## In Memory Of

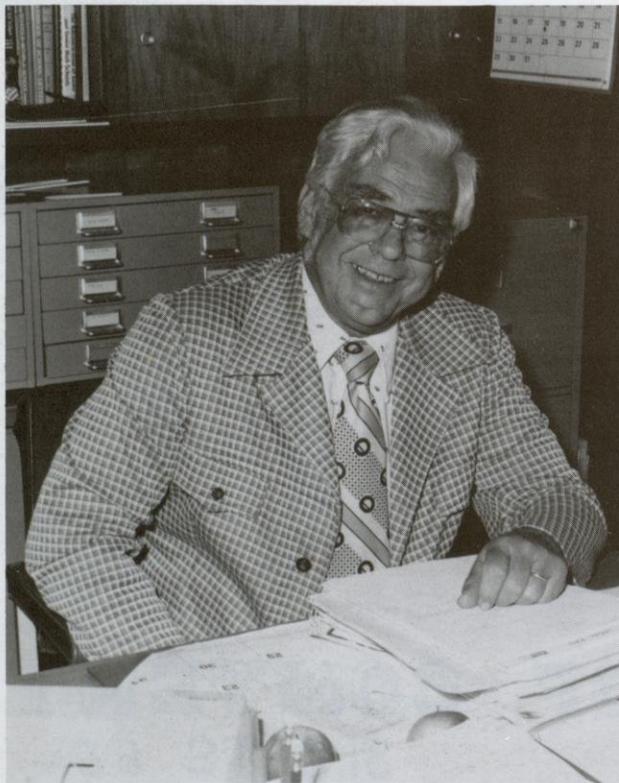

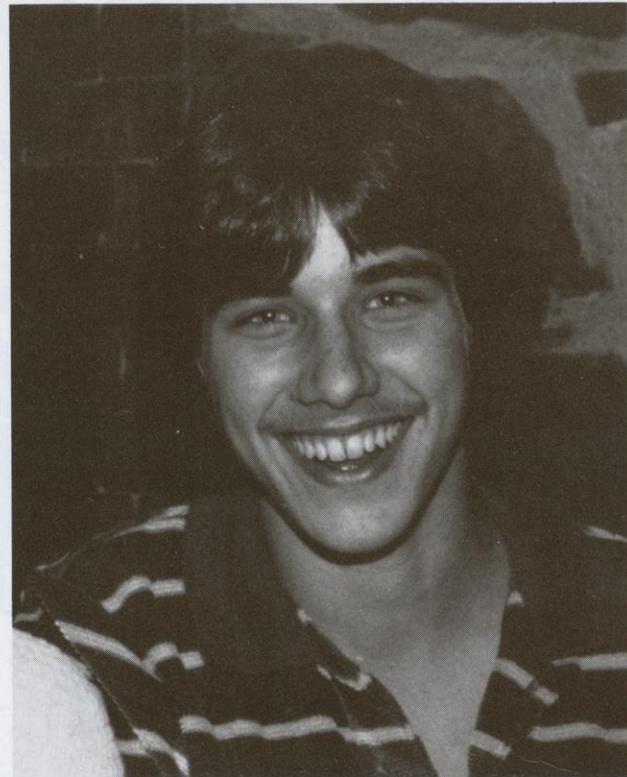

Charles Kevin Johnson

Born  
May 27, 1965

Lord, I cry unto thee: Make  
haste unto me: give ear  
unto my voice, when I cry  
unto thee. Let my prayer  
be set forth before thee as  
incense: and the lifting up  
of my hands as the evening  
sacrifice.  
Psalm 141:1,2

Chuck passed away on  
April 19, 1982

"A friend gone, but not forgotten"

At this time I would like to thank all employees and students for making my years at Waterford Union High School the most enjoyable of my many years in education. I would also like to congratulate all of you for successfully completing your years work and wish you continued success in the future.

In the over 20 years I have been at Waterford Union High School, the Administration, Board of Education, and Staff have always been dedicated to provide the very best education — a quality program geared to the needs of all students. I am sure this will continue in the future. Goodbye for now.

*A. K. Carter*

In March of 1965, with a brand-new masters degree in Guidance and Counseling from Marquette University and just in time for the first North Central Evaluation, I joined the guidance staff of Waterford High School. The paths to that point were varied.

After graduation from Mount Mary College with a major in vocal music and minor in English, I taught H.S. English, geography, glee club, and also grade school music. Marriage, two sons, and widowhood led back to English teaching. In between was Girl Scout Leader, Cub Scout Den Mother, Boy Scout Merit Badge Counselor and book store manager.

Liking the idea of staying in education — but on the helping end — drew me back into guidance. I have never regreted it — even though many don't recognize this help, the very essence of guidance, as helping others make up their own minds. That hasn't changed in 18 years — humans are still human.

# History Of WHS

Waterford High School began with just three teachers and 42 students. The high school level was added to the graded school in 1904. The classes were held in three rooms of the graded school. The first class to graduate, in 1906, consisted of six students!

A separate building to house high school students was first built in 1916. That building was adequate until 1941 when a lack of space necessitated an addition. This addition included four new classrooms, a new library, and a gymnasium with a stage leading to the previous seven classrooms. A solarium was later built on the third story.

1957 saw many additions to the high school. The number of classrooms rose to 24 and the gymnasium and library

were enlarged. It was during this year that Waterford also acquired its present cafeteria and kitchen. Six years later, in 1963, another addition brought the number of classrooms to 38.

In 1964, the original section that had been built in 1916 had to be torn down because it was deemed unsafe. The present building, therefore, has no portions dating before 1941.

During this entire growth period, another expansion was taking place at Waterford High School. There was a sharp increase in enrollment. It grew from its original 42 to approximately 800.

## The 1982 Homecoming Events

The 1982 Homecoming was one of the best ever. It all started with a parade down Main Street. The band, cheerleaders, floats and clowns all made it an event worth watching. The streets were lined with not only students but also residents of the area. Everyone loves a parade and as it came to an end the students moved on to the school Athletic field where . . .

The new Pep Club keeps WHS spirits high.

Louder; what did you say?

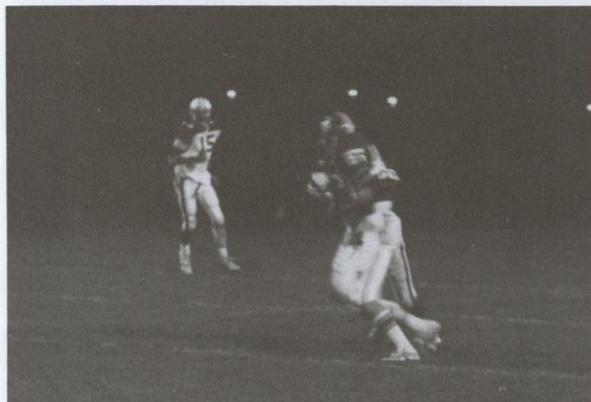

Waterford's beautiful cheerleaders?

The pep rally was held. Students competed against each other in strange but funny events, the cheerleaders and Pom Pon girls performed their routines and every one had a great time. One of the highlights of the pep rally was the male cheerleaders. Those guys got us ready to cheer for

The Homecoming Dance. More couples than usual showed up for the dance. The gym was decorated in a barnyard type decor and the crowd danced to the good vibrations of STAR FIRE. Everyone enjoyed themselves — it seemed like they didn't want it to end. All in all, this year's Homecoming was a great success.

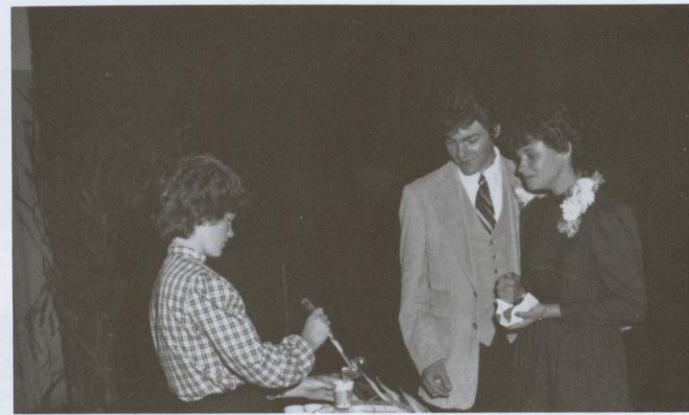

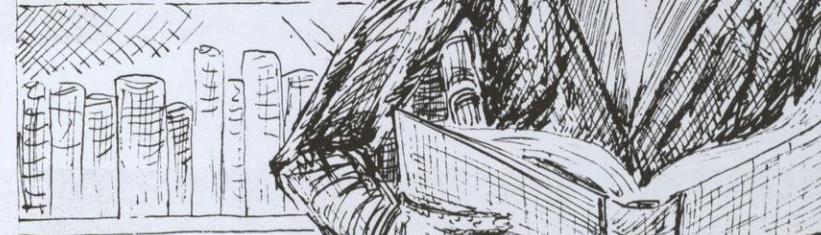

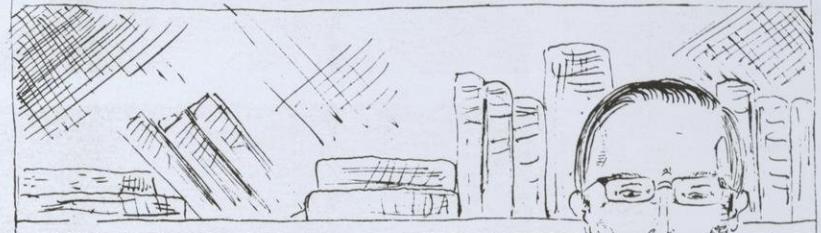

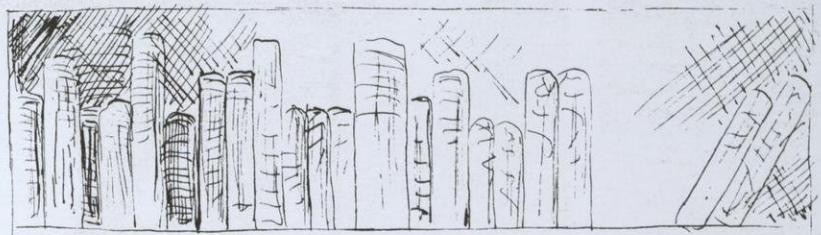

This must be a slow dance.

Time out for refreshments.

## ADMINISTRATION

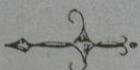

"I can't recall my graduating class prophecy that was distributed to us twenty five years ago, but I do know one thing for certain. I would have been the least likely candidate to become a School Superintendent. At that time I thought of being a lawyer, a businessman, or a professional athlete. Besides these interests, my classmates would attest that my behavior wasn't conducive to my becoming an educator unless you could preach that I could correct bad behavior because I had plenty of experience in it."

"Well, here I am. A question might be, how did I get here? An interest in teaching and coaching was kindled by athletic participation, experiencing good teachers, and the realization that I enjoyed schools and students. This career in education has included teaching, counseling, coaching and for the past 11 years I have been a High School Principal. While at times the pace has been hectic, it has been enjoyable and given much satisfaction, I view my selection as Superintendent as an opportunity to meet new challenges and to contribute what I can."

Mr. Zuelsdorf, who is in his 28th year of Secondary Education and his 26th year at Waterford High School, came here to teach biology, physics, and phy. ed. He was given the coaching duties of Asst. football, head basketball, and the job of starting a track program. He was also assigned Sophomore class advisor and boys recreation, which met for one hour each week. He has also taught English, algebra, chemistry, and general science. He was the Athletic Director here for 14 years and Asst. Principal for 11.

"I believe this school is here to benefit the students. Therefore, their objectives should be to learn, grow, and leave here emotionally and mentally mature. It is our job as administrators, teachers, and support staff to help them reach these objectives. If all of us here at Waterford High School keep this foremost in mind as our goal and respect each others role in trying to accomplish this, we will all flourish and not just survive."

## GUIDANCE

Counselors: Mr. Koprowski, Mr. Davison, Mrs. Albright

One of the busiest places in school is the guidance office. Besides counseling students on future schooling they also are there to listen and help with personal problems. These consist of family hardships, teacher problems, and grade difficulties. The freshmen see Mr. Davison, the sophomores see Mr. Koprowski, and the juniors see Mrs. Albright. The seniors are divided equally among them. This is Mrs. Albright's last year at Waterford High.

College representatives, social workers, speech therapists, county nurses, school psychologists, military recruiters, and drug and alcohol counselors all work out of this office. The scheduling and grading work is also completed here.

## MATHEMATICS

I think that's a regular-sided octahedron concentric with an obtuse circle," cries a confused student in Mrs. Cooks geometry class. "Not to fear," says she, "that's only a fingerprint on the photocopy sheet." There is disagreement in the class so the figure is taken over to Mr. Kelm for analysis. "If we take the square of the log times its commutative inverse," he states, "then it is entirely possible that the sin of  $I = A^+(B - (C^2 * 3.14))$ , correct?" Still in the dark about the strange symbol, the perplexed student goes to Mr. Hammer who imputes "N" into one of the newly-acquired Apple II's and comes up with an OD ERROR IN PROGRAM. The exasperated student finally hands the paper to Mr. Christiansen who neatly folds up the paper and with the grace of Marcus Johnson, tosses it into the trash.

Gee, it's almost time for M\*A\*S\*H!

Left to right: Mrs. Cook, Mrs. Paetsch, Mr. Kelm, Mr. Hammer

# SCIENCE

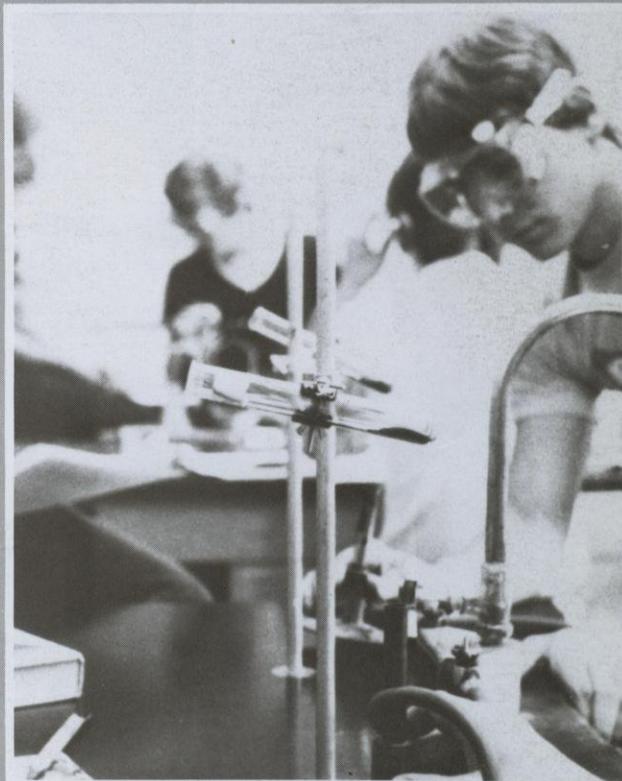

**Left to right:** Mr. Brandstetter, Miss Kooping, Mr. Bixler, Mr. Harmeling, Mr. Nannemann

Science is the backbone of society; the supreme imagination of the brilliant. The . . . the most useless course offered at WHS.

Why will it be useful for me to know that oxygen is diatomic when I become a professional underwater basketweaver? Well, you can't argue with logic. But the fact of the matter is that science really **is** the very backbone of society.

Take, for example, peanut brittle. Whenever a first year chemistry graduate bites into a chunk of peanut brittle, his thoughts return to Mrs. Kooping's confectionery. Located only two doors down is the Biology room. As the end of the year draws closer, Mr. Bixler assigns his annual insect hunt. Look out, Mother Nature, here comes the sophomores!

Mr. Brandstetter, Mr. Nannemann, and Mr. Harmeling all have the pleasure of welcoming the only true science enthusiasts at Waterford High, the freshmen.

## SOCIAL STUDIES

Social Studies, in most cases, is not a loved subject. As much as the teachers try, it will never be called a student's best loved school subject. The hard trying teachers at WHS do their best to make dates and other rather bland, boring history events seem interesting to doubting students. If the students had to do the teaching, surely they could do no better. Hats off to the infamous social studies teachers!

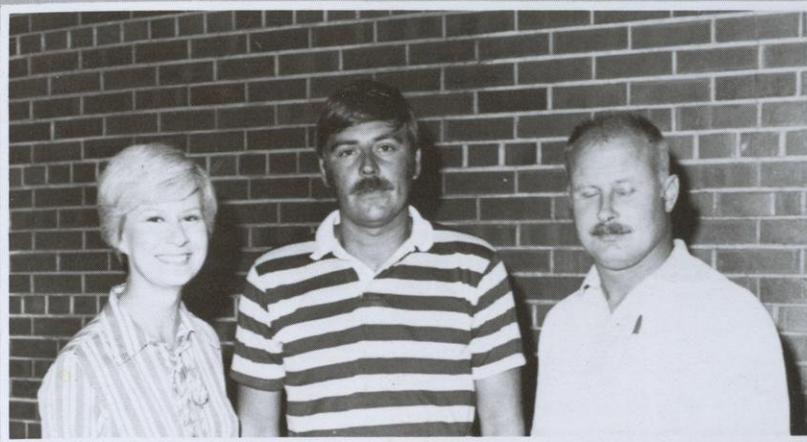

**Left to right:** Mr. Edwards, Mr. Hying, Mr. Baas

**Left to right:** Mr. Rau, Mr. Sadowski, Mr. Olsen

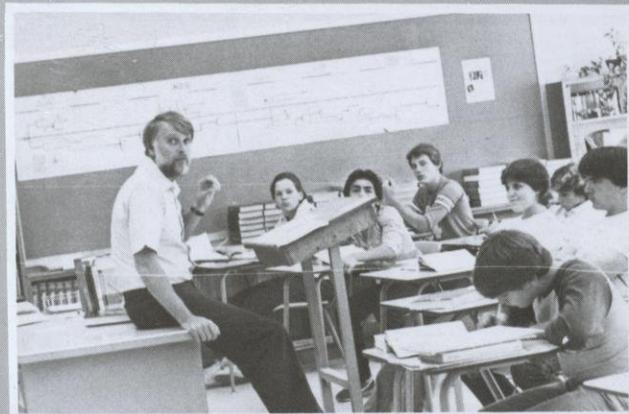

## ENGLISH

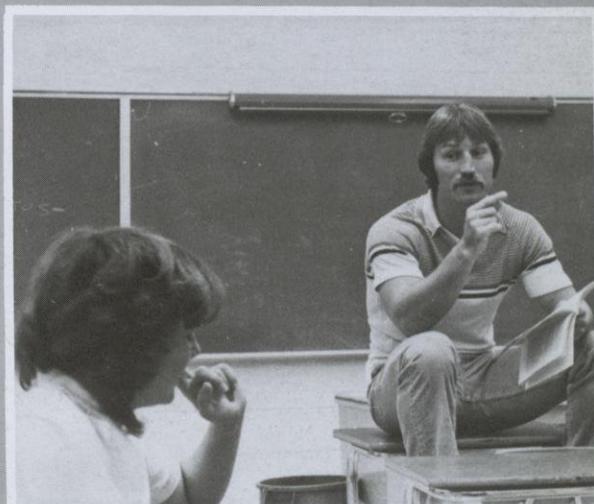

**Left to right:** Mrs. Bousquet, Mr. Beischer, Mr. Bahr

**Left to right:** Mrs. Werner, Mr. LeClair, Mr. Eckhardt, Mrs. Kau

Mr. Eckhardt? (or, the bearded wonder)

Three years of English are required at Waterford, and few students get by without having to write some kind of term paper. Writing is a talent that many students attempt in their three to four years in English, and as some of the more frustrated students find out, the word can be mightier than the pen. If this is the case, one may turn in his pen and ink and enroll in speech class, one of the school's fastest growing fields of study. Literature courses require determination that is not simply satisfied by written or spoken English. There must exist the need to understand the English language at its finest.

## FOREIGN LANGUAGE

It looks like the Badgers and Louis XVI have something in common.

Spanish, Latin, and French are taught in the foreign language department. Learning a foreign language also gives the students a good basis for a better understanding of the English language. The language labs are modern and up-to-date. Miss Schuster teaches Spanish; Mrs. Kau, French; and Mr. Hying, Latin. Although foreign languages are not required to enter many colleges, they remain quite popular here in high school.

Left to right: Mr. Hying, Mrs. Kau, Miss Schuster

## BUSINESS EDUCATION

Left to right: Miss Ranke, Mr. Bruce, Mrs. Held

## HOME ECONOMICS

"Yum, what's that smell?!" That's the remark of students and staff walking through the first floor hall. The foods classes delight us with aromas of fresh bread, bacon and sometimes onions. Occasionally a lucky teacher or secretary is invited to share a meal with them. The clothing classes are also active sewing T-shirts or other simple garments. The singles living classes are taught how to deal with family life. Mock weddings are often held to emphasize family events. Child development classes hold a nursery school for approximately four weeks. It is a time when it is not uncommon to hear youngsters crying or giggling in the halls.

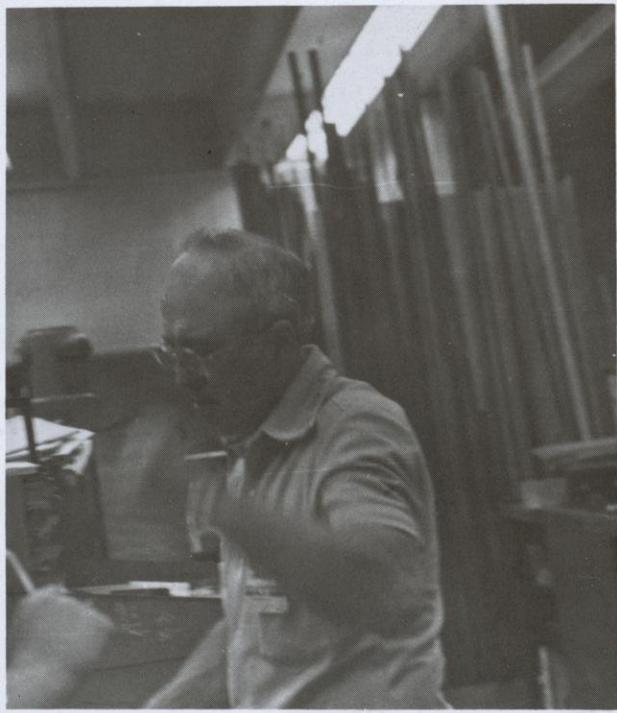

Left to right: Mrs. Noltner, Mrs. Nitka

## INDUSTRIAL ARTS

Left to right: Mr. McDermott, Mr. Whitford, Mr. Frye, Mr. Wickler

The buzzing of saws and the revving of engines are familiar sounds on the first floor. The Industrial Arts students turn out some beautiful woodworking and metal items under the very capable supervision of the qualified instructors. The electricity, small engines, and mechanical drawing classes give a good background to future contractors, architects, and mechanics. Mr. Frye's welding students have won medals for their ability. The classes consist of both male and female students. It no longer seems strange to see female students in all of the Industrial Arts classes.

"Do it my way. OR ELSE!"

## PHYSICAL EDUCATION

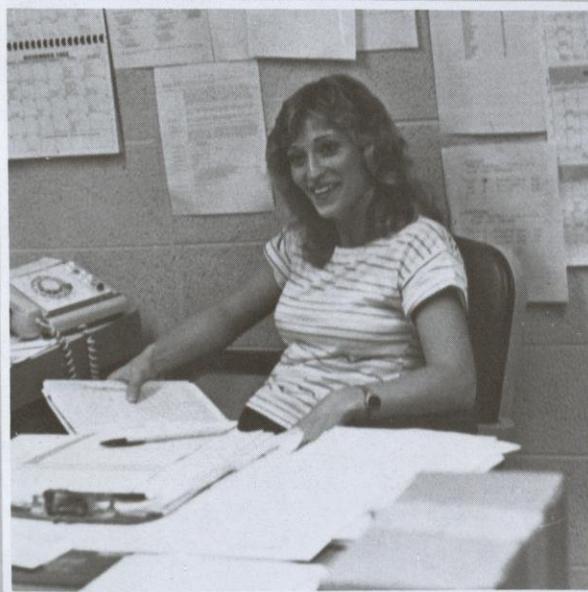

**Left to right:** Mrs. Beck, Mr. Gettrust, Miss Deichl, Mr. Harmeling, Miss Schuster

"Count off!" One, two, three, four . . ." Oh yes, Mr. Gettrust makes sure that all of his students can count to four before they've finished physical education. He believes in a strong body **and** a sound mind.

The physical education department offers a diversified group of activities. Besides the usual sports, such as vol-

leyball, golf, and basketball, square dancing and the Irish jig are also required. Whenever the weather is nice enough, and sometimes not so nice, classes are held outside. Physical is a required course and by state law a certain number of hours must be completed by each student. Uniform gym suits are not required as they were years ago. Comfortable sports clothes are acceptable.

Now hold that position for twenty seconds.

## ART

Mrs. Kipper

Through the years, art has been a way of expressing one's feelings. Waterford High School offers a good variety of art classes in which one may express himself. Students are taught the fundamentals of art and then are allowed to branch off into the different lines of art that they prefer. The art classes are taught by Mrs. Kipper who, according to students, is a fine art instructor.

## MUSIC

Pizzas and candy bars for sale! This year the music department sold these items to raise money for various luxuries that the school budget does not provide for. The money raised by the choral members will probably buy a music shell that projects the beautiful sounds of the chorus out towards the listening audience. The money for this was raised by selling pizzas. The band members, as in past years, sold candy bars to raise money for such things as new instruments. The directors and students worked hard to make the sales a success.

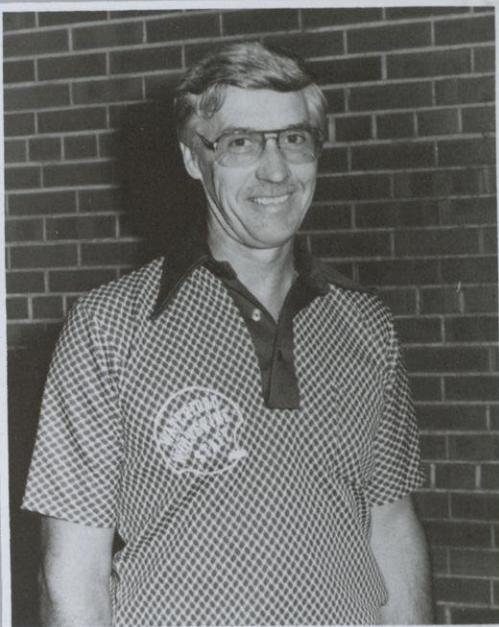

Mr. Krzyzaniak and Mr. Westergaard

## DRIVERS EDUCATION

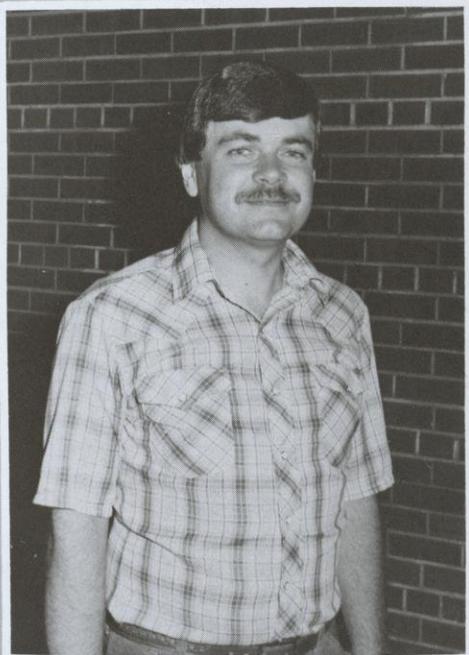

Sophomores look forward to driver's education class more than any other. Use of simulators give some practice before they actually take behind-the-wheel. Price of behind-the-wheel training went up this year because of rising costs of gasoline, insurance, etc. Nobody is happier than a sophomore who has passed the driver's test! Students are able to take the written test here at school at a designated time once or twice a year.

Mr. Whitford

## VOATIONAL AGRICULTURE

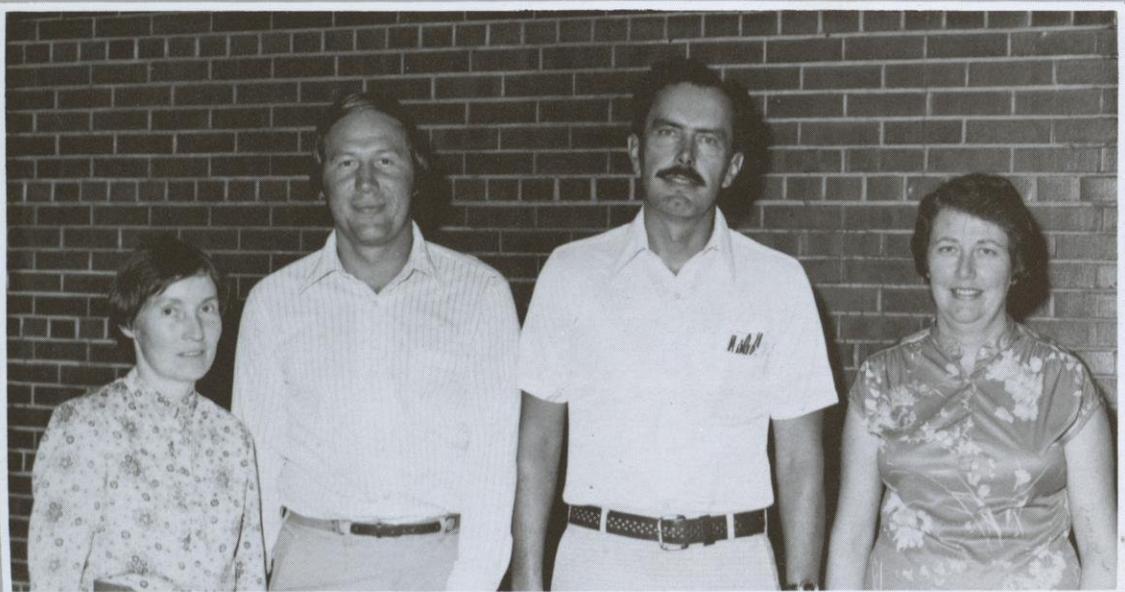

Mr. Scott

For anyone interested in learning about the variety of subjects from raising plants to beef and hogs, Vocational Agriculture may be exactly the place to have some questions answered. Those students participating in Mr. Scott's classes had the opportunity to explore a variety of outside activities as well as get hands-on experience in the classroom.

## SPECIAL EDUCATION

**Left to right:** Mrs. Dunham, Mr. Lewis, Mr. Walgren, Mrs. Ebert

Our school is serviced by three special education teachers from the Racine County School Office. Mr. Walgren helps those with Learning Disabilities, Mr. Lewis works with those who have Behavioral Disabilities, and Mrs. Ebert works with the slow learn-

ers. Some students need help for only a short while and are then able to be put back into the mainstream. Classes in this department are kept small so that one-to-one work can be accomplished with students.

## HEALTH EDUCATION

Miss Deichl and Mr. Harmeling

Every incoming freshman looks forward to health class with Miss Deichl or Mr. Harmeling. In fact, they enjoy it so much that they take it again as juniors. However, as enthusiastic as they may be, students are trained for and, if need be, must act to the best of their abilities in any emergency. To prepare them for such an event, the health department spends the entire freshman course study on emergency first aid methods. The juniors not only review emergency aid but also study the problems of drug abuse as well as the conditions of the human mind.

## SECRETARIES

**Left to right:** Mrs. Finney, Mrs. Lewis, Miss Favell, Miss Alaxson, Mrs. Manicke, Ms. Harter

The time the secretaries spend on the job is filled with many different experiences. Working in a school is never boring! Besides the normal secretarial routine of typing, answering the phone, etc., they bandage wounds, give messages, write a seemingly endless number of passes, and they are always willing to lend an ear to students and teachers alike. Mrs. Lewis handles all attendance duties. Ms. Harter is secretary to the principal and the superintendant. Miss Favell is bookkeeper for the school district. Miss Alaxson is secretary in the library. Mrs. Manicke is secretary for the agricultural department. Mrs. Finney is secretary in the guidance office and also does the computer work for scheduling and grading.

One may ask, "What goes through the mind of a secretary at the end of the day?"

## LIBRARY

Mr. Tonn

"Hey, over there! Yah you. Be quiet or you'll go back to study hall faster than you can say, 'But Mr. Tonn . . .'" These familiar words are heard by almost anyone who is caught talking in the library during a study hall. Mr. Tonn runs a tight ship and is usu-

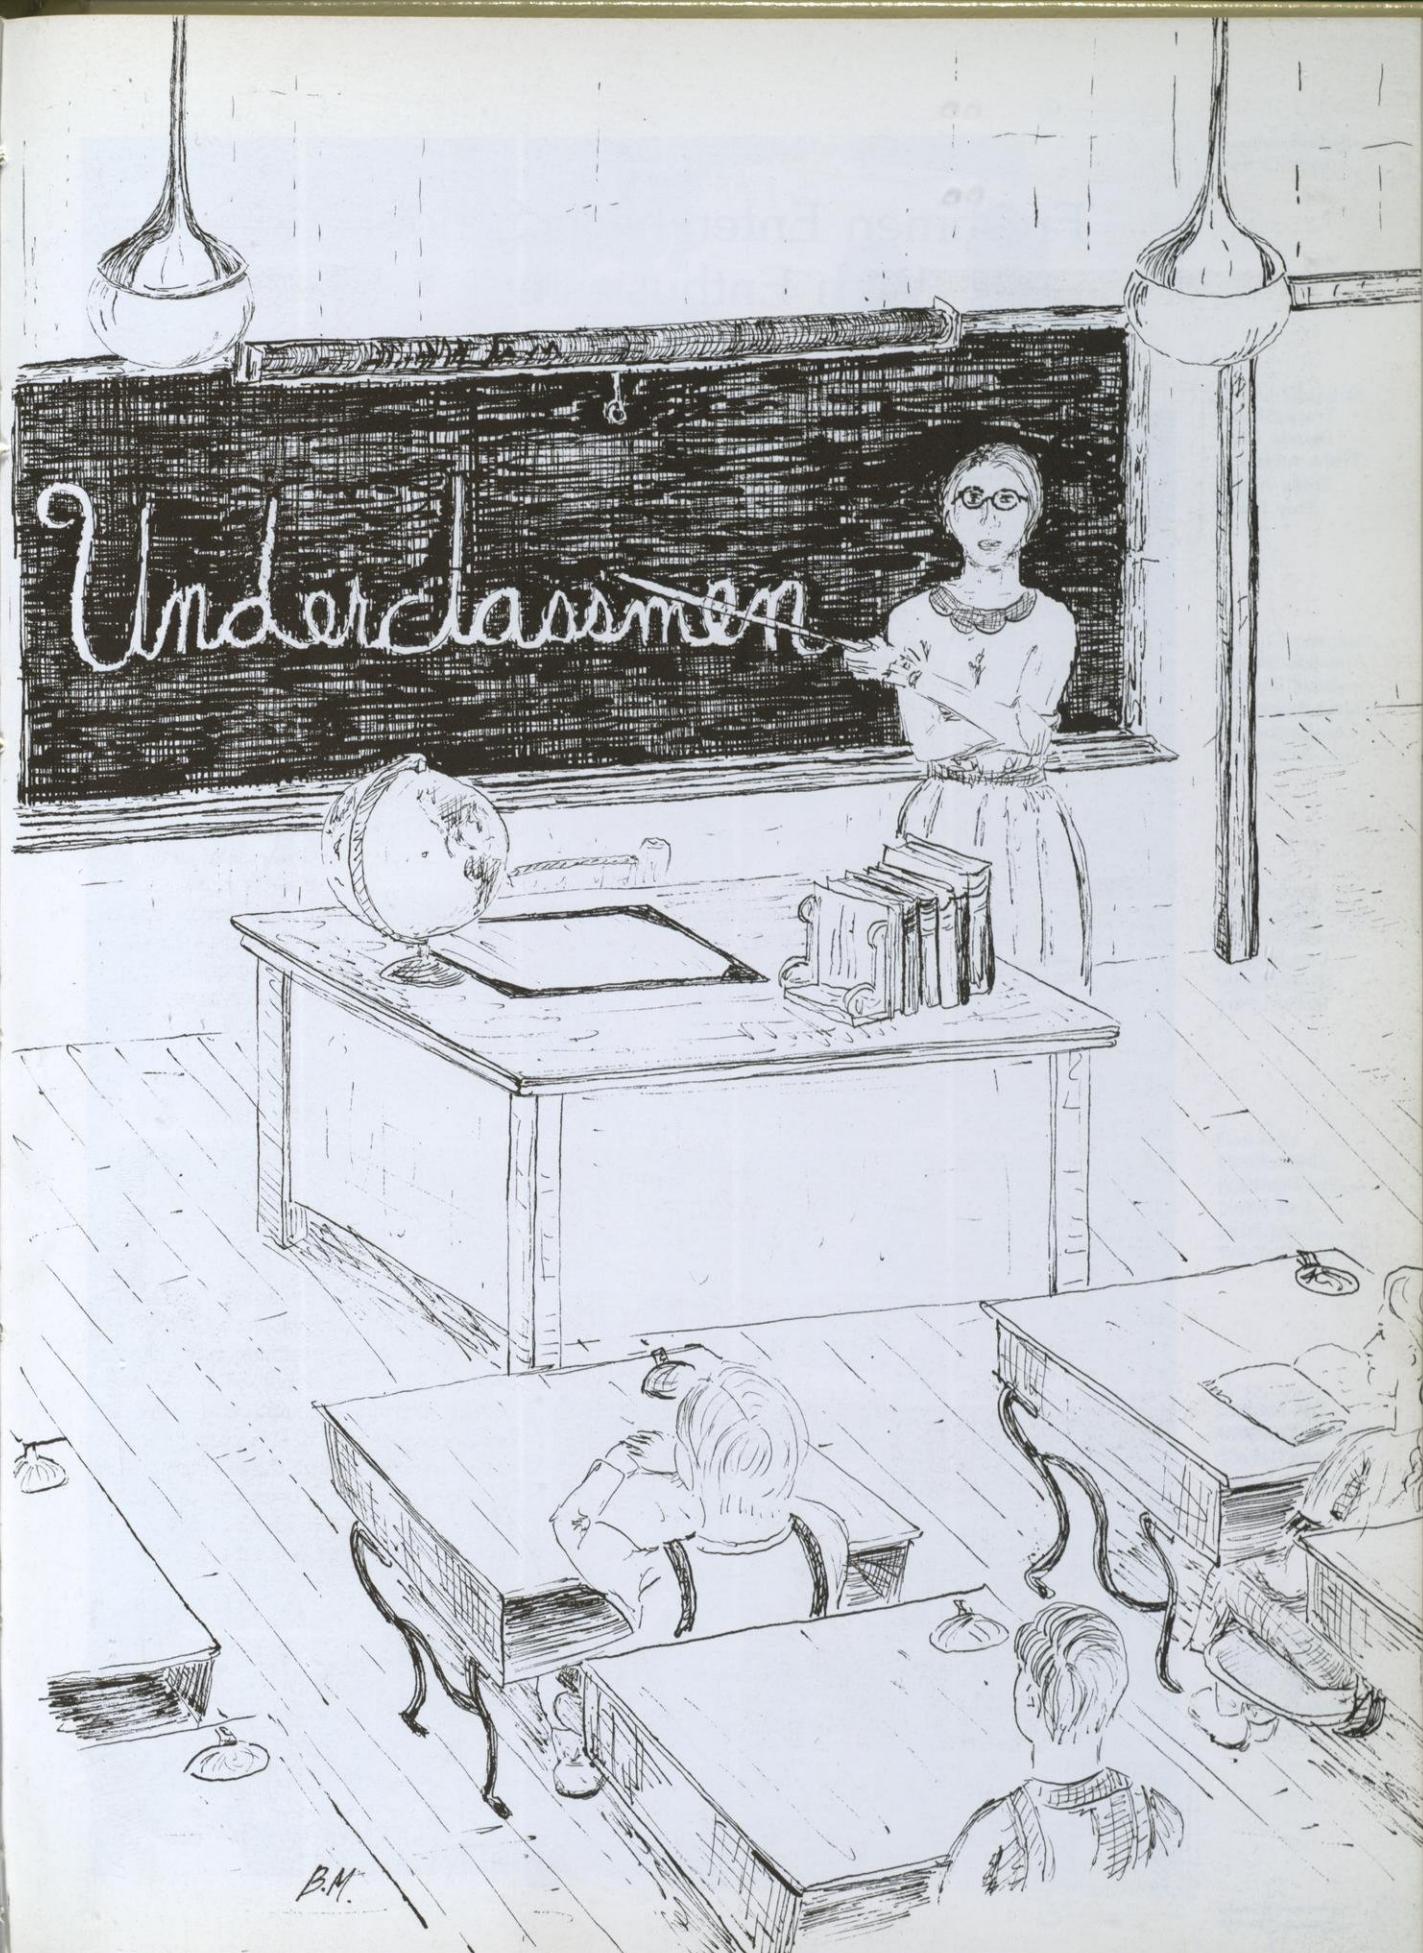

ally obeyed except by the **unexperienced** freshman who ends up spending the rest of the year in study hall. When it comes to finding research for term papers, compositions, speeches, however, there is none more qualified than Mr. Tonn or Miss Alaxson.

## COOKS

Puzzled students turn to Mr. Tonn.

The kitchen staff are some of the most unappreciated people in school. Their work takes many hours of planning and preparation. The smell of fresh bread comes drifting through the halls and tempts our appetites. It is very difficult to please everyone, but they do their best. Sue Washburn took over the position of head cook this year as Mrs. Walters retired at the end of last school term.

## AFS Students

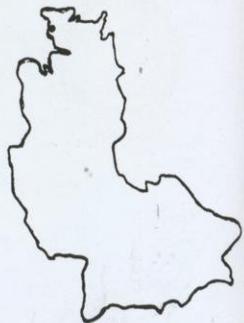

Hi WHS students,

Have one of your strongest wishes ever come true. If one has, you know how I feel. I sure am lucky to live with the Hansen family. We understand each other very well and we have had a lot of fun together.

Friends have asked if I was homesick. I felt that way only for the first two to four weeks when I first arrived at Waterford High. Gradually, however, I came to know the people and began to feel more and more at home.

In Germany, I have already had most of the classes that I am taking now, so I relax at Waterford High School. It's the only way to go through a senior year.

*Margit  
Schormann*

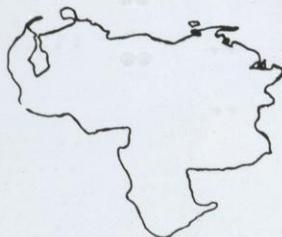

Hi, my great friends of Waterford,

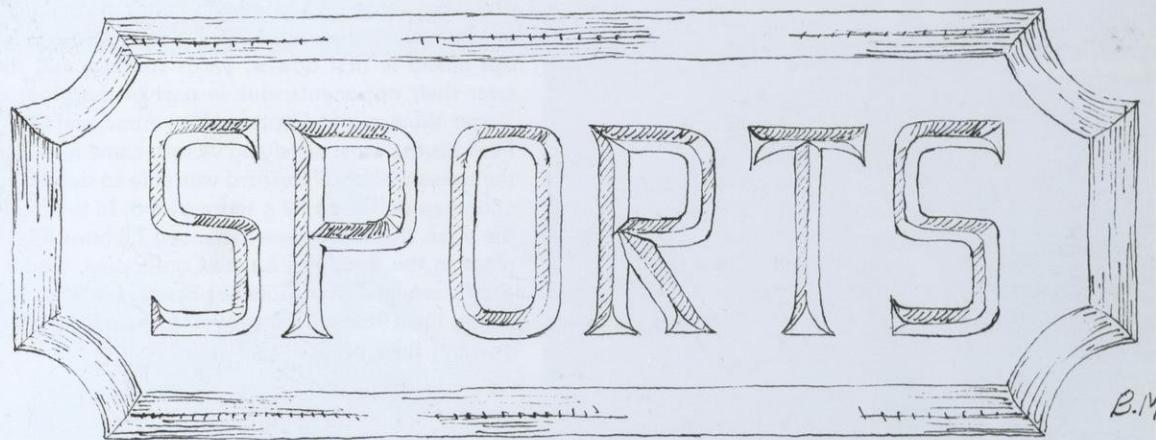

I will not say goodbye because I will keep you all in my heart when I go home. I have lived the greatest dream of my life and you made this dream the most beautiful I could wish in my life.

I enjoyed participating on the tennis team. It was a new experience. I'll **never** forget the coldest winter in my life. I was freezing!

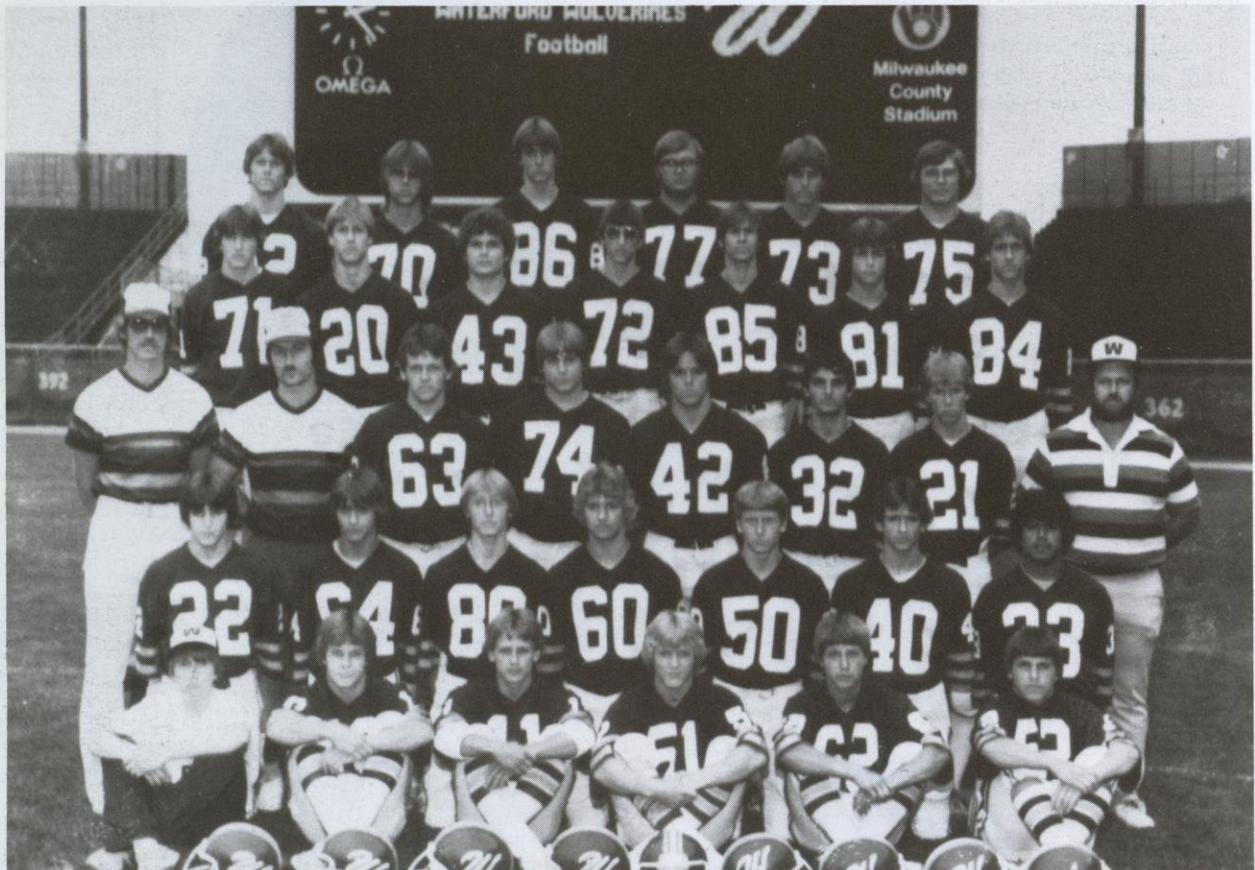

To tell you thank you is not enough. I love you so much.

*Rosanna Gallo*

## Varsity Football Takes

**Top row left to right:** Jim Mahnke, Mike Graczyk, John Wright, Mike Waddington, Roger Winker, Dave Kramer. **Second row left to right:** Dan Henneberry, Chris Miller, Mike Leban, John Berndt, Scott Christensen, Dan Hollister, Greg Cook. **Third row left to right:** Coach Bruce, Coach LeClair, Bill Mealy, Mark Tamblyn, Ron Aune, Mark Kaul, Dale Jozwowski, Coach Nannemann. **Fourth row left to right:** Roger Kram, Ken Klinzing, Pete Paetsch, Paul Miller, Fritz Hammer, Doug Janke, Jaime Barrios. **Bottom row left to right:** Scott Eulgen (Manager), Dan Harma, Harlan Stritchko, Bret Spangenberg, Brian Krueger, Bruce Krueger

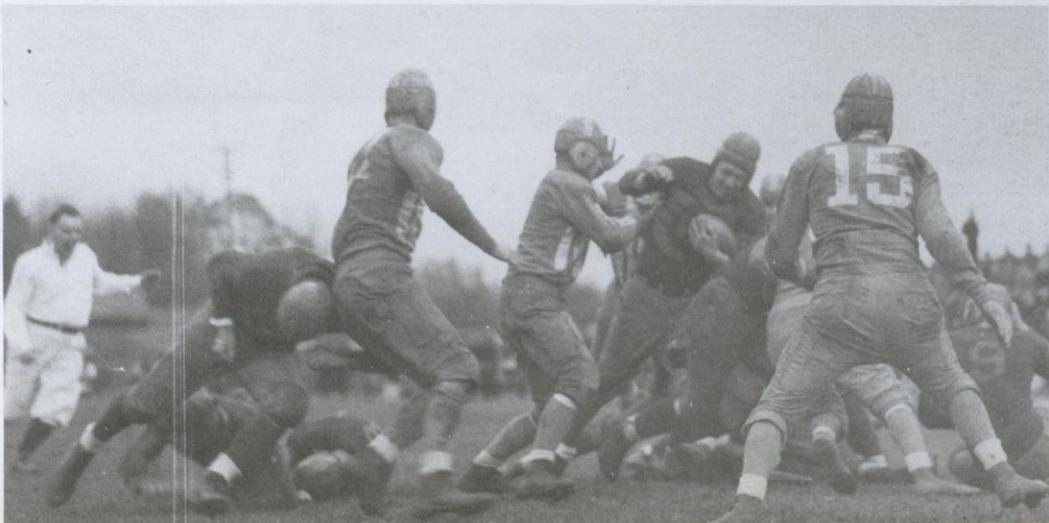

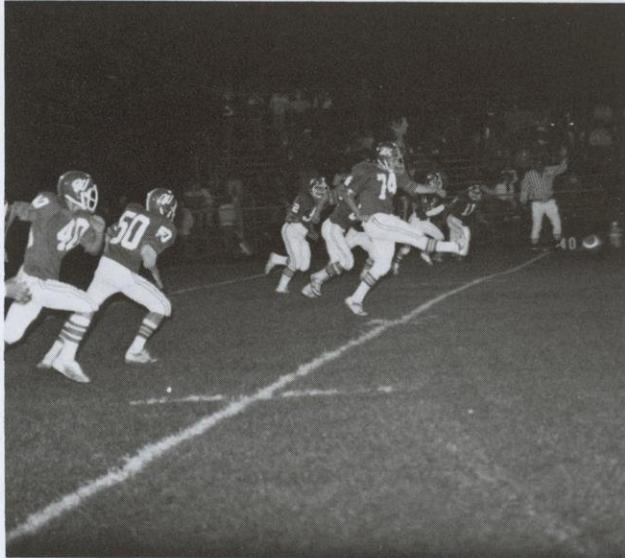

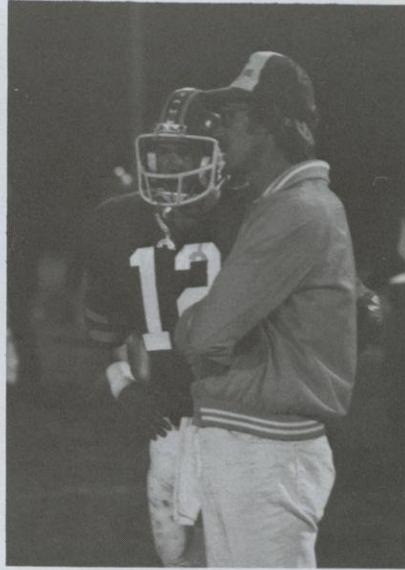

During the entire 1982 varsity football season, the pride and persistence of each player came through at all times. While achieving an overall record of 5-4, the team came out ahead in first downs, yards rushing, and total yards over their opponents, due in part to the great efforts of Roger Winker and Captains Ron Aune and Jim Mahnke. Perhaps the most satisfying victory came midway through the season when Waterford was able to defeat previously unbeaten Jefferson by a score of 6-0. In the final game of the year, the Wolverines trounced Elkhorn 44-0 for third place in the Southern Lakes Conference. Under the successful leadership of Coaches Bruce, LeClair, and Nannemann, the 1982 season proved to be one in which everyone can take pride.

## Warming Up For Next Year

This year's J.V. Football team ended the year with a 3-6 record. Greg Blair, the team's quarterback lead the team to its victories against Racine Luthern, Wilmot and Salem. The team, consisting of sixteen sophomores and the rest freshmen, was plagued by many injuries. Even though the team didn't do as well as hoped, there were many good plays made, such as a 99 yard touchdown by Pablo Guardiola. The coaching staff is looking forward to a better season next year.

This year's Freshman team was well prepared for Waterford victory. With a team record of 5-1, the future looks bright for this year's enthusiastic freshmen. Though some of the better freshmen were moved into the J.V. football team, they still came out with an impressive record.

**JV Football:** Row 1 Left to right: Brian Berger, Everett Wood, Scott Miller, Eric Schadler, Mike Harmeling, Greg Amborn; Row 2 Left to right: Dean LaGrow, Richard Jerstad, Chris Goral, Alex Harris, Peter Toman, Greg Blair; Row 3 Left to right: Coach Koprowski, Corey Windsor, Eric Gettrust, Scott Kennelly, Jeff Roberts, Lonnie Smith, Coach Kelm.

## Girls Golf Finishes Number 'Fore'

The 1982-83 Waterford Girls' golf team consisted of eleven girls, which is five more than last year. The team's record was 4-4 which brought them to fourth place. The girls placed third at the Conference meet, and each girl on the team improved greatly from the beginning of the season. Wendy Sydlewski was the key factor for the team's success. Wendy placed second in the Conference meet, she was named to the All Conference team, and during the last two years she was medalist in every duel meet. Through the fine effort of all the girls and Coach Frye, the golf season was a big success.

**Row 1: Left to right:** Mr. Frye, Lisa Moerke, Michelle Mueller, Sue Boettcher, Karen Myers, Chris Mickelson.  
**Row 2: Left to right:** Beth Myers, Nicole Roice, Cindy Edlin, Jana Whitford, Tammy Shine, Jill Tiegs

Wendy was this year's MVP

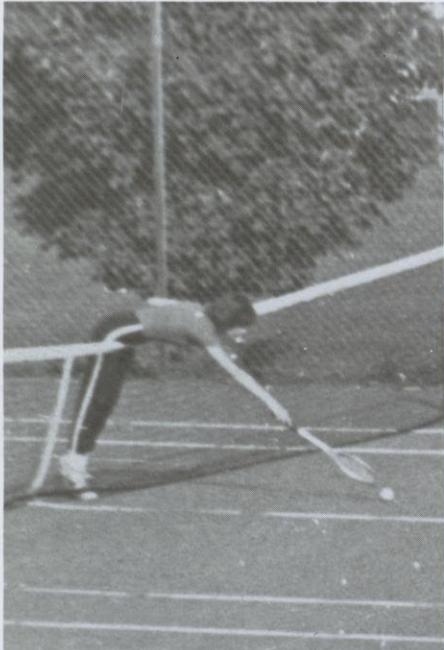

## Tennis Is Their Racquet

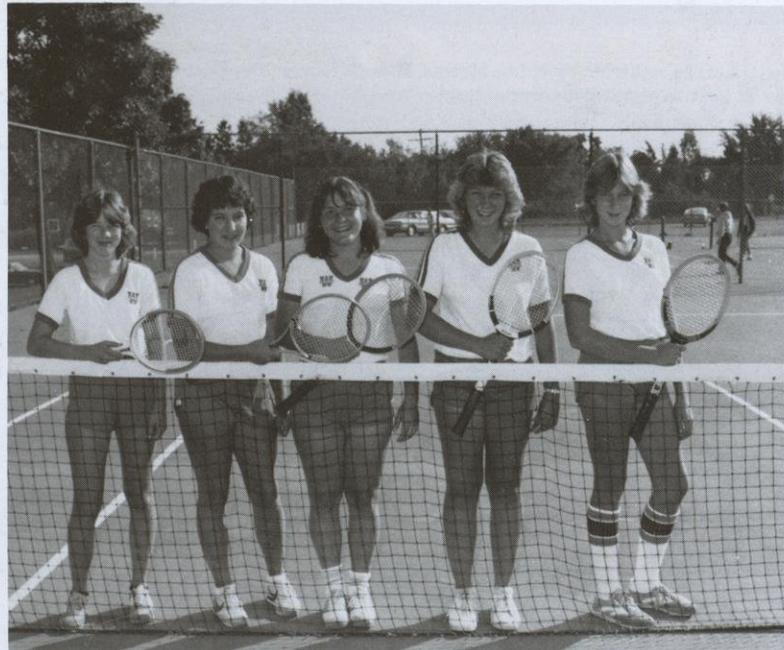

The girls tennis team did not win conference, it did not go undefeated, and the team did not even win a match. But, they came close a few times. Lori Schmidt, the second singles player, had the best record of all the members of the team. Strong performances were also put forward by Amy Kirchgassner and Renee Weber, who wound up the season with good records. The girls were joined in their efforts to win by one of this year's AFS students, Rosa Ana Gallo, who played for the JV team and finished the season with a pretty good record. Their efforts were helped by the fact that they had a new coach, Mr. Sadowski, who replaced Mr. Little.

**Front row left to right:** A. Kirchgassner, R. Weber, L. Minton, K. Stalbaum, L. Schmidt.

**Back row left to right:** L. Darling, D. Erwin, D. Ketchum, C. Cross, K. Zahn, Coach Sadowski

## Run For The Roses

**Left to right:** Kelly Tremeear, Pam Erwin, Melani Hayne, Jana Kelly, Terri Schmidt, Tracey Laux

The cross country team had a challenging season against tough competition. They worked hard, but had some difficulty in reaching their goal. Coach Brandstetter felt that there was a lack of continuous effort among individuals of the team.

The girls' team finished fifth in conference. The best runners for the team were Terri Schmidt, Melanie Hayne, and Pam Erwin. Coach Brandstetter felt that the freshmen really showed some promise for the team in the future.

The boys' team placed ninth in conference. The team's most consistent runner was Steve Inman. Other top runners were Eric Rivas and Mike Erwin.

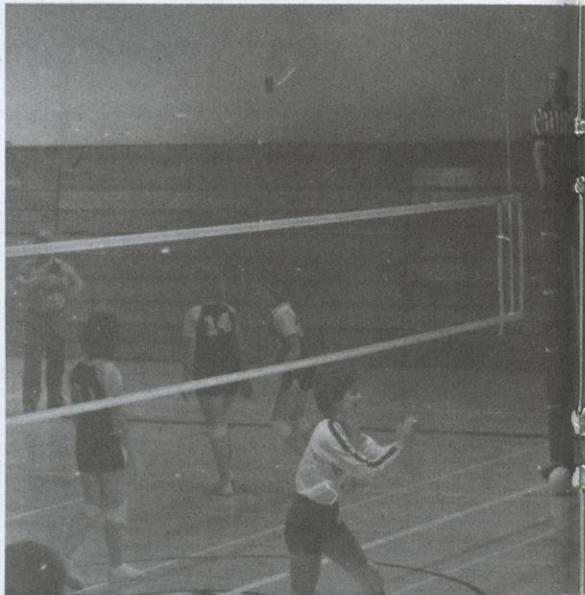

**Row 1 left to right:** Eric Rivas, Steve Inman, Christopher Doorn, Brian Mischel. **Row 2 left to right:** Kevin Ranke, Mike Erwin, John Gomez, Charles Schlichting, Coach Keith Brandstetter.

## Varsity Volleyball Has

The 1982 volleyball season went quite well for the Waterford High School volleyball team. These girls ended the season with an eight win, three loss conference record. The team achieved second place in the conference. The team worked hard, and for their efforts won the Class B regional championship. This was a first for WHS. This year's team had five senior letter winners. However, nine of the letter winners on the team will be playing next year as well. Two seniors, Dawn Moczynski and Cheryl Ketterhagen made first team All Conference. Dawn Moczynski also received the honor of being named the team's MVP for the year.

"Oh no! You're gonna miss."

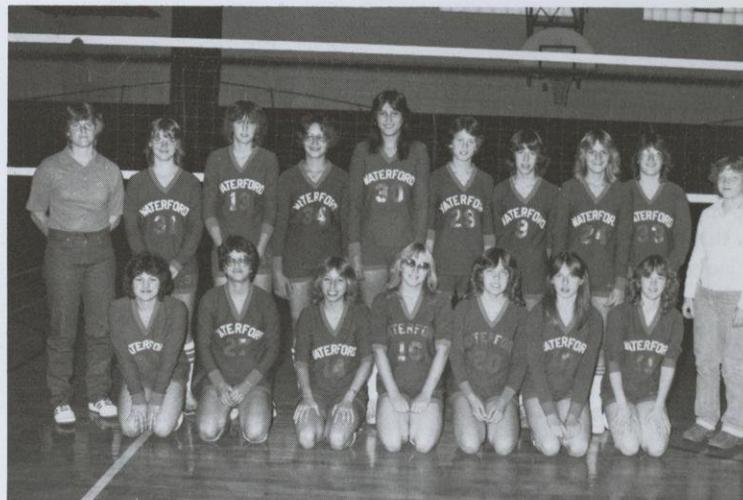

# Terrific Season

**Row 1 Left to right:** K. Fields, C. Markey, M. Schormann, L. Kirchgassner, S. Weber, A. Kolander; **Row 2 Left to right:** Coach Whitford, K. McKane, L. Treffinger, T. Connors, M. Grambow, K. Keyes, K. Grambow, J. Connors.

The J.V. girls volleyball team finished in high standings this year. Their record was 12 wins and only two losses in match play. The two losses were against pretty good teams. Their game play record was 29 wins to 13 losses. The team played well together with no real individual stars. Near the end of the season, one member of the JV team was moved up to varsity.

The freshman volleyball team didn't have a promising season but their spirit kept their team alive and together. Sherri Hehn coached the team.

**Row 1 Left to right:** C. Greeley, T. Spangenberg, K. Lauria, J. Rau, K. Malcolm, L. Johnston, A. Strosina; **Row 2 Left to right:** Coach Hehn, C. Welti, K. Nelson, W. Wishau, L. Baumeister, A. Davidson, B. Johnson, B.J. Schultz, A. Lofgren, S. Dzbinski.

## From Past To Present

Varsity Cheerleaders: **Row 1 Left to right:** Kim Kimball, Jenny Gehrke, Karen Gordon, Paula Kieffer, Karen Polachowski, Michelle Bosch.

Cheerleading has been going on since we can remember. It has long since changed. For example; this year we even had male cheerleaders. They cheered while the girls played football! We have freshmen, J.V., and varsity squads. All work very hard, and are able to show off their talent and hard work at the Football, Basketball, and Wrestling events. It is required of all the girls that they must attend a clinic. This is something new this year. In previous years it was up to the individual whether to go or not.

The cheerleaders this year, add pep and excitement to the sports that can be somewhat dull. So we are lucky to have a bunch of hard-working and willing girls to add life to this school.

J.V. Cheerleaders: **Row 1 Left to right:** Julie Henneberry, C.J. Schildt, Debbie Stout. **Row 2 Left to right:** Wendy Seebruch, Jodi Christiansen, Laura Klein, Jodi Hegemann; **Row 3 Left to right:** Kim Kester

## Keeping Spirits High

"The freshman cheerleaders had a difficult start," said the captain, Audrey Davidson, but they finished off the season very well. The squad not only used cheers taught by the varsity and J.V. cheerleaders, but made up their own cheers as well.

The wrestling cheerleaders certainly did their part in keeping spirits high at wrestling matches this year. But they also helped out with scoring and school spirit at matches held at the graded schools for those prospective Wolverines wrestlers. Credit for decorative signs and tags for parents night can also be given to the multitalented Wolverine wrestling cheerleaders.

**Left to right:** H. Fischbach, K. Keyes, L. Knurr, J. Laughran, C. Knorr, S. Saltzmann.

**Far left:** C. Holz, W. Wolfgram, C. Krzyzaniak, S. Spengler, K. Grasse, J. Fugina, S. Weber, K. Stalbaum, C.J. Schildt, M. Pulley, N. Wisner; **Center:** M. Hayne.

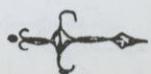

The flags second year of performance at Waterford High School was very successful. Turning an ordinary green field with a group of highly coordinated musicians marching around on it into a highly colorful and artistic performance, they impressed all those who watched.

Let's salute the flags!

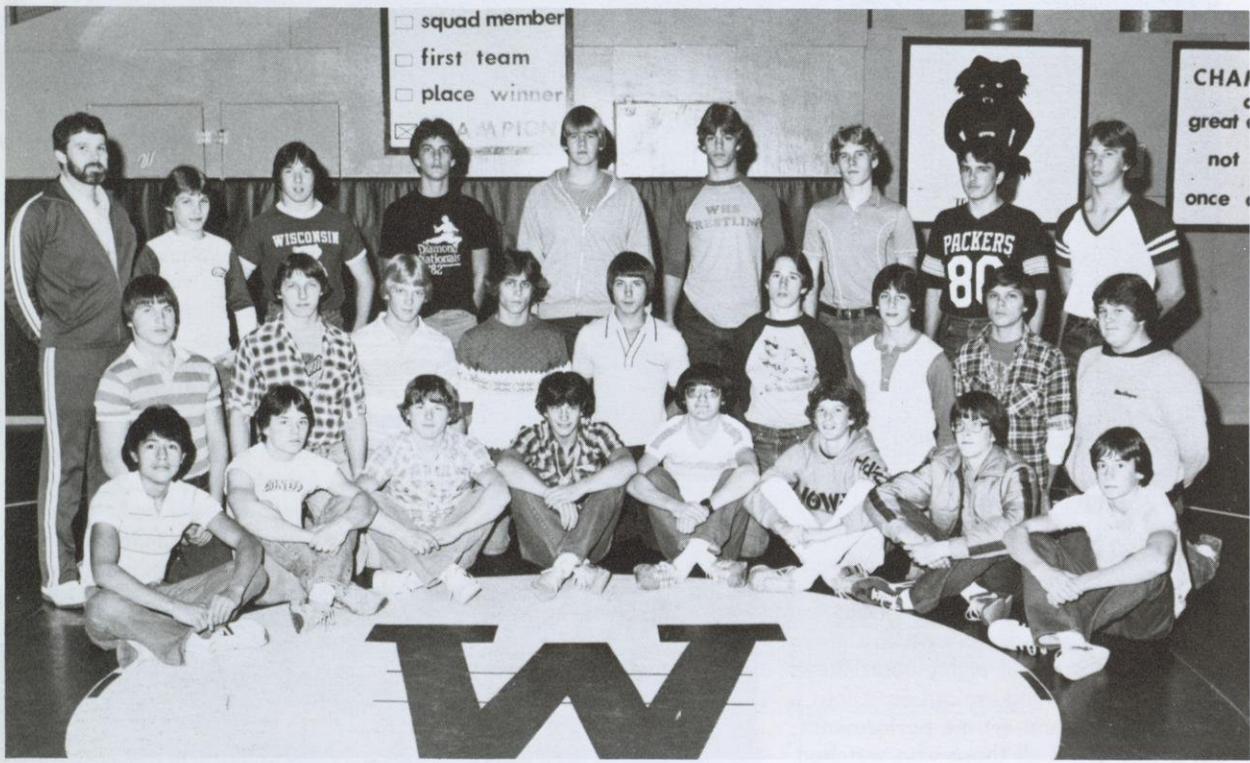

This years Pom Pon squad demonstrated their own version of the term precision. Practicing every day after school to perfect those high kicks and headtwirling spins, they certainly give the crowd a good reason to stay during half time. Having freshmen on the squad was a new addition. Both their determination to show that their skill was just as developed as the older and more experienced members reflected on themselves as the squad. It looks like the Rockettes have competition.

**Row 1 Left to right:** R. Hegemann, J. Grabowski, C. Oberhart, R. Weber; **Row 2 Left to right:** P. Kendall, D. Schwarz, G. Steinke, C. Hassey; **Row 3 Left to right:** D. Naus, L. ## The Waterford Mat Men

**Row 1 Left to right:** L. Olgun, F. Meyer, B. Friemoth, T. Miller, M. O'Keefe, J. Davies, P. Krebsbach, K. Keyes; **Row 2 Left to right:** B. Krueger, D. Sheahan, B. Spangenberg, T. Zelechowski, B. Krueger, S. Powell, C. Bixler, T. Sokolowicz, C. Smith; **Row 3 Left to right:** Coach Gettrust, G. Amborn, C. Goral, D. Leone, S. Kennelly, E. Gettrust, J. Mathison, M. Magnuson, E. Among the top Wolverine wrestlers were Dale Jozwowski and Ted Zelechowski. But the success of the Waterford wrestlers rested not only on the team's top duikers, but on the efforts and attitude of all of its team members. "We had a young team this year," said Coach LeClair, "which will give next year's team a biting edge." There are no complainers on this team. The rugged Wolverines choose to concentrate their efforts more on learning and hard work.

Going for the pin!

The techniques remain unchanged since 1956.

The gymnastics team has worked hard this year. Top people on the team included Diane Gatzke, Kim Stalbaum, and Jodi Moczynski.

This year's team was smaller than last year's team, but the drive of Coach Beck and the potential of the team kept spirits soaring.

Gymnastics has become increasingly challenging compared to years past. Varsity requirements have also become increasingly difficult to meet. Those brave enough to attempt difficult backwalkovers and midair summersaults certainly deserve the credit that they've trained so long to achieve.

Talking to any member of the girls' varsity team will reveal that there is no particular key player. The team worked long and hard to function more as a unit rather than to work around one or two particular stars. Their success was largely due to the fact that the team members had much needed experience and depth. And success they had, for their record this season speaks for itself.

## Young Teams Have Promise

The B-team, or J.V. team, is comprised of mostly sophomores. This was the first year for many of the girls, but they are doing great because of their devoted practice and help from last years players.

The youngest team is the freshman team. They are a very athletic group and have shown tremendous improvement. Next year, many of the girls will be moving up to either the J.V. team or the varsity team.

**Row 1 left-to-right:** A. Strosina, T. Spangenberg, T. Slak, M. Zelechowski, D. Chapman **Row 2 left-to-right:** S. Angell, B.J. Schultz, S. Boetcher, L. Baumeister, C. Nelson

## Shooting For The Stars

Prospective members in action.

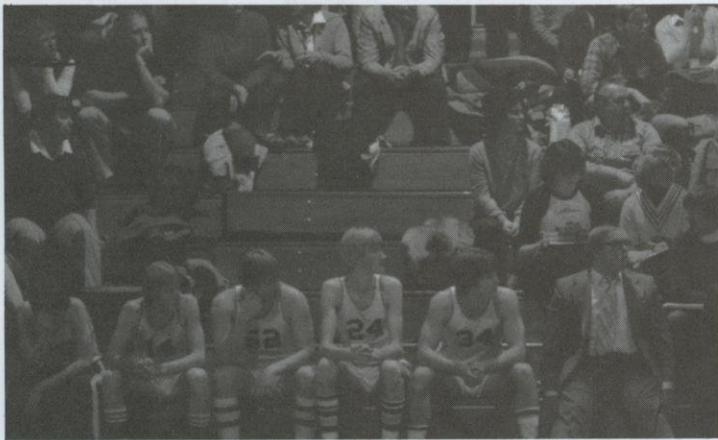

The success of the varsity basketball team is something that both team members and faithful fans can be proud of. With only three seniors on the team, we'll see most of this year's members on next year's team. Mark Malison, for example, has a promising future

at Waterford, as he is already in the lead in scoring and rebounding. With this in mind, it is easy to see that the goal of the team, will be reached: to improve from game to game and from year to year.

**Row 1 Left to right:** J. Williams, J. Wright, J. Mahnke, M. Malison, A. DeLeon; **Row 2 Left to right:** S. Eulgen, R. Stanton, J. Gromacki, T. White, P. Paetsch, B. Webster; **Row 3 Left to right:** Coach Sadowski, J. Lawrence, K. DeHart, J. Harry, L. Ostrowski, M. Tamblyn, Coach Brandstetter.

The freshmen boys basketball team consists of twenty players "all very close in physical talent". When asked how the team was coming along, Coach Christiansen replied, "Lousy team but great coaching," but added, "just kidding".

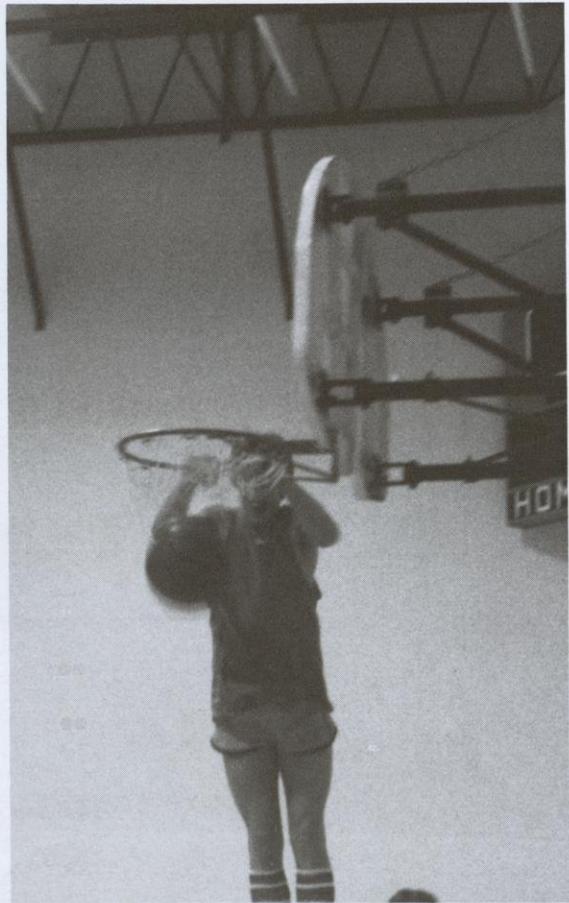

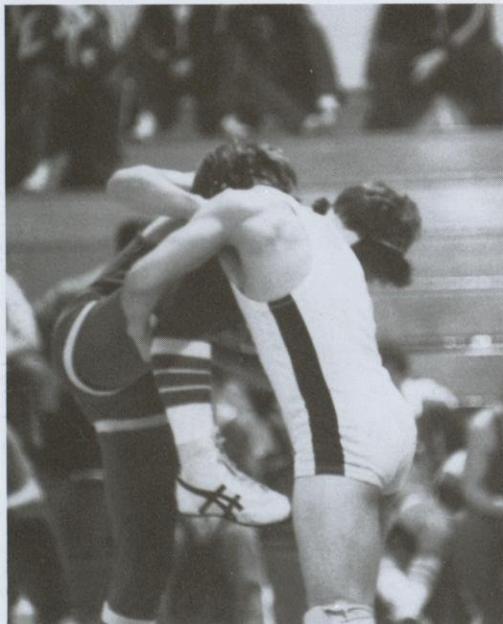

The goal of the sophomore team this year was to make the team stronger for next year. Gary Halbach and Greg Blair added to the excitement of the games with high game point averages. The sophomore team had a good all-around team effort.

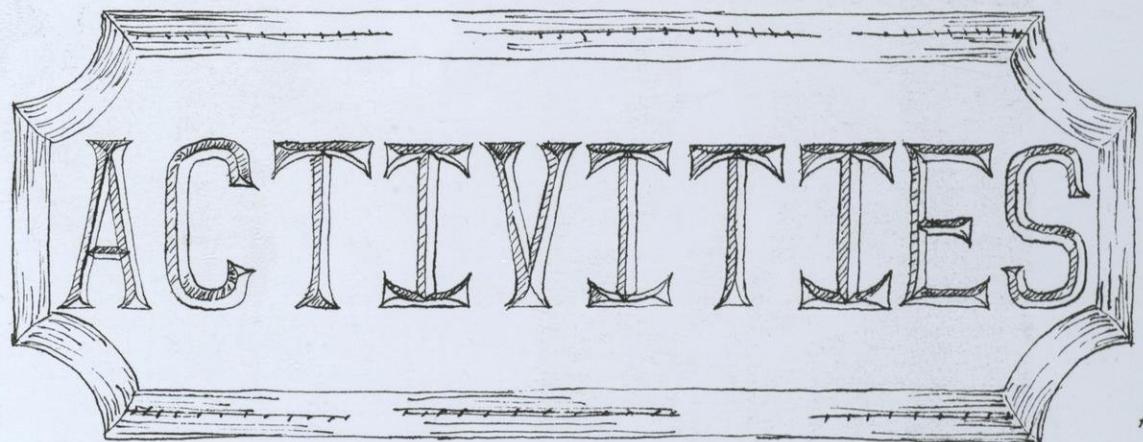

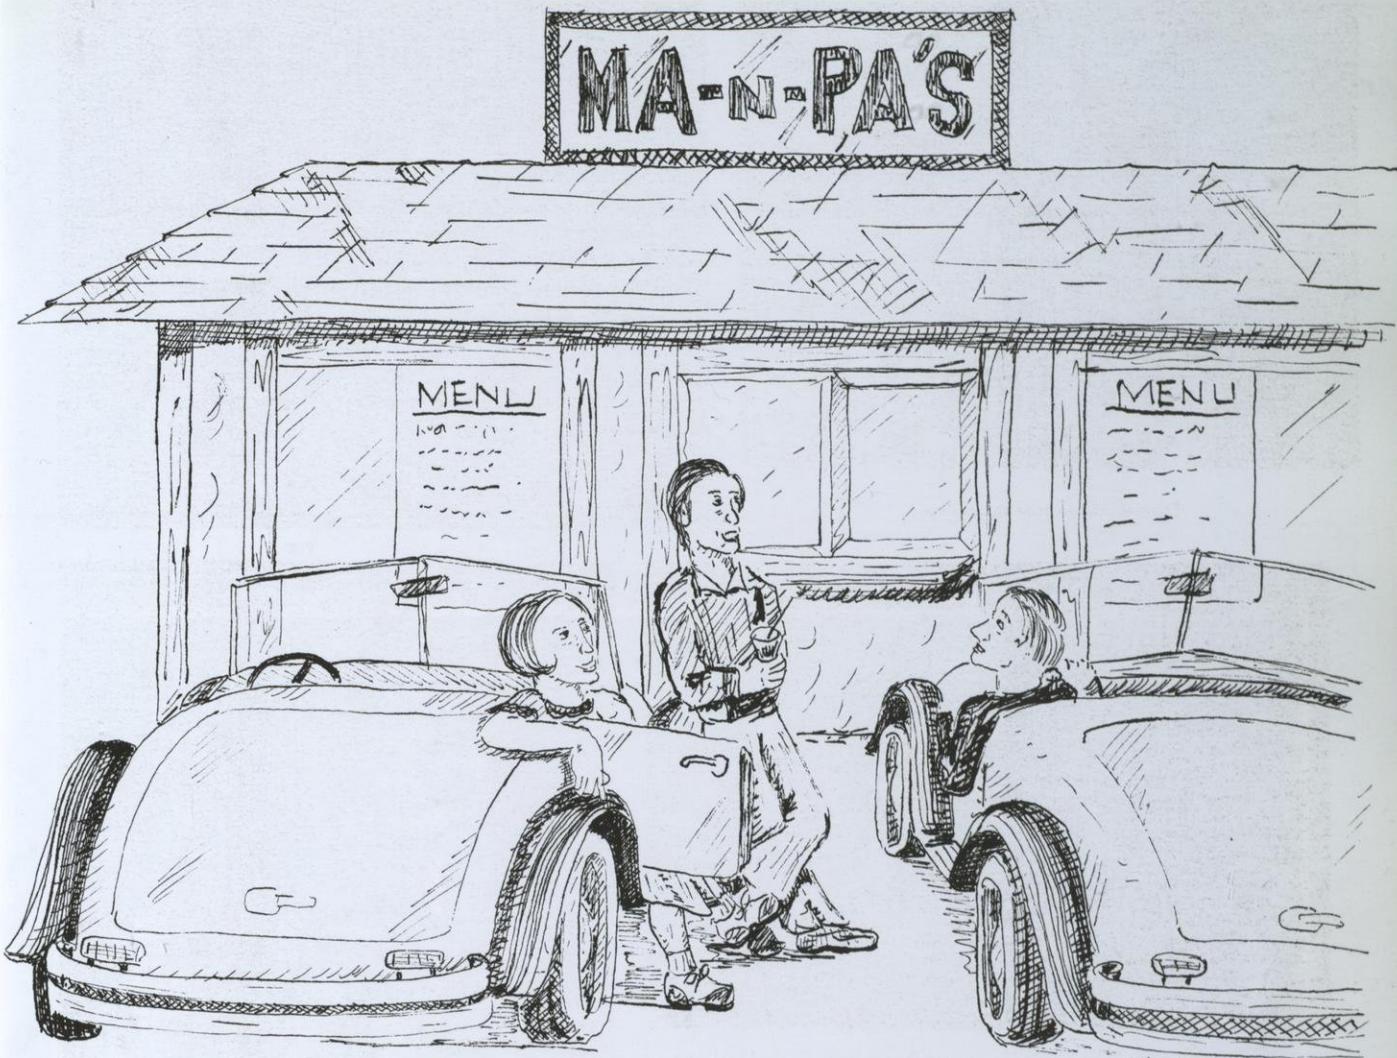

**Row 1 Left to right:** C. Lee, R. Gorsche, J. Noltner, J. Mamerow, C. Raduenz; **Row 2 Left to right:** J. Matezevich, E. Meyer, P. Guardiola, T. Norton, B. Leonard, R. Winker; **Row 3 Left to right:** J. Gomez, S. Rice, E. Blodgett, J. Johnson, J. Schmidt, K. Eagan, Coach Christiansen.

## AFS Drops In Number, Not In Spirit

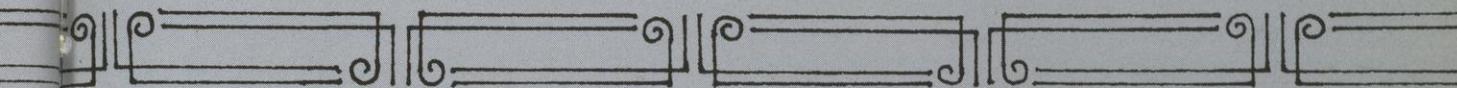

This year there was a slight decline in the size of the AFS club. This decline, however, did not affect the clubs spirit. Through discussions with the two foreign exchange students, Margit and Rosanna, we learned about their countries and in return they learned about America. Margit lived with the Hansen family and Rosanna stayed with the Kirchgassner family.

Row 1 Left to right: D. Hansen, M. Schormann, R. Gallo, A. Kirchgassner; Row 2 Left to right: D. Lofgren, A. Barnickel, S. Johnson, M. Bosch, D. Kastengren; Row 3 Left to right: L. DeLonay, C. Edlin, H. Norton.

"Wow, what great voices!" This is an often heard statement as students walk past the hall leading into the chorus room. Under the guidance of Mr. Westergaard, members of the Treble Chorale and Mixed Chorus practice their singing with much devotion. Through this devotion they provide fine musical entertainment for not only WHS students but for citizens of Waterford and surrounding areas.

# Madrigals Take Us Back To Medieval Times

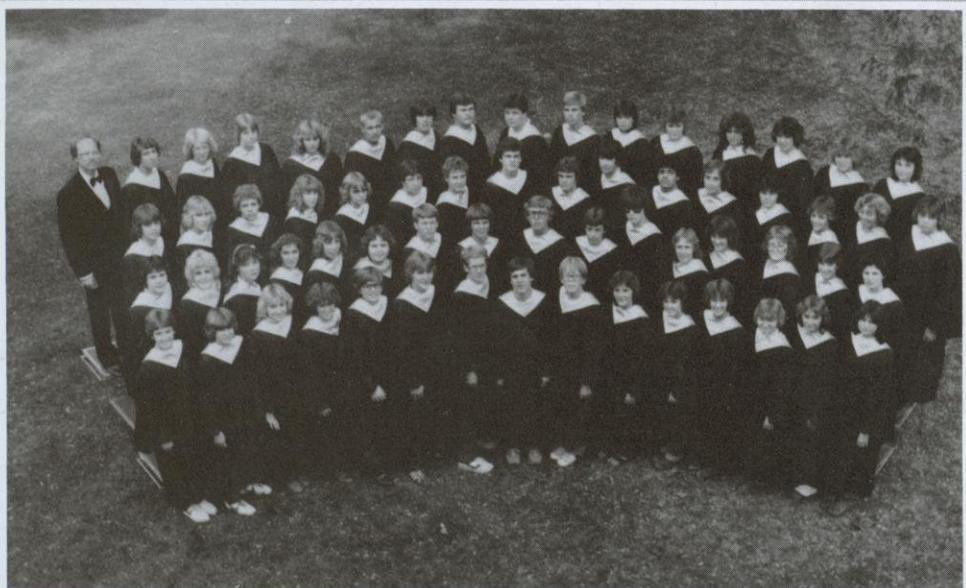

This year the choir added a new performing group. A medieval madrigal singing group was formed. This group sang at a madrigal dinner where the people imagined themselves to be in a castle dining room set in medieval times eating medieval-type food and listening to the royal madrigal singers.

## They Perform To Please All

Stage Band, directed by Ken Krzyzaniak was invited to play for many civic organizations. In March they put on a dance for older people featuring Big Band Sounds of Glen Miller and Tommy Dorsey.

Swing Choir, the "cream of the musical crop," started off an excellent year with new outfits and for the first time hired choreographers. They were involved in competitions in solo ensembles, an overnight at LoCrosse, and performed in the "The Show." The 20 members were under the direction of Kim Westergaard.

## Strike Up The Band

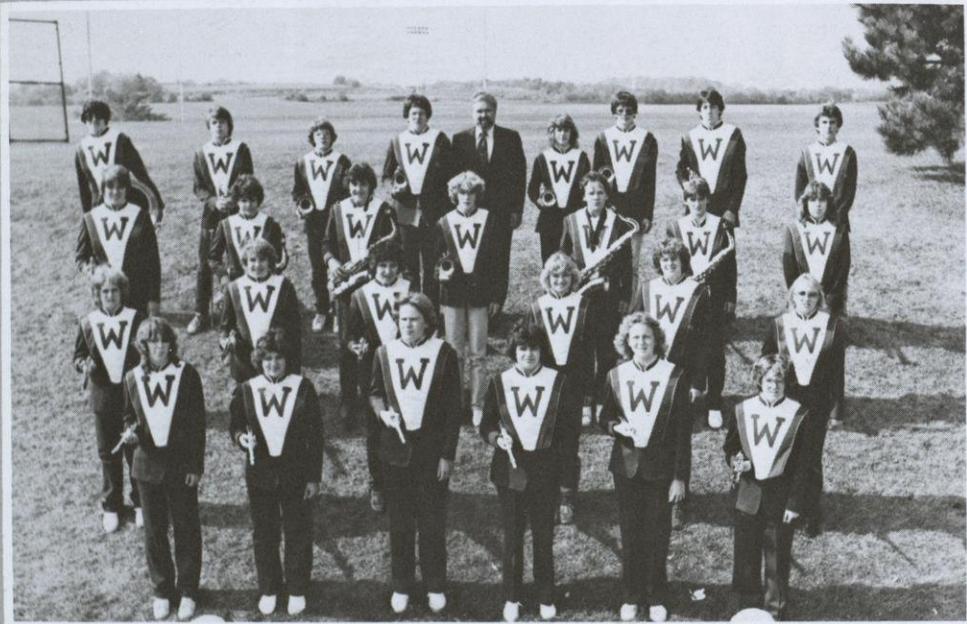

As usual the varsity band got the crowds fired up at the home football games. At half time the band showed its precision marching abilities while playing well-known songs. Everybody enjoys a good performance.

The concert band consists of freshman musicians. Those freshmen that stay involved in the music program at Waterford High School will next year fill the positions held by the seniors that graduated. We are all looking forward to hearing them next year in the varsity band.

## What Would We Do Without Them

The pit band started out the year by performing music for **Lost in the City**. Each year the pit band does its best to make our musicals successful.

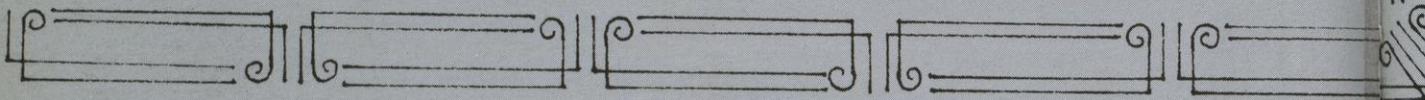

"Hey! Who's wearing that funny looking hat?" The answer to this question is, that's a member of the pep band. It seems like the pep band went hat crazy this year. But beneath all this craziness is a group of serious musicians that keep us entertained during the basketball games.

Each year members of Mrs. Kau's French classes may join the French Club. As a group the French Club goes to concerts performed by different French folk or rock groups, plays, or dinner at a Milwaukee area restaurant. It doesn't compare to being in France but it sounds good enough for me.

Future Business Leaders of America (FBLA) is made up of students who are enrolled in the different business classes at Waterford High School. Members of FBLA participate in different fund-raising events. The club also competes in regional competition and takes field trips to different companies.

## FTA Members Gain Experience At Graded School

Future Teachers of America is a club designed for students who are interested in a possible teaching career. Members of FTA have a chance to aid teachers at the elementary school. This gives members of FTA a chance to see if teaching younger children is really what they want to do for a career.

## Keeping America Green

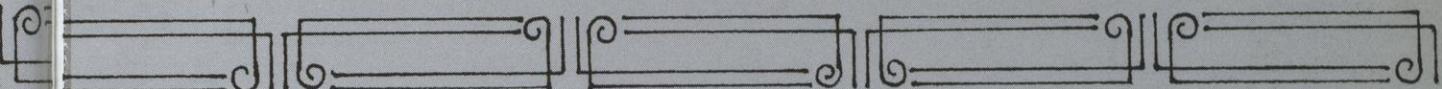

Once again the FFA had a large membership. Members kept the greenhouse running by selling plants and flowers. FFA is for people interested in farming and those that are interested in pursuing a career in agriculture. Some members attended an out-of-state conference. Members of FFA are kept busy throughout most of the year.

## It's All An Act

The W-Bits opened the year with **Lost in the City** and as usual the performance was a success. Much time was spent in preparation for the play. Needless to say, their efforts were well worth it. Under the supervision of Mrs. Bousquet, each member has a chance to demonstrate his or her acting ability, so watch out Burt Reynolds!!

## The Forensics Team

Forensics is for students who are interested in competing against other students in different speaking events. The forensics team increased by about ten members this year. The forensics team did a great job last year and should be looking forward to doing the same this year.

Once again the Emerald Echo kept the student body informed on the events taking place in the school and community. This years staff declined in size by nearly one half and the dedication of the staff was low. However, this years Editor-in-chief, Rich Leipzig, and a few dedicated members managed to put together one of the school's better newspapers.

## Yearbook Takes On A New Look

After much disappointment and frustration from last year, this year's staff was considerably more organized. This year the yearbook underwent a few changes and got another advisor, Miss Ranke, who was yearbook editor at Waterford High School when she was a student here. As usual the size of the staff was quite large, but as the year progressed the staff dwindled down to those few dedicated people who really cared enough to bring you a quality yearbook. Co-editors were Kris Rothmeier and Brent Montgomery.

This year we welcome the new Pep Club. This club keeps our spirits up by making the posters for the athletic events that take place at Waterford High School. So now everytime you see posters on the walls saying "GO WOLVERINES", or something to that effect, you'll know who made them.

## Keeping Our Spirits High

## Always Working To Solve School Problems

Student Council members are elected by the student body to represent them on all school matters. Student Council meets regularly to discuss problems and plan activities. Mr. Koprowski, who is the advisor, aids the members of the Student Council in solving the problems that the students have presented to the council. The Student Council also sponsors several fund raisers, such as dances and selling candy. They assist with a blood drive in the spring of the year here at the school. This year's president was Jay Walkowski.

The weight club is made up of people who wish to stay in shape during the off season or just want to lift weights to improve themselves. There are no organized meetings to attend. They lift weights either after school or during study hall.

### Times Have Changed

When we first took the job of editorship we knew that it wouldn't be easy. As time progressed, it became more difficult than we could possibly have imagined. We started the year enthusiastically with a large staff, but as usual the staff dwindled down to about eight people. Having a small working staff makes it hard to get such things done. We didn't try to force people to work (forced labor usually produces bad results). As a result, we did most of the work ourselves with the generous help of Mrs. Finney and Miss Ranke.

We do appreciate the work done by the working staff. Without them, the book may have come out in September again. We feel that the staff members learned much about responsibility and what it really takes to put a yearbook together. This learned experience will hopefully reflect the high quality of this year's book as well as that of next year's.

We hope that the efforts of the staff and ourselves will be appreciated. Of course we can't please everyone, but we tried to the best of our abilities to give you the best yearbook possible.

# Superstars Go To State Competition!

In wrestling, Dan Sheahan placed first at conference, first at sectionals, and went to state.

In basketball, Mark Malison 2nd team all-conference and received honorable mention all-county and all-area.

In gymnastics, Kim Stalbaum placed fourth all-around at conference, third all-around at sectionals, went to state, and was nominated for all county.

The 1982-83 Music Corporation received third place at Winterfest in La Crosse, a starred first rating at District Swing Choir Competition, and a first at state, where the group got a standing ovation not only from the audience, but the judge himself!

The forensics members at the left got 1st place ratings at state. They are: D. Habrat, J. Grabowski, K. Pachuki, D. Naus, D. Lofgren, J. DePatie, S. Kelly, A. Sherbarth, and M. Mueller (not pictured).

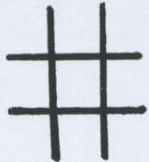

John Wright won 7th place at the boys' state track meet. He ran 110 hurdles in 15.6 seconds.

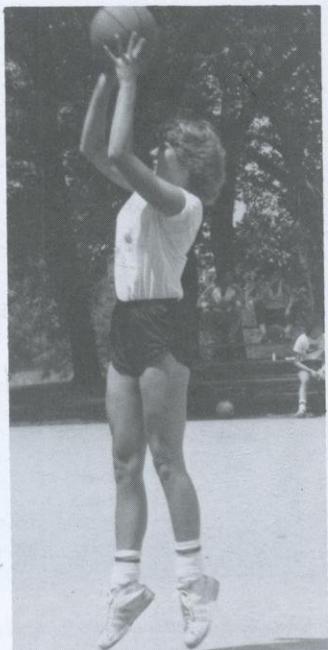

In boys track, Pablo Guardiola, a freshman, ran 100 meters in 11:16 and 200 meters in 22:66, making him STATE CHAMP in both divisions!

# Dynasty WHS Girls Are

Co-MVP's play against each other.

Cheryl Ketterhagen was rewarded: 1st team All-Conference, 1st team All-Area, MVP of Area, 1st team All-County, MVP of County, Honorable Mention All-State All-State All-Star Game.

There was sorrow in the hearts of Waterford girls basketball players this season. Tears flowed from eyes that had set their sights on the State Tournament. Their lone loss came in a heart-breaking sectional loss to St. Francis ending a 20-1 season. Despite not attaining the state tournament goal, these girls did accomplish an undefeated regular season and 16-0 conference ledger. The Wolverines 54-6 record the past three seasons can be linked to the play of Cheryl Ketterhagen and Delaine Hansen. Cheryl's 14.3 average and Delaine's 13.2 average points per game were among the league leaders all year and their selection on the All-Star State basketball team was a fitting finale to great careers. Also gone is Sandy Schultz who capably subbed all year long. The class of '83 gave us the best ever — topping it will be tough but Coach Whitford thinks it can be done. Hail to Green and White!

Delaine, Cheryl, and Kelly Conners team up to destroy the opponents.

Amy Walsh received 2nd team All-Conference, Honorable Mention, All-Area, All-County.

## Guys Track Team Places Third At State

4th row: D. Luenenberg, B. Christensen, S. Meyer, A. Deleon, J. Gomez, M. Mattes, J. Wright. 3rd row: B. Peternell, S. Christensen, D. Janke, F. Hammer, M. Erwin, C. Edstrom, J. Mahnke, Coach Clark. 2nd row: J. Ircink, M. Waddington, B. Krueger, J. Schmidt, N. Rausch, J. Oberhart, Coach Kooping, Coach Cox. 1st row: P. Guardiola, F. Mayer, B. Mischel, D. Hollister, Coach Berkholtz, K. Dehart, Coach Tonn.

The boy's track team has improved this year, and the results of their hard work is shown in their Eastern Division Championship and their tie for 3rd at State! As usual, there were some areas that were weak, but there were also some areas that showed surprise. Freshman Pablo Guardiola placed 1st in state in the 100m dash and 200m dash. John Wright placed 7th in the 100m hurdles, and was elected this year's MVP.

Mike's secret to winning must be biting his lower lip when nearing the finish line.

U.F.O.? No, it is a W.F.D. (Waterford's flying discus)

# Girls Track Co-M.V.P.'s: Dawn Moczynski And Cheryl Ketterhagen

The girl's track team had a good season this year, ending 4-1 at dual meets in the conference and placing 2nd at the Eastern Divisional meet. This year's strengths were the sprinters and relay teams. Elected as Co-MVP's were Dawn Moczynski and Cheryl Ketterhagen. Coach Tonn feels everyone worked hard, and next year's team could be fairly strong again if the team gets more depth. A good crop of freshman and returning team members are needed.

Watch you step, Kim!

Becky's look of determination.

# Baseball

The Freshmen had a pretty good season considering that they had just enough players to make up a baseball team!

Everett,  
show us  
your  
underalls!

Coach: Dean Ledzian

**Back row left to right:** T. Bilski, D. Leone, B. Mittelstaedt, K. Krautkramer, J. Matezevich, C. Raduenz **Front row left to right:** R. Krygiel, J. Noltner, T. Moczynski, R. Gorsche, A. Brinkman

The J.V. team played well with an overall record of 6 wins and 8 losses. With outstanding players like Everett, Steve, Greg, and Gary, they played a very good game at Racine Horlick where Ever-

ett Wood hit a home run. All, in all, their main strength was hitting which helped them throughout the year.

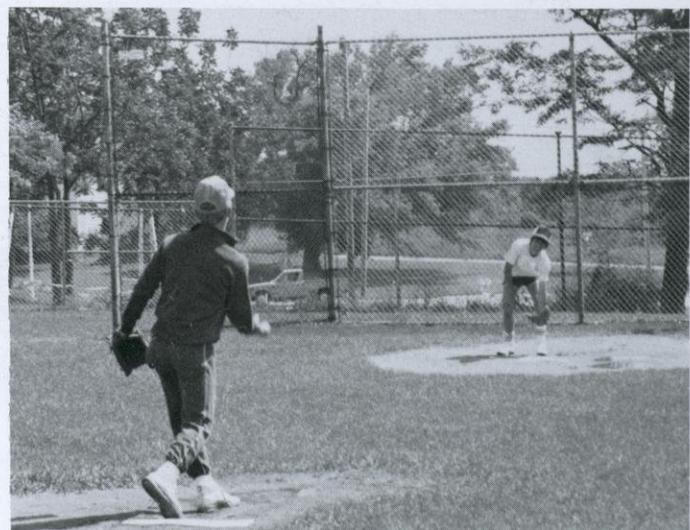

Coach: Mr. Kelm

**Back row left to right:** D. Miller, T. Revolinski, P. Ketchum, P. Krebsbach, E. Wood, J. Mathison **Front row left to right:** G. Blair, C. Windsor, M. Engels, J. Jacobson, G. Amborn, S. Inman, M. Harmeling

**Front row left to right:** T. White, S. Powell, H. Stritchko, D. Gardner, R. Stanton, T. Denman, P. Paetsch, S. Eulgen, **Back row left to right:** Coach Nannemann, M. Kaul, M. Tamblyn, R. Winker, C. Miller, J. Witter, R. Roanhouse, D. Harma

The Varsity baseball team finished their year with a record of 9 wins and 5 losses and also finished second in conference. The hitting ability of the team was it's main strength while their weakness was in their fielding ability. Mark Kaul, Scott Powell, Roger Winker, and Harlan Stritchko led the team while the hitting ability of the entire team improved.

# Softball

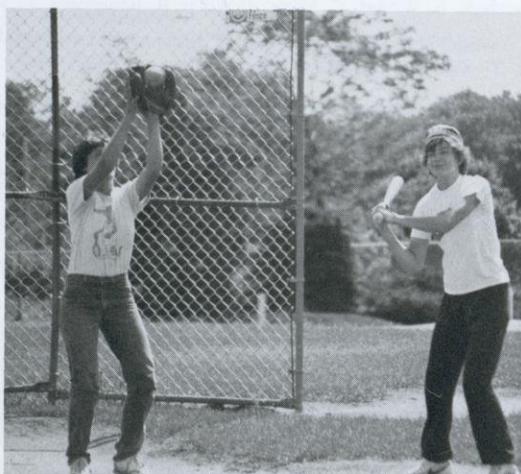

The varsity softball team had a new coach this year and did pretty well. With leading hitters like Amy Walsh, Kelly Conners, Beth Greil, and Heather Norton, and leading seniors and captains like Barb Revolinski and Sue Rydzik, they finished 5-8 in the season and fourth in conference. The team learned much this year, they tried all the time, and they gave 100%. They're looking to be a contender in 1984.

The J.V. softball team won three games throughout their season. They were led by Jodi Hegemann, Colleen Markey, and Colleen Cotter. The entire team tried hard and gave all they had to the team.

Coach: Mr. Brandstetter

**Back row left to right:** S. Rydzik, S. Roehl, H. Norton, M. Gibson, A. Walsh, K. Markey **Front row left to right:** B. Revolinski, R. Gallo, C. Krzyzaniak, J. Henning, M. Guardiola

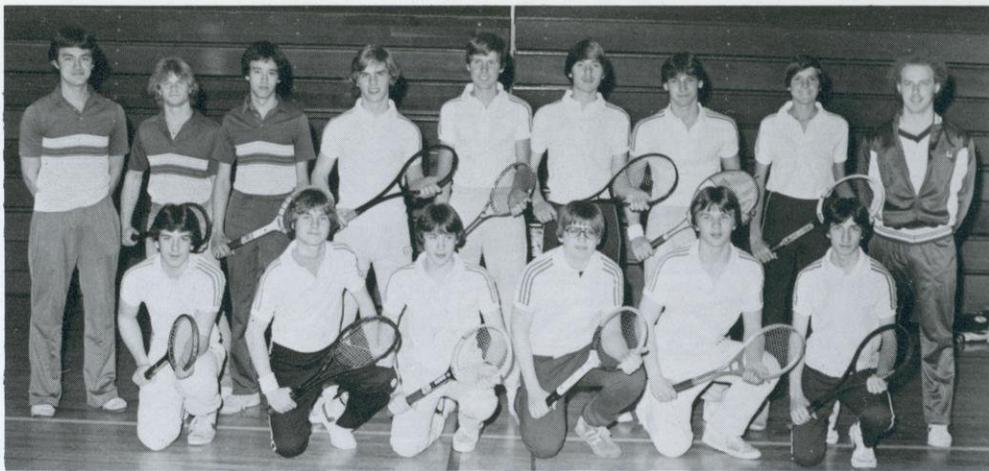

Mary says, "Come on, you call that a pitch?!"

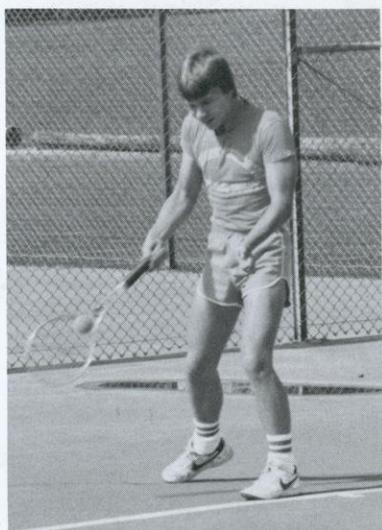

**Back row left to right:** L. Zangerle, L. Moerke, C. Cotter, K. Keyes, L. Treffinger, W. Wishau, A. Lofgren, D. Johnson. **Middle row left to right:** K. Swenson, C. Gatzke, W. Seebruch, K. Browne, T. Shine, J. Wambach, D. Chapman. **Front row left to right:** J. Hegemann, K. Kester, S. Weber, J. Rau, C. Markey, P. Powell

Nice catch, Kelly!

2nd row: M. Brannen, R. Hansen, J. Brannen, K. Rothmeier, R. Leipzig, P. Winder, S. Berger, K. Leipzig, J. Funk. 1st row: B. Beltz, T. Bauer, B. Rowe, R. Haldeman, E. Schadler, D. Zahn. Coaches: Mike Brannen and Joel Funk.

(left) Eric swings to return the ball.

(right) As usual, Bruce is trying to get himself out of trouble.

3rd row: Coach McDermott, J. Sorenson, S. Pollock, B. Fischbach, K. Eagan, M. Gromacki, K. Ignatowski, D. Kisting, J. Aune. 2nd row: B. Leonard, J. Martin, E. Blodgett, R. Thompson, L. Bazen, E. Getturst. 1st row: J. Johnson, P. Jock, R. Frye, J. Davies, M. O'Keefe.

## Tennis

Though the tennis team did not win a single match, they had a lot of good games and were very enthusiastic. Some of the strengths the team had were in the fact that the team had a lot of underclassmen who have a lot of potential. Also the coaches were very good and the team learned a lot from them. They may lack confidence because they haven't won in such a long time, but they sure don't lack enthusiasm.

## Golf

This years golf team was very young with 15 members out of the total 23 being new to the team. Also 9 are freshman and 7 are sophomores. The young people give the team great potential, especially Bailey Leonard and Mike Gromacki who played on varsity throughout the season and were up against juniors and seniors. The team had a very good turnout this year with a lot of promising freshman. The top three on the team were: Jim Sorenson with an average of 47.3, Mike Gromacki with an average of 47.5, and Bailey Leonard with an average of 48.5.

# GODSPELL

Godspell proved to be magnificent! It was sold out three of the four nights, all of which received standing ovations.

Godspell was an unusual and touching version of the Bible, acted out by clowns that brought about many chuckles and tears from both cast and audience. The cast worked exceptionally well together and grew very close. "We weren't acting; the love brought out was for real." It was a memorable experience for everyone involved.
