Did You Ever See The Devil?

Did you ever see the Devil with his iron wooden shovel
Scratching up the gravel with his big toe nail?
Oh, the dirt was so hard that he
couldn't get it up so away went the Devil with his tail curled up.

Lyrics
Did you ever see the Devil
With his iron wooden shovel
Scratching up the gravel
With his big toe nail?
Oh, the dirt was so hard
That he couldn't get it up
So away went the Devil
With his tail curled up.
