Dear Friend Bob, Gab & Penny & the rest.

A good trip I had again up there with you all. 8:30 I was home, stopped at Minong abt, had supper at Spooner. I always forget things while I go up there, Was to take along ~~those~~ the letter I got from Bill Dahl of Blair of what he knew about Henry Slets, so I'll send that to you. And I forgot to take along 2 Music Books of 2 two Canadian fiddlers, there is some good nos in there too, I play 2-3 of them Fairy Lake Waltze for one and easy to play.

And I had the tape along of the old Nos that Otto played, those I think you taped the time you were down that time I had that tape along but some of my in the case had it covered up and that tape is good & clear - a 'Cassette' -

The old Norskies Nos. Its full on one side so its 30 minutes I can copy it for you and I'll try and do some more Taping

I've been wondering if this Video taping
It seems like taping can be done
and viewed on ones TV you know
any thing about this, guess one can
rent the equipment and have it done
I see of a few places mentioning this
see what you can find out - if so
It would be nice if we could have
this done. I'd pay for it all and if
we could each have ^a ~~of~~ tape that
would be something. I'm giving
you something as a gift I write
to Anund Rokhim to send you his
Record - its all paid for. Even if you
now have the tape its better to have the
Record. So much for that, they say
feast for tonite, have the wood stove
going tonite and the heat feels good
So thanks again to Gale & Penny for
me staying over, right seeing, company etc
I enjoy being with you too but the time
goes too fast. So let me know what you can
find out about that type of taping your friend for
