Dear Mr. Westlund:

As you may know, Northland College is working on a project to collect ethnic music in the Ashland-Bayfield County area (see enclosed newspaper article). When speaking to Marlene Hagstrom the other day after Swedish Music and Bethany and Salem Baptist Churches, she suggested I call you.

Would it be possible to meet with you sometime in the next week or so - at your convenience? I'd like to talk with you and maybe record any songs you would know - those of the church or other Swedish songs. I'll give you a call next week to find a convenient time.

Sincerely,
