AUTUMN WOODS

Ere, in the northern gale,
The summer tresses of the trees are gone,
The woods of Autumn, all around our vale,
Have put their glory on.

I roam the woods that crown
The upland, where the mingled splendors glow,
Where the gay company of trees look down
On the green fields below.

My steps are not alone
In these bright walks; the sweet south-west, at play,
Flies, rustling, where the painted leaves are strown
Along the winding way.

And far in heaven, the while,
The sun, that sends the gale to wander here,
Fours out on the fair earth his quiet smile,
The sweetest of the year.

Let in through all the trees
Come the strange rays; the forest depths are bright;
Their sunny-colored foliage, in the breeze
Twinkles, like beams of light.

The rivulet, late unseen,
Where bickering through the shrubs its waters run,
Shines with the image of its golden screen
And the glimmerings of the sun.

Oh ! Autumn ! why so soon
Depart the hues that make thy forests glad;
Thy gentle wind and thy fair sunny noon,
And leave the wild and sad?

Ah ! 'twere a lot too blessed
Forever in thy colored shades to stray;
Amid the kisses of the soft south-west
To rove and dream for aye;

And leave the vain low strife
That makes men mad- the tug for wealth and power,

FIFTIETH WEDDING ANNIVERSARY
OF COL. AND MRS. J.E. ATKINS
A HAPPY OCCASION.

AUTUMN WOODS

The reception given by the Men's Community Club and the Veterans of Foreign Wars on Tuesday evening for Col. and Mrs. Atkins was very well attended.

The passions and the cares that wither life, And waste its little hour. William Cullen Bryant.

FOOT BALL SEASON TO START
FRIDAY AFTERNOON

Mr. Edward J. Geiger told of the reason for the gathering and told of the work that Colonel Atkins had done in the village and in the World War, etc., with Mrs. Atkins helping through the Fifty Years.

The Williams Bay High School Team will open its Foot Ball Schedule on the Observatory and College Camp Field at 3:00 P.M. Friday the 22nd.

Col. Atkins responded telling of some of their early experiences in the Salvation Army. Mrs. Atkins also made some interesting remarks.

Six-man football will be played again this year.

Frappe, which was furnished by Mr. Geiger and a large assortment of cookies brought by the ladies of the Veterans of Foreign Wars, were served by Mrs. Robert E. Burton and Mrs. James Armour.

Williams Bay should get out as often as possible to root for the team.

The admission for adults is 25¢ and children 10¢, and 5¢.

A purse of Seventy-five Dollars was presented to Mrs. Atkins as a token of esteem from many friends in the Bay.

CARYL RIPLEY IMPROVING

Besides the Veterans who came from Lake Geneva, Walworth and Hebron, there were present from out of the village: Major and Mrs. A.C. Ainsworth and daughter, Virginia and Major and Mrs. L.V. Catlin. Mrs. Ainsworth and Mrs. Catlin are daughters of Col. and Mrs. Atkins.

Caryl Ripley, the Superintendent of Water at the Bay is at Wisconsin General Hospital at Madison undergoing treatment. He has been ill and under the doctor's care for sometime and it was decided that hospitalization was necessary. He has been there since about Sep. 1st.

From Milwaukee Rev. and Mrs. Harry Nicholson and Mr. and Mrs. R.I. Prather; and from Delton, Wis. Mr. and Mrs. Sarrington.

He wishes to express his thanks for the many letters sent to him and the visitors who have called.

SUPERINTENDENT APPOINTED TO
FILL MR. RIPLEY'S POSITION WHILE
HE IS AWAY.

Flowers from the gardens of Mrs. A.P. Lovejoy; Mrs. W.H. Emery; Mrs. Harry Wheeler; Mrs. A.W. Harris and Mr. I. Schwinn made a pretty background against which Col. and his wife stood while receiving the guests.

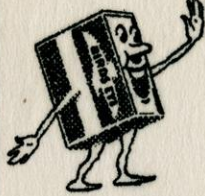

The intricate mechanism of the water and sewer plant requires expert help. The Board was fortunate in securing Mr. John Wesley who has just completed supervision of the construction of a water plant at Pardeeville.

On Monday evening a reception was given by the Salvation Army friends of the couple at the Citadel on West Madison Street at which some four hundred were present.

Mr. Wesley is a graduate of University of Wisconsin School of Engineering, and comes very highly recommended.

WAR WOULD BE LONG- HERBERT HOOVER

"If a general European conflict develops it will be a long war, and Americans should support President Roosevelt in trying to keep us out of it," former President Herbert Hoover says.

"This is one of the saddest days (Sept. 1) that has come to humanity in 100 years. A senseless war seems inevitably forced upon hundreds of millions of people. It means the killing of millions of the best and most courageous of men who might contribute to human progress. It means the killing and starvation of millions of women and children. It means another quarter of a century of impoverishment to the whole world. It is likely to be a war of slow attrition. It is likely to be the most barbarous war that we have ever known. Whatever our sympathies, America must keep out. The president and congress should be supported in their every effort to keep us out."

Lawrence A. Hollister secured Membership No. 1 in the Knights of America " and is sending copies of the Constitution to firms that he buys from. One salesman ordered 12 copies to use in calling on his trade. Why not help a local idea gain headway, by doing likewise?

After the 25th the evening

Director Paterson had a good report. There were no drownings and no accidents which were fatal. Considering that at times there were 15,000 persons around the lake it proves that the Safety program is worthwhile.

The services of 8 full time guards and many part time guards, besides the Volunteers, which secure their training under Director Paterson, the fast Patrol Boat with its wireless hook up, etc. show that the residents around Lake Geneva value the lives of their young people. They consider it a good investment.

Next season more attention will be given to policing the lake to find out the early morning disturbers.

The persons responsible for the Safety Patrol, its founder, Mr. S.B. Chapin and all are to be congratulated.

FOLKS FROM MOST STATES REGISTER

Bill Elbert kept a card board in the window of his shop and asked any one from a state that no one had registered from to sign his or her name on the line for that state.

When Go. Heil was here he signed for Wisconsin. The only states where the line is blank are Del.; Idaho; Miss.; Montana; Nev.; N.H.; N.M.; N.C.; Oregon; Utah; Vt. and Wyoming. 34 states were represented and the District of Columbia.

Next year let's have a central point for all visitors to register.

Mrs. Karen Steele, Mrs. Harry Schott and Miss Turner, teacher, entertained a group of young friends for Patricia Halpin at a weiner roast at East Y Camp, Thursday afternoon. The Halpin family are moving soon to Lake Geneva where Mr. Halpin is agent for the Chicago North Western Railway. The evening mail will not be distributed.
