The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

BRAND

FLEET®

READY-TO-USE SQUEEZE BOTTLE

ENEMA

suits the patient because it's so simple and easy to take, with none of the discomfort of old-style enemas

suits the nurse because it's efficient, safe, and sure, with no preparation or clean-up required

suits the physician because its cleansing action is dependable

Pre-lubricated,
anatomically
correct 2-inch
rectal tube
avoids injury

Check valve
regulates flow.
Rubber diaphragm
prevents accidental
leakage

Just 4 fl.oz. of the
precisely formulated
solution* provides
thorough cleansing
without irritation
or discomfort

Compact squeeze
bottle unit —
no loose or
moving parts

*100 cc. contains: 16 Gm. sodium biphosphate and 6 Gm. sodium phosphate in 4½-fl.oz. plastic squeeze bottle. Pediatric size, 2¼ fl.oz. Also available: FLEET® Oil Retention Enema, 4¼-fl.oz. ready-to-use unit containing Mineral Oil U.S.P.

1. *Ready to use...* no preparation necessary... just remove protective cover

2. *Easy to administer...* just squeeze bottle with one hand... no contact with rectal area

3. *Disposable...* replace used enema unit in original container and discard... eliminates clean-up and sterilization
