Spirit Reigns High This Year

Pep Week-Cowboy and Indian day.

Signs being made, paint on the floor, selling buttons and cheering the team on to a victory!-What do these things mean? These are the main activities of our pep club. The active members are always at games and school functions making it obvious that we ARE MIGHTY MIGHTY WOLVERINES and that "This is Wolverine Country." Pep Club is always trying to think of new ways to "Pep" the feeling of the student body up. They also sell pep boosters at basketball games and have things such as pep week which everyone seemed to enjoy. Everyone must agree that this club is a great boost to the moral of the students as well as the players.

“W” Means Work — And Lots of It!

W-Club-actually what is it? It's a lot of things put together: sweat, running, exercising, walking on the greens, playing in the rain, pulling muscles, meeting new faces and also suffering defeat--or accomplishing a victory all at the same time. All members are young athletes setting a certain goal and striving toward it until they are finally rewarded by a letter. Yes, just a little white letter to say they have been in a sport. Though it is only cloth, the meaning behind this "W" is the most important thing of all. It means a year of hard work and a lot of bad times. Still they are not just working for themselves but a whole group of guys. This is what the W-Club is made up of. All students, Freshman through Seniors joining together because of a common interest-SPORTS.

Student Council is one of the most important organizations of the school. These are people selected by the students to represent THEM. Many times things become old fashioned but this council can usually update these things--However, the student body has to show that they want change and they have to work for it. Also, this special group of people try to get ideas and opinions from the students which many times seems impossible, but they do it. Through this Council the people have to try to keep everyone working together so they can accomplish things--and only by working together can any type of success be reached.

The band at WHS had a new director this year. This new face was that of Mr. Krzyzaniak who came to us from Beloit. Besides directing JV Band and Varsity Band at contests and concerts, Mr. Krzyzaniak directed the Pit Band for "Guys and Dolls" as well as Stage Band and the Pep Band.

A new band director's ways are often difficult to become accustomed to, but the students all agreed to the fact that the adjustment was an easy one.

After a successful first year at Waterford High School, we all hope that he will enjoy working with us for many more years.

All three choruses showed vocal talent this year. There was Mixed Chorus, composed of freshmen who showed much talent and ability for future performances. There was Girls Chorale, a top notch choir of sophomore, junior, and senior girls whose voices added much to our concerts. Then there also was our own Concert Choir who after many trials and upsets turned out to be a very polished group of singers. All the choruses were ably directed by Mr. Pierce. He was responsible for all of us making a fine showing at the contest.

HOMECOMING '73'--What a weekend!
 To start it off, the pep rally on Thursday
 night set our hopes high for a thrilling
 victory. We showed our spirit with skits
 naming ways to extinguish the Comets.
 And we really showed how to extinguish
 them all the way to water all over the
 floor. As our excitement rose, we poured
 out of the gym and ran through town shout-
 ing to everyone that we were gonna win!
 This year everyone seemed to enjoy our
 little snake parade through town.

Our Queen (RED)

All the planning and rushing around of Homecoming Week was finally climaxed by the dance on Saturday night. The band was fantastic and everyone seemed to be taken in by the magic of autumn. The gym was lighted beautifully which gave one that magical feeling that you were in a trance. The Senior class did a grand job of decorating with Autumn & Halloween in mind.

For some it was the last--for others The Beginning.

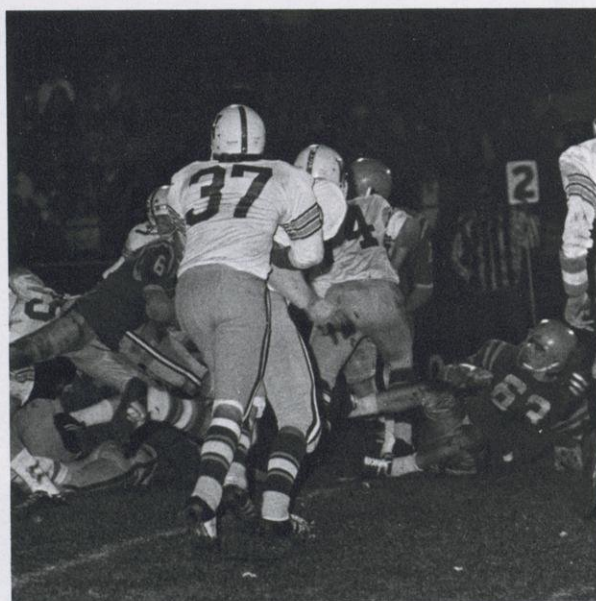

HOMEcoming COURT "73": Sophomores-Karen Huening & Brian Parks, Juniors-Stacy Rupert & David Huening, Freshmen-Chris Hegemann & Rick Davison, Last but not least our king and queen---Sandy Ketterhagen & Bill Jacobson (King ugly Bill).

Come on---Let's GO!

All day Friday, the whole school was filled with tension as everyone prepared for the game. The competition was rough, but we were sure our players would put forth their best effort. The players worked together but Delavan got it together first and came out on top with a score of 42-0. Mr. Krzyzaniak and the Varsity Band put on a fine half-time show. As an added attraction, Chelle Paetsch gave a sparkling solo performance with her fire baton. Our defeat brought disappointment, but every fan was tremendously proud of our football team.

A Chance for a Little Talk???

Intramurals With Mr. Ruder

VETERANS DAY

Veterans Day-a day to remember all those who fought for our country. It's a day to think of them and in our hearts thank them for sacrificing part of their life for us. We honor them by having an assembly each year with the salute of the guns. Also, annually a student talks to the whole student body on a subject important to them. Robin Conley was our girl this year. She gave a wonderful speech on "Patriotism" written by herself. The assembly went remarkably well with the whole school acting like adults. Everyone is to be proud of their behavior that day.

American Legion Program

Badger State is actually a state of mind, but it seems very real to those who are its citizens for one short week. The American Legion and its Auxiliary sends two boys to Ripon College and one girl to Madison each year in June. It is a week filled with discovery--of yourself and your independence and initiative, of the goals and philosophies of your peers throughout the state, and of your city, county and state government. Badger State is exciting and challenging to be a responsible, thinking person, if only for a week! This year Tom Davison, Joel Nelson and Karen Hanson were the lucky recipients.

The golf team has had a very fulfilling year. It was their third year in existence and their hard fought season ended with 4 wins and 3 losses. However, the season did not end at just matches, they also got to sectionals and conference which was held on our own home green, and ranked in both. For three years Cindy Swift has been our most valuable player. The decision of this honor was not hard to come by since she was medalist at sectionals for the past two years, and medalist for conference this past year. The team is as proud of her as everyone must be of the team for the fine showing they made.

With six wins and one loss, the girls tennis team had an almost perfect season--almost. Our only defeat was to Delavan by a score of three and two. Karen Hanson and Jacki Bremer remained undefeated throughout the season.

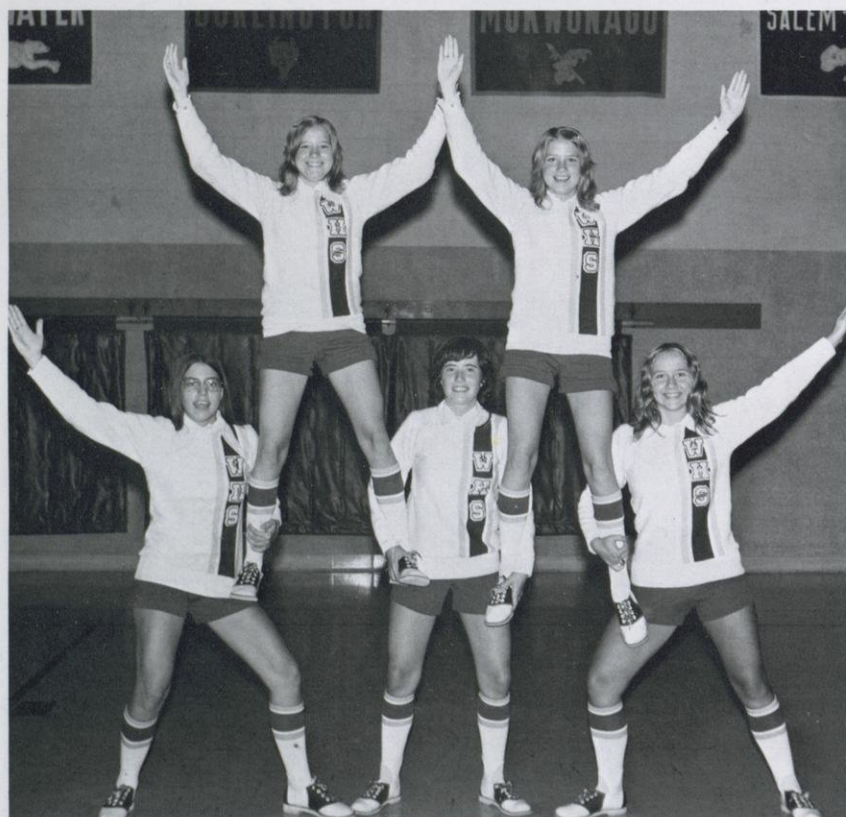

In addition to her undefeated status, Jacki placed first in sectionals and sub-sectionals where she earned enough points to send the team to State. We placed 10th in state and Jacki placed 7th.

Under the direction of Mrs. Satariano, 16 pom pon girls got together an average of 3 nights every week to work on, and perfect routines. They performed during half-time of the Varsity basketball games, at home games. On November 23, the pom pon girls attended a clinic at Stevenson High School in which they did well in competition with squads from other schools. The entire squad worked hard to get their new uniforms and pom pons which added to make a sharp looking squad.

That's the Way

the

Bounces

To play basketball you have to be able to run and run your tail off! Besides this you must be an expert shot. Well, this could easily have been seen by watching one of our exciting games. And we've had many. You're constantly on the move and you can't cool down if you're taken out of the game for a period of time. You have to have your eyes on the ball at all times. Basketball is a skill trying to out-manuever your opponent. This takes much training and our team really did a good job. We had five great guys returning from the past and they did a fine job. They have all practiced since their frosh year and have come along way. We're proud of our team and behind them all the way!

The Waterford Wrestlers put in a great season this year. After the long weeks of dieting, exercising, and getting into shape, each wrestler completely gave himself and everything he had into pinning his opponent. If we met with defeat, we worked and tried even harder at the next match to show everyone that we weren't going to give up that easily. Whether the match was at home or away, there was always a crowd of people there to back them up all the way. The wrestlers knew that and dug in even harder so that every fan would be proud of them! Both the J. V. and Varsity teams gave tremendous showings and we're awfully proud of all of them!

Our Cross-Country men ran their legs off for a terrific season. They beat many good teams this year, including old rivals such as: Delavan, Burlington, and Mukwonago. Running a 2.5 mile course in rainy weather is always tough, but it's this toughness that brings our the spirit and energy a Harrier has. Even though there were moments of disappointment and frustration, many good times were filled with laughter and elatedness after running a good race.

JV CROSS COUNTRY- ROW 1: M. Gray, R. Frye, D. Porn, T. Vyvyan. ROW 2: Mr. Beischer, D. Long, R. Fischbach, S. Jones, R. Neuman, M. Berka, and Mr. Tonn.

Senior . . . Reminiscing

Sept. 1, 1970. This is the day it began. At this time in our lives we started to grow into adults. This is the day in which we were entering a new world--a world which would be a part of us forever. Yes, this was the first day of the rest of our lives.

Our first meeting as we became one class was in the gym--Head speaker was Mr. Frye. He tried to start us out on the right track and succeeded in our class having the biggest Magazine sale for the following 3 years. Our "FROSH" party also went over great! With everyone getting to know each other just a little better.

Our "SOPH" year followed closely after. We were nothing special and our only event of the year was Sadie Hawkins. This was far from a failure with many Sophs. turning out. This was only showing the unity of our class beginning to grow.

Later our "JUNIOR" year rolled around. We had a grand time! Everyone really began cooperating and working together. By this time there were parties on weekends--for all the kids to attend, helping to get us acquainted better. Yes, and Prom was here. Everyone worked so well together--we can really be proud of the way things turned out. It was a weekend to be remembered for years to come.

And last but far from least came our "SENIOR" year. Our very last one! Each day brings us a step closer to entering the adult world. Many will enter early by graduating in January. None the less we all must face it at some time. We'll be leading lives of our own soon. To try out ourselves, we'll try to be successful. Yes, we'll be walking out of these doors whether in January or June, it matters little, but we will never forget all the experiences and emotions we have felt these past four years. They have taught us to live for ourselves, and be ourselves--but to never forget our fellowman.

Give me enthusiasm

To greet each brand new day

With an honest joy in living

As I go my simple way;

I do not ask contentment

That would ambition stay--

But let me love the little things

I find along the way.

Our A.F.S. Guest From Venezuela

Hello Everyone:

My name is José Ramón Gómez, my home is in Tovar, Venezuela. The population of my city is about eleven thousand and it is located in one of the many valleys in the Andes Mountains. There are about two thousand students in the public high school that I attend there.

I have so many things to say about my new home, Waterford, that I don't know where to start. Well...I'm lucky, and I'm glad to come to this lively town to meet and associate with very nice people. I am happy to be here with the Funk family and be a member of it. It is fun to share life and experience with them and all the other people of the community. Everything in the school and community is perfect to me--like my teachers, administration and my schoolmates. The weather too, is perfect, sometimes!

I will never forget being chosen a boy cheerleader and being able to participate in "Guys and Dolls." These activities helped me to meet and know so many people here and helped me to learn to love everybody and everything.

I thank you all very much for making this year one of the happiest of all my life.
