Mass Meeting Tomorrow Night.

OPEN PRACTICE

TO-MORROW LAST CHANCE TO SEE TEAM AT WORK.

Athletic Association and Mass Meeting To-morrow Night—Band Will Accompany Team to Minneapolis.

Notwithstanding the rainy weather and wet grounds, Coach King gave the football squad a stiff practice behind closed gates yesterday afternoon. The men were all in good shape and showed no ill effects of last Saturday's game. The work this week will not be particularly heavy but the most of the time will be devoted to perfecting the plays and getting the men in good condition for Saturday's contest. The Minneapolis field is especially heavy and sandy, and requires excellent physical condition in the part of the contesting teams in order to stand the thirty-five minute halves. On this account the work of this week will be devoted toward bettering the staying powers of the men. Last night the entire squad were lined up and made to sprint the entire length of the field. Tonight the practice will again be secret but tomorrow the gates will be open and every one will be admitted. This will be the last practice in Madison and every one is urged to come out and give the team all the encouragement possible. Coach King is anxious that every student should turn out tomorrow night and cheer the team on in their work. Every one is requested to take seats in the grand stand in order to keep the people off the field. It is especially hoped that the crowd will show their appreciation of any good work in the practice by liberal applause.

Team Leaves Thursday.

The team with its coaches, trainers and rubbers, thirty in number, will leave at twelve-forty Thursday, over the St. Paul Railroad arriving at Minneapolis at ten forty-five in the evening. They will put up at the West Hotel the same as last year. Friday the football squad of twenty-four men will be taken out and put through signal practice and be given enough exercise to limber them up. The regular excursion train will leave from the East Madison station at 9 o'clock Friday morning. As many as can possibly arrange to do so are urged to go. The railroads have given an exceptionally low rate of \$5.75 for the round trip. The regular fare is \$8.00 for one way and the rates offered on this occasion by the two roads are so very generous that a large crowd of rooters should accompany the team. It is planned to take the University band of twenty-two pieces along and in order to pay their expenses two hundred tickets must be sold. A special fraternity car has been ordered and will be attached to the regular train.

Reports from Minneapolis indicate that the attendance at the game will be very large; already five thousand tickets have been sold and orders are still pouring in. Three hundred and sixty seats in the Wisconsin section have been ordered and are expected tomorrow. They will be placed on sale at Sidney Rundell's and will cost \$1.50. There will be no general admission tickets but every one will be given a seat in the grand stand.

Reports Here.

For those not able to go to Minneapolis, arrangements have been made

to receive reports of the game at Library Hall over the long distance telephone. This will be under the direction of the athletic management and every one who does not go with the team should attend.

Sophomore Canes.

The committee having in charge the matter of getting the sophomore class canes have sent for samples which will be here in time for the class to make a choice this week. It will take at least ten days to fill the order after the cane is selected. Therefore those who wish their canes in time for the game with Notre Dame will have to see the committee immediately. A limited number of canes can be procured in time for the game. Members of the class desiring them will deposit one dollar with the committee as the maximum cost of the cane. Should the choice of a cane costing less be made, the extra sum will be refunded on the delivery of the cane. This is the only method by which members of the class can secure their canes for the game, which will cause no confusion in the delivery.

Cane committee: E. M. Muckleston, 432 W. Gorham St., W. O. Hotchkiss, 604 Francis St., M. R. Churchill, 441 Lake St.

Democratic Club Meeting.

The Democratic Club meeting held last evening at the City Hall was but slightly attended. J. E. Davies presided. Joseph Bredsteen was elected to fill a vacancy among the vice-presidencies of the executive committee. A motion was made and carried that the executive committee be authorized to appoint a committee to act at the polls to see that Democratic students voted next Tuesday and to challenge possible Republican minors. A committee of six was also appointed to co-operate with the county committee in advertising next Friday's meeting by posters and in the Cardinal; to get list of Democratic student voters; and to address personal letters to all such.

Allan Hopkins Greek Prize.

In another column is a notice announcing that a prize of \$150 has again been offered this year in the Greek department by Mr. Allan Hopkins, '99.

The sum of \$500 was given by Mr. Allan Hopkins, '99, to promote the study of advanced Greek in the University. He made the condition that the winner of the prize should continue work in Greek the following year. The first \$150 prize was offered in 1899-1900, and was won by Mr. A. R. Anderson, 1900, who now holds the "W. F. Allen Graduate Scholarship."

Track Team Meeting.

The members of the Track Team met at the gymnasium yesterday at 4 o'clock. The men agreed to support Capt. McGowan as a member of the Athletic Council. It was then decided that every possible effort should be made to send a team to the Olympian Games to be held at Buffalo, provided that the team make a good showing in the Inter-collegiate contest at Chicago.

Write a Song!

As was stated at the last convocation, Profs. Parker and Olson have in hand the matter of getting up a collection of songs. Those who have or know of songs which they think should go into the collection will confer a favor by submitting them to the committee at their earliest convenience.

Prizes Offered for Art and Literary Work—Competition Will Close January 1.

The attention of the students both graduate and undergraduate is again called to the excellent list of prizes offered by the 1902 Badger Board for contributions for the University annual. More money has this year been appropriated in both departments and the Board urges all students to enter into this competition.

The editors hope for a large response to the fifth offer made by the art committee. It has, in previous years, always served to bring the artistic ability of new students at the University into notice and give it the recognition it deserves. With the exception of this one class, contributions are open to all students of the University.

Provisions of Competition.

The Board reserves the right to use any literary or art work for which prizes may not be awarded. If contributions merit it, however, extra prizes may be awarded. Contributions may be dropped in the Badger box

in the vestibule of Main hall, or may be sent addressed to the "Chairman of 1902 Badger Board," at the Beta Theta Pi house, 614 Langdon street.

Competition Will Close Jan. 1.

Other work of all kinds suitable for the Badger and not entered in this contest is asked for. The Badger boxes are always open to such contributions. It may, perhaps, be unnecessary to state that persons contemplating entering this contest may contribute to as many of the different classes of work as they desire.

All literary matter must be unsigned. A sealed envelope containing the name of the author together with the literary matter should be placed in an envelope marked plainly as for which competition it is entered. The art contributions may be signed with the artist's name or initials.

No Recitations Next Tuesday.

Next Tuesday, November sixth, is election day. This being a legal holiday no recitations whatever will be held on that day.

Local and Personal.

—Robt Dow, '04, has left the University on account of poor health.

—The Alpha Phi will entertain a few of their friends this evening at their home.

—Senator Merrill and Ben S. Smith, alumni of the University, were before the Supreme court yesterday.

—Coach O'Dea made the announcement last night that in this year's races no freshman coxswains will be used.

—Miss Clara Glen, graduate student, has been obliged to leave for her home in Viroqua, on account of an affliction to her eyes.

—Miss D. L. Sime, '01, of Castle Rock, returned to the University Saturday. On account of sickness she had been detained.

—The Phi Chi fraternity held a banquet at the Bismarck Friday eve. in honor of several alumni and newly initiated members.

—Misses Jennie Sherrill, '02, and Josephine Weis, '03, have returned after three days at the state convention of the Y. W. C. A. held in Ripon Oct. 26-28.

—A gigantic demonstration is being planned by the Republican Club to take place here Monday night, the occasion being the close of the state campaign by candidate La Follette.

—Frequent applications have been made to the president of the Y. W. C. A. for young ladies to wait on table and perform other duties in return for board. Any young lady desirous of lessening college expenses should apply to Miss Wilcox, 519 Lake.

—The class that was reading Lessing's *Minna von Barnhelm* during the second semester of last year has presented Prof. Voss with a beautiful picture of the great German poet. Prof. Voss wishes to extend to the donors his heartfelt gratitude for the beautiful remembrance. The picture will be placed in room 3 of N. H.

—Prof. W. A. Henry is spending this week in northern Wisconsin. The cheap lands which he is viewing afford rare opportunities to young farmers in that section. As a result large numbers are migrating to these sections. The College of Agriculture is putting forth every effort for the better development of all portions of the state and especially in the newly settled portions.

Monday Holiday.

A communication has come to the Cardinal urging the granting of a holiday to students on the Monday preceding election day. The view taken by the writer seems to be well-founded. Agitation of the matter among the students might lead to some definite result.

Rooting.

To-morrow evening there will be held what is to be the largest and most enthusiastic mass meeting ever held at Wisconsin. The next day the team starts for its first championship battle and it must have a send-off that will reach clear to Minneapolis and last until Saturday night, when the game is done and won.

According to recent developments, the Minnesota team is Wisconsin's most formidable opponent of the season and a victory over her means that the race is half won. We are thoroughly assured that Wisconsin can and will win. The balance of chances seems to be very even but Wisconsin's main reliance will be upon the spirit of her team and rooters. It has been demonstrated time and time again that "Wisconsin spirit" like the "Yale spirit" is no myth. It must help to win a decisive victory Saturday against the disadvantages of distance, heavy field and superior weight. Minnesota's forces will be thoroughly organized for rooting and will exert a large influence. Wisconsin can depend on hearty support from her local alumni and friends but her chief dependence will be upon the cheering of the rooters that accompany the team. If these rooting forces do their duty they can equal the noise of any enthusiasm of any number of gopher supporters. The cheering of Wisconsin crowds has become a by-word in western football circles and it is up to us to retain the reputation we have acquired for loud, continuous, organized rooting.

It has helped to win games before and will be an all-powerful factor in Saturday's game. Wisconsin men should see to it that both at the mass-meeting and the game there is no lack of this support for the team. For the actual football we can trust Phil King's proteges to the limit.

COMMUNICATION.

To the Editor of the Cardinal:

The sentiment has been gaining ground among the students that the faculty ought to grant next Monday as a holiday. Tuesday, being election day, is a legal holiday, and the granting of Monday as an additional holiday would be acceptable in many ways. In the first place, many students who go home to vote could leave on Friday or Saturday and spend the time until Wednesday at home. Further, many students who are to attend the Minnesota game could take advantage of the extension of the rates, and remain over Monday. It would seem to the writer that the feeling is a reasonable one and should be taken into consideration.

The New Machine Shop.

The machine shop has been entirely reconstructed since the fire last spring. Walls, ceilings and machines are painted white and varnished. It is purposed to keep everything in the building perfectly clean. Everything being painted white any soiling is at once evident. Students will be asked to wear clean overalls. A notice will be posted to the effect that there is no law against having overalls washed. It is proposed to have this shop a model of neatness and cleanliness. The ladies are especially invited to inspect this building.

Dear Father:—After bucking hard all the week I took a constitutional around the pack up town and met several of the boys at the One Minute Coffee House. One fellow ordered "Adam and Eve on a raft" and a cup of fierce coffee. We all followed suit. It proved to be poached eggs on toast and the best Mocha and Java. Send me that V which ma is saving—that "calf money."

Artie.

A great many students are finding that a typewriter is almost a necessity. When we remember that one can get through with from three to ten times as much work on a typewriter as with a pen it does not seem strange that they are coming into almost universal use.

The Madison Cycle Co. at 113 State street rents all makes at very reasonable rates and also carries a full line of typewriter supplies.

Students will find our prices just as cheap as anybody's and the best and newest stock.
