Your Committee has been considering the question of the problem of a successor to Dean Holt of the Extension Division. We present for your consideration and approval the recommendation of

the President that Lorentz H. Adolfson be named Acting Associate Director of the Extension Division at a salary of \$4,000 a year, to be effective forthwith. The Committee endorses this nomination and recommends the appointment of Mr. Adolfson. He is thoroughly acquainted with the Extension Division and with the state. He has been with this division since 1937 and is now in charge of the responsibilities that the University has assumed for the Armed Forces Institute in connection with the correspondence courses now offered to the men in the armed services all over the world. The reason for the designation "acting" may need explanation. The University is exploring the possibilities of further cooperation and possible coordination between all extension activities and it may be that some changes in organization will be presented to this Board after studies now under way have been made.

/s/ A. Matt Werner, Chairman

/s/ F. J. Sensenbrenner

/s/ Leonard Kleczka

/s/ W. J. Hodgkins

Upon motion of Regent Werner, seconded by Regent Cleary, adopted.

Regent Werner, Chairman of the Personnel Committee, reported that the committee had given the matter of the selection of a dean of the newly created School of Commerce serious consideration and asked the indulgence of the Board for additional time. Upon motion of Regent Grady, seconded by Regent Cleary, it was
