## *1992 PREVIEW*

---

---

Fifty letterwinners, 19 starters and 10 all-conference selections are back from a team which won more games than its three predecessors combined.

# OVERVIEW

*Linebacker Gary Casper needs 140 tackles to become the school's career leader.*

Coming off the winningest season at Wisconsin in seven years, optimism is running high in the Badgers' football program. Wisconsin enters a season with a winning streak intact for the first time since 1983.

Another first for Coach Barry Alvarez, as he enters his third year in Madison, is the presence of a two-deep lineup. "Last year, we didn't even have enough offensive linemen to scrimmage," Alvarez said. "On offense, especially, we have competition at every position."

Closing the 1991 season with victories over Minnesota and Northwestern, the Badgers posted a 5-6 overall record and tied for eighth (2-6) in the Big Ten. Wisconsin was the nation's fourth most-improved team. The overall record was the school's best

since 1985 and the victory total was one more than the three previous seasons combined.

Much of the success of a year ago was the result of a stingy defense. The Badgers led the Big Ten (14th nationally) in pass defense and turnovers created. Wisconsin's defenders were second in the conference in yards per play (4.4) and ranked 24th nationally in total defense.

"Defensively, we need to pick up where we left off," Alvarez said. "Our defense and special teams kept us in ballgames last season."

The key departure from that defense is cornerback Troy Vincent, the most celebrated Badger in many seasons. A finalist for the 1991 Jim Thorpe Award, Vincent was the Badgers' first

all-American since 1987 and the seventh overall pick in the NFL draft.

Many of the heralded defenders return, led by four players — DT Mike Thompson, OLB Dwight Reese, LB Gary Casper and SS Reggie Holt — who earned all-Big Ten mention.

The Badger offense averaged 16.2 points per game, an improvement of 4.1 points from 1990, and closed with its best effort of the season with 32 points and 389 yards of total offense vs. Northwestern.

Wisconsin's youthful offense lost just one starter — QB Tony Lowery — from its two-deep. First-year players dominated the statistical categories.

Five of the top six rushers, three of the top four receivers, three of the top four scorers and three offensive line starters were first-year players in 1991. Badger rookies accounted for 93.6 percent of the team's rushing total, 40.1 percent of the passing, 61.3 percent of the receiving and 56.9 percent of the scoring.

In total, Wisconsin returns 50 lettermen and 19 starters (10 offense, 7 defense, 2 kickers) from 1991. Once again, Alvarez will be looking for leadership from a small senior class (17 players).

## Defensive line

Alvarez is excited about the potential of his line. Junior Carlos Fowler (87 tackles) and spring surprise Patrick Thompson, a fifth-year senior, are listed as starting tackles. Mike Thompson earned freshman all-America honors after making 105 tackles, including 13 for loss. He missed the spring with an appendectomy and is behind Patrick Thompson (no relation) entering the fall.

Depth at tackle is a question mark.

Jason Maniecki saw limited action as a true freshman. Walk-on Todd Anthony and redshirt freshmen Mickey Ellis and Steve Stark (former OL) are possibilities.

A pair of noseguards — oft-injured Lamark Shackerford (32 tackles) and former wrestler Lee Krueger (39 tackles) — have experience.

#### Outside linebackers

Senior Dwight Reese was an impact player in his first season at the UW. Reese was an honorable mention all-league pick after leading the conference in fumbles recovered (three) and making 82 tackles. Nick Rafko (17 tackles) and Curt Maternowski (a 10-game starter in 1990) have the most experience of the other ends. Wisconsin native Chad Yocum was impressive as a freshman. Randy Nickel is an excellent athlete but was injured throughout the spring.

#### Inside linebackers

Gary Casper, a starter for parts of three seasons, is the leader on defense. The emotional Casper totalled 129 tackles (12.9 per game) last year. He has received all-Big Ten mention the last two seasons and is the Badgers' 10th all-time leading tackler (305). "Gary has a knack for the game, and he is a physical presence on the field," Alvarez said. Todd Orlando, who has completely recovered from a 1990 neck injury, is the back-up.

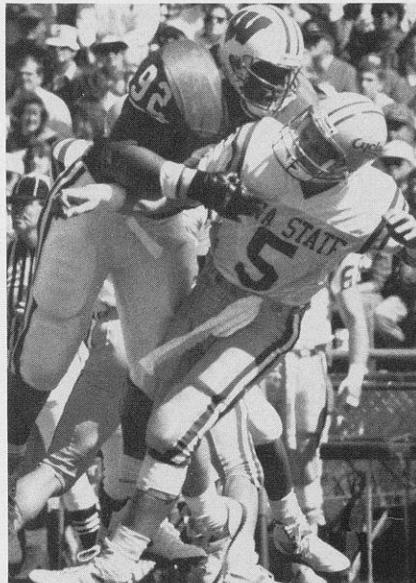

Aaron Norvell (33 tackles), a hard hitter on the special teams, is set to replace Brendan Lynch (UW's fifth all-time tackler) at the other LB spot. Norvell's competition comes from sophomore Eric Unverzagt, the club's long snapper as a true freshman. Junior Yusef Burgess is capable of filling in at both LB spots.

#### Secondary

The Badgers lost only four starters

from its defense, but two were CBs. Vincent could be counted upon to take the opponents' top receiver out of the game. Three-year starter Eddie Fletcher and powerful Rafael Robinson shared the other corner but both have moved on. "The entire defense must put more pressure on the quarterback," Alvarez said. "That will take heat off the secondary."

Cornerback candidates include Jeff Messenger, Henry Searcy, Michael London (former WR) and Theo Carney (former TB). The starters

Carlos Fowler started the final 10 games of 1991 and made 87 tackles.

entering the fall are: Messenger (Wisconsin's 1989 High School Player of the Year) and Searcy.

Wisconsin is solid at strong safety with Reggie Holt (144 tackles). He ranked second among Big Ten tacklers, became the first Badger DB to lead the team in tackles and was a sophomore all-American in 1991. Hard-hitting Jamel Brown pushed Holt in spring workouts.

Free safety is a spirited battle. Scott Nelson, who has 200 tackles after two years as a starter, is the incumbent. Melvin Tucker saved the Minnesota game last year with a smashing hit in the end zone. He will surface somewhere in the secondary. Korey Manley, a special teams star, is another option.

#### Quarterback

Wisconsin must replace Lowery, the school's second all-time leading passer. Jay Macias earned the starting nod by completing 70 percent of his throws last spring.

Macias started five games as a true freshman and passed for 585 yards. Competition comes from Darrell Bevell, a 22-year-old freshman, who accepted a two-year Mormon mission after high school. Bevell started to shed the rust from several years away from football as spring wrapped up.

Another possibility is senior Lionell Crawford, the Badgers' 1988-89 starter. Alvarez likes Crawford's effectiveness running the option in short-yardage situations.

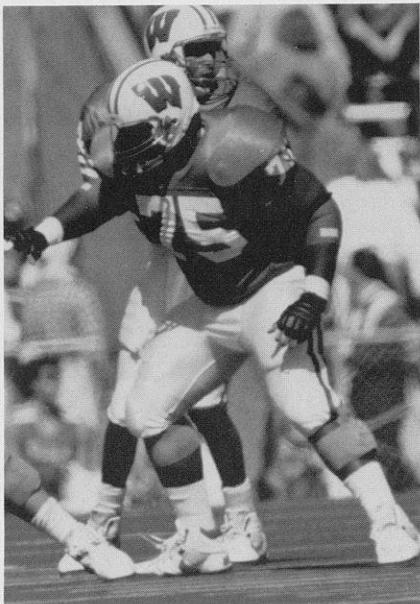

#### Running back

Terrell Fletcher led the team in rushing (446 yards) and scoring (30 points) in 1991. He became the first true freshman since Alan Ameche (1951) to lead the team in rushing. Sophomore Jason Burns, who started part of 1991 at fullback, is moving back to his high school position. He was a sparkplug for the running attack last spring. Sophomore Rodney Shelton showed promise as a runner, receiver and returner.

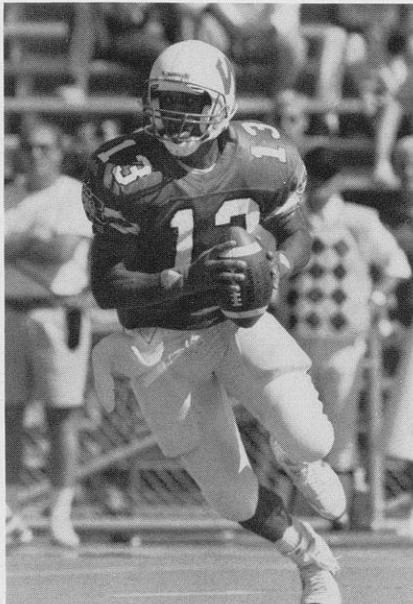

#### Fullback

Junior Mark Montgomery has the inside track to start at fullback. A recruited tailback, Montgomery was second on the team in rushing (230 yards) in 1991. Brent Moss (219

Chuck Belin (above left) has started 30 games at guard in his Badger career. Senior Lionell Crawford (above right) may see action at both WR and QB.

yards) will alternate between tailback and fullback. Moss gained 133 yards in the spring game. Alvarez wants a physical fullback and redshirt freshman Matt Nyquist (220 pounds) is back from a broken wrist.

### Wide receiver

Senior Aaron Brown led the team with 27 receptions (333 yards). Lee DeRamus (16.3 average) caught 23 passes as a first-year freshman, including a school record 89 yarder vs Eastern Michigan. DeRamus is a game-breaking receiver according to Alvarez.

Crawford, who will play some QB in 1992, is back after knee surgery. The athletic Crawford caught 26 passes in 1990, his first season at WR. Possession receivers Vince Zullo and Tony Spaeth are solid in back-up roles.

### Tight end

Tight end is the deepest position on

the team with Michael Roan, Dave Czech and Jim Bourne. Roan got most of the starts, caught 19 passes and earned all-Big Ten mention as a freshman. Czech averaged 13 yards per catch, second best on the team, and Bourne is the best blocker. "Tight end must be a strength for this team," Alvarez said.

### Offensive line

Hope on the offensive front revolves around 300-pound left guard Chuck Belin. A starter since his freshman year, Belin is an honors candidate and has "a chance to be outstanding" according to Alvarez.

His running mate at right guard last spring was former LB Joe Rudolph. Alvarez called him a "pleasant development." Steady Mike Bryan, who missed much of '91 with a nagging heel problem, and Pat McGettigan are other guard prospects.

Cory Raymer, a high school DT, not only moved to offense, but also into the starting lineup at center as a true freshman. "Raymer has a chance to be one of the premier centers in the Big Ten by the time he leaves," Alvarez said. Veteran Jeff Rasmussen is the understudy.

Mike Verstegen, who started the last half of 1991 at left tackle, is coming off a freshman all-America season. Tyler Adam, the starting RT a year ago, is challenging Verstegen on the left side. Joe Panos, who has played center and guard previously, is No. 1 at right tackle. Redshirt freshman Alex Illich is second team behind Panos. Junior Bill Maksen is another tackle candidate if he returns to good health.

### Kickers/Punters

Rich Thompson, the Badgers' leading scorer twice in his career, is a strong kicker when healthy. He was bothered by a muscle pull last season when he hit 5-10 FGs. Sam Veit took over the punting chores in the first game of '91 and averaged 35.9 yards per punt. More impressive was the Badgers' net average of almost 34 yards, fourth best in the league.

### Special Teams

"There's not an area on the field where we made more improvement than the special teams," Alvarez said. The Badgers' rate each Big Ten team on field position gained through the special teams, and Wisconsin moved from last in 1990 to second (behind Michigan) last season. "I've never been around a team that has such a great attitude on special teams and works so hard at it," Alvarez said. Korey Manley, who downed six punts inside the 5-yard line last year and Jeff Wirth are superb special teams performers.

Barry Alvarez and his staff have 130 years of collegiate coaching experience, 44 bowl game appearances and a dedication toward building a tradition of success at Wisconsin.

# HEAD COACH

Barry Alvarez

## *As an Assistant Coach*

**IOWA (1979-86)** — Hawkeyes posted 61-33-1 record ... appeared in bowl games the last six seasons ... Big Ten champs and Rose Bowl participant in 1981 and 1985 ... school record for wins (10) in 1985.

**NOTRE DAME (1987-89)** — Fighting Irish won 32 of 37 games for an 86.5 winning percentage ... played in three (Cotton, Fiesta, Orange) New Year's Day bowls in as many years ... undefeated (12-0) national champions in 1988 ... won 23 straight games between 1988-89.

The Wisconsin football program is turning some heads as it attempts to regain the respectability it enjoyed in the mid-1980s. The man responsible for the rapid gains is third-year Head Coach Barry Alvarez.

Alvarez' second Badger team improved its win total by four games, the fourth-largest improvement in the nation from 1990. Wisconsin's 5-6 record last year was the school's best since 1985. Two Big Ten wins were the most in five seasons, and the eighth-place tie in the league standings was the best since 1984.

After inheriting a program that had produced nine wins in four seasons, Alvarez' first Badger team won one game. However, the Badgers were within striking distance in the fourth quarter in 10 of 11 games.

Despite the 1-10 mark, Alvarez and his staff recruited a nationally ranked class. The UW entered '91 with much hope.

Three straight non-conference wins to open the year earned Wisconsin several votes in the Associated Press poll. It was the UW's longest winning streak since 1985. Close losses to Top 20 teams Iowa and Indiana at midseason caught people's attention.

A win at Minnesota was Alvarez' first Big Ten victory and gave Wisconsin possession of the fabled Paul Bunyan Axe for just the second time in eight

years. A season-ending 18-point triumph over Northwestern gave the Badgers two league wins, the same number the UW won between 1988-90 combined.

Besides the achievements in the victory column, many other gains were realized. Consider:

□ 75,053 fans attended the Iowa game, the largest crowd at Camp Randall Stadium since 1986.

□ cornerback Troy Vincent became the school's first all-American since 1987 and the first-ever Big Ten Defensive Player of the Year.

□ Vincent (90-yard punt return) and Tony Lowery and Lee DeRamus (89-yard pass) established the longest plays in Wisconsin history.

□ Wisconsin's defense was nationally ranked (24th) and led the Big Ten in turnovers (30).

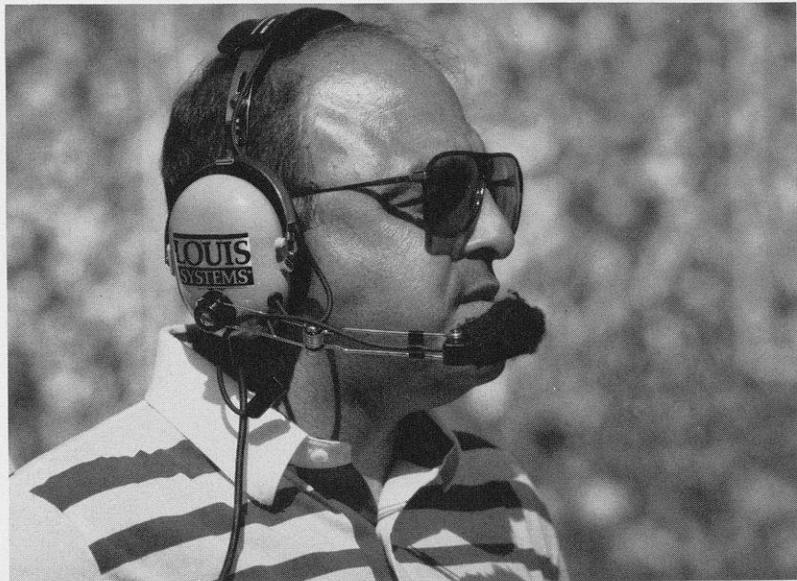

Alvarez was appointed as the school's 27th football coach on Dec. 31, 1989. It's been a whirlwind tour for him since. An improvement in facilities, growth in fundraising, nationally recognized recruiting efforts and the return of fans to Camp Randall are products of Alvarez' work.

Fans around the state are talking about the Badger football program again. Attendance at home games has im-

proved almost 10,000 per game since his arrival.

Alvarez is committed to returning Wisconsin football to the first division of the Big Ten Conference. Looking at his record, that's standard fare for Barry.

A former assistant coach at both Notre Dame and Iowa, Alvarez has been associated with strong winning traditions. He coached in a bowl game nine consecutive years during his stints with Notre Dame and Iowa.

For three seasons, Alvarez was a defensive assistant for Coach Lou Holtz at Notre Dame. He served as linebackers coach in 1987, was promoted to defensive coordinator in 1988 and worked as assistant head coach in 1989 for the Irish.

Notre Dame finished 17th, 1st and 2nd in the final Associated Press poll the three seasons Alvarez was there. The Fighting Irish won an incredible 23 consecutive games in 1988 and 1989.

The 1988 Fighting Irish team won a national championship and posted a perfect 12-0 record. As coordinator, Barry's defense ranked third nationally in scoring, 10th against the run and 13th in total defense. A Fiesta Bowl victory over West Virginia capped the undefeated season.

Notre Dame was 12-1 in 1989 and was the nation's No. 1 team for 11 straight weeks. Alvarez' defense keyed a 21-6 Orange Bowl victory over top-ranked Colorado. The 1989 Notre Dame defenders were nationally ranked in every category: scoring (12th), turnover margin (13th), rushing (14th) and total (14th) and passing (43rd) defense.

Barry coached all-America linebackers in each of his three seasons in South Bend. Michael Stonebreaker was a consensus all-America pick in 1988. Ned Bolcar, Cedric Figaro and Wes Pritchett also made all-America squads once for Alvarez.

## 1992 Outlook

Coming off a perfect 12-0 season, which netted Washington the national championship according to UPI, Coach Don James is loaded to make another run for the top prize. The Huskies did lose DT Steve Etman, the nation's top lineman and a pair of solid LBs. Gone too are SE Mario Bailey, three offensive line starters and TE Aaron Pierce. Coach James, however, returns 44 lettermen from the Rose Bowl championship team. On offense, the Huskies can build around 325-pound tackle Lincoln Kennedy. QB Billy Joe Hobert passed for 2,271 yards and 22 TDs. The running game boasts Beno Bryant (943 yards) and Jay Barry (718 yards and 10 TDs). The top defenders include linebackers Dave Hoffman (71 tackles, 16 TFL) and Hillary Butler (41 tackles). DE Andy Mason is a big-play performer, witnessed by his 15.5 tackles for loss in '91. Both kickers return.

## 1992 Outlook

It will be a tough performance to repeat for second-year Bowling Green State Coach Gary Blackney. In his first college head coaching job, Blackney led the Falcons to an 11-1 record, including a win in the California Raisin Bowl. Eleven starters return, including QB Eric White, the MAC Player of the Year, and WR Mark Szlachcic, the MVP of the bowl game. With just two starters returning, Blackney is concerned about both lines. White, a 6-5 senior, passed for almost 2,500 yards last year. Szlachcic caught 76 of his throws for 1,129 yards. TE Brent Landman (35 catches) and TB LeRoy Smith (937 yards rushing) are other threats. BGSU was ninth nationally in scoring defense (13.3 points). The secondary is the strongest area on defense with the return of three starters. Safety Dave Bielinski made 96 tackles and intercepted four passes. Kevin O'Brien, a two-year starter, is a solid OLB. Punter Rob Donahue and kicker Brian Leaver both return. Besides Wisconsin, the Falcons also play Ohio State in the non-conference season.

## 1992 Outlook

The Huskies won only two of 11 games in Coach Charlie Sadler's first season. The Huskies were winless (0-6) on the road and were outscored 247-69 away from DeKalb. Sadler's offense this season is strongest in the line and at wide receiver. Three regulars from last season return on the line. The top nine receivers are back, led by Larry Wynn. The largest loss on offense is Adam Dach, who graduated with 3,438 career rushing yards. LeShon Johnson, a JC transfer, is the leading candidate at RB. Sadler must choose a quarterback between three candidates. NIU is undersized on the defensive line. Rob Wagner (76 tackles and five career blocked kicks) is the best. LB Gerald Nickelberry, a sophomore all-American, is the best bet to step in for Steve Henriksen (191 stops). FS Jeff Taylor (103 tackles and seven PBU) keys the secondary. There are no kickers on the roster with college game experience.

## 1992 Outlook

Ohio State made its third straight bowl appearance last year, and Coach John Cooper expects similar results this fall. OSU must choose between Kirk Herbstreit (485 yards) and freshman Bob Hoying as its starting QB. The Buckeyes are loaded at tailback with Robert Smith (1990 Big Ten Freshman of the Year), Dante Lee and Butler By'not'e (648 yards). Cooper likes his line, led by huge Alan Kline (295 pounds) and Jason Winrow (300). Joey Galloway (18.2 avg.) is a fleet wide receiver. Last year's defensive concern — the secondary — is considered a strength this season. Safety Roger Harper is an honors candidate. All-American linebacker Steve Tovar and Jason Simmons (school record for sacks in '91) are game breakers. Identifying some defensive linemen is a key. Tim Williams is a steady placekicker.

## 1992 Outlook

Coach Hayden Fry will have his work cut out for him in trying to match last year's 10-1-1 mark, which tied a school record for wins. The Holiday Bowl appearance vs. BYU was the school's 10th bowl game since 1982. Replacements must be found for all-Big Ten quarterback Matt Rodgers, 1,000-yard rusher Mike Saunders and all-America defensive end Leroy Smith. Jim Hartlieb (2-0 as a starter) is the favorite at QB. Center Mike Devlin anchors a strong line. WR Danan Hughes led the Big Ten in yards per catch (17.6) and TE Alan Cross (33-515) was second team all-conference. The defense, which lost six starters, will build around all-league tackle Mike Wells. Fry's biggest problem in '91 — the kicking game — still needs attention. Iowa plays its toughest non-conference schedule (North Carolina State, Miami, Iowa State and Colorado) in years.

## 1992 Outlook

Purdue Coach Jim Colletto won twice as many games (four) in 1991 as in the year preceding his arrival. Colletto senses continued improvement because his entire backfield on offense and all-America candidate defenders Jeff Zgonina and Jimmy Young are back. Senior Eric Hunter and sophomore Matt Pike shared QB duties a year ago. Hunter is PU's fifth all-time passer. Purdue is loaded at running back with Jeff Hill (678 yards), Corey Rogers (502) and Arlee Conners (325). Ernest Calloway (19.8 avg.) is an all-star receiver. Only two linemen return. Besides Zgonina (76 tackles) and Young (six interceptions), Colletto welcomes back leading tackler Eric Beatty (101 stops). DE Don Delvy, DT Eric Gray and DBs Pat Johnson and Tank Adams all started last year. Eric Bruun, the NCAA's fifth-ranked punter, is gone.

## 1992 Outlook

Indiana, which has been to five bowl games in the last six seasons, must rebuild its offense in '91. The Hoosiers lost all-America tailback Vaughn Dunbar (1,805 yards). Coach Bill Mallory has had a 1,000-yard rusher five straight seasons. The top candidate to replace Dunbar is sophomore Brett Law. QB Trent Green passed for 2,627 yards and was a threat on the ground (202 yards) too. Both tackles graduated, but three other line starters return. Seven starters return on defense, but the losses at LB — Mark Hagen (109 tackles) and Paul Williams (103) — are large. Mallory expects his line and secondary to be better than a year ago. End Charles Beauchamp, second team all-Big Ten, is the best player up front. Three defensive backs return to the starting lineup. Kicker Scott Bonnell, the third-leading scorer in IU history, is a plus.

## 1992 Outlook

First-year Illinois Coach Lou Tepper enters 1992 with several holes to fill and with his team strength at quarterback. Senior Jason Verduzco returns to call signals on offense. He led the Big Ten with 3,014 yards passing last season and has a chance to become the Illini's all-time leader. Illinois must replace its rushing and receiving leader (Kameno Bell) from a year ago. The offensive line has three starters back, including honors candidate Brad Hopkins at tackle. Tepper, the former defensive coordinator, is building that unit around a strong linebacking group. ILB Dana Howard led the team with 147 tackles as a freshman. In the secondary, both cornerbacks return but both safeties left for the pro ranks. Illinois lost its entire front wall on defense, so newcomers will need to emerge. Punter Forry Wells and kicker Chris Richardson (13-18 FGs) are steady specialists.

## 1992 Outlook

Michigan State finished 3-8 a year ago, the lowest win total in Coach George Perles' nine-year tenure in East Lansing. The Spartans surrendered 200 yards rushing and 380 total yards per game in 1991. Seven regular starters plus two injured seniors — CB Todd Murray and DT Willie Hill — give hope to the defense. Murray and Hill missed last year with knee injuries. All-star LB Chuck Bullough needs to be replaced. The secondary returns three starters led by SS Myron Bell (73 tackles). T John MacNeill had 83 tackles including 11 for loss last year. The offensive line has four starters back including guard Toby Heaton. Incumbent QB Jim Miller is being pushed by Bret Johnson and Mill Coleman. Tico Duckett, a 3,000-yard career rusher, is the feature back on offense. The Spartans must replace all-Big Ten punter Josh Butland.

## 1992 Outlook

First-year head Coach Jim Wacker inherits a club that posted a 2-9 overall record and had the Big Ten's 10th-rated defense and lowest-scoring offense. Eight letterwinners on the line highlight the offense. Second-team all-league pick Ted Harrison is the best. QB Marquel Fleetwood completed 58.7 percent of his passes. Mark Smith (700 yards rushing as a freshman) is back after a knee injury. Antonio Carter, who had two 100-yard rushing games, added 682 total yards. Three linebackers — Andre Davis, William Collins and Russ Heath — have starting experience in the Gophers' best position on defense. Dennis Cappella is the top tackle prospect, while Drinon Mays (76 tackles) and Derek Fisher (75) lead the secondary. All of the kicking specialists return. Minnesota must improve on its turnover margin, which ranked last in the Big Ten.

## **1992 Outlook**

Northwestern Coach Gary Barnett enters his first season with a cast that includes 10 returning starters from a 3-8 squad. The Wildcats had two last-minute losses in 1991, and Barnett hopes his direction will help Northwestern start gaining those victories. The lead option on offense will be QB Len Williams. He set a school record for pass efficiency and rushed for 207 yards in his second season as a starter. TE David Cross is a two-year starter and SE Lee Gissendaner is a fine wideout. Pat Norton is the lone returnee on the line. Six starters return on a defense that made great strides in 1991. Frank Boudreaux and John Hellebusch are veterans up front. OLB Jason Cunningham led the team in TFL. Steve Ostrowski is the top returning tackler. CB Willie Lindsey was sixth nationally in interceptions and his running mate Anthony Purkett also returns. The Wildcats open vs. Notre Dame in Chicago and play five of the next six on the road.

## *RECORDS*

---

Bowl teams. Championships. Long plays. Exciting returns. All the great plays and teams are highlighted in the following record section.

# GRIDIRON HISTORY

**1889**—Played first game.

**1890**—First win, a 106-0 shutout over UW-Whitewater. Wisconsin played Minnesota for the first time. Except for 1906, the Badgers and Gophers have played every year since. It is the longest running series in Division I-A play.

**1895**—Wisconsin played vital role in the organization of the Intercollegiate Conference of Faculty Representatives, which eventually became the Big Ten.

**1896**—Wisconsin claims first outright Big Ten championship enroute to 7-1-1 record for Coach Phil King.

**1897**—Coach Phil King produces second straight Big Ten title and outscores opponents 210-14 in 9-1 campaign.

**1901**—First undefeated team (9-0) in UW history. Coach Phil King wins third conference title in six years. Eight shutouts highlight the season as UW has 317-5 scoring advantage.

**1902**—Lost 6-0 to Michigan, breaking a 17-game Badger winning streak.

**1906**—Dr. C.P. Hutchins coaches Badgers to 5-0 record and another Big Ten title.

**1912**—Last undefeated team (7-0) won the school's fifth Big Ten title for first-year coach William Juneau. Seven Badgers named to Walter Eckersall's all-Western team.

**1942**—UW is named mythical national champion by the Helms Foundation after 8-1-1 season. A stunning 6-0 loss to Iowa prevented the Badgers from earning a

conference championship.

**1951**—The "Hard Rocks" team led the nation in total defense and set five Big Ten records in a 7-1-1 campaign. The UW defense outscored the opponents' offense 58-53. Four Badgers earned all-America honors.

**1952**—Wisconsin voted to represent Big Ten in '53 Rose Bowl after tying Purdue for the conference title. USC scores a third-period TD for a 7-0 Rose Bowl victory.

**1953**—Badgers upset then No. 1-ranked Illinois 34-7 at Camp Randall Stadium.

**1954**—Alan Ameche becomes the only Badger to win the Heisman Trophy, given to the nation's top

collegiate football player.

**1959**—UW rallies to defeat Minnesota 11-7 and earn second Rose Bowl berth. Badgers lose to Washington 44-8 at Pasadena.

**1962**—The No. 2-ranked Badgers make second Rose Bowl appearance in three years. The foe was top-rated USC. Badgers' 23-point fourth quarter rally falls short in 42-37 Rose Bowl loss. Ron VanderKelen was named Big Ten MVP, and UW led the nation in total offense.

**1974**—Billy Marek scores five touchdowns and rushes for 304 yards as Badgers close season with 49-14 win over Minnesota.

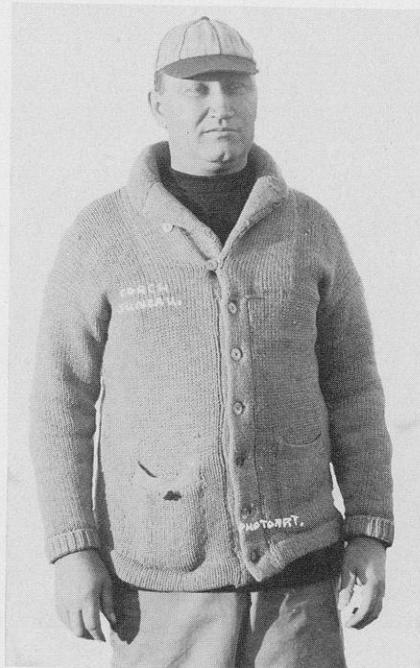

**1981**—Matt VandenBoom intercepts three passes to spark Badgers' 21-14 victory over No. 1-ranked Michigan. Wisconsin earns trip to Garden State Bowl under guidance of Coach Dave McClain, but fall to Tennessee 28-21.

**1982**—John Williams tallies the only score in a 6-0 win at Ohio State, the Badgers' first triumph in Columbus since 1918. Randy Wright's 87-yard pass to Tim Stracka keys 14-3 Independence Bowl win over Kansas State.

**1983**—Al Toon sets Big Ten record with 252 yards receiving in a 42-38 victory at Purdue.

**1990**—Don Davey becomes the first four-time first-team academic all-American in NCAA university division history.

**1991**—Troy Vincent becomes the Badgers' first all-American since 1987 and is runner-up for the Jim Thorpe Award.

*Coach William Juneau's Badgers were undefeated and won a Big Ten title in his first season as coach (1912).*

## BOWL GAME RECORDS

Pat Richter set Rose Bowl receiving records with 11 catches for 163 yards in the 1963 game.

### 1953 Rose Bowl — January 1, 1953 at Pasadena, CA

PASADENA, Calif. — Southern Cal scored the game's only points on a 22-yard touchdown pass from Rudy Bukich to Al Carmichael in the Trojans' 7-0 win over Wisconsin in the Rose Bowl. It was the Badgers' first postseason appearance.

The Badgers dominated the game from a statistical standpoint, outgaining USC by 120 yards. Led by tailback Alan Ameche's 133 yards, Wisconsin had a 211-48 advantage on the ground. However, both defenses rose to the occasion when necessary.

One of Wisconsin's best scoring chances came in the opening minutes of the third quarter. Ameche broke loose for a 54-yard run as the Badgers got to the USC 21-yard line. On third down, Archie Ray Burks fumbled on an end run and the Trojans recovered.

USC then put together the game-winning drive (73 yards), which ended on Bukich's touchdown pass. Wisconsin countered with a 13-play, 84-yard drive that ended at the Trojan 2-yard line when Jerry Witt was stopped a yard short of a first down on a fake field goal play.

Coach Ivy Williamson's club became the first in Badger history to play in a bowl game and the first to play before a crowd of more than 100,000.

### 1960 Rose Bowl — January 1, 1960 at Pasadena, CA

PASADENA, Calif. — Underdog Washington scored the game's first 17 points en route to a 44-8 Rose Bowl victory over the Badgers. It was Wisconsin's second Rose Bowl trip.

Washington tallied the first TD on a 6-yard run by Don McKeta about 10 minutes into the game. George Fleming booted a 26-yard FG after the Huskies recovered one of four Wisconsin fumbles. Fleming then returned a punt 53 yards for a score on the final play of the period for a 17-0 first quarter lead.

Badger fullback Tom Wiesner tallied Wisconsin's only points on a 4-yard run with 5:27 left in the opening half. Dale Hackbart connected with Al Schoonover for a two-point conversion cutting the lead to nine points (17-8).

Husky quarterback Bob Schloredt, who shared game MVP honors with Fleming, tossed a 23-yard TD pass to close first-half scoring. Schloredt completed four passes for 102 yards and was the game's top rusher (81 yards).

Wisconsin mounted a final challenge in the third quarter, but four plays inside the Husky 10-yard line failed. Washington then marched 93 yards on 10 plays for another tally. Milt Bruhn's Badgers entered the game with a defense that had surrendered barely 10 points per game for the regular season.

PASADENA, Calif. — A 23-point fourth quarter explosion wasn't quite enough as the Badgers dropped a 42-37 Rose Bowl encounter to Southern Cal. The Trojans had claimed a 42-14 lead on the first play of the fourth quarter before the huge Badger comeback.

USC raced to a 21-7 halftime lead and extended it on the first play of the third stanza. Quarterback Pete Beathard hit Hal Bedsole for a 57-yard score. But then Badger QB Ron VanderKelen led one of the biggest charges in bowl history.

VanderKelen reached paydirt on a 17-yard scamper cutting the margin to 28-14. Southern Cal responded with a pair of TD passes by Beathard and USC led 42-14 with 14:54 left to play.

Lou Holland (13-yard run) and Gary Kroner (4-yard reception) tallied for the Badgers within three minutes. A bad center snap on a punt resulted in a UW safety and a 42-30 Trojan advantage. After the free kick, VanderKelen hit three straight passes, including a 19-yard score to Pat Richter for the final tally.

VanderKelen, the game MVP, set both Wisconsin and Rose Bowl records with 401 yards passing. Richter caught 11 of those aerials for 163 yards. The 79 total points was a Rose Bowl record that stood for 28 years.

## 1981 Garden State Bowl — December 13, 1981 at East Rutherford, NJ

EAST RUTHERFORD, N.J. — Tennessee scored 18 straight points in the first half and held on to defeat Wisconsin 28-21 in the Garden State Bowl.

The Badger defense limited UT to 89 yards rushing, but Volunteer QB Steve Alatorre unleashed a potent passing attack. Alatorre threw for 315 yards. WR Anthony Hancock caught 11 passes for 196 yards.

After Fuad Reveiz booted a field goal in the first quarter, Wisconsin assumed its only lead of the game on a 3-yard run by Jess Cole. Willie Gault returned the ensuing kickoff 87 yards to give Tennessee a lead it never lost.

Reserve quarterback Randy Wright came off the bench to throw a pair of second-half touchdown passes for the Badgers. Wright hit Jeff Nault and Thad McFadden on scoring tosses in the final period.

The game featured two high-powered offenses that combined for 49 points, 793 total yards and 49 first downs. The teams averaged just under five yards per offensive play.

Wisconsin's fourth bowl game in school history and first non-Rose Bowl drew a crowd of 53,220. The Badgers' seven victories were the most since UW won the same number in 1974.

## 1982 Independence Bowl — December 11, 1982 at Shreveport, LA

SHREVEPORT, La. — Wisconsin won its first bowl game in the school's history with a 14-3 Independence Bowl victory over Kansas State.

Randy Wright threw a bowl-game record two touchdown passes and the Badger defense set a scoring record in the matchup between Big Ten and Big Eight schools before 24,684 fans. The anticipated crowd was more than 49,000, but a 23-mile-per-hour wind dropped temperatures to 10 below zero.

Wright, the game offensive MVP, completed only nine of 24 throws. However, his 87-yard throw to Tim Stracka was the longest in Wisconsin and Independence Bowl history. The UW defense limited Kansas State to 192 total yards in the Wildcats' first-ever postseason appearance.

"Winning our first bowl game was a big accomplishment for our program," Coach Dave McClain said.

KSU had taken a 3-0 lead on Steve Willis' 29-yard field goal before the Badgers scored 14 straight points. Tim Krumrie was the game Defensive MVP. He helped limit the Kansas State running attack to less than two yards per carry.

Game totals showed five turnovers, 14 punts, 22 completions in 59 attempts (37.3 percent) and 14 penalties.

## 1984 Hall of Fame Bowl — December 29, 1984 at Birmingham, AL

BIRMINGHAM, Ala. — A fumbled snap on a 26-yard game-winning field goal attempt was the deciding play in Wisconsin's 20-19 loss to Kentucky in the Hall of Fame Bowl.

Trailing by a point after the Wildcats' Joe Worley booted a 52-yard field goal with eight minutes left, the Badgers drove inside Kentucky's 20-yard line.

Todd Gregoire's field goal attempt with 1:55 left never materialized after holder Bob Kobza dropped the center snap. Gregoire, a freshman, had tied a school record with four field goals earlier in the game.

Wisconsin assumed a 13-0 lead on a pair of Gregoire three pointers and a 3-yard TD pass from Mike Howard to Thad McFadden. The Badgers outgained their SEC foe both on the ground and through the air.

However, UW was assessed 13 penalties for 133 yards, both Hall of Fame Bowl records. The Badgers threw two interceptions. Kentucky, which was making its second straight postseason appearance in Birmingham, had no turnovers.

More than 7,500 Badger fans made the trip to the UW's third bowl game in four seasons.

## *PRE-MODERN ERA RECORDS*

*Pre-modern era Badger stars included Pat O'Dea (above) and Jack Wink, Jerry Thompson and Elroy Hirsch (below, left to right).*

The National Collegiate Athletic Association recognizes official football statistics and records beginning with the 1946 season. The NCAA does not recognize marks set prior to the "modern era." Obviously, many great performances were turned in by Badgers prior to that season.

Following are some of the individual performances by Wisconsin players prior to the 1946 season, which would rank on the school's all-time lists.

### **Game performances**

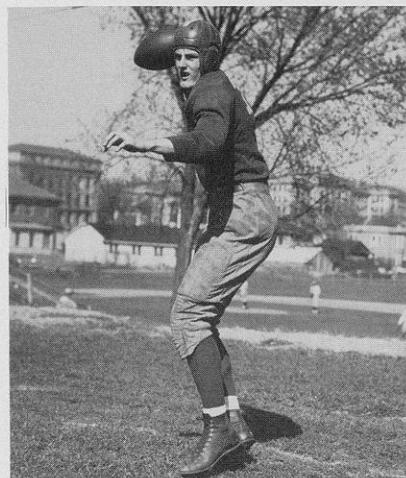

Rushing attempts — 37, Jerry Thompson vs Iowa, 1944  
TDs rushing — 4, Rowdy Elliott vs Lawrence, 1920  
TDs receiving — 3, Dave Schreiner vs Marquette, 1942  
Points — 27, Rowdy Elliott vs Lawrence, 1920

## Wisconsin's Retired Numbers

35	40	80	83
Ameche	Hirsch	Schreiner	Shafer

### No. 35 — Alan Ameche, fullback

One of the greatest backs in UW history and the 1954 Heisman Trophy winner. Nicknamed "The Horse," Ameche was a two-time all-American and ended his career as the NCAA's all-time leading rusher (3,212 yards). He led the Badgers to the 1953 Rose Bowl, where he rushed for 133 yards against USC. The five-time Pro Bowl selection was inducted in the NFL Hall of Fame in 1975.

### No. 40 — Elroy Hirsch, tailback

Although he played football only one season at Wisconsin, Hirsch is one of the most beloved figures in Badger sports history. Hirsch, nicknamed "Crazylegs," rushed for 786 yards for Wisconsin's 8-1-1 team in 1942. He also starred for nine seasons with the Los Angeles Rams before returning to Wisconsin as Athletic Director from 1969-87.

### No. 80 — Dave Schreiner, end

The two-time all-America end was named Western (later the Big Ten) Conference Player of the Year in 1942. Schreiner lettered three seasons at Wisconsin as an end both on offense and defense. He is a member of the National Football Foundation Hall of Fame.

### No. 83 — Allan Shafer, quarterback

The memory of former quarterback Allan Shafer is continued with the "Living Memorial" Scholarship that is given in his name. Shafer was fatally wounded during the 1944 Wisconsin-Iowa game, a 26-7 Badger victory. Shafer is the only Badger player ever to die from a football-related injury.

## Wisconsin's All-time Team

In conjunction with the centennial celebration of college football in 1969, Wisconsin fans were asked to select the University's all-time team.

The 11-man unit features Heisman Trophy winner **Alan Ameche**, who was voted Wisconsin's all-time greatest player. Ameche, a two-time all-American, concluded his brilliant career as the NCAA's all-time rushing leader. The other members of the squad:

**Ken Bowman** — first-team academic all-Big Ten and all-America center.

**Howard Buck** — captained the 1915 Badgers and was named all-Big Ten and all-American.

**Pat Harder** — led the Big Ten in rushing as a sophomore and was an all-America FB in '42.

**Elroy Hirsch** — halfback on the 1942 Badger team that was ranked third in the nation, he later served as UW Athletic Director (1969-87).

**Dan Lanphear** — three-year letterman on the line and a 1959 all-Big Ten pick at tackle.

**Arlie Mucks** — an all-American in 1914, he won a silver medal in the discus at the 1912 Olympics.

**Pat Richter** — all-American on the field and in the classroom, Richter was named Wisconsin Athletic Director in 1989.

**Dave Schreiner** — two-time all-America end and the 1942 Western Conference Player of the Year.

**Ron VanderKelen** — led Badgers to the '63 Rose Bowl where he passed for a record 401 yards.

**Robert Wilson** — Big Ten MVP and UW's 1950 Medal of Honor winner.

The University of Wisconsin-Madison, one of the nation's leading institutions for higher learning, is dedicated to the support of academic freedom. Established in 1848, the UW has grown from its first class of 17 students to the nation's fifth largest university of more than 43,000 students, 11 schools and colleges, 133 academic departments, 14,000 employees and a \$1 billion budget.

Wisconsin has ranked among the top universities in the United States in every scholarly pursuit since 1910. In what may be the most extensive study on graduate level education of its kind, the Assessment of Research-Doctorate Programs in the United States rated Wisconsin tied for eighth (with UCLA and Michigan) for its academic quality. The University is second in scholarly publications authored by its faculty and first in number of scholars earning doctoral degrees. Majors are offered in 151 bachelors, 191 masters and 123 doctorate programs.

**Accomplishments:** The UW-Madison has been a leader in many areas. Among the breakthroughs at UW: establishing the first academic programs in the U.S. for Scandinavian Studies (1875), Psychology (1888), Agricultural Economics (1909), Genetics (1910) and Wildlife Management (1939); launching the world's first space observatory; conducting the first bone marrow transplant in the United States; operating the nation's first radio station (WHA) in 1917; discovering Vitamins A and B; and finding evidence to link cancer with saccharine and cyclamates.

**Students:** More than 43,000 students attend the University, coming from every county in Wisconsin, all 50 states and more than 125 countries. The UW ranks fifth in the nation for total foreign student enrollment (over 3,000), making it one of the nation's most diverse populations. The diversity is evident in the more than 500 student groups on campus.

**Faculty:** The UW-Madison faculty routinely win national citations for teaching excellence, research and service. Much of the university's international reputation comes from the quality of its faculty. In fact, UW faculty and alumni have accounted for 11 Nobel and 16 Pulitzer Prizes. There are 44 UW-Madison faculty members who have won Presidential Young Investigator awards (second to MIT); eight winners of the National Medal of Science; and three Searles Scholars. Forty-two professors at the UW-Madison are enrolled in the National Academy of Sciences, nine are members of the National Academy of Engineering and three have been named to the National Academy of Education.

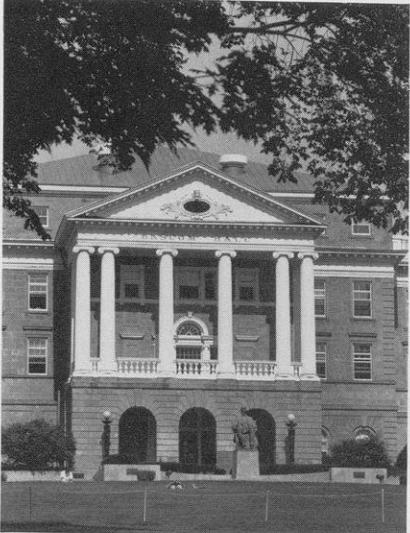

**Athletics:** A member of the prestigious Big Ten Conference, Wisconsin offers its student-athletes the finest opportunities in both academic and athletic pursuits. The Badger men's athletic department sponsors competition in basketball, crew, cross country, football, golf, hockey, soccer, swimming and diving, tennis, track and field, and wrestling. Women's sports include: basketball, crew, cross country, golf, soccer, swimming and diving, tennis, track and field and volleyball.

## UW-Madison Rankings

**Graduates:** According to a 1990 Standard & Poor's survey, the UW-Madison is first in the nation among public institutions with graduates who are CEOs of Fortune 500 companies.

**Business:** The School of Business ranks fifth in the nation in research productivity. The faculty's scholarly output ranks first among business schools at public institutions.

**Education:** The School of Education is the nation's best according to a survey conducted by the University of Illinois in 1990. The UW's educational administration and educational policy studies rank second.

**Forestry:** The UW's forestry department was named the top research department by the USDA in 1986.

**Journalism and Mass Communication:** The faculty at the School of Journalism and Mass Communication was rated first in the nation for research productivity by *Journalism Quarterly* in 1988.

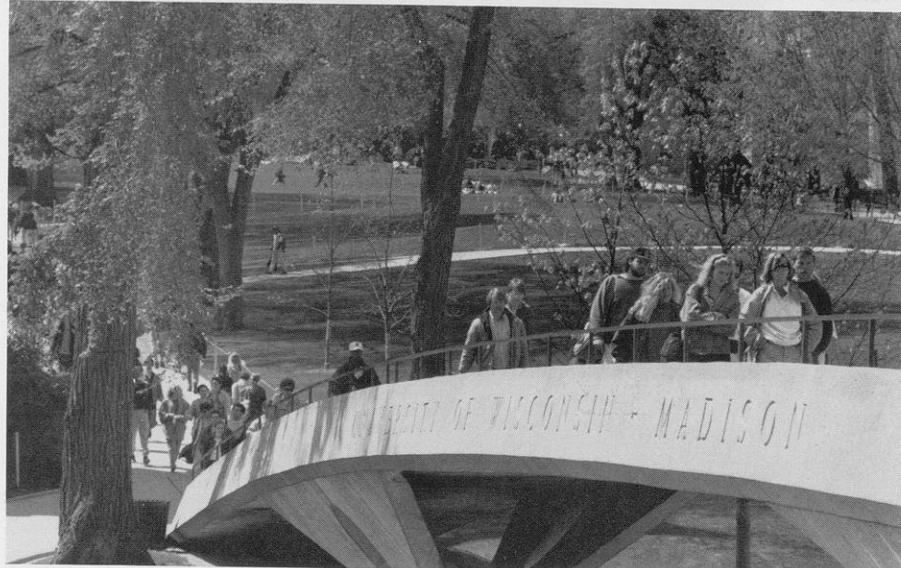

**Plant Pathology:** In 1986, the UW's Plant Pathology department tied for first place in a rating conducted by the University of Cal-Davis.

**U.S. News & World Report** (March 23, 1992) ranked the UW's sociology department as tops in the country. The magazine also ranked the psychology department 12th, history 9th, political science 10th, economics 11th and engineering 12th.

**Libraries:** The UW-Madison has the 13th largest university library system in the nation with over 5 million books.

## *UW CITY OF MADISON*

Located in southern Wisconsin, Madison is home to both the University of Wisconsin and the state capital. The city was designed so that the school and state would be linked, signifying the interrelated nature of academics and politics.

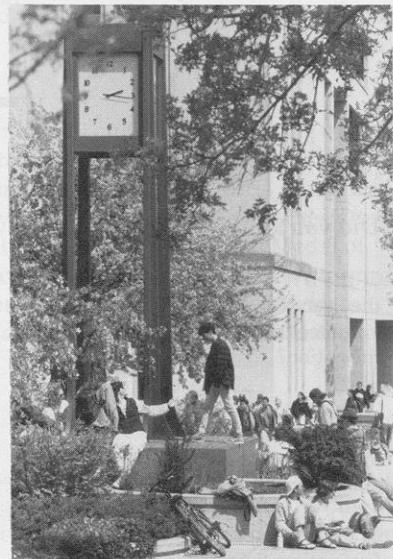

One of the Midwest's most vibrant communities, Madison offers an endearing quality of life to both its residents and students.

The centerpiece of the city is the State Capitol. The campus is west of the Capitol and offers easy access to shopping malls, restaurants for every taste and popular night spots.

With a diverse population of more than 190,000, Madison offers the unique combination of big-city excitement plus small-town charm. Madison is an action-oriented community that promotes participation in government, education, sports, arts and recreation.

Madison was listed as the eighth most livable city in the nation in a 1991 *Money* magazine survey.

Besides the UW Athletic Department, the city offers a large quantity and high quality of outdoor leisure activities. *Outside* magazine ranked Madison as one of the Top 15 sports towns in the nation in 1989.

## CAMPUS LIFE

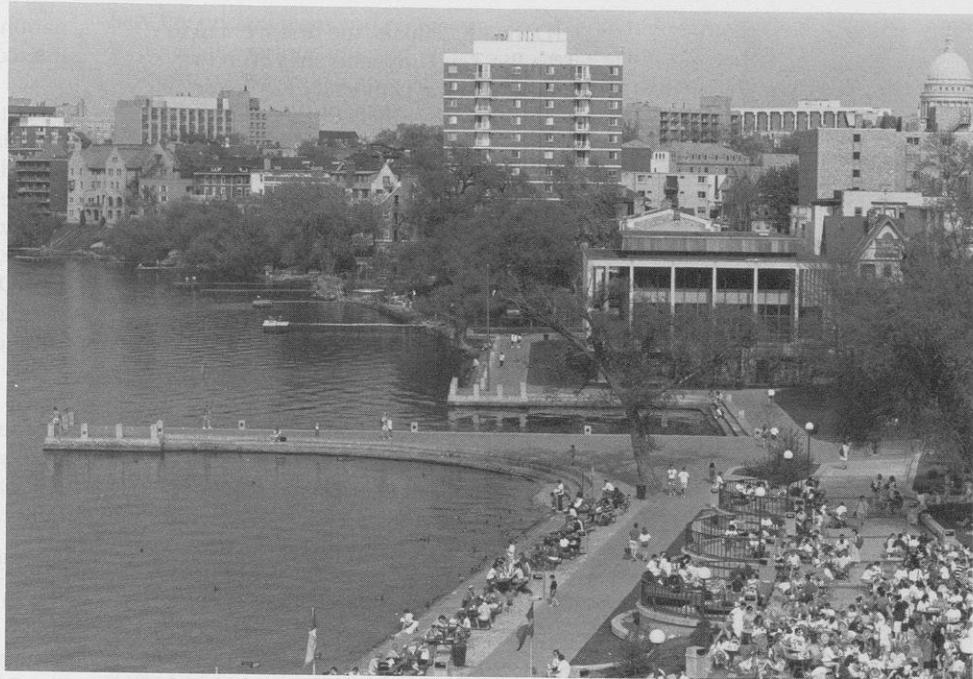

ATHLETICS

Situated among gentle rolling hills and wooded areas between Lakes Mendota and Monona is the 900-acre University of Wisconsin campus. Located in the state's capital city, Madison, the UW campus is one of the nation's most picturesque.

Two movies have been filmed on the UW-Madison campus, including the 1986 hit *Back To School*, which featured Rodney Dangerfield.

There are many famous landmarks on campus including tree-lined Bascom Hill, North Hall (the first building on campus), Van Hise Hall (the tallest building on campus) and Picnic Point (a 129-acre peninsula). A favorite gathering spot for students is the Memorial Union and its lakeside terrace.

Wisconsin students include some of the nation's foremost scholastic achievers. The diversification of the student body and its campus life make the UW a truly special educational experience.

## DIRECTOR OF ATHLETICS

Pat Richter

Former three-sport letterman Pat Richter is in his third season as Director of Athletics at his alma mater. A native of Madison, Richter is the person responsible for leading one of the nation's most successful athletic programs.

Named to his position in December of 1989, Richter is in charge of a program that has 20 sports, nearly 1,000 athletes, more than 160 employees and a large physical plant.

Since he joined the department, UW athletics have made giant strides. Richter lured Barry Alvarez from Notre Dame and former New York Knicks Coach Stu Jackson to head the football and basketball teams.

He oversaw an immediate improvement in facilities, helped regain program support from every corner of the state and has worked diligently to return the department to fiscal solvency.

In his first year as Director, Richter

saw the hockey team and crew win national championships and distance runner Suzy Favor capture the Broderick Cup, an award given to the nation's top female athlete. Consider that, in 1991-92,

- the football team was the NCAA's fourth most improved.
- the women's basketball team set a UW record for wins and qualified for its first NCAA tourney.
- five fall sports — men's and women's soccer and cross country plus volleyball — made NCAA tourneys in 1991.
- six UW coaches were honored by the Big Ten as Coach of the Year.

Richter's love for Badger athletics started as an undergraduate. He is the last nine-time letterman in school history, gaining three letters in football, basketball and baseball.

Pat earned all-America (1961-62), academic all-America (1962) and all-Big Ten (1961-62) honors as a football end. He led Wisconsin to the 1963 Rose Bowl and caught a game-record 11 passes in the Badger's 42-37 loss to USC.

Richter led the Big Ten in receiving twice and is still the third leading receiver in school history. As a senior, Pat won Wisconsin's 1963 Big Ten Medal of Honor (given for proficiency in scholarship and athletics) and received the Knute Rockne Memorial Award (given to the nation's top lineman).

Richter earned all-conference honors in baseball (1963) and led the Badgers in hits, home runs and runs batted in three times. Pat earned his scholarship for basketball, where the 6-6 center played three seasons.

After earning his B.S. degree from the UW in landscape architecture in 1964, Pat was a first-round draft pick of the Redskins. He played nine seasons (1963-71) as an end and punter.

Upon retirement from the NFL, he returned to Wisconsin to earn his law degree (1971). After employment with a Madison law firm, he worked his way up to Vice President of Personnel at the Oscar Mayer Corporation.

Richter was honored with an NCAA Silver Anniversary Award for post-college achievements in 1988. He is a member of the Wisconsin State Athletic and Madison Sports Halls of Fame, the NFL Player and Alumni Associations and the American Bar Association. Pat was included in the inaugural class of the Athletic Department Hall of Fame in 1991.

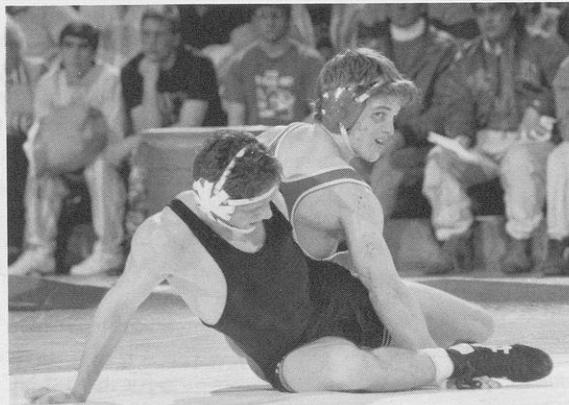

He is a regular contributor to many charitable organizations, including the UW Children's Hospital and the Four Lakes Boy Scouts.

Richter and his wife, Renee, have four children: Scott, Brad, Barry and Tim. Barry, a senior at UW-Madison, is captain of the Badger hockey team.

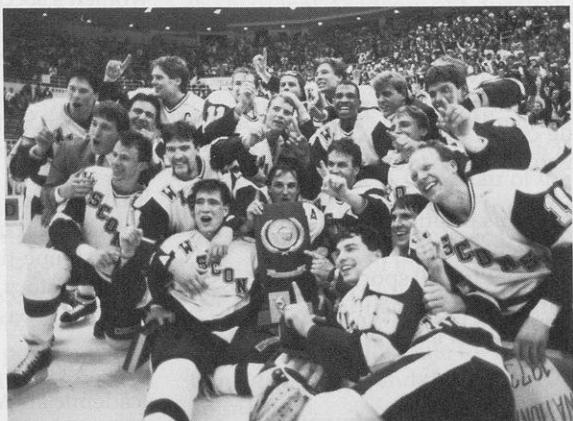

## BADGER ATHLETICS

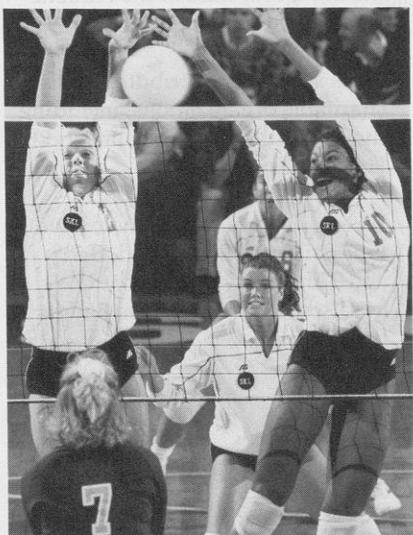

UW was the nation's fourth most-improved team in '91.

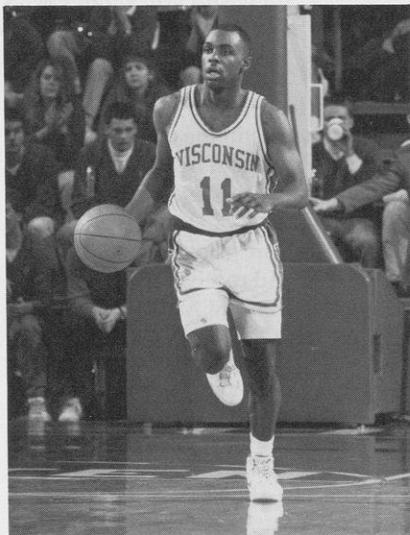

Two-time NCAA wrestling champ Matt Demaray.

Hockey has won three NCAA titles since 1981.

Volleyball made its second NCAA appearance in a row last season.

Tracy Webster was a second-team all-Big Ten guard as a sophomore.

Women's soccer was the national runner-up in 1991.

# BIG TEN CONFERENCE

From its beginning almost 100 years ago, the Big Ten Conference continues to be recognized as one of the premier athletic leagues in the nation.

The league membership has undergone several changes over the years, including the recent addition of Penn State University. One of the constants, however, has been the achievement of excellence both in the classroom and on the playing field.

On Jan. 11, 1895, the Big Ten Conference was formed when Purdue President James H. Smart and six other university leaders established the principles for the Intercollegiate Conference of Faculty Representatives.

The original membership — Chicago, Illinois, Michigan, Minnesota, Northwestern, Purdue and Wisconsin — set the blueprints for what was to be later called the Western or Big Ten Conference.

The makeup of the league has changed several times, with the addition of Indiana and Iowa in 1899, Ohio State in 1912, the departure of Chicago in 1946 and the addition of Michigan State in 1949 and Penn State in 1992.

Eleven Badgers have been selected consensus all-America football players in the school's storied gridiron history.

Twenty-nine Wisconsin players received all-America mention in their careers, including two-time picks Dave Schreiner, Alan Ameche and Pat Richter.

Most recently, defensive back Troy Vincent was named to first team all-America squads by the College Football Writers Association, United Press International, *The Sporting News* and *Football News* in 1991.

In the 1980s, four Wisconsin standouts — tackle Paul Gruber, noseguard Tim Krumrie and defensive backs Matt VandenBoom and Richard Johnson — were all-America picks.

Tim Krumrie, currently a noseguard with the Bengals, was a 1981 consensus all-America selection.

Volleyball made its second NCAA appearance in a row last season.

Troy Nelson was second team all-Big Ten guard as a sophomore.

Women's soccer was the national runner-up in 1991.

More than 100 Badger football players have been selected in the National Football League draft.

Fifteen Wisconsin players have been picked in the first round of the draft. Included in that group is current Badger Athletic Director Pat Richter by Washington in 1963.

In 1984, Richard Johnson (Houston), Al Toon (New York Jets) and Darryl Sims (Pittsburgh) were first-round selections.

Most recently, Troy Vincent was a No. 1 pick by Miami in 1992.

Camp Randall Stadium, built 75 years ago, is the home for Wisconsin's football team. The 77,745-seat facility is the nation's 11th-largest college stadium.

Distinguished by its impressive double-deck structure and horseshoe design, Camp Randall Stadium has been the Badgers' gridiron facility since 1917. Since its opening game on Nov. 3, 1917, Camp Randall Stadium has hosted 398 Badger football games and attracted more than 18 million fans.

Besides the playing field, Camp Randall houses the athletic department offices, lounge and study areas for athletes, film, training and weight rooms and a display of Badger football memorabilia.

The Stadium is the centerpiece of Wisconsin's large athletic complex. Located on the same block on the west side of campus is the Dave McClain Athletic Facility, the Badgers' state-of-the-art indoor practice building and the Wisconsin Field House.

Camp Randall Stadium and its grounds have a rich history prior to its affiliation with Wisconsin Badger athletics.

In the days before the Civil War, the site was owned by the Wisconsin Agricultural Society, which held its annual state fair on the grounds. When hostilities broke out in 1861, the society gave the land to the government for a major military training center. More than 70,000 troops attended training drills at the Camp Randall complex.

After peace was restored in the nation, the land was returned to

State Fair property. The Fair later moved to Milwaukee, and Wisconsin's Civil War veterans urged the legislature to purchase the land. In 1893, the state presented the site to the university as a memorial athletic field.

Intercollegiate athletics had begun on campus in 1881, and football joined the scene in 1889. The first games were actually played on a field on the lower part of campus. The stadium was built at its present site in 1913. However, a tragic collapse of the wooden bleachers in 1915 prompted the UW to formulate plans for concrete stands.

Two years later, a 10,000-seat concrete stadium was started with a grant of \$15,000 from the legislature. The rest of the money was earned from athletic department revenues.

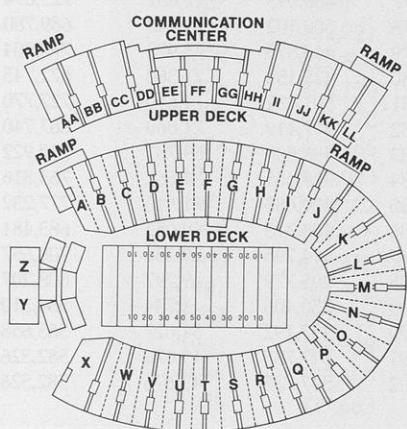

The first game played in the present Camp Randall Stadium was a thrilling 10-7 homecoming victory over archrival Minnesota in 1917. Capacity of the structure has increased several times, jumping to 51,000 by 1951.

A revision of the seating arrangements in 1955 boosted the capacity to 51,000. The running track was removed in 1958, the playing field was lowered 10 feet and 10,647 seats were added (raising capacity to 63,435). Capacity was increased to its current figure in 1966 with the addition of the second deck on the west side. The facility is designed so that all seats point toward the center of the field, providing excellent sight lines.

The Communications Center, which is one of the Midwest's best facilities for working media, was

also built after the 1966 season. The three-level structure includes areas for media members, game personnel, athletic department officials and corporate booths.

Facility improvements have been continued into the 1990s with the installation of an artificial turf playing field in the summer of 1990 and a computerized scoreboard and message center added in the spring of 1992.

Badger football teams have averaged better than 70,000 fans per game a dozen seasons since 1972. Wisconsin has drawn more than 70,000 spectators to 60 games since 1970. Most recently, 75,053 fans (the largest crowd at Camp Randall since 1986) witnessed a heart-breaking 10-6 loss to Iowa last season. The single-game attendance record is 80,024 set against Michigan in 1978.

## *MCCLAIN ATHLETIC FACILITY*

---

Opened in 1988, the \$9.5 million Dave McClain Athletic Facility is a symbol of the Wisconsin Athletic Department's commitment toward developing a first-class sports program.

The 166,264-square-foot facility compares favorably with the best indoor training centers in the nation. Named in honor of the late Wisconsin football coach Dave McClain, the structure provides a top-rate environment for practice during inclement weather.

A 76,380-square-foot main floor features an artificial playing surface with a ceiling high enough for kicking drills. The lower level includes locker rooms, state-of-the-art training facilities (including an on-site X-Ray machine) and a large weight room.

On the second level, a theater-style auditorium (seating for 150), classrooms for individual position meetings and a player lounge are some of the highlights.

Located immediately north of the Camp Randall

Memorial Sports Center, the domed structure is bordered by the UW Engineering building, Camp Randall Stadium and Camp Randall Park.

The McClain Athletic Facility was constructed in two phases. The first project consisted of a 330-foot by 220-foot concrete floor supporting the 90-yard practice field. The second phase included the lower level construction of lockers, showers, storage areas, a sauna, a steam room and a rehabilitation lap pool.

To build the structure, more than 70,000 cubic yards of soil had to be removed. Among the materials used in the construction were: 75,000 concrete blocks, 1,550 gallons of paint, 4,300 square feet of carpeting, 5.3 miles of piping, 27 miles of electrical wiring and 101,000 square feet of stainless steel roof material.

The facility is named for McClain, the Badgers' head coach from 1978-85. He compiled a 46-42-3 record in eight years, including four consecutive seven-win seasons. McClain led the Badgers to bowl games in 1981, 1982 and 1984. He died of a heart attack in 1986.

## EXPOSURE

As a member of the Big Ten Conference, Wisconsin football is in the national spotlight. Network television opportunities are possible and exposure for both teams and individuals is frequent.

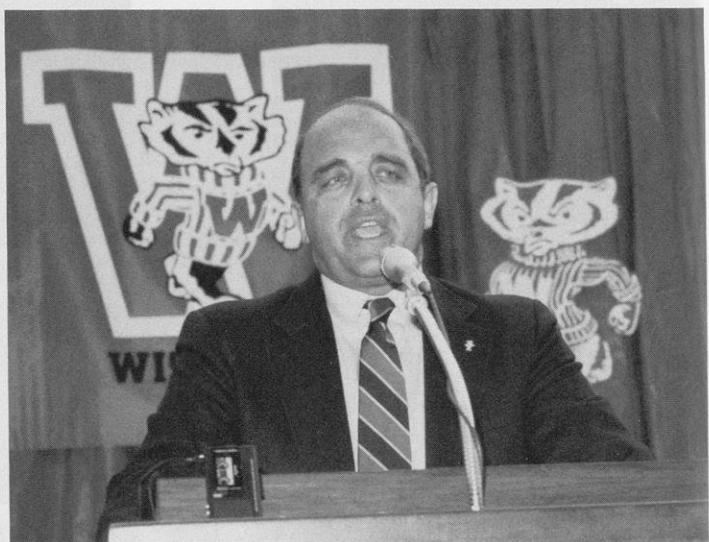

Badger football teams played in three bowl games and made 17 television appearances during the 1980s. Individual players have received all-America mention five times and 43 have been drafted by the National Football League since 1980. Most recently, cornerback Troy Vincent was a finalist for the 1991 Jim Thorpe Award and first-round draft pick by Miami.

Wisconsin football is covered on a daily basis by four major newspapers in the Madison and Milwaukee areas, three television stations and a state-wide radio network of more than 30 stations.

Part of the exposure for Wisconsin football is related to its schedule. Among the teams Wisconsin will play in the 1990s are Colorado, Illinois, Indiana, Iowa, Michigan, Michigan State, Minnesota, Northwestern, Ohio State, Purdue, Penn State, Southern Methodist, Syracuse and Washington.

## ACADEMIC SUPPORT

The primary objective of the Department of Academic and Student Affairs office is to ensure the academic success of all UW student-athletes. Counseling and advising services, plus a number of academic help programs, are offered to all student-athletes at the University.

The academic and student affairs staff is available to assist the UW's 700 student-athletes in registration and course selection, monitor progress toward degrees, offer career guidance and serve as valuable resource people.

Staff members work with student-athletes who desire extra academic help. The department utilizes the services of more than 100 tutors to provide one-on-one assistance or group study help.

The department maintains a five-station computer center, arranges for exam proctoring, offers advice on resume preparation and coordinates the grant-in-aid program. Support groups are offered to students who become medically or academically ineligible for competition.

Don Davey, a Badger football player from 1987-90, accepts congratulations from GTE spokesman Dick Enberg for becoming the first four-time academic all-American in university division history.

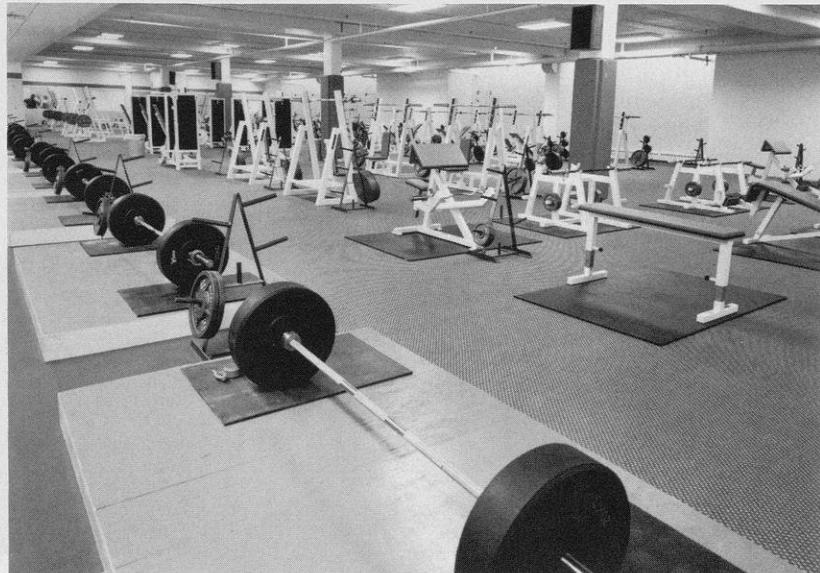

## WEIGHT TRAINING

The Wisconsin strength and conditioning program is a sophisticated blend of science, technology and one-on-one attention to each athlete. Throughout the year, UW football players spend more time working on strength and conditioning than any other aspect of their game.

During the off-season, players work on strength improvement, speed, power, agility and conditioning. The in-season program is devoted to moderate gains and maintenance.

Each year when freshman players arrive, baseline measures of strength, speed, power, agility, flexibility, and endurance are collected. Measures of body composition, weight and frame-size are also recorded. With this information, goals are set for development and maintenance. Individual programs are established for each player by weight training coordinator John Dettmann.

The UW also offers a Sports Nutrition program, coordinated by Dave Ellis. The program assists athletes in meeting their nutritional demands and body composition goals.

## TRAINING ROOM

Wisconsin's Sports Medicine program features state-of-the-art facilities and the services of leading sports medicine and health care professionals.

Headquartered in the McClain Center, the department also maintains facilities at Camp Randall Stadium, the UW Fieldhouse, the Natatorium, the Nielsen Tennis Stadium and the Dane County Coliseum.

### Services

The Sports Medicine program focuses on injury prevention. Staff members utilize Cybex strength-testing devices, provide dietary analyses, measure physiological capacity and outline programs to improve flexibility. Should injury occur, athletes are seen immediately by team physicians affiliated with the UW Hospitals and Clinics.

The UW is one of a handful of schools with an on-site X-ray machine, enabling physicians to quickly and thoroughly evaluate injuries and prescribe treatment and rehabilitation. Daily orthope-

dic and urgent care clinics plus counseling and nutrition services are available by appointment.

Athletic trainers and physicians work together to design rehabilitation programs for injured athletes. A wide variety of facilities and equipment, including a rehabilitation swimming pool, Cybex equipment, the Impulse Inertial Exercise System, Stairmasters, and Fitron Bicycles, help athletes rehabilitate injuries and minimize the loss of general fitness during that time.

### Professional Staff

Dennis Helwig, a 1974 UW graduate, coordinates the Sports Medicine Program. He is assisted by four athletic trainers, one physical therapist, two graduate assistant trainers and 30 student trainers. Team physician coverage is headed by Dr. Jim Keene and Dr. Greg Landry of the UW Hospitals and Clinics. Orthopedists Dr. Ben Graf and Dr. John Orwin round out the medical staff.

2. Missouri vs. Kansas

3. Nebraska vs. Kansas  
98 meetings
3. TCU vs. Baylor

3. Texas vs. Texas A&M

Every year when Wisconsin battles Minnesota on the gridiron, there's more at stake than bragging rights. The winner of each year's football game returns to campus with the legendary Paul Bunyan Axe.

The battle between the Badgers and Golden Gophers is the longest running rivalry in Division I. The teams have met 101 times, including 85 consecutive years.

The axe legend was born in 1948 when the Wisconsin National "W" Club presented Minnesota with the

axe wielded by Paul Bunyan, the mythical giant of Midwestern lumbercamps.

Each year since, the winner of the annual battle between Big Ten rivals is presented with the axe, complete with scores inscribed on the handle, for display on its campus. Since the tradition was started, UW leads the series 21-19-3.

The Badgers have the Axe displayed in the UW football offices following last year's 19-16 win in Minneapolis.

# FOOTBALL TRADITIONS

---

## Badger nickname

The University's nickname, "Badgers," was borrowed from the state. The territory was dubbed the "Badger State," not because of the animals in the region, but rather an association with lead miners in the 1820s. Prospectors came to the state looking for minerals. Without shelter in the winter, the miners had to "live like badgers" in tunnels burrowed into hillsides.

## Bucky Badger

Badgers in various forms have been recognized as the UW mascot for decades. The version currently known as Bucky, sporting a cardinal and white letter sweater, was developed in 1940 by artist Art Evans. A 1949 homecoming pep rally contest was staged to give a name to Madison's favorite badger. The winner was Buckingham U. Badger, or Bucky, for short. The name apparently came from a line in the song, "On, Wisconsin." The lyrics encourage the Wisconsin football team to "buck right through that line."

## "On, Wisconsin"

The university's school song was composed in 1909 by William Purdy of Chicago. Words were written by UW alumnus Carl Beck. Some 2,500 schools and colleges have adopted the music and changed the words to suit their needs. The copyright to "On, Wisconsin" is owned by Michael Jackson, who purchased the music from Paul McCartney.

## "Varsity"

The traditional arm-waving at the end of the song "Varsity" was the 1934 brainstorm of then-UW band leader Ray Dvorak. He saw University of Pennsylvania students wave their caps after losing a game. Dvorak later instructed Wisconsin students to wave as a salute to UW President Glenn Frank after each game.

## Fifth Quarter

Football games traditionally last four quarters, but there is a special post-game celebration at Wisconsin games known as the "Fifth Quarter." Win or lose, the Wisconsin marching band performs a half-hour postgame concert. Band members play their instruments, dance the polka and generally tear around the field. Fans now wait for the famous celebration since Band Director Michael Leckrone added crowd-participation gimmicks. A local sportswriter dubbed the ritual the "Fifth Quarter."

## Graduating Law Students

At the homecoming game, graduating law students throw canes over the cross bar of the goal post in a pregame ceremony. If they catch their canes, they are supposed to win their first case. If the cane is dropped, the case will be lost. The custom originated at Harvard and came to UW in 1910.
