The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

## THE SUCCESSOR TO THE TRANQUILIZERS

Librium covers a wider range of anxiety-linked symptoms than any tranquilizer or other equanimity-producing agent; provides superior, safer, faster control of common emotional disturbances—with no sacrifice of mental acuity, no dulling of the personality.

**Packaging:**
