gan: "The Varsity Out to Welcome the Freshmen!"

1921 As *breakfast* is the first event of our daily lives, so the *Varsity Welcome* should be looked upon as the first event of the University year—something as *a matter of course*, that needs no argument. Student leaders are anxious to make it a permanent thing. Therefore the *Student Council of Forty* asks and expects every student in the University, from Grads to Freshmen, to help make an imposing pageant of the classes as an important feature of the *Varsity Welcome*. Last year was the first attempt in forty years to get all the students and all the Faculty together. It seemed an impossible enterprise. But we put it across! We can do it again! Will *you* help?

The moving picture machines of the *Pathé Weekly* will record the result and scatter it over this whole country. Let us make it an inspiring spectacle, worthy of Wisconsin!

A brief, snappy and interesting program of songs and speeches will be given at the Lincoln Monument after the Pageant. The President, the Governor, a Dean, a Professor, an Upper Classman and a representative citizen of Madison will do the speaking.

The President has ordered that no classes be held at 11 o'clock on Friday—if the weather is fair. He will request the members of the instructional force to attend. Seats will be provided for them at the Monument.

*The Daily Cardinal* will serve a daily supply of Pep and Punch for free distribution to promote the Preliminary Pageant. *Read it!!*

## *Instructions for the Pageant*

Signs will be erected on the Upper Campus at the meeting places for the various classes. Get there by 11 o'clock! These places are indicated below.

Members of *The Student Council of Forty* will be on hand to form the classes into line. File-leaders, with a class device, will head each group.

Professor Corp and Assistants will direct the march to Lincoln Terrace. General order, when the band begins to play: *Eyes front and follow!*

*Freshmen* will meet on the lower part of the Upper Campus—in front of the Clock Tower of Music Hall.

*Sophomores* will form on the walk in front of the Engineering Building, by twos, the women leading, and headed down the Hill.

*Juniors* will form on the walk in front of the Law Building, by twos, the women leading, and headed down the Hill.

*Seniors, Graduate and Law Students* will gather on the lawns west of North Hall and South Hall, and will be formed into line on the walks west of these buildings, by twos, headed by the women, and facing the Upper Campus. Those with initials from A to M should assemble at North Hall; those with initials from N to Z at South Hall. Note these directions carefully, and we will manage this slight complication.

Locate your place of meeting *before* Friday, so that you will know *just* where to go.

If you do *not* have a 10 o'clock class, be at your place of meeting by 10:50 so that the work of forming may begin.

If you *do* have a 10 o'clock class, get your place before 11 o'clock. We did it last year, and can do it again! The Pageant will take twenty minutes, the Program thirty, and we *must* be through by Noon, as we were last year.

In case of rain, 11 o'clock classes on Friday will meet and the Varsity Welcome, with Preliminary Pageant, will be held on Monday, at 11 o'clock.
