The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

4 Good Reasons to Join

1. The Finest Books. Of the hundreds of books submitted to us each year, only the very finest are selected and offered.

2. Big Savings. In addition to getting 3 books for only 99¢ each when you join, you'll receive discounts on the books you choose to purchase. Discounts range from 15% to 30% off the publishers' prices, and occasionally even more. (For example, your total savings as a trial member—including this introductory offer can easily be over 50%. That's like getting every other book free!)

3. Bonus Books. Also, you will immediately become eligible to participate in our Bonus Book Plan, with savings of more than 50% off the publishers' prices.

4. Convenient Service. At 3-4 week intervals (15 times per year), you will receive the Nurse's Book Society News, describing the Main Selection and Alternate Selections, together with a dated reply card. In addition, up to three times a year, you may receive offers of Special Selections which will be made available to a group of select members. If you want the Main Selection, do nothing, and it will be sent to you automatically. If you prefer another selection, or no book at all, simply indicate your choice on the card and return it by the date specified. You will have at least 10 days to decide. If, because of late mail delivery of the News, you should receive a book you do not want, we guarantee return postage.
