The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

*new convenience*

## **in broad-spectrum therapy**

Easily swallowed, sugar-coated Terramycin  
Tablets introduce new flexibility in prolonged  
courses of administration and are particularly  
suited to effective, well tolerated therapy among  
patients preferring tablets to other oral forms.
