The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

YOU SAY:

“I want a wide choice of great locations, the best salary, and the most complete benefits package. Who do I call?”¹

WE SAY:

“Call 1-800-343-3270 ext. 702, and ask to speak with Dorie.”

Dorie Weir, RN, Critical Care Nurse, TravCorps Traveler

TravCorps offers traveling nurses great locations, great salaries, great benefits, and more. But don't just take our word on it.

We invite you to speak with Dorie Weir, RN, Shellie Haines, RN, Theresa VanOverwalle, RN, or any of our experienced travelers in your specialty. They'll be able to tell you why

TravCorps remains the undisputed leader in travel nursing, and why over sixty percent of our applicants are word-of-mouth referrals from other travelers. After all, when you're the best, word does get around.
