## WHAT CONSTITUTES GOOD CITIZENSHIP.

Awards will be made Friday, March 12th at the meeting of the Williams Bay Woman's Club to Clement Halpin and Phyllis Anderson as the winners for the best essays on "What Constitutes a Good Citizen." The contest was suggested by the first district of the Federation of Woman's Clubs and sponsored by the Williams Bay Woman's Club. The essays will be read by the contestants at the meeting and an award made to Clement Halpin in the sum of Two Dollars and to Phyllis Anderson, daughter of Albert Anderson in the sum of \$1.00. The seventh grade pupils are the only ones who were eligible to enter this contest. The judges were Mmes. Lawrence Hollister, H.A. Bradt and G.W. Moffitt.

The editor of "Bay Leaves" is pleased to print this week the prize winning essay written by Clement Halpin. Next week the one by Phyllis Anderson will appear.

### What Constitutes Good Citizenship.

Citizenship means all the duties, rights and privileges of a citizen. All the citizens should obey the laws if they want to be good citizens.

A good citizen must be ready to cooperate with the government if he is asked to do so, such as serving on juries and holding public office when elected. A good citizen should vote and vote for the one he or she thinks is best, and not for one because someone else is voting for him.

Respecting the law is one of the duties of a citizen. We can best respect the law by obeying it, such as not to throw waste in the street but to put it in a waste container as the law requires. A good citizen must be clean in his habits. He should help old and blind people to cross the street. A good citizen should not gamble and try to cheat people out of money. He is always kind to dumb animals and does not harm them.

If one does all these things he can truly be called a good citizen.

Editor's note. The young essayist has given some very good advice to us older folks. The Woman's Club is to be commended in stimulating thought on such important subjects. Let's have other similar contests. These young people demonstrate that they have ideals to day just as we did when we were of the same age.

### W H Y T A X E S ?

One of the headings which appears in the report which has to be made annually to the Wisconsin Tax Commission is " Education and Recreation ". The Village Board has included in its budget under this heading the following:

Library: A appropriation of \$300.00

Parks:

Wages for mowing grass	\$200.00
Supplies and Material	50.00
Painting Band Stand	25.00
Sundries	50.00
	<hr/>
	325.00

\$ 625.00

The building used by the Library and Community Room was originally owned by an Athletic Society. The building was moved here from the Sturges Estate at Lake Geneva. There were box ball alleys in it.

When it was turned over to the Village there was an arrangement made that \$300 should be appropriated annually for books and payment of a librarian. This has been done every year.

The Village also keeps the building in repair and pays for the fuel and janitor service. These items appear under the General Government budget under Village Buildings.

The silver jubilee of Girl Scouting in America on March 12, will be marked by celebrations in all parts of our country.

The first Girl Scout Troop in America was organized at Savannah, Ga., by Mrs. Juliette Low when she invited twelve girls to a Tea party at her home. There are now nearly 400,000 members in 4,366 cities.

Mrs. Herbert Hoover, the National President, will open the celebration with a national broadcast on March 12 in the evening.

On August 9 to 23, Girl Scouts from thirty foreign countries, members of the International Girl Scout Movement, will be guests of the American Scouts during an encampment at Briarcliff Manor, N.Y.

#### FIREMEN SET DATES FOR CARNIVAL NEXT SUMMER

The Williams Bay Volunteer Firemen held their regular March meeting last Monday evening in their large, comfortable room on the second floor of the new Fire Station. Chief Hansen presided and as usual most of the 29 members responded to the roll call.

The men were unanimous that there should be another carnival next Summer and set the dates for July 23, 24 and 25.

The members are working hard to finish paying for the new station and to secure funds for the installation of a heating plant.

Until the job is completed the members pay 10¢ per month dues and turn back all the dollars allowed for fire calls.

With two complete fire engines the Bay rates very high in fire fighting equipment. Tho the Fontana engine was purchased for extra parts the firemen have put it into excellent condition. The other equipment has been put into very good condition also.

Drop in and look over the building and engines.

#### NOTED LECTURER IS WMS BAY VISITOR

The Hon. Fred Taylor Wilson, Washington, D.C. was a guest in the J.S. Hotton home over last Sunday. Mr. Taylor has been spending several weeks in the Middle West on a lecture tour under the auspices of the Redpath Bureau. Last Tuesday he lectured in Beloit.

Mr. Wilson is an historical writer as well. His book "Pen Pictures of the Presidents", has been brought down to include

President Roosevelt and a new edition is being printed. His latest book is entitled "The Constitution and Its Makers" and is a "best Seller."

Mr. Wilson has been a visitor in the Bay before and enjoys coming to see his friends when near here.

BASKETBALL FOR BENEFIT OF SCOUTS  
TONIGHT.  
by Les Case.

For the benefit of some 40 cubs and scouts, the Fats and Leans will display their superb type of ball playing, tonight in the High School Gym. As you will recall, the last game of this type ended with the Leans coming out victorious. So far the Fats have not been satisfied and so they will be out there to get their revenge tonight.

To add to the glamour of the benefit, the town team has denoted their services. They too will be out to seek revenge, for Glen Cook will be back in town with his All-Star Whitewater team. For your pleasure and for the men of tomorrow, you should respond to this call.

The tickets are 25¢ for adults and 10¢ for children. The first game is at 7:30 P.M.

Mr. and Mrs. Glen S. Reid, River Forest and Cedar Point Park, were Saturday visitors in the Bay. As soon as Spring is in the air they can't stay away.

Mrs. Dorothy Friedel who has spent the winter in Chicago with Mr. and Mrs. Russell Zabler, was in Williams Bay a few days last week looking after her property in Cedar Point Park.

The editor received a copy of the St. Petersburg, Fla. Times of February 28, called the Festival Number, sent by Mr. Alfred Pihl. It is a very colorful and interesting paper, describing many splendid attractions and activities of interest to the tourists. It is expected that the Winter registrations of tourists there this season will reach 60,000 by the Festival of States celebration, which is March 27 to April 3rd, and opens with a brilliant Pageant.

The Times also contains an editorial persuading the winter tourists to remain through the Spring in St. Petersburg.

This is a good suggestion for Williams Bay to play up to their summer tourists. We can ask them to stay with us for the Winter season with no apologies if the next winter will be as open as the past one has been.

There will be no flu epidemic to fear like the city dwellers have.

Mr. and Mrs. D.J. Oetjen motored to Oak Park on Saturday to spend the weekend with the Mortimer Fagers, their daughter and son-in-law.

Malcolm Stenstrom who is now employed by Montgomery Ward & Co., Chicago, spent the weekend with his father and brother.

Dr. and Mrs. Clarence Larson, Chicago, have moved their household goods to Williams Bay and their house on Geneva St. They will come to the Bay about April 1 to reside permanently.

Ruth Ellen Ohl is employed at the Bjorge store which is now open for the spring and summer season.

GOSPEL TABERNACLE HAS RE-DEDICATION  
SERVICE

A prayer and praise service was held at the Gospel Tabernacle on Wednesday evening, March 10, when the last note due on the indebtedness for improvements in the church, was burned in a very inspiring and thankful ceremony.

Rev. R.K. Kinney, the pastor, spoke from Exodus 35th Chapter-20-29. A program and refreshments were enjoyed.

This leaves the church entirely free from debt and no outside subscriptions were solicited. All the amount coming from the church members and a few friends voluntarily. All improvements are now in the church and new ones are to be added.

This proves to us what real Christian citizenship and cooperation can accomplish.

-----  
The automobile (plus liquor) is becoming as terrible a disaster as the Great War. It has often been stated that man with the things which his cleverness can invent can easily reach the place where he can destroy himself. It looks as though some such possibility were not far away. What with armaments, and liquor, and all the rest, man has built for himself a material world which is just ready at all times to blow up and wipe him from the earth.

If driving, disaster and drink begin with the same letters, so do safety and sobriety.

## THE BELFRY PLAYERS

The Belfry Players came home from Madison with a first award, for the excellence of their performance of "The Severed Cord", a one-act play by Maxine Finsterwald, which they presented in the ninth annual festival on Saturday. Special mention was made by Miss Borchers , who gave the awards, of the work of Esther Hotton, who played the role of the mother. She also commended Peggy Buckles for the very difficult portrayal of the part of the adolescent son. Awards are made on the basis of the excellence of the performance of each individual play, rather than in a competitive manner. The Belfry Players received the only first award given on Saturday.

Mr. O.A. Rosboro of Chicago and Loch Vista was in the Bay on last Sunday to view his new home on the lake shore in Oakwoods Estates. He was accompanied by Ivar Viehe-Naess, Chicago, who also has a summer home in Loch Vista, and who is the architect of the Rosboro new home, which will be one of the show places on the Bay.

The house is well adapted to the site facing the lake. A porch across the front has six pillars, 13 feet high. The studio type living room is two stories high with a balcony and large fireplace. There are three complete bathrooms. The house is air conditioned.

Eric Werner is the general contractor. The Hollister Lumber Co. furnished the lumber and millwork. McClellan & Sherman, Lake Geneva did the electrical work; Ralph Thomas, Elkhorn, the plumbing and heating.

One of the questions asked on Prof. Quiz radio program recently was "What is the largest uniformed group in U.S.?"

The answer was Boy Scouts.

#### CAUCUS MONDAY NIGHT

March 15th, 8.00 p.m.

Citizens of Williams Bay have always taken a lot of interest in the Caucus which is held for the selection of candidates for the Village Election which comes this year on April 6th.

The notices read that nominations will be made for the offices of Village President, Clerk, Treasurer, Constable, Assessor, Supervisor, Justice of Peace and three trustees.

The three trustees whose terms expire this year are M. Ambrose, H.A. Bradt and L.A. Rasmussen.

The Veterans of Foreign Wars will give a dance on St. Patrick's Day. March 17th at 8.00 P.M. at the Delavan Town Hall. Land O' Lakes Orchestra will furnish the music. Tickets 40¢, 2 for 75¢.

#### MRS. MARGARET McMANUS DIES IN RACINE

Mrs. Margaret (McGrail) McManus died at the home of her daughter, Mrs. Verne Huber, Racine, last Saturday morning, March 6, after an illness of only a few days. The funeral service was held in St. Patrick's Church Elkhorn, on Tuesday morning. Burial was in the Elkhorn Cemetery.

Mrs. McManus was born in County Leitran, Ireland, sixty-five years ago. In 1901 she was married to Michael McManus at Lake Geneva and lived in this neighborhood since then. Mr. McManus preceded her in death several years ago.

She is survived by five children Francis and Mary (Mrs. George Skemp), Helen (Mrs. Melvin C. Spence), Emmet, and Florence (Mrs. Verne Huber). Another son, John, died when a child.

The pall bearers were Melvin C. Spence (Williams Bay) Verne Huber (Racine), Dr. George Skemp, (LaCrosse) Mike Nohelty (East Delavan), Dr. Max Huber (Waterford) and Chas. Rewald (Burlington).

The family was identified with Williams Bay activities for the past thirty years. All of the children were graduated from the Williams Bay High School.

## BAY TAKES THIRD PLACE IN TOURNAMENT

On last Thursday evening the Williams Bay cagers proved their strength as under-dogs, when they came from behind in the last quarter to nose out Wilmot by a one point lead, the score being 20-19. After trailing for three quarters, the local squad's offensive machine gained momentum and before long were out in front. This victory enabled the Bay to meet Walworth on Friday night.

Although Coach Bob Cook used several different combinations, none of them were powerful enough to overcome the fast stepping Walworth squad. With the first quarter barely under way, Walworth stepped out to take the lead which they held and increased by leaps and bounds as the game progressed. Half time found the score at 17 to 6 and at the end of the third period 29 to 14. When the affray finally came to a close, the Bay was on the short end of 39 to 16 score.

Saturday night found Wilmot battling it out with Genoa City for consolation honors, Racine Aggies and the Bay struggle for third place, and Clinton and Walworth taking the leading roles in the championship game. At the close of the curtain, which wrote the finish to another Class C Tournament, Walworth was crowned the champion, Clinton lined up as second, and the Bay finishing third. In the consolation, Genoa City finished first and the Wilmot Five coming in at a close second.

Superintendent Arthur Vincent presented the trophies and the medals. A silver trophy with a ball player on top of the circular post and silver medals went to Genoa City as consolation winner. A set of bronze medals went to second place in the consolation rank. A beautiful silver plaque accompanied by gold medals went to the Walworth cagers as champions. Clinton received silver medals for second place.
