The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Joint Replacement Ins

The Original Müller Total Hip Replacement

We are the only suppliers in the UK of the Original Müller Total Hip Replacement together with the specially designed instruments illustrated above.

Please write for our catalogue and literature.

Instrumentation Limited

The Gunston Total Knee Replacement

The Gunston Total Knee Arthroplasty is now available in three sizes as illustrated. The tibial component is made in high density polyethylene, the femoral component is made in either stainless steel or chrome cobalt alloy.

Please write for our catalogue and literature to the sole UK supplier:
