## 1977 WISCONSIN FOOTBALL OUTLOOK

by Coach John Jardine

"If we get off to a good start and our key players have good years, we hope to challenge for the title.

"We have an outstanding schedule. We open at Indiana instead of Michigan, and that's a hell of a change.

"Wisconsin posted a 5-6 record in 1976 — 3-5 in the Big Ten — and the Badgers lost their five conference games by a total of 32 points — 15-14 at Indiana; 18-16 to Purdue; 31-25 at Illinois; 30-20 to Ohio State, and 40-27 at Michigan.

"A total of 17 of the 22 starters in last year's final game victory over Minnesota (26-17) return for 1977 play including national leaders **Ira Matthews** and **Scott Erdmann**.

"**Matthews** paced the nation in kickoff returns — 14 for 415 yards and two touchdowns (97 vs. Northwestern and 100 yards vs. Iowa) — and was the conference leader in both kickoff and punt returns.

"**Ira**, who ran for 535 yards from scrimmage, caught 19 passes for 238 yards, returned 15 punts for 138 yards, in addition to his kickoff return exploits, ranks as the only Wisconsin player to score a touchdown by running, pass reception, punt and kickoff return in a single season.

"**Scott Erdmann**, playing safety, ranked among the top ten nationally with seven pass interceptions and a return yardage total of 143 yards and one TD last year.

"**David Charles**, who caught 34 passes a year ago and ranked second in Big Ten play, returns for his junior year at split end.

"**Greg Barber** lettered behind the departed **Ron Egloff** at tight end and had a good spring and appears set for a fine junior year.

"Wisconsin's offensive line is experienced with senior tackles **Tom Kaltenberg** and **Steve Lick**; junior guards **Brad Jackomino** and **Dave Krall** both saw considerable playing time in starting roles last year; and center **Jim Moore**, a 6-3½, 224 junior is as fine a center as we've had at Wisconsin — (consider that we sent **Mike Webster** to the NFL following the 1973 season).

"**Mike Morgan** comes back from knee surgery for his senior year and he had a good spring practice. He's a versatile running back with good power and speed.

"**Terry Breusch** saw much playing time during the latter stages of 1976 and along with **Kevin Cohee**, who shows much promise, provides depth behind Morgan.

"**Tim Halloran** moved in at the fullback position in spring practice after lettering as a

**Mike Morgan**

linebacker — he was the team's top tackler at the position — in 1976.

"**Joe Rodriguez**, who gained playing time behind the departed **Lawrence Canada** last year, is the back-up fullback. He gained 149 yards from scrimmage and caught four passes for 42 yards — two of them for TD's — in his understudy role in 1976.

"**Junior Anthony Dudley** came to the front during spring drills and was No. 1 at the quarterback position when spring practice ended. Vying with him when 1977 preparations begin on August 22 will be junior **Charles Green**, a letterwinner as a freshman in 1975; and sophomore-to-be **Mike Kalasmiki**.

"**Mike Carroll** directed our multiple offense to an average of 380 yards per game running and passing in 1976 and the continued development of our quarterbacks during the 1977 season can make our offense very exciting . . . and put the ball in the opponent's end zone.

---

**OFFENSIVE OUTLOOK** — A total of 16 lettermen return, including eight players with four or more starts in 1976.

**Strengths** — Wide Receiver **David Charles** returns after a terrific sophomore campaign in which he paced Badgers with 34 catches for 449 yards and three TD's.

**CONTINUED ON PAGE 8**

Starting tackles **Tom Kaltenberg** — he missed final three games — and **Steve Lick** return while starting guards **Brad Jackomino** and **Dave Krall** and center **Jim Moore** form an experienced interior front line.

**Krall** started first four games of 1976 at left guard; **Jackomino** took over and did a thorough job; **Krall** has been shifted to right guard to replace the departed **Terry Lyons** who was a steady performer all through 1976 at the position.

**Ira Matthews** — the Badgers' Mr. Excitement in 1976—and **Mike Morgan** are experienced running backs returning for 1977 play.

**Morgan** was injured (knee surgery) against Purdue and missed remainder of season.

**Major Losses** — Tight end **Ron Egloff**, 20 catches for 308 yards and 4 touchdowns; Right Guard **Terry Lyons**; steady, 11 game starter

Quarterback **Mike Carroll**, Big Ten's 2nd leading passer and ranked 3rd in total offense. He was the Badgers' most valuable player in 1976. Fullback **Lawrence Canada**, Top rusher with 993 yards to lead team; ranked 5th in Big Ten; an outstanding blocker.

**Counted on to Help** — Letterman **Greg Barber** at tight end; **Bruce Muschinske**, **Ray Sydnor** and **Charles Harper** all in the battle at this position.

Sophomores **Dan Westerlind**, **Ken Burney** and **Jim Martine** provide depth behind the guard positions.

Juniors **Anthony Dudley** and **Charles Green** — he started four games in 1975 — along with sophomore **Mike Kalasmiki**

Letterman **Joe Rodriguez**, who played very well behind **Lawrence Canada** at fullback, along with **Tim Halleran**, switched from linebacker

**POSITION CHANGES** — **Tim Halleran**, linebacker to fullback

**Dave Krall**, left guard to right guard  
**Bruce Muschinske**, defensive back to tight end  
**Doug Witkus**, right tackle to left tackle.

"Defensively, we have experience at each starting position except at right tackle where **Tom Schremp**, a 6-3½, 221 sophomore-to-be developed rapidly in the spring and appears set for stardom.

**Dennis Stejskal**, an All-Big Ten performer as a sophomore, and **Kevin Boodry**, a hard-nosed junior, are outstanding ends.

**Bob Czechowicz** is a three year letterman at left tackle, and **Dan Relich** is a hustler at middle guard.

**Dave Crossen** and **Lee Washington** provide experienced linebacking. Sophomore-to-be **Ken Burroughs** and **Kurt Holm** provide excellent depth. Burroughs made the switch from fullback in the spring, and Holm is a transfer from the University of Minnesota.

"Our defensive backfield is experienced and has good speed and depth. **Greg Gordon** has an outstanding spring and should be the leader of this group. **Gordon** and **Lawrence Johnson** are at left and right cornerback, respectively, while **Erdmann** is at safety and junior **Dan Schieble** is the buck man (strong safety).

"Our team showed fine progress during the spring. We did not suffer one injury of consequence. We had tremendous enthusiasm. In 20 years of coaching, this was the best spring practice session I can remember.

**DEFENSIVE OUTLOOK** — A total of 13 lettermen including eight players with five or more starts form the nucleus around which to build a solid defense in 1977. One of the lettermen — **Tim Halleran**, who started nine games as a linebacker (3 left, 6 right), was shifted to fullback in spring drills.

**Strengths** — Defensive secondary returns intact; top linebackers in **Dave Crossen** and **Lee Washington** return along with end **Dennis Stejskal**, an all-Big Ten second team choice as a sophomore.

Middle guard **Dan Relich**, who shared the play at the position in 1976 returns, and Badgers have good experience at each position except at the tackles.

**Major Losses** — Co-Captains **John Rasmussen** and **Andy Michuda** were dependable defensive tackles and their collegiate eligibility has been completed.

Quarterback Kurt Steger returns along with halfback James Coleman and split end Eric Rouse on offense. The line will feature Kevin Pancratz, an all-Big Ten second team selection at guard.

Replacements will have to be found for the kicking game, as four-year starters Dan Beaver and Phil Vierneisel have graduated. Beaver was an all-Big Ten place-kicker for two years and Vierneisel was third in Big Ten punting last season.

Defensive standouts are rover, Rickie Mitchem and safety Dale Hardy. Replacements need to be found at linebacker, where no starters return.

### CAPSULE OUTLOOK

Familiarity with Rogers' system, return of some key players from injuries, and a good recruiting year should give the Spartans a stronger team than was fielded in 1976. Lack of depth and loss of several key players to graduation could cause problems.

Two-time Big Ten tight end **Mike Cobb** has graduated, but **Eddie Smith**, who led the league in passing and total offense in 1976, will have the Big Ten's leading receiver in flanker **Kirk Gibson** returning. Place kicker **Hans Nielsen**, who needs only 35 points to become the school's all-time leading scorer, heads a strong kicking crew.

On defense, linebackers **Paul Rudzinski** and **Dan Bass**, along with all-Big Ten tackle **Larry Bethea** return. The picture will be brightened if middle guard **Kim Rosekamp**, defensive back **Mike Imhoff**, and safety **Tommy Graves** can successfully return from injuries.

Quarterback **Rod Gerald** returns with tailbacks **Jeff Logan** and **Ron Springs** to head the offensive attack. The line, headed by all-American **Chris Ward**, will have to fill the spots left by **Bill Lukens** and **Lou Pietrini**.

Fullback, John Skibinski, who gained 871 yards last year, returns to the offensive backfield, along with receivers Reggie Arnold and Raymond Smith. Tackle John LeFeber is the only starter returning from the offensive line.

On defense the biggest loss was at the ends spots, as Blane Smith and Kim Cripe graduated. All-conference selection Paul Beery returns to his safety spot in a backfield that has all four starters returning.

**CAPSULE OUTLOOK**

Coming off a 5-6 season, Iowa's best in seven years, coach **Bob Commings** is looking towards an upper division finish for 1977. The Hawkeyes ranked third in the Big Ten in total defense last season and only three members of last year's two-deep have graduated. All-conference linebacker **Tom Rusk** and cornerback **Rod Sears**, who tied for the Big Ten lead in interceptions with five, return along with seven other starters from the 1976 squad.

On offense, the quarterback and receiving spots were hurt by graduation, but experienced players are available to fill these spots. The line will be led by center **Jim Hilgenberg**, who was redshirted last year. **Jon Lazar**, **Tommy Renn**, **Dennis Mosley** and **Ernie Scheeler** return in the backfield. The kicking game is questionable as placekicker **Nick Quartaro** and punter **Dan Matter** have graduated.

### CAPSULE OUTLOOK

The Gophers finished 6-5 last year for its first back-to-back winning seasons since 1967. Provided a replacement can be found for QB **Tony Dungy**, coach **Cal Stoll** feels his team could be the toughest he's ever had at Minnesota.

Eight starters return on defense, led by captain **Steve Midboe** at tackle. Other standouts on defense include **Mark Merrill** at end, **Steve Stewart** and **Michael Hunt** at the linebacker spots, and **Bobby Weber** and **Keith Brown** in the secondary.

Only four starters return on offense, with the greatest losses in the line. The backfield looks strong with fullback **Kent Kitzmann** and tailback **Steve Breault** returning, and the receiving corps includes wide receiver **Jeff Anhorn**.

## TWO BADGER NUMBERS RETIRED

Two football jersey numbers have been retired in Wisconsin's football history. They are No. 80, worn by All-American end **Dave Schreiner** when he was an All-American end in 1941 and 1942; and No. 83, worn by quarterback **Allan J. Shafer** in 1944.

**Schreiner** was killed in action with the U. S. Marine Corps during the battle of Okinawa, June, 1945. **Shafer** was fatally injured in the second half of the 1944 Wisconsin-Iowa football game and died shortly after Wisconsin had defeated the Hawkeyes 26-7 in Camp Randall Stadium, November 11, 1944.

## CAMP RANDALL HISTORY

The University of Wisconsin is proud that its sports center is more than just an athletic field—and that the drama and excitement of football seasons are set against a backdrop of colorful Wisconsin history.

In its 84 years of ownership, the University has expanded the facilities there until they include a large stadium, fieldhouse, memorial practice building and football practice fields.

But the University didn't name it. The name was decided long before that by veterans of the Civil War who knew it was a great military camp named for a wartime governor. When the University took it over they insisted that the name be preserved forever as a memorial to their fallen friends.

In the days before the Civil War, the site was owned by the State Agricultural Society whose yearly state fairs attracted holidaying throngs there. With the outbreak of the war, however, the society turned the place over to the government to become the state's major training center.

The land again became the state fair grounds when peace returned and when Gen. U.S. Grant visited it 15 years later he hailed the transformation as "a symbol of beating the spears of war into the plowshares of peace."

Other visitors to the grounds were Gens. Sherman and Sheridan and Pres. Hayes. When the state fair was moved to Milwaukee and a few years later even the Dane County Agricultural society stopped using it for fairs, the Civil War veterans were furious to learn the land was to be sold for building lots.

Blasting the "sordid sacrilege," they urged the legislature to buy it and in 1893 the state presented it to the University as a memorial athletic field.

When the question of a name arose, the veterans promptly carried the day for "camp" instead of "Field."

Intercollegiate athletics had been started at Wisconsin in 1881 and the University has had a football team since 1889. The school won its first great victory in 1894, defeating Minnesota 6-0 in a game on the lower campus that part of the crowd watched from fringed surreys. The great teams of '96, '97, and '01 were among the first to play at the new field.

The University had a "real" stadium by 1913 but its stands were still wooden. The legislature declined to pay for concrete—and consequently, was promptly blamed when a large section collapsed Nov. 21, 1915, at the climactic Wisconsin-Minnesota game.

Twenty people were injured, some seriously, and only the fact that the seats fell slowly prevented more casualties among the 1,800 in the area.

So in 1917 the present stadium—following completion of the past year's addition—was started with a grant of \$15,000 from the legislature. The rest of the money was earned by athletic events and the stadium, which now seats 77,280, is the only one in the Big Ten to "pay its own way" that way. Permanent dormitories were built, housing 150 men, but this space now is used as athletic department offices and training quarters.

The first game to be played in Camp Randall Stadium was the 1917 homecoming game against Minnesota's Golden Gophers. The Badgers won the game 10-7 to hand the Gophers their only Big Ten loss, relegating them to second place in the final conference standings.

The original capacity of the stadium when first utilized in 1917 was 10,000, with permanent seats being added in stages to increase seating capacity.

There have been three enlargements to Camp Randall Stadium since the end of World War II. The first, in 1950 and 1951, saw the completion of the horseshoe at the north end of the stadium.

The running track was eliminated in 1958 expansion which saw the playing field lowered by ten feet to add almost 12,000 seats to the stadium capacity which grew to 63,435 at that time.

The addition of the second deck on the west side of the stadium in 1966 added almost 13,000 prime viewing seats, including the modern Communications Center.

The current capacity of 77,280 makes Camp Randall Stadium the fifth largest college owned stadium in the United States — exceeded only by those at Michigan, Stanford, Ohio State and Tennessee.

The fieldhouse at the open end of the stadium horseshoe was built in 1930 for almost \$500,000 and has a seating capacity of 12,204 following renovation in 1976.

## UNIVERSITY OF WISCONSIN

The University of Wisconsin — Madison was established in the same constitutional document which proclaimed Wisconsin's statehood in 1848.

Today, the University of Wisconsin—Madison ranks among the great universities of the world in size, scope, and academic excellence.

Three faculty members have won Nobel Prizes, the most recent being Professor Howard M. Temin, oncologist, who won the 1975 award in medicine. Dr. Joshua Lederberg won the 1958 prize for his studies of the genetic material in bacteria, and Dr. Har Ghobind Khorana was recognized in 1968 for his pioneering work in the field of nucleic acid chemistry.

Among the University's accomplishments in recent years: Ranking "distinguished" or strong in 26 of the 29 academic disciplines surveyed by the American Council on Education, with particular praise on the departments of chemical engineering, geography, Spanish, botany, history, bacteriology, and biochemistry.

Second nationally in number of doctorates awarded in the past four decades.

Third in providing federal executives holding doctorates, in total gifts received by state universities, and in contributions from business and corporations.

Fifth in number of full-time students, and seventh among alma maters of presidents serving the nation's largest corporations.

Excellence results from the continued financial support provided by the citizens of Wisconsin, and from the University's dedication to providing maximum educational opportunities for all state citizens, the acquisition of new knowledge through research, and the application of knowledge to the improvement and use of society.

An immense variety of intellectual experiences awaits the students on the Madison campus. Here is a nuclear reactor, one of the finest textile collections in the country, a building in which nearly every conceivable environmental condition can be simulated, a 50 mev fixed-field alternating gradient Synchrotron, a collection of over 1,700 United Artists movies from 1919-1951, and full scale models of a mastodon and gypodon.

The faculty has created special earth-satellite cameras that reveal weather patterns on a scale never believed possible, is conducting experiments with moon-rock samples returned by the Apollo 15 crew, and still others are working in one of the nation's premier cancer research centers.

True, much praise has come from the University's research efforts, but basically, the campus is a place of scholarship. And next on the list is serving the people of Wisconsin and the nation.
