The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

When They Had Volunteered

This is how I've seen it through my children when they volunteered. It was a terrible thing that they went through, but it is the reason that this country is peaceful now. I saw it twice in our own household. My late father went out to fight in the old war (Civil War) where he had fought. And two of my children had fought overseas. I have seen them return so all is well.
