REGULAR MEETING OF THE BOARD OF REGENTS

Madison, Wisconsin

Saturday, October 15, 1949, 10:10 A.M.

President Sensenbrenner presiding

PRESENT: Regents Campbell, Gelatt, Grady, Hodgkins, Jones, Kleczka, Sensenbrenner, Watson.

ABSENT: Regents Arveson, Werner.

Regent Werner was present at committee meetings on Friday, October 14, 1949.

Regent Grady requested that the minutes of the special meeting of the Board held on September 10, 1949, be amended to correct his statement regarding his vote on the recommendation with reference to the Midwest Inter-Library Corporation by revising the statement beginning with the sentence starting in the sixth line on Page 16 of the minutes to read as follows:

"We join this corporation by a very unusual and peculiar method. The cost of the same they say, 'not to exceed \$4,000 a year' - four thousand dollars for housing our books, and with full consideration of any advantages that may be assigned to the project of using other books, we come again to the question that if the contributions made by other universities are of a character such as we are making of books which we say we can store because they are rarely used, are we to pay \$4,000 for the privilege of going to Illinois to read the books contributed by other institutions which were activated and prompted by the same motive to get rid of books rarely used? To me it is so wholly unjustified I feel impelled to vote against it." *Complete statement 2 with papers.*

Upon motion of Regent Kleczka, seconded by Regent Watson, it was VOTED, That the minutes of the special meeting of the Board held on September 10, 1949, as amended by Regent Grady, be approved.

GIFTS (Cont.)

(dd) \$3,100 - From an anonymous donor for the establishment of The Genevieve Gorst Herfurth Award for Outstanding Research in Social Studies at the University of Wisconsin. An award of not less than \$100 is to be made each year under the following conditions:

The donor desires that this sum be invested and re-invested by the University of Wisconsin with its other trust funds, so that it may draw the average of interest income derived from the investment of such trust funds. If the interest income from the said Thirty One Hundred Dollars (\$3,100.00) be more than \$100 per annum, then the surplus in excess of One Hundred Dollars (\$100.00) may be retained by the University until the surplus amounts to Fifty Dollars (\$50.00); to the end that if in any one year the interest earned on the said Thirty One Hundred Dollars (\$3,100.00) be less than One Hundred Dollars, a part of the accumulated surplus may be used to supplement annual earnings. After the surplus of Fifty Dollars (\$50.00) has been accumulated for the purposes above stated, then, at the discretion of the regents, the University may pay the annual winner of this award the entire amount of annual interest derived from such investment.

Any male or female post-graduate student at the University of Wisconsin, studying for a doctorate degree, shall be eligible as recipient of this award. One person only shall be eligible to receive the annual award but two others next in rank shall be named for honorable mention.

The chief administrative officer of the University of Wisconsin (now the President of the University) shall appoint an impartial committee of five members of the faculty to act as judges in determining and designating each year the winner of the award and the two to be given honorable mention. It shall be the privilege of the said administrative officer of the University, from year to year, to vary the personnel of the said committee.

The award shall be paid to the winner at the principal graduation time in the month of May or June each year.

(ee) That the offer by an anonymous donor to provide funds annually for the following scholarships be accepted and approved:

(a) \$600 annually for a graduate scholarship in the Department of German to be designated "The Goethe Bicentennial Memorial Scholarship"

(Cont.)

GIFTS (Cont.)

(ee) (Cont.) (b) \$500 annually for a scholarship in the College of Agriculture, the name and character of which are to be determined later

ACTIONS BY THE PRESIDENT
 Since the September 10, 1949, Meeting
 of the Board of Regents
 (Copy attached)

Upon motion of Regent Hodgkins, seconded by Regent Campbell, it was VOTED, That resignations numbered 1 to 108, inclusive, listed under Actions by the President, be approved.

(Cont.)

Upon motion of Regent Hodgkins, seconded by Regent Gelatt, it was VOTED, That appointments numbered 1 to 413, inclusive, listed under Actions by the President, be approved.

The above actions by the President taken since the September 10, 1949, meeting of the Board and approved by the Regents in the foregoing resolutions are made a part of the records of this meeting.

President Fred reported that the committee appointed to study the question of organizing the work in pharmacy as a separate school, following the action by the 1949 Legislature in authorizing the establishment of a separate School of Pharmacy, had given the question careful consideration and recommended the separate organization of the School of Pharmacy at the University of Wisconsin. Upon recommendation of President Fred, and upon motion of Regent Hodgkins, seconded by Regent Kleczka, it was

VOTED, That after careful study of the advantages and disadvantages of organizing the work in pharmacy at the University of Wisconsin as a separate school, and in view of the 1949 legislation - Chapter 358, Laws of 1949, 36.13 (10) - permitting the organization of a School of Pharmacy at the University of Wisconsin, the Board of Regents directs that the work in pharmacy at the University of Wisconsin be organized as a separate school of pharmacy on July the 1st, 1950; that the general plan of organization suggested by the report of the special committee on this subject dated June 15, 1949, be approved, and that the administration is directed to develop the necessary details for this change in organization as rapidly as possible. (Copy of report of special committee attached.)

President Fred distributed copies of a proposed statement of policy on radio and television broadcasting from the campus of the University of Wisconsin. He suggested that the statement of policy be studied by the Regents and considered at the next meeting of the Board. (Copy of statement of policy attached.)

A presentation of a check for \$105 and ten books was made by Chandrika Thakur, President of the India Association, to the President of the University and to the Board of Regents for the purpose of setting aside a shelf or section in the new Memorial Library to commemorate the memory of Mahatma Gandhi. Chandrika Thakur made a brief statement expressing appreciation of the Indian students of the University of Wisconsin for this recognition of Mahatma Gandhi by the University of Wisconsin. (Copy of statement attached.) The check for \$105 and the ten books were accepted on behalf of the University and the Board of Regents by President Fred and Regent Sensenbrenner.

Registrar Kenneth Little appeared before the Regents to discuss enrollment data for the first semester of the 1949-50 academic year. Copies of the University of Wisconsin enrollment report for the first semester of 1949-50 were distributed to the Regents. (Copy on file.)

RECOMMENDATIONS AND REPORT OF THE VICE PRESIDENT OF BUSINESS AND FINANCE

I. Report of Actions Taken

1. In accordance with authority granted by the Regents for the Vice President of Business and Finance or, in his absence, the President of the University, to sign proposals, agreements, contracts and contract supplements of the United States Government for research work, educational programs and for services requested by the Government for military personnel and/or veterans assigned to or enrolled in the University of Wisconsin, and for other educational services of the University, the following contracts and agreements have been signed:

- (a) Amendment No. 3 to Task Order II to Office of Naval Research Contract N7onr-285, covering research in the Department of Physics; this amendment provides for the extension of Task Order II to June 30, 1949.
- (b) Amendment No. 7 to Contract NOrd-9938, covering research in the Department of Chemistry; this amendment provides, among other things, for the extension of the contract to March 31, 1950, and for additional funds in the amount of \$60,000.

Approved.

2. In accordance with the authority granted by the Regents on September 27, 1947, for the Vice President of Business and Finance to sign contracts and leases not in excess of \$2,500, the following contracts, leases and orders have been signed:

3. The agreement with the City of Madison and the Marine Corps League of Madison for the use of approximately 8,096 square feet in Building 3315 at Truax Field to be used by the Marine Corps League of Madison, which the Vice President of Business and Finance was authorized by the Regents at their meeting on July 16, 1949, to sign, will not be consummated because the Marine Corps League has indicated that it does not wish to use Truax space at this time.

Approved.

Upon motion of Regent Watson, seconded by Regent Kleczka, actions 1 to 3, inclusive, listed under the recommendations and report of the Vice President of Business and Finance (I. Report of Actions Taken) were approved.

II. Miscellaneous

1. That Mr. Clarence Engler be deputized as a University police officer.
Adopted.

2. That Mr. Jacob R. Jacobson be deputized as a University police officer.
Adopted.

3. That Donald L. Halverson be appointed Consultant for Housing Development effective on or about October 17, 1949, at a basic monthly salary of \$666.66, chargeable to the 5-A Residence Halls Revolving Fund Budget.

Adopted.

Upon motion of Regent Kleczka, seconded by Regent Jones, recommendations 1 to 3 listed under the recommendations and report of the Vice President of Business and Finance (II. Miscellaneous) were adopted.

The Vice President of Business and Finance reported that President Fred had issued an order subjecting students to all existing rules and regulations relating to the driving and parking of motor vehicles on University grounds and prohibiting students from driving on certain parts of the campus because such regulations had apparently previously not been formally adopted by the Regents although they had been considered to be effective for many years. He also pointed out that the rules and regulations relating to University buildings and grounds which were adopted by the Regents on September 26, 1942, had not been filed with the Secretary of State as required by subsequent legislative action requiring such filing in order to give such regulations the force of law. Upon motion of Regent Kleczka, seconded by Regent Grady, it was

VOTED, That the following order of the President of the University be confirmed:

"The following regulations relating to driving and parking of motor vehicles on University grounds by University students are hereby confirmed by order of the President of the University:

- (1) University students are subject to all existing University regulations relating to driving and parking motor vehicles on University grounds.
- (2) Private automobiles owned by students, in the possession of students, or used for the transportation of students are not to be driven on that part of the campus between Babcock Drive and Park Street during the hours 7:00 A.M. to 6:00 P.M. on weekdays and from 7:00 A.M. to 12:00 Noon on Saturdays.

Students violating this order shall be subject to the jurisdiction of the University of Wisconsin Student Court as provided in Article 4., Section 1. of the constitution of the court";

and that the rules and regulations relating to the management, administration and regulation of land and property owned by the University of Wisconsin and adopted by the Regents on September 26, 1942, be filed with the Secretary of State as provided in Section 227.03, Wisconsin Statutes.

The Vice President of Business and Finance reported that petitions with approximately twenty-one hundred names had been submitted requesting the retention of the Pro Arte Quartet. The Regents suggested that the request be studied by the University administration and a report made to the Regents at a later meeting.

Secretary Peterson reported the following appointment by Governor Rennebohm to the Board of Visitors:

Mr. Kenford R. Nelson, Racine, to succeed Thorwald M. Beck for the term ending July 1, 1953.

In the absence of Regent Werner, Chairman of the Finance Committee, President Sensenbrenner requested the Vice President of Business and Finance to read the report of the Finance Committee. Upon motion of Regent Kleczka, seconded by Regent Gelatt, it was

VOTED, That \$250,000 be allotted from unbudgeted 1-E student fee receipts for the purchase of capital equipment (non-recurring expenditures) needed in University colleges, schools, and departments, and that the President of the University be authorized to allocate these funds on a need basis to the several budgetary units.

Upon motion of Regent Watson, seconded by Regent Gelatt, it was

VOTED, That the Vice President of Business and Finance be authorized to sign applications to the American Trudeau Society, Medical Section, National Tuberculosis Association for grants for research projects approved by the President of the University.

Upon motion of Regent Grady, seconded by Regent Campbell, it was

VOTED, That the bequest by the late Elsie S. Wyse, of the County of Milwaukee, Wisconsin, to the University of Wisconsin of a legacy to be designated as the "Francis O. Wyse Cancer Research Fund", the principal sum and interest of which is to be used for cancer research, be accepted by The Regents of the University of Wisconsin in accordance with the last will and testament of Elsie S. Wyse, deceased; and that the Secretary be authorized to accept and sign receipts for the legacy in the name of The Regents of the University of Wisconsin.

Upon motion of Regent Kleczka, seconded by Regent Gelatt, it was

VOTED, That the Vice President of Business and Finance be authorized to sign an agreement with Carl H. Bernard for the operation of the University Boathouse Concession for the period November 1, 1949 through October 31, 1950, under the same conditions as the agreement which will expire October 31, 1949.

Upon motion of Regent Jones, seconded by Regent Kleczka, it was

VOTED, That \$3,100 be allotted from the war surplus reserve account in addition to the \$25,000 previously allotted for remodelling in the basement of Bascom Hall to provide space for IBM equipment;

That the following Schedule of Costs for remodelling IBM rooms in the basement of Bascom Hall be approved:

General Construction	\$12,520
Electrical	4,283
Heating and Ventilating	<u>8,795</u>
Sub-Total	\$25,598
Bureau of Engineering	1,200
Contingent	<u>1,302</u>
Total	\$28,100;

(Cont.)

That the following contracts to the low bidders for remodelling work in the basement of Bascom Hall be approved, and that the Vice President of Business and Finance be authorized to sign the contracts:

General Construction - Home Lumber & Improvement Company, Madison, Wisconsin - \$12,520

Electrical Work - Cirves Electric Company, Madison, Wisconsin - 4,283

Heating & Ventilation - Hyland, Hall & Company, Madison, Wisconsin - 8,795.

Upon motion of Regent Gelatt, seconded by Regent Grady, it was VOTED, That the recommendation of the Office of Registration and Records for refund of the \$3.00 late payment fee to Lawrence A. Burton for the first semester of 1949-50 be approved.

Upon motion of Regent Hodgkins, seconded by Regent Gelatt, it was VOTED, That the Vice President of Business and Finance be authorized to conclude arrangements with the First Wisconsin Trust Company, Milwaukee, Wisconsin, on the basis of the proposal submitted by them, to serve as investment counsel to the University of Wisconsin in connection with the investment of University Trust Funds.

Regent Gelatt cast an affirmative vote by proxy for Regent Werner. (Proxy on file.) Regents Campbell, Grady, Jones and Sensenbrenner abstained from voting by reason of ownership of stock in the First Wisconsin Trust Company or affiliated companies.

Upon motion of Regent Kleczka, seconded by Regent Gelatt, it was VOTED, That the Attorney General and George I. Haight, special counsel in the matter of the Estate of Kemper K. Knapp, deceased, be and they hereby are requested to take such action as they deem advisable to protect the interests of the Regents of the University of Wisconsin in the matter of inheritance taxes assessed by the State of Illinois against the estate of the late Kemper K. Knapp, including authority to petition the Illinois Supreme Court for rehearing and appealing to the Supreme Court of the United States.

Regent Jones presented the report of the Constructional Development Committee. Upon motion of Regent Jones, seconded by Regent Hodgkins, it was VOTED, That the following resolution be adopted:

WHEREAS, the Assessor of the City of Madison has placed upon the 1949 assessment rolls of the City of Madison for real estate tax purposes certain properties owned by Wisconsin University Building Corporation, which

(Cont.)

properties were purchased and are held in trust for The Regents of The University of Wisconsin by said corporation; and,

WHEREAS, the Board of Review of the City of Madison has confirmed said assessments;

NOW, THEREFORE, BE IT RESOLVED, that the Attorney General be authorized and requested to take such steps and such legal action as in his judgment will be appropriate in securing a judicial review of the decision of the Board of Review of the City of Madison, and a determination of the taxability of the lands which the City of Madison has assessed.

Upon motion of Regent Jones, seconded by Regent Kleczka, it was

VOTED, That upon the recommendation of the Campus Planning Commission, the Regents approve the location of the new Hygienic Laboratory to be constructed by the State Board of Health on the corner property South of Linden Drive and East of the East drive on Henry Mall.

Upon motion of Regent Jones, seconded by Regent Campbell, it was

VOTED, That inasmuch as the construction of the Hygienic Laboratory on the site selected will require the removal of certain facilities used by the Department of Home Economics for the Nursery School and by the Department of Rural Sociology, the Campus Planning Commission and the administration be instructed to study the problems relating to space for the Nursery School and the offices of Rural Sociology and to report to the Regents at the next meeting.

Upon motion of Regent Jones, seconded by Regent Hodgkins, it was

VOTED, That the following resolution be adopted:

That Whereas at a meeting of the Executive Committee of the University of Wisconsin Foundation on July 15, 1949, the following resolution was adopted:

"RESOLVED that the officers of the Foundation be and they hereby are authorized and directed to transfer to the Regents of the University of Wisconsin title to real estate, including any buildings, fixtures and equipment located thereon, which the Foundation has or may acquire as a site for the Wisconsin Center Building in the City of Madison."

NOW, THEREFORE, BE IT RESOLVED by the Regents of the University of Wisconsin that the Secretary of the Board be authorized to accept in behalf of the Regents any properties conveyed by the University of Wisconsin Foundation to the Regents of the University of Wisconsin pursuant to the above resolution.

Regent Kleczka presented the report of the Personnel Committee. Upon motion of Regent Kleczka, seconded by Regent Gelatt, it was

VOTED, That the resignation of A. W. Peterson as Secretary of the Regents be accepted, and that he be appointed Trust Officer. (Mr. Peterson will continue as Vice President of Business and Finance.)

Upon motion of Regent Kleczka, seconded by Regent Grady, it was VOTED, That Clarke Smith be elected Secretary of the Regents and Assistant Trust Officer, effective immediately, and that A. W. Peterson be elected Assistant Secretary.

Secretary Peterson reported that he had suggested to the Chairman of the Faculty Committee of the Regent-Faculty Conference Committee that the December meeting of the Regents would be an appropriate time for the Regent-Faculty Conference Committee meeting.

Regent Sensenbrenner presented the following declaration of principles for consideration by the Board of Regents:

"THE AMERICAN WAY OF LIFE

"In the present world-wide discussion of the future of human society, we believe that the University of Wisconsin, and all other institutions of higher learning, have a unique opportunity and responsibility. An opportunity critically to study the proposals and claims of systems alien to our own is the intellectual right of every student. And freedom to explore and discuss the issues in the field of his special competence is the right of every teacher. But to teach the foundations of 'our American way of life,' economic, political, and social, and the entire cultural life it makes possible, is the inescapable obligation of the University to its students. We believe this is best done through fair-minded, scholarly teachers working in many different fields of learning, and that it is now being done in this University.

The University of Wisconsin, however, now also has an extraordinary opportunity to strengthen the efforts of its faculty and students in training for intelligent citizenship and social leadership. The will of a distinguished and generous alumnus, Kemper K. Knapp, provides funds for the special support of educational efforts to develop ideals of good citizenship and intelligent patriotism in the student body. We believe that nothing is more persuasive in this respect than the example of devoted members of the faculty and other leaders. We also believe that much can be accomplished by bringing to the campus throughout each year outstanding men and women who in their words and by their actions have demonstrated their capacity to give fresh meaning to the phrase, the 'American way of life,' and thereby to awaken in the American citizen a fresh enthusiasm for the fulfilment of his social responsibilities as well as his personal opportunities. Well-chosen, such a series of distinguished speakers would give convincing evidence that the best defense of the 'American way of life' is an understanding of its meaning and an acceptance of its obligations. We recommend to the Faculty and the University Administration that this be done and that Knapp funds be used for the purpose."

(Cont.)

Upon motion of Regent Hodgkins, seconded by Regent Watson, the declaration of principles entitled "The American Way of Life" was unanimously adopted.

The meeting adjourned at 10:55 A.M.

Clarke Smith, Secretary

2. Alma H. Niessner, instructor, home economics extension, Dunn county, August 13, 1949.
3. Earl A. Polley, instructor, agricultural extension, county representative system, Racine county, June 30, 1949.
4. John M. Theisen, instructor, agricultural extension, county extension service, Oconto county, July 15, 1949.
5. Paul J. Grogan, instructor in mechanical engineering, for the eight-week summer session 1949.
6. Shirley L. Ferris, assistant physician, preventive medicine and student health, June 30, 1949.
7. Thomas C. Allen, professor of economic entomology, released from appointment, eight-week summer session 1949.
8. Donald P. Ames, research assistant in chemistry, February 1, 1949.
9. Francis J. Johnston, research assistant in chemistry, February 1, 1949.
10. Jesse C. Saemann, instructor in mechanics, summer session 1949.
11. Mary L. Collings, instructor in agricultural extension, three weeks summer session.
12. Karl Knaus, lecturer, agricultural extension, at the beginning of three-weeks summer session.
13. Charles Potter, lecturer, agricultural extension, at the beginning of three-weeks summer session.
14. H. R. Ramsauer, lecturer, agricultural extension, at the beginning of three-weeks summer session.
15. Josephine Hintgen, lecturer in education, summer session 1949.
16. Burr W. Phillips, professor in education, released from summer session appointment 1949.
17. Marion L. Ransom, instructor, home economics extension, Waushara county, September 30, 1949.
18. William V. Wilmot, Jr., instructor in economics, summer session 1949 appointment.
19. Robert G. Sachs, professor in physics, released from 1949 summer session appointment.
20. Warren O. Haberman, instructor in veterinary science, July 23, 1949.

RESIGNATIONS:

21. F. Louise Wipf, instructor in genetics, June 30, 1949.
22. Phillip Connelly, instructor, agricultural extension, at the beginning of three-weeks summer session 1949.
23. Carl W. Schmidt, assistant physician, preventive medicine and student health, June 30, 1949.
24. David R. Lincicome, assistant professor, medical microbiology, September 1, 1949.
25. Jean Bedinger, research assistant in medicine, June 30, 1949.
26. Carrol L. Garey, research assistant in lake investigations, July 1, 1949.
27. Thomas L. Finch, research assistant in lake investigations, July and August 1949.
28. Frederic J. Eppeling, research assistant in physics (graduate school), July 1, 1949.
29. Morris Dumoff, research assistant in medical microbiology, July 1, 1949.
30. Eugene W. Lewis, research assistant in biochemistry, July and August 1949.
31. Robert Kuehlhorn, research assistant in pathology, for year 1949-50.
32. Ernest L. Patterson, research assistant in biochemistry, July 1, 1949.
33. Lester D. Scheel, research assistant in biochemistry, July 1, 1949.
34. Yu-Sun Tang, research assistant in mechanical engineering, July 1, 1949.
35. Robert S. Marvin, project associate, in chemistry, June 30, 1949.
36. Ching tsao Wei, project associate in plant pathology, July 1, 1949.
37. Herbert L. Jackson, research assistant in soils, July 1, 1949.
38. Hershel Herzog, project associate in chemistry, 1949-50 appointment.
39. Ralph F. Hirschmann, research assistant in chemistry, 1949-50 appointment.
40. Nancy V. Koskenlinna, research assistant in history, July and August 1949.
41. John D. Ferry, professor of chemistry, released from July and August summer research appointment 1949.
42. Dorothy Meier, research assistant in classics, July 1, 1949.
43. Peter Cammarata, research assistant in chemistry, 1949-50 appointment.
44. Robert E. Corrigan, research assistant in psychology, July 1, 1949.
45. Robert Avery, research assistant in physics, for 1949-50.

RESIGNATIONS:

46. Eugene Ackerman, research assistant in physics, graduate school, August 31, 1949.
47. H. Lowell Olsen, project associate in chemistry, August 14, 1949.
48. Laura Mabel, research assistant in commerce, for period June 21-July 1, 1949.
49. John M. Clancy, Knapp Scholar, for 1949 summer session.

THE UNIVERSITY OF WISCONSIN

Madison

June 15, 1949

President E. B. Fred
University of Wisconsin
Bascom Hall
Madison, Wisconsin

Dear President Fred:

The committee appointed on March 28 "to study the most desirable administrative set-up for the School of Pharmacy, including the possibility of establishing the School of Pharmacy as a separate administrative unit" submits the following report.

Section I deals with the organization of the School of Pharmacy if set up as a separate administrative unit, and Section II sets forth the advantages and disadvantages of the establishment of a separate School of Pharmacy, with a recommendation.

Respectfully submitted:

M. H. Ingraham
S. M. McElvain
W. S. Middleton
A. H. Uhl

I. L. Baldwin, Chairman

G.

REPORT OF THE COMMITTEE APPOINTED BY PRESIDENT FRED TO STUDY THE NEED
FOR A SEPARATE SCHOOL OF PHARMACY.

SECTION I

The committee recommends:

I. STATUS WITHIN THE UNIVERSITY.

That if the School of Pharmacy be established as a separate administrative unit of the University, it have the rank and status of a separate school rather than a college.

II. ORGANIZATION.

That the chief administrative officer of the school be a dean.

That the faculty of the school, as a constituent part of the University faculty, have the general duties, responsibilities, and authorities commonly granted to the faculties of colleges and other separate schools at the University of Wisconsin.

That initially there be only a single department within the school.

III. CURRICULA, COURSES, AND DEGREES.

That the present curricula, courses, requirements for graduation, and degrees be continued until changes are recommended by the faculty of the School of Pharmacy and approved by appropriate authorities. (Currently, the degree of Bachelor of Science in Pharmacy (B. S. in Pharm) is awarded for the completion of a four-year curriculum. Through the Graduate School, degrees of Master of Science (M. S.) and Doctor of Philosophy (Ph.D.) with majors in pharmacy, are granted.)

That it shall be the policy for the School of Pharmacy to utilize insofar as possible the facilities of other schools, colleges, and departments for the offerings in their respective fields. (At the present time, this involves departments in the Colleges of Letters and Science, Agriculture, and the Schools of Medicine and Commerce.)

IV. FACULTY.

That the faculty of the School of Pharmacy be composed of:

1. Faculty members of the Department of Pharmacy.
2. Two representatives each from the four faculty divisions to be appointed annually by the executive committee of divisions.

V. ADMISSION.

That admission to the School of Pharmacy shall be granted after a minimum preparation of one year of collegiate work. Normally this freshman work will be taken in the College of Letters and Science. (Faculty members of the Department of Pharmacy will normally serve as freshman advisors for pre-pharmacy students registered in the College of Letters and Science.)

That applicants for admission to the School of Pharmacy must present a minimum grade point average for all of their collegiate work of 1.3. (Pre-pharmacy students in the University of Wisconsin who fail to attain a minimum grade point average of 1.3 at the end of their first year of pre-pharmacy work may continue their registration in the school or college of their original registration provided that they have met the minimum requirements of that school or college. No student may be registered as a pre-pharmacy student for more than four semesters. Such students will not be allowed to carry courses in the Department of Pharmacy in their second or subsequent years of pre-pharmacy work.)

That minimum registration in a School of Pharmacy, in order to qualify for the degree of Bachelor of Science in Pharmacy, shall be three years.

That the minimum residence requirement for the bachelor's degree shall be 30 credits and 30 grade points at the University of Wisconsin. Substantially, all of the last year of work shall be taken in residence in the School of Pharmacy at the University of Wisconsin.

SECTION II

The following have been presented as advantages and disadvantages of the establishment of the School of Pharmacy as an independent unit within the University of Wisconsin. No attempt has been made to reach a committee judgment as to the importance of each item cited under advantages and disadvantages. It is to be noted that in certain cases the same fact appears as an advantage to some and as a disadvantage to others.

ADVANTAGES

The organization of the School of Pharmacy as an independent unit would:

1. Enable the faculty members of the School of Pharmacy to have more direct control over the admission of students to pharmacy, the curricula of the School of Pharmacy, and the programs of students within the School of Pharmacy.
2. Would enable the responsible head of the work in pharmacy to have more intimate contact with the President's Office.
3. Would recognize the importance of pharmacy as a profession.
4. Would place pharmacy at the University of Wisconsin on the same administrative level that it occupies in other universities.
5. Would make it easier for the School of Pharmacy to expand its program of public service to the pharmacists of the state.
6. Would probably aid in developing cordial public relations throughout the state among the members of the pharmacy profession.

DISADVANTAGES

The establishing of a School of Pharmacy as an independent unit would:

1. Give a relatively high degree of autonomy to a comparatively small group

of faculty members. As a general principle, it can be expected that sounder decisions will be reached by a broadly representative group of faculty members than by a group with restricted interests.

2. Would increase the administrative expenses of the University. Such increase in expense need not be large at first, but would probably grow to be an appreciable sum.
3. Would increase the administrative complexity of the university organization. Under the present organization each dean sits on the Administrative Committee, which is the top advisory group to the President. Most of these represent professional courses. The general educational values can become more and more submerged by such a process.

POSSIBLE CHANGES IN THE COURSE IN PHARMACY

There is a growing tendency throughout the United States to increase the length of the course in Pharmacy. The faculty of our School of Pharmacy has been studying for several months the desirability of requiring two years of general collegiate work as a prerequisite for entrance into the School of Pharmacy. They are not yet ready to make any recommendations to the faculty and administration regarding such a change.

The above facts have affected the recommendation of various committee members as to the timeliness of creating an independent School of Pharmacy at the University of Wisconsin at the present time.

RECOMMENDATION

Three members of the Committee, Dr. Middleton, Dr. Uhl and Dr. Baldwin, recommend the establishment of the School of Pharmacy as an independent unit as soon as possible.

Two members of the Committee, Dr. Ingraham and Dr. McElvain, recommend the postponement of the creation of an independent School of Pharmacy until the faculty of the School of Pharmacy is ready to recommend the

extension of the pre-pharmacy collegiate course to two years. They would recommend the establishment of an independent school if such a change were made now or any time in the future.

The three members who are in favor of the establishment of an independent School of Pharmacy at the present time, prefer to see two years of pre-pharmacy work instead of one, and wish that it might be possible to make the change to two years at this time.

UNIVERSITY OF WISCONSIN
STATEMENT OF POLICY ON RADIO AND TELEVISION BROADCASTING

FOREWORD

Since 1919 scheduled radio programs have emanated from the campus of the University of Wisconsin. The growth of radio broadcasting and its significant place in the University led in 1928 to the formation of a University Radio Committee charged with the responsibility of administering the radio facilities of the University and the formulation and interpretation of policy in all matters in which the University was concerned with radio.

The University faculty at its December, 1937 meeting created a standing committee on Radio Broadcasting and authorized it to formulate and recommend the broadcasting policies of the University, to consider proposals for participation by the University or University organizations in broadcasts, and to "develop a University broadcasting service consistent with the University's responsibility to the students and to the state."

By act of the 1941 Wisconsin Legislature, the operation of WHA was officially placed with the Board of Regents of the University of Wisconsin. On June 21, 1941, the Board of Regents created the Division of Radio Education, making it directly responsible to the President of the University, and placing the control and administration of education by radio, as well as the operation of Station WHA, with the Radio Committee of the University.

Over the years certain principles of policy have emerged from the decisions of the Radio Committee to which all new situations have been

referred. While recorded as policy in the minutes of the University Radio Committee, those principles have not been officially adopted by the University.

In recent times, a number of requests for the participation of faculty and students, and the use of the physical plant of the University for broadcasting purposes have been received. These requests pose increasingly difficult decisions. For this reason a policy embracing these principles clearly stated for application to current situations is needed. Such a policy statement follows:

RADIO AND TELEVISION POLICY

I MEANING OF TERMS

The terms radio, broadcast, and broadcasting as used herein shall include television and recording for use on the air, as well as direct sound broadcasting.

II BASIC PRINCIPLES GOVERNING ALL BROADCASTS

- A. The broadcast facilities and resources of the University of Wisconsin shall be so utilized as to advance the educational purposes of the University and serve to the fullest extent the interests and needs of the people of the state.
- B. In all broadcasting from the University the highest standards of good taste shall prevail and the reputation of the University be upheld and defended from misuse, misrepresentation, and exploitation in any form.
- C. No broadcast shall place the University in the position of endorsing or opposing any candidate for public office, the platform or objectives of any political party, of any religious organization, or of any special-interest group.

D. No exclusive broadcasting privileges shall be granted to any station, network, or other organization.

III. BROADCASTING BY UNIVERSITY STATION

A. Responsibility for the operation of the University's own broadcasting station and the supervision of its program services is placed with the University Radio Committee.

B. Since the University radio station is operated primarily for the dissemination of information and the promotion of free and critical inquiry into problems of general concern, its facilities shall be available, so far as practicable, to any agency or individual having a contribution to make to the public interest and welfare.

C. Divergent views on controversial issues shall have equal opportunity for representation.

D. Programs requiring or utilizing special knowledge shall be prepared under the auspices of appropriate individuals, committees, or departments of the University.

IV REBROADCASTING OF UNIVERSITY STATION PROGRAMS

Programs originated by the University station may be broadcast or rebroadcast by other stations on the following conditions:

A. All such programs must be presented on a non-commercial, sustaining basis, except as provided in Section VI.

B. Written permission of the originating station must be obtained in advance as required by regulations of the Federal Communications Commission.

C. Each program unit must be carried in its entirety in a continuous, uninterrupted performance.

D. Proper identification of the source must immediately precede and follow the program.

V BROADCASTS ORIGINATED BY OTHER STATIONS

Broadcasts involving the use of the physical plant of the University at Madison are governed by the provisions of Section II of this document plus the additional considerations listed below. Applications for permission to originate commercial broadcasts from University stations or extension centers outside of Madison should be made to the University official in charge of the event.

A. Non-commercial or Sustaining Programs

Permission for broadcasting must be obtained in advance, in writing unless specifically excepted, from the University Radio Committee.

B. Commercially Sponsored Programs

In general, such purely educational events as convocations, commencements, classroom lectures, laboratory experiments, or initial reports of research may not be used on commercially sponsored broadcasts.

Commercial sponsorship of other types of broadcasts from the University is permitted under the following conditions:

1. Applications for permission to use any part of the University physical plant for a commercially sponsored broadcast should be made to the University Radio Committee, which is responsible for determining the acceptability of proposed programs.
2. No commercial announcement or reference, direct or indirect, may be made from the buildings or grounds of the University.

3. Commercial announcements shall be limited to two on a single broadcast - one at the beginning and one at the end of the program. Special arrangements may be made for sport broadcasts.
4. Permission for the use of University buildings must be obtained from the Committee on Auditoriums.
5. Faculty members and students invited to appear on commercially sponsored broadcasts, whether as university representatives or as individuals, shall undertake that their participation will not violate the principles set forth in this Statement of Policy. (See especially Sections II and V, B.)

VI SPECIAL PROVISIONS: ATHLETIC EVENTS

Since athletic events conducted by the Department of Inter-collegiate Athletics are regular functions of the University, are controlled exclusively by the University, and would take place regardless of broadcasting, certain privileges of radio broadcasting have been permitted in the past and may be continued at the discretion of the University.

A. University-originated Sportscasts

Sportscasts provided by the Department of Intercollegiate Athletics of the University are available to all Wisconsin stations on the same basis, in order that none shall be deprived of broadcasts of University games because of physical limitations on booths and pickup facilities. These sportscasts are presented under the following conditions:

1. There is no charge to stations broadcasting or rebroadcast-

ing such programs on a sustaining or non-commercial basis.

2. When these broadcasts are commercially sponsored, the station or network shall make a contribution toward the expense of the service as indicated in the schedule of fees drawn up by the Department of Intercollegiate Athletics.
3. Permission to broadcast these programs on either a sustaining or commercial basis must be obtained by written application to the Department of Intercollegiate Athletics.

B. Independent Sportscast Pickups

VII ADMINISTRATION OF POLICY

Authority to administer and interpret the Radio and Television Policy of the University of Wisconsin is vested by the University Regents with the University Radio Committee.

STATEMENT MADE BY CHANDRIKA THAKUR, PRESIDENT OF THE INDIA ASSOCIATION, IN PRESENTING A CHECK FOR \$105 AND TEN BOOKS TO THE UNIVERSITY OF WISCONSIN FOR THE PURPOSE OF SETTING ASIDE A SHELF OR SECTION IN THE NEW MEMORIAL LIBRARY TO COMMEMORATE THE MEMORY OF MAHATMA GANDHI

Mr. President and Members of the Regents Board:

On behalf of India Association and on my own behalf I should take this opportunity to express our sense of deep gratitude to all of you for your kindness and generosity. This decision on your behalf will go as an important milestone in the history of our association.

It is needless to explain the importance of this cause which you have already explained by your unanimous decision. The cause is great; our contribution is small, but I am sure your generosity will make it up. Very soon, Indian students, who are already grateful to this great institution, will feel proud to stand in line with those who have made a beginning in this direction.

On behalf of India Association I have the honor to present this small sum to you, Mr. President, on behalf of Regents of this University, and once more thank you all for your generosity.

Yours,

/s/ C. Thakur
