The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

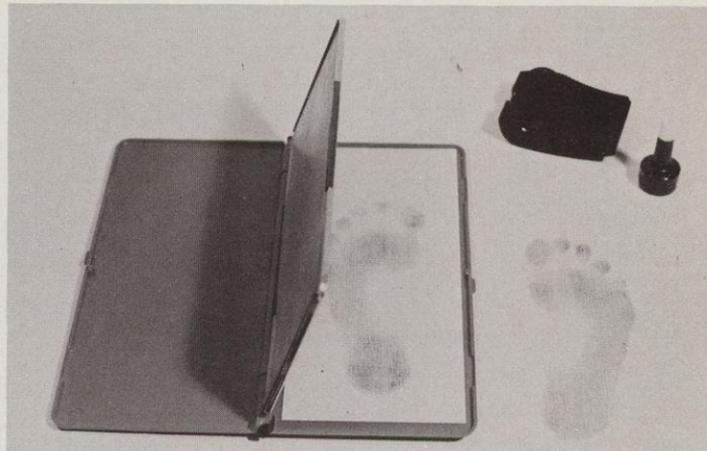

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

ORTHO - PRINT

A QUICK, CLEAN, ECONOMICAL
WAY TO PERMANENTLY RECORD
YOUR PATIENT'S FOOT CONDITION.

The **Ortho-Print** Foot Impression System provides an inexpensive visual aid for treatment evaluation and patient education. **Ortho-Print** produces an instant image which is an invaluable, permanent addition to your patient file.

- Demonstrates foot abnormalities and the need for treatment.
- Graphically illustrates post treatment improvement to your Patient.
- The screened mat produces image density in proportion to weight bearing.
- Clean, Portable, Economical

The "NO MESS" Foot Impression System
