At the expiration of that time if you do not feel that it is worth 57 cents a year (6% interest on price, \$9.50) to you, return at my expense.

Gentlemen:-

Knowing that you advertise to the Printing Trade, Newspapers, etc. we are enclosing herewith special rule which we have gotten up for this particular line of trade and we would suggest that this would be an excellent novelty for you to send to your trade or for your Salesman to use as a business card when calling upon your trade.

We might say that this rule would be used for several years in each case and would be an excellent advertising medium for you.

If the article appeals to you as I feel sure it will I would be pleased to quote you prices upon request.

Yours very truly,
