearly one's concept of the truth and so make the best contribution —this is the goal of the free spirit.

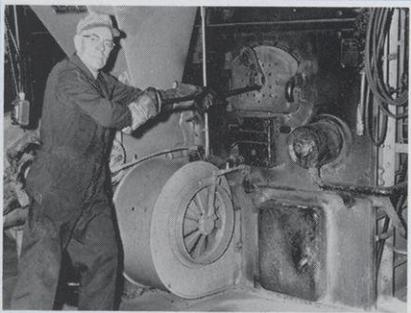

• Through listening.

• With a goal in mind.

## All work and no play . . .

Now is the time that tries men's souls

Four score and seven minutes ago our senate brought forth on the campus a new publications department, created in the prevailing free spirit and dedicated to the proposition that all publications are created equal.

Now we are engaged in a great civil war testing whether that department or any department can long endure.

We are met on the great battle field of that war where the Student Voice is attempting once again to dominate - the Meletean and her strongest ally, the Prologue, are dedicated, above all, to all free spirits and with this Declaration of War seek to re-establish liberty & justice for all.

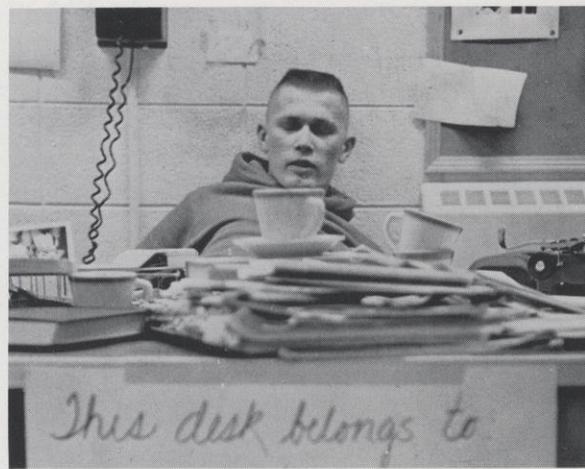

The campus will little note nor long remember what was said here, but shall never forget what was done here.

It is for you the living rather to be dedicated to the unfinished work which they who fought here have so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us.

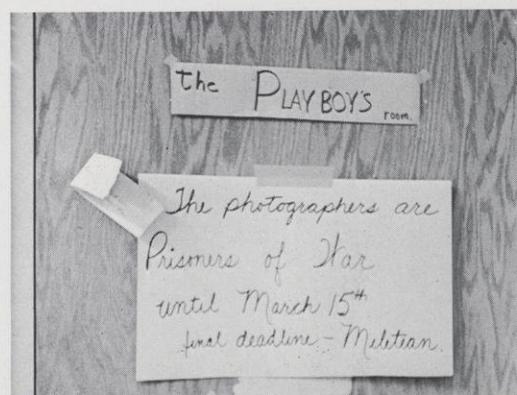

We highly resolve that past editors shall not have retired in vain; that this campus, this office, shall have a new birth of freedom and . . .

The Meletean and Sister Prologue, of the people, by the people, and for the people, shall not perish from this office.

The Falcons Nest

## Falcon

The 1962 River Falls football team, under the direction of new head coach Gwynn Christensen, finished an on again, off again season with a 3-4 mark in the Wisconsin State College Conference and a 3-5-1 overall mark.

Augsburg spoiled the River Falls' opening game by downing the Falcons 7-6 in a game played in a steady drizzle. It was the fourth consecutive year Augsburg has beaten River Falls.

The Falcons bounced into the win column with a 7-6 victory over Oshkosh. The Falcons scored on a 54 yard drive engineered by Tom Everson. Everson capitalized the drive with an 11 yard pass to Tom Sempf. Burich added the conversion.

Superior handed River Falls their first conference setback 6-0. The Falcons held a strong Superior team scoreless until the final 33 seconds when the Yellowjackets scored their lone tally.

Row One: Fred Pastor, mgr., Basil O'Sullivan, Steve Pittman, Lyndon Nelson, Don Fassett, John Nelson, Mark Nelson, Dick Schlasser, Bob Maier, Steve Williams, Rolly Hendrickson, Jim Dunley, Ron Greenquist, and John Hamms, mgr.; Row Two: Wayne Burich, Gary Burke, Ken Kraft, Tom Everson, Ed Vick, Harold Rivard, John Doyle, Jim Ticknor, Larry (Porky) Lloyd, Pete Bronson, Bob Pritchard, and Don Dusznki; Row Three: Coach Gwynn Christensen, asst. coach Ben Bergsrud, Glen McNaughton, Mike Wiskerchen, Tom Sempf, Dennis Kaiser, De Wayne Johnson, Orv Olson, Tom Bosman, Dick Pariseau, Art Piehl, Dennis Lankos, Bob Summerfield, Reno Rizzo, Duane Johnson, Lief Gigstad, Dave Henderson, Mike Henderson, Les Dahms, mgr., and asst. coach Don Page; Row Four: Emery Peterson, Winfield Matchel, Paul Kozak, Mike Nordeen, Don Kortearu, Mike Branstader, Steve Johnson, Newton Buckner, Steve Madson, George Burleigh, Mike Van Able, Mike Loverude, Bill Lindsey, Bill Murphy, and Jim Izdepski.

## Football

River Falls dropped their second conference game against the Eau Claire Blugolds 21-12. The Falcons scored first on Ed Vick's one yard plunge. The Blugolds then tallied three touchdowns before Porky Lloyd caught a Bob Pritchard screen pass and scampered 74 yards for the Falcons' second touchdown.

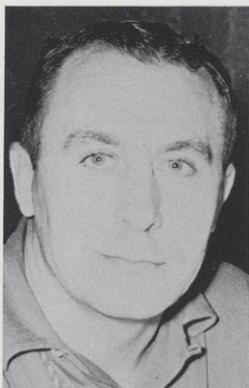

The Falcons got back on the winning track again with a 19-6 victory over UWM. The Falcons took a 6-0 lead after scoring on a 63 yard drive. Tom Everson hit Dennis Kaiser with a 35 yard pass for the second tally. Nordeen added the conversion. Burich scored the final touchdown on a one yard plunge.

Platteville dropped the Falcons 13-7 after blocking a River Falls kick to set up their winning touchdown. Lloyd scored on 45 yard pass play from Everson.

Everson's 24 yard pass to Sempf in the end zone enabled River Falls to stop Stout 6-0, making it eleven years since the Bluedevils have beaten a Falcon team.

LaCrosse spoiled homecoming by topping the Falcons 28-13. Lloyd and Sempf scored for River Falls.

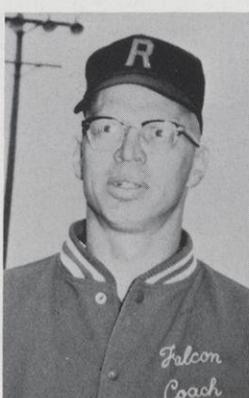

The Falcons closed the season 13-13 tie with Winona.

## Cross Country

The River Falls cross country team finished one of their most successful seasons in recent years by compiling a fine three win, one loss record in dual competition, and finished third in the hexangular meet at the University of Minnesota.

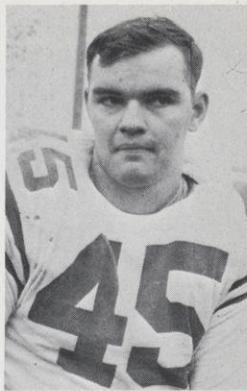

The Falcon harriers, under the direction of Byron James, were led primarily by underclassmen this year and they should form the nucleus of next fall's team.

## *All-Conference*

The state college football coaches this year picked a 44 man all-conference team. They divided the league into a northern and a southern section with an offensive and defensive squad being picked for each.

Their selection included three Falcon players. Gaining berths on the defensive honor squad were tackle Harold Rivard and linebacker Gary Burke. Larry (Porky) Lloyd was named to the offensive team as a running back. Burke received honorable mention to last year's team.

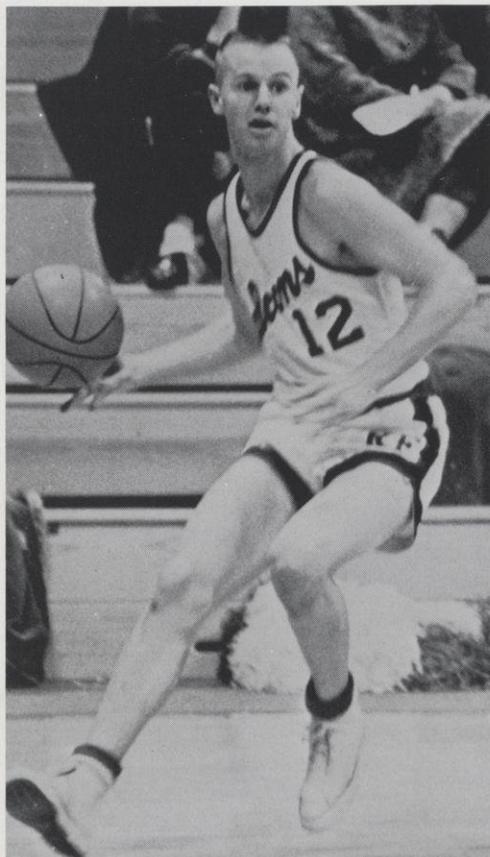

*Standing:* Coach Byron James, Dan Madison, Jerry Jensen, Mike Callis; *Kneeling:* Oscar Skoug, Jerry Sturm, Bruce Moin, and Charles Woiwode.

## Falcon Basketball

River Falls basketball fortunes continued to improve this year as the Pagemen climbed above the .500 mark for the first time in six seasons. The Falcons finished the season with an 11 won and 10 loss record and a 6 won and 6 loss mark in conference play.

After a shaky start the Falcon hardwooders came on strong during the second half of the season. During one point at mid-season the team won eight of ten contests.

Highlights of the season included the play of veterans Tobey Garey, Gordie Olson and Don Koepnick and freshmen Ken Lee and Al Kohl.

Don Koepnick proved to be the big star for the Falcons. The Elkhorn senior was named to the All-State team and the All-Conference team and copped the conference scoring crown with 311 points.

*Easy Layup*

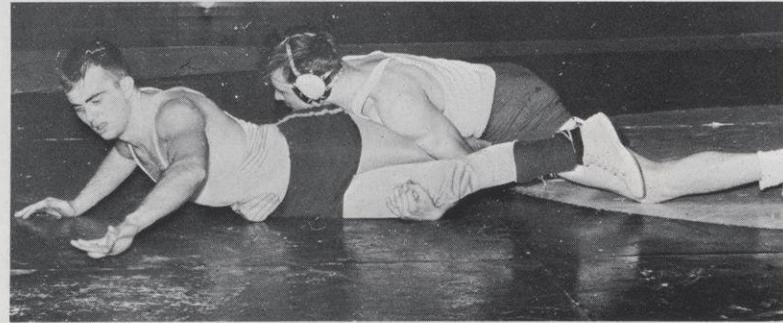

Wrestlers continued to be the bright spot in River Falls athletic fortunes by compiling a 7-2 record and taking the Wisconsin State College Conference title for the second consecutive year and for the third time in four years.

The Falcons took three individual championships, two seconds and two thirds in powering their way to the championship. Pat Mroteck, 137 lb.; Dick Culver, 147 lb.; and Jerry Halvorson, 167 lb., took individual championships in their weight class. This was Culver's third title in as many years.

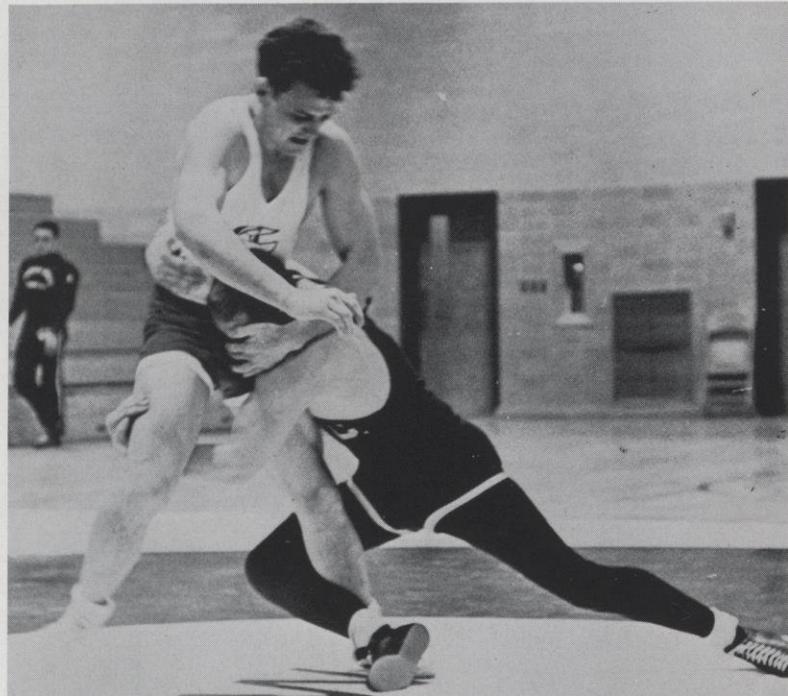

At the close of the season Coach James took his team to the N.I.A.I. Small College Championship Tourney held at Boomsburg, Pennsylvania.

# Swimming

First Row: Don Nelson, Gene Kidd, Dave Fellenz, Winifred Mitchell, Steve Cina, Lloyd Nelson; Second Row: Mick Olsen, Warren Wilson, Rolf Derikartz, Coach Russel Gerber, James Hershinger, Lane Esswein, Steve Hay.

In their third year of collegiate competition the River Falls swimming team failed to win a match. Coach Gerber's team was hampered by inexperience and a lack of depth.

Most consistent winners for the Falcons were Gene Kidd in diving, Lloyd Nelson in the 200 yard breast stroke, Micky Olsen in the 100 yard breast stroke and the 400 yard free style relay team of Steve Hay, Jim Hershinger, Warren Wilson and Micky Olsen.

## Baseball

Baseball fortunes at River Falls appeared to be fairly bright as the Meletean went to press. Veterans John Boortz, Ed Gregorich, Rolland Riek, Tom Strasser, Glenn Stuve, Jim Ticknor and Bob Nilsen formed the nucleus of this year's team. Coach Don Page also had some fine freshman prospects to finish building his team. Missing from this year's team were Jim Norrish, Vern Wanish and Bill Halverson.

*The Hot Corner*

# Track

A host of Falcon speedsters made up this year's track team. Leon Headley set school records in both the 100 yard dash and the 200 yard dash in last year's conference meet. Gordie Olson holds the school record in the 220 yard low hurdles. The three members from last year's record performing 880 yard relay team who returned this year were Larry Feltes, Gerry Jensen and Leon Headly.

*Teeing Off*

This was a year of rebuilding for the Falcon linksters. Coach Ben Bergsrud built his squad primarily with newcomers. Jim Stolzman headed the list of veteran players. Coach Byron James also had a problem of rebuilding the tennis team, with Gerald Dexter the only returning letterman. However several freshman prospects gained net recognition.

The intramural athletic program, under the direction of athletic director Owen Bergsrud, found a variety of sports available to male students.

During fall quarter, the Gorgers topped Prucha III, 20-18 to become the new intramural football champions. The Gorgers completed the season with a 9-1 record. Prucha III finished in the runner-up slot with an 8-2 mark.

A team consisting of Felix Williamson, John Hogan, Fred McKenzie, Newton Buckner, Jim Banister, Hai Kim, and Leon Headley took the volleyball tournament with a perfect record of 8 wins and no losses.

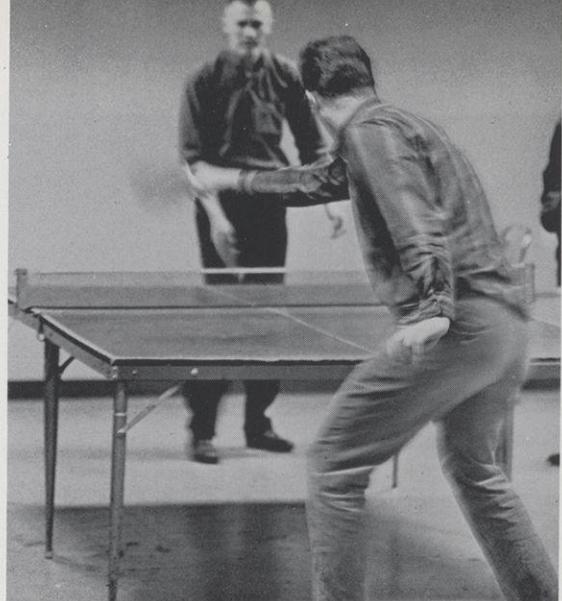

As the yearbook goes to press, the Falcons led by Dave Balke are leading the bowling tournament. In intramural basketball, the Mophia and Untouchables, both with 11-0, are battling it out for the basketball title.
