## BADGERS SHOCK OHIO STATE'S TITLE HOPES

Game is Pitchers' Battle Between Stoll and Miller

A walk, an error, while a base was being stolen, and an error at home plate—these things won for the Wisconsin baseball nine over the powerful Ohio team by a 1 to 0 score yesterday afternoon at Camp Randall, and it was in the last half of the ninth inning.

The game was a pitcher's battle between Captain Russell Miller, Ohio State ace and Big Ten leader, and lanky George Stoll, young sophomore right-hander. And Stoll won. He pitched a wonderful game, pulling out of several tight holes in great style. This should not belittle the rest of the Badger nine, for every man worked hard and played well. Lamboley behind the bat played a bang-up game and should easily share honors with Stoll. Captain Ellingson, Steen, Tangen, Larson and the rest all did their share.

### Ohio Showed Class

Ohio demonstrated that it is a good team, it just cracked while the Badgers did not. Miller hurled an excellent game, allowing but three hits, but two errors in the final inning was too much.

Both teams came closest to scoring the last stanza, the Badgers succeeding in shoving over the winning counter. Tarbert led off in this frame for the Buckeyes with a single, his fourth in as many times at bat. He was sacrificed to second by Walther. Dempsey drew a pass. Tarbert advanced to third on Brashear's long fly to Edwards. Miller then walked, Dempsey going to second, and the bases were full. Matusoff, Buckeye leadoff man was at bat, and he had reached first three of the four previous times he had been at bat via a single and two walks. It looked like "so long ball game." But then it came down to Mr. George Stoll, and he delivered

(Continued on Page 3)

## DE LONGE SERVICE IS HIGHLY PRAISED

Campus Leaders Tell of Aid and Co-operation of the Studio

The necessity for cooperation between photographic publicity and major campus activities is shown in the results of this year's publicity campaign, conducted by DeLonge's studio as a means of insuring the best possible success for university activities. The studio has made a specialty of its publicity department this year and has handled the plan of publicity work for every activity during the school term.

O. F. DeLonge urges that all men who come into offices next year get together with him at the very beginning of their campaigns so that much of the previous lack of understanding of publicity work be avoided. Having worked with university committeemen for many years, Mr. DeLonge feels that he can give future officers the benefit of past experience. In order to show the value of this cooperation and the satisfaction that it has brought, a number of prominent student officers of the past year have stated their views of their work with DeLonge's.

Otis Wiese '26, editor of the 1926 Badger, said that he was impressed by the cooperation and timeliness of the studio in getting out pictures. All pictures were out three weeks ahead of any previous Badger illustrations.

Clifford Huff '26, 1925 Prom chairman, said that he admired the way the studio respected confidences, especially in the matter of keeping the identity of the Prom queen a secret until time to announce her.

"One of the finest evidences of civic interest in the university is the helpful support which DeLonge's studio has given to university activities during the past year," said Clifford Franseen '25, chairman of the Military Ball.

## KEYSTONE COUNCIL ORGANIZES FOR WORK NEXT YEAR

### New Members Are Installed; Lillian Twenhofel Named President

Keystone council, the organization composed of the presidents of all women's campus organizations, installed the members of the council for next year at a meeting in Lathrop parlors yesterday afternoon. Alice Corl '25, former president of W. S. G. A., presided.

#### Many Installed

The following women were installed:

Gwendolyn Drake '26, Mortar Board; Bernadine Chesley '26, Y. W. C. A.; Alberta Johnson '26, W. S. G. A.; Edith Jorris '26, W. A. A.; Margaret Birk '27, Crucible; Arline Dow '27, Castalia; Lillian Twenhofel '26, Blue Dragon; Elizabeth Adams '27, Yellow Tassel; Mary Louise Campbell '28, Red Gauntlet; Marian Biglow '26, Physical Education club; Myrtha Biehusen '26, Glee club and Mu Phi Epsilon.

Florence Berry '27, Pythia; Helen Wilkinson '26, Euthenics club; Fidelia Pease '26, Outing club; Elsa Mygdal '26, Dolphin club; Jean Hillyer '26, Collegiate League of Women Voters; Alice Colony '26, woman's editor of the Daily Cardinal; Pauline Dexter '26, Omicron Nu; Mary Schneider '26, Chadbourne hall; Helen Louise McNaught '26, Barnard hall.

Jane Gaston '27, census chairman of W. S. G. A.; Mary Eldredge '26, Clef club; Lydia Ziemann '26, Women's Commerce club; Isabel Pomrenge '26, Pan-hellenic; Janet Hull '26, Theta Sigma Phi.

#### Twenhofel is President

Lillian Twenhofel '26 is president in accordance with the constitution which provides that the president of Blue Dragon automatically becomes president of Keystone. Alice Colony '26 was elected to the office of secretary-treasurer which was held by Eulalie Beffel '27 this last year.

## DENNIS AT COLUMBUS TO COVER TRACK MEET

George Dennis '27, sports editor of the Daily Cardinal, left last night to represent this paper at the Big Ten track and field meet which will be held this week-end at Columbus, Ohio.

## BAND CONCERT IS PRAISED BY CRITIC

### Gives Final Twilight Musical Event of Year on Lincoln Terrace

By K. H.

The second university band gave its first concert performance at 6:30 o'clock on Lincoln terrace, last evening for the last twilight music event of this season. Heretofore this band has confined its playing entirely to military and athletic events and this is the first season that it has attempted a program of this type. Norval Church, grad., directed the orchestra.

The attack and general technique of the band were exceptionally good and its intonation throughout the concert was excellent. The execution of Gounod's "Faust" numbers was unusually well done, especially in the clarinet parts where the tones were very clear and sweet.

The "Henry VIII," "Morris Dance," "Shepherd Dance," and "Torch Dance," by Edward German and the four movements of the "Egyptian Ballet," by Ruggini were the other outstanding numbers.

## CREW SENDOFF

In order that everyone will be on hand Saturday at 12:15 to give the Crew a big sendoff when they leave to Pull Down the Hudson, all fraternities and sororities are requested to serve lunch at 11:45 Saturday.

## USE RED WAGON IN BIG CREW SENDOFF

### UNIFORM APPEARANCE IS URGED FOR SENIORS

Black cap, black gown, black hose, black shoes, with the only apparent white the stiff collar and a glimpse of the frock—this will be the costume of the women of the class of '25 on Commencement Day, and on Baccalaureate Sunday.

To preserve the uniformity of appearance, all graduating women are requested to get their stiff collars at the Co-op.

All Seniors who have not placed their orders for caps and gowns must do so by the first of the week if they want their orders filled correctly.

## PROFESSORS ARE MUCH IN DEMAND

### Many Will Teach at Other Institutions During Summer

Many well known faculty members from the regular staffs of various universities throughout the country are coming to Wisconsin to conduct courses during the summer session. Several faculty members here will take their places on the staffs of other colleges and universities.

Prof. Frederic A. Ogg, chairman of the department of political science, will conduct a course in Far Eastern politics in connection with the Institute of Politics at the University of Chicago.

Prof. V. A. C. Henmon, chairman of the department of education, will teach at Harvard university, conducting two courses of educational interest, "Individual Differences in the Measurement of Intelligence" and "The Psychology of Learning." Prof. C. R. Fish will conduct courses in American history in Leland Stanford university. Palo Alto, Calif. Columbia Law School has claimed Dean H. S. Richards, of the Law School.

Prof. A. S. Barr of the department of education will teach in the University of Chicago. Prof. R. S. Johnson of Wisconsin High school will also teach at this university and will conduct courses in the department of Romance languages. Mr. Norman Cameron of the philosophy department will pursue graduate studies at the University of Michigan. Prof. William Gorham Rice of the Law School will travel in Michigan and Wisconsin in behalf of the American Peace foundation.

## GRAD IS APPOINTED TO N. Y. UNIVERSITY STAFF

Announcement was received in Madison yesterday of the appointment of John Elmer NeCollins '92 to the staff of New York University in the School of Education. He will be the director of a newly established bureau of educational service. Mr. NeCollins will also be associated with Prof. Hollisdaun of New York university in the development of the department of musical education. He was formerly with the American Book company.

## Officers Elected by Band; Morphy Makes Appointments

Thomas Bailey '27, was elected president of the university bands at a recent business meeting. Other officers elected are Florian Hussa '27, vice-president; Robert Nelson '26, secretary-treasurer; Robert Zim '27, quartermaster and Ernest Kellogg '26, assistant quartermaster. Major Morphy has announced the appointment of Wardell Montgomery '27, as assistant band director for next year. Montgomery is now a member of the concert band. He has had previous experience in conducting musical organizations. The annual band banquet will be held the Sunday of baccalaureate exercises.

Students to Gather on Lower Campus at 12:15 O'Clock Saturday

Red Wagon days are back again. The varsity and freshman crews are ready to leave for the annual regatta at Poughkeepsie, June 22.

A send-off for the crew party will be held at 12:15 o'clock tomorrow noon on the lower campus. The party which is leaving for the Hudson consists of 16 oarsmen, two coxswains, four substitutes, two coaches, a faculty advisor, a doctor, and two commodores.

### Entrain at West Madison

The Red Wagon, the traditional symbol of Badger loyalty to its athletic teams, will be used to con-

All wearers of the "W" and class numerals are asked to wear them to the crew send-off. Fraternity and sorority houses are advancing their lunch hour to 11:45 o'clock, so that everyone may be at the celebration.

vey these representatives of the Cardinal to the Chicago, Milwaukee and St. Paul station in West Madison where they will entrain for the East at 1 o'clock.

The varsity cheer leader will be on hand to lead cheers and songs before the men leave the gymnasium to take their places on the Red Wagon. The second regimental band will be present.

### Record Set Last Year

After the celebration on the lower campus the party will parade down to the station where Coach "Dad" Vail and members of the crew will make short speeches. As the train leaves the station to carry the men to the scene of the country's rowing classic where the best college crews will compete, the students will sing "Varsity."

The send-off for the crew which was held last year as the crew left for Poughkeepsie where it placed second to Washington has remained as the best send-off given to any university team.

## NAME COMMITTEE FOR FATHERS' DAY

Otis Wiese Appointed Chairman of Event by President Birge

The committee to take charge of the annual Fathers' Day was announced late last night by President Birge. The committee has been announced before the close of the school year so that work can be started immediately and most of the preliminary matter will be disposed of before school commences in the fall.

Otis L. Wiese '26, has been appointed chairman by President Birge. He will be in charge of all the events for the occasion which has been set for the week-end of the Wisconsin-Michigan Aggie football game November 14.

The following men will work with Wiese for the event:

Norton V. Smith '26, Payson S. Wild '26, James Flickinger '26, Gordon Brine '26, Lowell Frautschi '27, Vernon Carrier '27, and James Vallee '26. This committee will function as one body working directly with Wiese and no further subcommittees will be appointed.

The same faculty committee that worked last year will again serve for this year's event and is made up of Dr. H. C. Bradley, chairman, Prof. Max Mason, Prof. Thomas L. Jones, and D. L. Halverson.

John Dillard '22 and Porter F. Butts '24, in the university recorders' office will be called upon to assist both committees in the various phases of their work.

"The committee last year set an excellent precedent for us to follow. Last year's committee was somewhat handicapped by a comparatively short time for preparation, so with the late date for the Fathers' week-end, we hope to be able to bring over 1,800 fathers to Madison," said Wiese last night.

## TRACK TEAM AT OHIO; MEN LOOK TO VICTORY

Non-conference Stars May Add  
to Chances of Badger  
Win

May the Cardinal of Wisconsin  
top the colors of their opponents  
when the final event is over at the  
Big Ten track meet to be held at  
Columbus today and tomorrow!

Last night Coach Jones and a  
squad of 25 trackmen entrained for  
the site of the meet, bent on showing  
the world that they are the  
equal, if not superior, to any track  
team in the conference. The men  
making the trip are, McAndrews,  
McGiveran, Francis, Hill, Kennedy,  
Hilberts, Flueck, Carter, Bergstresser,  
Cassidy, Valley, Schutt, Piper  
Perry, Kubly, Jirtle, McGinnis,  
Tuhtar, Krieger, Schwarze, Tressler,  
Kreuz, Schroeder, and Manager  
Taub.

### Relay Big Factor

Believing that the meet may be  
decided when the mile relay is run  
off, Coach Jones has spent a great  
deal of time with his quarter milers  
as to have them in shape to pick  
off one of the high point places in  
the relay. The Badgers will have  
one of the best relay teams at the  
meet and stand a good chance of  
crashing through with a first. Chi-  
cago, Northwestern, Butler and Illi-  
nois all have sterling quartets that  
will press the Badgers hard.

One of the most important fac-  
tors in deciding the eventual winner  
is the entry in the meet of stars  
from universities outside the Big  
Ten conference. One of the strongest  
teams of this sort is the aggregation  
from Butler College. Gray and  
Phillips are two men who will  
figure heavily in the scoring.

### Missouri Well Represented

Missouri will have a strong team  
in the meet with such men as  
Keeble, Brandon and Richardson,  
who are all sure to place. Harrington  
from Notre Dame is another  
man who will cut into the point  
column.

With these stars cutting in on  
some of the conference favorites  
there is a possibility that Michigan  
and Illinois, the two heavy favorites  
to cop high honors, will fall  
by the wayside and the more even-  
ly balanced team from Wisconsin  
breeze in to victory.

### Badgers Determined

After losing the indoor confer-  
ence meet in such a hard breaking  
fashion the Badgers are eager to go  
and show the world that they can  
win a conference meet barring acci-  
dents. Of course they are the  
technical conference indoor champs  
due to the ruling in regard to  
Brooker of Michigan, but every man  
who will wear a Cardinal jersey in  
tomorrow's finals is out to show all  
the spectators that they can take  
a track meet without the aid of eligi-  
bility decisions.

If the present warm weather con-  
tinues there will be several of the  
present conference records going by  
the boards. This is ideal record  
smashing weather. One mark that  
is almost certain to fall is the two  
mile mark. Phelps, Iowa ace,  
should lower it by several seconds  
if he hits his regular stride and  
don't break any legs. Anyway, it  
is going to be a great meet, and  
Wisconsin is out to win!

## TWO WOMEN MAKE SPORT HONORS

Wood and O'Brien First to  
Make Sigma Delta Psi  
Fraternity

Two Wisconsin men have fulfilled  
the necessary qualifications to be-  
come eligible for membership in  
Sigma Delta Psi, the national ath-  
letic fraternity.

Willis Wood, '25, of Appleton, a  
student in the law school, succeeded  
in passing all the required tests by  
Wednesday afternoon. S. Weldon  
O'Brien '26, an L. and S. student  
from Fort Smith, Ark., became eli-  
gible just fifteen minutes before  
Wood.

The race to see which would finish  
first was very exciting. The last  
requirement for both men was the  
hand stand for twenty seconds. This  
being one of the more difficult tests  
it took several trials before either  
man succeeded.

### Schedule Changes To Be Discussed In Big Ten

COLUMBUS, O.—Athletic direc-  
tors of the western conference will  
meet here tomorrow in annual session  
as a prelude to the twenty-  
fifth annual Big Ten track and field  
championships which get under way  
Friday. A number of important  
questions will engage the atten-  
tion of the athletic chiefs.

Suggestions for rotating football  
and baseball schedules of confer-  
ence teams in these sports in a  
manner similar to that which now  
governs the basketball schedules,  
will be heard.

Originally the proposal of L. W.  
St. John, Ohio State athletic director,  
the baseball rotation scheme  
would provide that each Big Ten  
team would annually meet its three  
natural rivals and three of the other  
six teams. In the alternate  
years it then would oppose the  
other three teams.

## Plan a PICNIC PARTY For this Week-end

### Big 10 Directors Meet in Columbus Conference Today

COLUMBUS, Ohio—Athletic direc-  
tors of the Western Conference  
will meet here today in annual session  
as a prelude to the twenty-  
fifth annual Big Ten track and field  
championships which get under way  
Friday. A number of important  
questions will engage the atten-  
tion of the athletic chiefs.

Suggestions for rotating football  
and baseball schedules of conference  
teams in these sports in a manner  
similar to that which now governs  
the basketball schedules, will be  
heard.

Originally the proposal of L. W.  
St. John, Ohio State athletic director,  
the baseball rotation scheme  
would provide that each Big Ten  
team would annually meet its three  
natural rivals and three of the other  
six teams. In the alternate  
years it then would oppose the  
other three teams.

### Annual Meet at Chicago Attracts Coast Tracksters

CHICAGO—Five coast schools al-  
ready are entered in the National  
Collegiate track and field meet,  
which will be held at Stagg Field  
a week from tomorrow. Stanford,  
California, Pomona, Occidental, and  
Washington are also entered. While  
Harvard, Yale and some of the other  
eastern teams refuse to recognize  
the meet, there will be a large num-  
ber of teams from that section. Am-  
herst, Penn, Bowdoin, Pittsburgh,  
New Hampshire, and Lehigh are  
among the entries to date. The best  
of the Western Conference and Mis-  
souri Valley stars also will be en-  
tered, but the Big Ten represen-  
tatives cannot be named until the  
championships are held tomorrow at  
Columbus.

ST. LOUIS—Rogers Hornsby, who  
Sunday became field manager of the  
St. Louis Cardinals, is a proud father.  
A son was born last night to Mr. and  
Mrs. Hornsby.

### NO MORE ATHLETICS FOR DUBUQUE SCHOOL

DUBUQUE, Iowa—The University of Dubuque stepped from inter-  
scholastic athletic competition last  
Wednesday as an unanimous ap-  
proval of the Board of trustees act-  
ing on the annual report of Presi-  
dent Karl Wettstone, whose report  
ambodied the athletic ban. Other  
Iowa colleges were asked to confer  
and discuss the abolition of "enrol-  
ling athletes by board, tuition, or any  
other pecuniary grants," following  
the passing of a resolution for such  
an action by the trustees. Dr. Wett-  
stone based his opposition to inter-  
collegiate athletics on the assertion  
that colleges cannot remain in in-  
tercollegiate competition without  
sacrificing their principles.

## WISCONSIN 1-0 VICTORY DROPS OHIO FROM BIG TEN LEAD

GAME IS REPLETE  
WITH INTERESTING  
PLAYS, OHIO GOOD

Two Errors in Final Inning  
Open Way for Badger  
Victory

ed. First "Mattie" got a long foul; then two balls, another strike; and he died swinging hard, but missing the sphere a foot.

Badgers Play Well

The Badgers in their turn at bat were determined to retaliate. Captain Ellingson led off with a walk. Edwards next up worked a hit and run with him, Cameron dropping Miller's throw at second base, Ellingson going to third on the play with Edwards reaching first safely. Larson then hit a weak grounder to Miller. Ellingson went down with the hit and slid home. Brashear received the ball from Miller and tagged Ellingson as he was sliding home, but dropped the ball as he was performing the play, Ellingson being safe and scoring the winning marker.

For Ohio, besides Captain Miller's good work on the mound, Tarbert, left-fielder, played a strong game collecting four hits in as many times at bat, a double and three singles. Matusoff, diminutive third basemen, also played a heady game, and fielded in big league style.

Matusoff led off with a single in the first inning for the Scarlet and Gray. He was sacrificed to second by Klee, and went to third on Karow's out, Wieland to Steen. Cameron popped to Ellingson.

Ohio Threatens in Second

For the Badgers, Tangen hit the first ball pitched, it being a long fly which Dempsey caught by making a running catch. Ellingson reached first due to Karow's fumbling his grounder, and went to second when Edwards drew a walk. Larson hit a pop fly to Karow, while Donagan sent one to Klee.

In the second inning the Buckeyes threatened to score. Tarbert lined out a double, the only extra base hit of the day. Klee popped a hot one through Steen getting to first, Tarbert going to third. Dempsey stole second, the Badgers pulling a delayed throw to second and caught Tarbert off third by running him down. This was the prettiest play of the game, and perhaps the best of the year. Brashear walked, but Miller was an easy out, Tangen to Steen.

Easy Outs in Third

The Cardinal nine went down one, two, three in their half of the inning. Steen was out, Matusoff to Walther; Lombole flied out to center field; and Wieland was out, Karow to Walther.

Matusoff drew a pass to open the third inning. Klee popped out to the pitcher, while Karow reached first on a fielder's choice. Matusoff going out on the play, due to running out of the base line when Ellingson tagged him. Karow was caught prettily off first base. Stoll, the first Badger up in the third knocked a fly to left field; Tangen then singled, but Ellingson and Edwards were easy outs.

Meet Chiego Tomorrow

Neither team threatened to score in the fourth inning; while in the fifth the Badger going out in order. The Buckeyes got six men on base in this inning, but each time they were cut down by good fielding.

The last three innings were interesting, neither team getting close to scoring distance. First base be-

### REMAINING GAMES

Today  
Ohio State at Minnesota.  
Saturday, June 6.  
Chicago at Wisconsin.  
Indiana at Purdue.

### CREWMEN HOLD LAST BIG PRACTICE; FROSH ELECT BASSETT CAPTAIN

With the rays of a mid-summer sun glistening on their oars, the freshman and varsity crews rowed in their last big practice on Lake Mendota last night. That practice was destined to be hampered by rough water and wind, but the spirit of the 16 men who are eager to be off for Poughkeepsie rose higher than ever.

A newly elected captain was escorted to the boat house by the freshman, who gave several lusty cheers in his behalf. Frazer Bassett of Chicago, the choice of the first year men, will lead them in the revival of Badger freshman participation on the Hudson.

#### Lineup Given

Definite lineups of the two crews were announced by Coach Vail and freshman coach Howard Johnson yesterday afternoon. Barring changes at Poughkeepsie the final lineup of the varsity will be: Capt. Oscar Teckemeyer, No. 7; Eric Grunitz, No. 6; K. C. Sly, No. 3; Jefferson Burrus, No. 5; Richard Rhode, No. 4; William Gerhardt, No. 2, and John McCarter, bow. "Shorty" Coulter will again cox the crew. Stuart Porter and James Van Wagener will make up the trip as substitutes after rowing against Culver on Saturday afternoon.

#### Kesting Frosh Stroke

Edwin Kesting is to be stroke of the freshman crew, Allen Bibby. No. 7; Franklin Orth, No. 6; Andrew Sellers, No. 5; Momaine York,

No. 4; Homer Kieweg, No. 3; Capt. Frazer Bassett, No. 2, and Harold Green, bow. Mark Bailes, diminutive 103-pounder, is the coxswain. Mark Griffith and Robert Zendtner have been chosen as substitutes.

Everything is in readiness for the departure of the Badger party tomorrow. The task of packing the shells in the special car will be completed this afternoon and they will be sent ahead at 4:15 o'clock.

#### One More Practice

Prof. Ray Owen of the College of Engineering will accompany the crews for the task of giving final examinations instead of Professor Kowalek as was previously reported. Dr. Earle of university clinic will follow the oarsmen east as medical advisor.

The varsity and freshman will take a short row on Lake Mendota in the old shells tonight. Coach Vail is anxious to get the workout inasmuch as the men will miss two days of rowing while on the trip.

### \$50,000 Offered For Lewis-Stecher Bout

CHICAGO—An offer of a \$50,000 purse for a heavyweight wrestling championship match here between Joe Stecher and Ed (Strangler) Lewis, was announced by Paddy Harmon, promoter of the annual six day bicycle races. He says he has the promise of Lewis and his manager for the match, and has opened negotiations with Stecher. The location of the match, he said, will be announced when the articles are signed.

### GRID LECTURES FOR NEXT FALL

Coaches Little, Brader, Uteritz  
Will Instruct Men During  
Noon Hour

"Through a series of noonday lectures, interfraternity, and independent football, we are going to make Wisconsin a football school with the entire intramural department in back of the proposition," said George Berg, director of intramurals, yesterday.

"The series of lectures which is to be given in the fall will be an innovation in American collegiate gridiron teaching," said Berg. "Coaches Little, Brader, and Uteritz are to go over in detail the work of the ends, backs, and linemen and the tactics and strategy of football before the fraternity and independent men who will assemble during the noon hours.

Greatnuptus was given to football at Wisconsin with the arrival of George Little. Spring Practice brought out a total of 140 men. Besides the varsity, fresh, and all-Americans some 600 men will be added to the ranks of the sport with the promotion of intramural football in October.

The intramural gridiron play will feature the open pass style of game. A man will be down when touched by an opposing player. In this way, the dangers of blocking and tackling will not have to be reckoned with, and the strategic angles of the game will be stressed.

## Here Lies

E. STU CROOKED

MET DEATH BY BAD ACCIDENT AT

FINAL EXAM

Buried by

Disciplinary Committee

May He Lie No More

## A SAD TALE

No one attended the burial ceremonies of E. Stu Crooked, everyone said it was his own funeral. No tears were shed, no grief was wasted on him. He dug his own grave, the watching instructor caught him, the Disciplinary committee shoved him in and didn't take the time to throw a few spadefuls of dirt in on his face. They didn't have time, they had to decide what to do with Stu's brother. He handed in a topic that wasn't his own, and was caught. They didn't bury him, they just burdened him with a few extra credits.

But after Stu's gone there will be many of his relations left in the university. And many of them won't get caught, which is unfortunate. Why do they come to the university. Surely not to get an education. Handing in some other person's topic for one's own isn't getting an education. There is no value in doing that except that it lets one through the course without doing the work.

To crib on the final exam and pass it gets one the credits but doesn't bring one any real value from the course. A student may cheat his way through four years of university work and receive a degree at the end, but what does that degree mean. It means for little. It comes to the recipient on false pretenses, and the faculty is none the wiser.

Well, what of it, you say. That makes no difference if you know that your degree represents an education earned. But, don't you see, one rotten apple can spoil the whole barrel. And can also make its presence obnoxious to the good apples in the barrel. So it goes on our campus. The freshman hears and sees the upperclassmen cheat successfully. He is tempted. It is an easy way to "get by." But the freshman is not the only student who is tempted because it looks so easy. Sophomores and upperclassmen are not entirely unimpressionable.

And the cheater makes himself obnoxious when he worries one by asking questions during the exam or inconveniences one trying to borrow a topic or paper to copy and hand in. He always acts peeved when he is refused.

The Disciplinary committee handles those cases which come to it quite efficiently but in proportion to the amount of dishonest work which we have seen in the university the number of cases coming before the Disciplinary committee is small. More E. Stu Crooked's and his relations should be buried.

## PUT THOSE HAMMERS AWAY

"Lay off" the anvil chorus.

Yesterday we thought we heard from the anvil chorus again, to wit the following conversation:

"Are you going to summer school this year?"

"Naw."

"Neither am I. I don't think anyone is."

There is no harm in a little conversation like that, you say. No there isn't—if it only happened once. But, both those persons will very likely repeat that conversation. The two persons who hear it from them will repeat it and soon the general impression that the summer session attendance is going to be poor and no one is going will reign. Many persons will be discouraged from going by this impression. Then the anvil chorus will have done its work.

However, we don't think the above will happen, because the anvil chorus has gotten well started and summer school is a rather large proposition to be harmed in such a way. But we earnestly believe Prom and other student activities were harmed in that way during this past year.

And why should the anvil chorus exist. Those who participate in it really have no intention of doing any harm. They just repeat what they have heard, not knowing whether the facts back up their statements. But an impression is created. Prom, or to attend summer school isn't the thing to do. A great many persons allow their decisions to be affected by this consideration.

There is too much anvil chorus about this university. Students, especially after the poor year which activities have had, are too willing to join in.

Put those hammers away, dump the anvil in the lake and boost instead of knock.

## THANK YOU, PLUS A MORAL

A very unusual thing has happened. A man who is not an alumnus of Wisconsin has contributed \$1,000 to the Memorial Union fund. And for good measure he sent along \$1,250 for the student loan fund. This man is Albert B. Kuppenheimer of Chicago. He is the "Good Clothes" man. Perhaps you have one of his coats on now. For the student body we wish to thank Mr. Kuppenheimer for his gracious contribution.

But, readers, there is a moral to be drawn from this announcement, please continue reading. If a man who is not an alumnus can find it possible to contribute \$1,000 to a project which he, it is unlikely, will ever be able to enjoy, doesn't it seem reasonable that every student should find it possible to take at least a \$50 life membership in the Memorial Union.

Of course, Mr. Kuppenheimer probably has lots of money and students haven't much to spare, but it is the spirit that counts. And to scrape \$50 together in the time that the Memorial Union allows really isn't so hard if the right spirit is there.

Thank you, again, Mr. Kuppenheimer.

That new backstop which is being built on the lower campus is a great thing, but it is a month and a half late. Why, oh, why.

A new plank for our platform: An electric fan with each blue book.

The instructor couldn't understand why he was greeted with an uproar of laughter when he said at the beginning of the final, "Are there any questions on this exam?"

We can play safe by making the horizon our goal; it will always be ahead of us.

Many speakers are gifted in that they can talk for an hour without thinking thirty seconds.

Cowhide may be the best leather for shoes but banana peels make the best slippers.

Climbing numerous flights of stairs may seem to "get us down," but we must admit that it finally gets us up.

The reason knowledge goes in one ear and out the other with some people is that there is nothing between to stop it.

Some pious churchgoers prefer severe preachers, believing a few home truths will do their neighbors no harm.

The Swedish Match Corporation is turning out a match a day for every person in the world. This is a mistake, because too many people aren't responsible enough to carry matches.

NOTE. Set your time-fuse for this one.

"Your Octopus charm looks like a Phi Beta key twenty feet away."

"But I'm not gonna wear it twenty feet away."

LEUHRING WILL BE CAMP SUPERVISOR

Minnesota Professor Consents to Direct Swim Tests in Western Schools

In response to a request of the mid-western division of the National Association of Directors of Girls' Camps, Prof. F. W. Luehring, head of the men's department of physical education at the University of Minnesota, consented to supervise the life saving tests given in accordance with the swimming and life saving standards for summer camps as prepared by the swimming committee of the above association at the University of Wisconsin.

This is the first time that Prof. Luehring, who is a member of the rules committee of the American Swimming association, chairman of the National Collegiate Swimming Rules committee, editor of the Swimming Guide, and who has standardized the life saving tests for the National Association of Directors of Girls' camps, has consented to supervise these tests in mid-western schools.

## Bulletin Board

This column is for the use of all organizations and university staff members who wish to reach large groups readily. No charge is made for notices. Notices may be brought to the editorial office in the Union building, 752 Langdon street, or phoned to Badger 250 before 5 o'clock of the day preceding publication.

## WOMEN'S GYM

All women's gymnasium clothes must be removed from the lockers in Lathrop hall and Field House before next Wednesday.

## CATHALIA

The regular meeting of Castalia literary society will not be held tonight.

this one before we make our exit:

"What are they putting up that chicken coop on the Lower campus for?"

"That, my dear, is to keep the foul from flying out of the yard!"

The Coranto children are afraid to put their heads out-of-doors since the dear little fellows across the way have taken up aerial golf.

According to Wild Bill Kiekhofe yesterday:

"For some men college means sitting around, smoking, and telling stories—of one kind or another."

"For some women, college means dances, dating and parties—of one kind or another."

And then, as the story goes, the roof fellin.

"Why is that ed wandering around so aimlessly?"

"He must have tried to find a parking place in Barnard parlors."

"THIS IS THE BUNK," SAID THE PORTER AS HE THREW THE BAGS INTO NO. 6—HAMP.

"Why," asks Knight Ridor, "is the Historical libe so popular?"

"Because it's a good place to look up dates."

In the good old days, one administered a stinging rebuke by saying "Where do you get that stuff?"

Nowadays it's a sign of friendship.

Now we know why we couldn't get in the Badger office yesterday morning. There were seven "lost" ad: in the deet, all offering rewards, and the bunch was out with the office bloodhound searching.

And tomorrow, dear children, the family will get together for the last time this year. If there is room for him t' squeeze himself into the picture, you will find him near the end,

## WORLD of SOCIETY

Frederick Baker '25  
and M. Darlington  
to Wed on June 27

Invitations are out for the wedding of Margaret Darlington of Chicago to Frederick Sherman Baker, Jr. '25 of Evanston, to be held at St. Luke's Chapel in Evanston on June 27. A wedding reception will be held at the Evanston Country Club following the ceremony. Miss Darlington attended school in the East. Mr. Baker is a member of Haresfoot and Chi Psi.

Helen Callsen '25  
Engaged to Marry  
H. Bower Stair '25

Announcement was made last night at the Chi Omega and Theta Xi houses of the engagement of Helen Callsen '25 of Chicago to H. Bower Stair '25 of Brodhead, Wisconsin. Miss Callsen is a member of Phi Kappa Phi, Omicron Nu, Phi Upsilon Omicron and Chi Omega. Mr. Stair is a member of Alpha Kappa Psi and Theta Xi. No definite date has been set for the wedding.

Catherine Corbett  
and James W. Halls  
to Wed on June 24

Invitations are out for the wedding of Catherine Corbett '24 to Mr. James Winslow Halls, on Wednesday, June 24 at Plymouth, Wisconsin. Miss Corbett was a member of Gamma Phi Beta and Dolphin club. Mr. Halls was a member of Psi Upsilon.

Katherine Cromer  
and Delbert Talley  
Announce Betrothal

The engagement of Katherine Cromer '25 of Aurora, Illinois, to Delbert H. Talley '25 of Terra Haute, Indiana. Miss Cromer is a member of Gamma Phi Beta, and Mr. Talley is a member of Tumus, Interigate, Haresfoot and Phi Kappa Psi.

PRINCE OF WALES CLUB  
WILL PICNIC MONDAY

The Prince of Wales club is having a picnic horseback ride from 5 to 8 o'clock in the afternoon of June 8. Only club members will participate. The ride will be along the shores of Mendota and at some point food will be brought to be served when the picnickers arrive. It is the farewell ride of the year.

ED. L. SIMMONS AND  
DANE VERMILLION WED

Cards have been received announcing the wedding of Dane E. Vermillion '23 to Mr. Edward Lee Simmons, on June 2, at Centerville, Iowa. Mrs. Simmons is a member of Gamma Phi Beta.

Flammarion, Noted  
Astronomer, Is Dead

PARIS — Camille Flammarion, the noted French astronomer, died here today.

to Be Married Soon

Announcement has been made at the Gamma Phi Beta house of the engagement of Eleanor Day '24 of Indianapolis to Joseph Carleton Hobrook '22 of Los Angeles. Miss Day is a member of Gamma Phi Beta, and Mr. Hobrook is a member of the Wisconsin chapter of Sigma Chi. The wedding will take place June 20 in Indianapolis.

DR. HERMAN FINER IS  
GUEST OF UNIVERSITY

Dr. Herman Finer of London who is the head of the Economic and Political department of the University of London has given several

special lectures to political science classes during the past week. Dr. Finer is in the city at the request of Prof. Frederic A. Ogg, chairman of the department of political science. Yesterday he spoke to several members of the faculty at a dinner given in his honor at the University club. Dr. Finer is traveling in this country studying problems.

Rebeccah Rabinoff  
Awarded New York  
Social Fellowship

Announcement has been made of the award to Rebeccah Rabinoff '25 of the Kennedy Fellowship at the New York School of Social Work. The Fellowship is for \$1,200 in addition to tuition for nine months study. Four such fellowships are offered each year throughout the United States for which competitive examinations are given. Decisions are based on satisfactory evidence of ability and adaptability for social work.

## CABMEN EXPRESS VARIED OPINIONS

### Taxi Drivers Say What They Think of University Students

What do Madison taxi drivers think of university men and women?

To have that question answered, a host of inquiring reporters set out yesterday afternoon for the respective offices of the Yellow Cab company and the Checker Cab company and they did not come back empty handed.

Yet, frankly, the information obtained proves nothing. The cabmen assured us that in general they preferred university students to other fares, but were in total disagreement as to the superiority of either gender. That opinions vary is shown in the following interviews:

Earl Burwell, Yellow. — I've been in this game for 20 years. Dad and I used to run a livery. We didn't have meters in those days and often had to wait around for students to finish taking their baths. They haven't improved a particle since then, but then we don't expect anything different.

Bob Bender, Checker starter at Northwestern station. — I think the women are worse. They take half an hour before they get into a car. They lose their addresses in their pocket books. I pack a lot of them in every day.

George Lawrence, Yellow. —

You have to wait around a good deal more for women than for men. They're in such a hurry that they're slow. One out of five girls leaves something in the cab and has to run back for it.

H. L. Ray, Checker. — Women, in ordering taxis to meet trains, lose more time than the men do. A co-ed rarely rushes madly and excitedly the way a good many men do.

John Hatfield, Yellow. — Men and women students are all the same to me except on Friday and Saturday nights when the women, going to parties, keep us waiting.

E. D. Lynch, Checker. — I find the woman no more fussy than the man. A student is so used to cab riding that he knows exactly what to do. The old women, not the young ones, get into cabs before they know where they are headed.

### WILL APPOINT THREE TO BOARD OF VISITORS

Probable appointments for the three members of the board of visitors of the university are being speculated upon as the regents are preparing for the annual meeting. July 1 marks the expiration of the term of office of Edward N. McMahon, Milwaukee, regent appointee; Catherine Cleveland, Chicago; alumni appointee; and Carl J. Hesgard, Orfordsville, executive appointee. The alumni and regents will probably make their selections at their meeting at commencement time. The alumni meeting will be June 20 and the regents' meeting June 19.

## FRIEND OF SCHOOL MAKES DONATION

Albert Kuppenheimer contributes \$1,000 to Memorial Union Fund

Albert B. Kuppenheimer of Chicago, former president of the clothing company that bears his name, has just given \$1,000 to the Memorial Union fund. This is the first substantial donation to the Memorial Union received from a man who is neither an alumnus nor a resident of the state. At the same time he gave \$1,250 to the student loan fund making his total contributions to that fund \$3,000.

In making his gift to the Memorial Union Mr. Kuppenheimer expressed deep interest in the work of the classes of 1925 and 1928 to raise a substantial quota for the building and complimenting them on this evidence of their sense of responsibility to the university.

"The fact that the students desire a unifying center as a means of creating a sound public opinion seems to me a very fine thing," said Mr. Kuppenheimer. "We can see in our community life in the city and state and even in small groups, the need for an unselfish and high-spirited public opinion."

Mr. Kuppenheimer has for some time been interested in the student loan fund and during the years since his first gift total of 400 students have been aided by the fund. These funds are kept constantly at work through loans of small amounts to students in real need, and are administered by Prof. Julius Olsen.

## Plan on Payment of \$5,000 Toward New Tabard Inn

Negotiations are being made to raise \$5,000 as the initial payment on a new house for Tabard Inn. The old house will be used as a nurse's home next year, and since there is little prospect of having dormitories for many years to come, the only alternative is to establish a new cooperative house.

Tabard Inn has been very successful under the cooperative plan this year, and has illustrated the value of having a group of girls own their own house. Dean Louise Nardin has \$600 that has been donated by sororities for this purpose and plans are being formed to have each sorority pledge a definite sum to be paid within five years.

The house that is being considered for the new Tabard Inn is located at 420 N. Murray street.

## Monroe Valedictorian Too Ill For Ceremonies

MONROE — Miss Anna Blum, valedictorian of the Monroe high school graduating class, is ill with diphtheria and will be unable to attend the commencement exercises Thursday. She is a sister of Dist. Atty. Bruce M. Blum.

## FELLOWS
