The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Berner Valve

Dameca

DAMECA A/S
Islevdalvej 211, DK-2610 Rødovre
Copenhagen, Denmark

- Ensures optimum control of ventilation
- Carries away surplus gases
- Two independant systems - volume and pressure controlling
- Uncomplicated and momentary transition from spontaneous to controlled respiration
- Lower average intrathoracic pressure
- Simple and easy to operate
- Easily positioned into anaesthesia systems
