Recollections of Lake Geneva

At lovely Lake Geneva, the water is crystal;

And the dancing wavelets sparkle as they splash against the pier.

The shore is richly bordered with varied shrubs and trees

That add to the restful murmur as they rustle in the breeze.

The houses are most attractive, showing much of lavish care,

And bespeaking solid comfort for the folks who summer there.

The boats make a charming picture, whether speeding, or idling along

The trees echo with sweet music as the birds sing rapturous song.

The picturesque beaches are dotted with swimmers, bathers and such,

All enjoying life at its fullest where nature bestows so much.

Airplanes drone lazily over 'gainst a sky of heavenly blue,

Or clouds move hither and yonder to vary the picture for you.

Flower gardens with colors so brilliant dot the soft grass carpet

so green,

And the laughter of happy children adds a touch of pure joy to

the scene.

When the moon shines over the water, no adequate words can I find

To describe the marvellous picture whose beauty is really divine.

Surely Heaven is not far distant from this spot so peaceful and sweet

Where worry and care seem to vanish, and life seems really complete

RECOLLECTIONS OF LAKE GENEVA.

Our guests write back and tell us what a fine time they had while visiting in our homes on Lake Geneva, but very few of us get a letter written in Rhyme as did Mrs. E.C. Blomeyer at Sunny Hills from Mrs. W.S. Byram of Harrisonville, Mo., who had been her guest this Summer.

We are pleased to print the poem as the cover page. The editor welcomes suggestions for the cover. Possibly you may have had a poetic turn of thought or know of some one who has written poetry with Lake Geneva, the theme or inspiration.

ANOTHER VISITOR TELLS HIS STORY

Rev. Chester W. Hamblin, Pastor of the Maywood Presbyterian Church Oklahoma City, Okla. spent his vacation in one of the Pihl Cottages on Walworth Avenue. In September 2nd issue of Oklahoma City Star appears the following article by Rev. Hamblin, entitled "In Praise of Folks".

"It looks as though a cyclone had struck it". I have often used this phrase thoughtlessly, never appreciating its full meaning. Now I know - that is almost! Just after lunch last Saturday (in five minutes more we would have been sailing on the Lake) the wind came up. Things were scattered around in the cottage, before we were able to get the windows closed; and awnings simply could not be tied down. We heard a crash, and then another- one branch from a fifty foot maple had crashed on the roof, another tree in the yard next door had fallen across an electric line- another in the park nearby had literally been pulled up by the roots.

The radio went off, the lights went out- we looked into the street and saw sparks on the fallen tree. I went out wondering about warning passing cars of the live wires that were down- but a neighbor was already there. And there he stayed until all the trouble was over. When our lights go out- when our telephone is out of order, we seldom think of those who stand guard to keep these modern gifts to man in repair. It was not long before a lone workman drove up in a car, climbed the electric pole, and cut two wires. There he was, risking his life in wind and rain- battling the elements and managing the electric current that others might hear a jazz band from Milwaukee, a baseball game from Chicago, or read "Gone with the Wind" by Mazda.

Old settlers said it was the worst wind in thirty years, almost a tornado! Hundreds of trees were blown over, and scores of light wires down. I shall always remember the passing fury of the storm, and the electric line-men who were on the job at once- silent heroes just doing their duty- that we might have light.

Often on our long drive from Oklahoma we asked ourselves how we happened to pick out Lake Geneva, and Williams Bay in particular. On that Monday afternoon, as we got our first glimpse of the Lake bordered by groves of maple and elm, with here and there a farm, and on the Lake more than a score of sailboats- we were fascinated by the beauty of the scene- each said to the other- we are going to like it here.

(continued)

Now after three weeks we like it not merely because of the beauty of the Lake and the varied forms of recreation that abound- but because of the people in Williams Bay. So often one finds a cold mercenary attitude among the year-round citizens of resort places. It is not so here. Rather there is a glowing spirit of warm, radiant, trustful friendliness- a friendliness that is sincere. One finds it everywhere, in the stores, at the dock, in the real estate office, on the beach. One is not surprised that so many come back year after year- for Williams Bay is a place of honest, friendly folk. There are two churches, they are crowded on Sundays - these people live their religion during the week. "

A successful business man who through his business acumen has amassed a sufficient amount of this world's goods to live in one of our lake shore mansions, said to the editor the other day " We must not say the Summer is ended , but the Autumn is here".

Pretty good advice , don't you think? The Summer has been very attractive, it has had many of the attractions that Autumn cannot have, but Autumn is a beautiful part of the year.

Next week will be devoted to " Autumn ". Send in poems, clippings, paragraphs from letters, everything you can find on " Autumn on Lake Geneva ".

NOTE - The editor had the pleasure of meeting Rev. Hamblin and had from him the same praise of his treatment while here. Another lake shore resident spoke in a similar fashion last week. Let's keep it up and make more and more, Williams Bay, a " Friendly Place ". Rev. Hamblin spoke very highly of the friendly manner in which " Lake Geneva Observer " treated the items of interest to strangers on the lake.

WALWORTH COUNTY FAIR OUTDOES ITS FORMER GLORY.

The Officers of the Fair certainly selected the right dates for the Fair this year. Excellent weather was evident every day.

The exhibits of all kinds showed much thought in arrangement.

Those who attended the races had their monies worth.

The grandstand evening shows were the best ever.

Congratulations not on the fact that the Fair made money, but on the good fair " It certainly made good in 1938 ".

WHAT YOU WILL GET IN BAY LEAVES

You will enjoy " Bay Leaves " more than ever this Autumn and Winter. There will be Directory of Persons on the Lake, based on the Map giving the Fire Station numbers.

A history of the City of Lake Geneva end of the lake will run through out the seasons.

One of our dear lady friends who has had personal contact with the grand ladies of our lake shore for over sixty years will try and give some anecdotes about them under " Memories of Lake Geneva ".

With this number sent to all who have been subscribers, an opportunity is given to either pay up for the year or where only a Summer subscription was given pay the difference to make the dollar asked to pay delivery charges.

The yearly subscription is only One Dollar. It is supposed to be in advance but the editor has been sending to many who have not paid for 1938. After this number no copies will go to any except paid subscribers.

WEDDING AT PARSONAGE ON 6TH.

Last Monday evening James Vavra, son of Frank Vavra, Sr. was united in marriage to Mavis I. Magee, daughter of Alonzo L. Magee.

James Vavra has been in the employ of Harry Breen as a Plumber Apprentice and his bride has been employed in a lake shore home during the past Summer.

The marriage ceremony took place at the Congregational parsonage with Rev. Victor H. Keiser, officiating.

BOTH WRISTS BROKEN

Ronald Vavra, aged 10, son of Mr. and Mrs. Frank Vavra, Jr. had become quite expert at walking by hanging from his arms from the ladders on the school grounds at Williams Bay. However his hands slipped on the wet rungs last Saturday and in the fall both wrists were broken.

He is getting along nicely and the X ray shows that the bones are setting nicely.

VILLAGE BAY BOARD MEETING

At the Village Board meeting on Tuesday, Sept. 6th there was a discussion on procedure in disconnecting water meters in the Fall and connecting them in the Spring. The consensus of opinion was that a charge of \$1.00 should be made for each service if done by the Water Superintendent and the attorney was asked to draw up a Resolution embodying the charge.

Trustee Werner threw the question into open meeting asking "What is the Board going to do about slot machines being in the Village over Labor Day weekend?" Neither had Mr. Werner or any member of the Board actually seen them, but only hearsay was given and the fact that no machines were in the Village at the time of the meeting; the matter was tabled for lack of a motion.

The engineer was instructed to try and solve the sewage overflow

General Election ON TUESDAY, SEPT. 20

The voters of Williams Bay will cast their ballots at the usual place in the Community Room of the Library Building. The polls are open from 9 a.m. to 5.30 p.m.

Voters will be handed four ballots stapled together, headed Official Primary Ballot, Democrat Party; Progressive Party; Republican Party; Union Party.

Tear Off the Ballot you wish to vote. You can vote only one. Place the marked ballot in the box provided and the ballots not marked in the box provided for them.

In this election the partisans choose those who are to be placed on the ballot in November election. It is an important election.

We, in Williams Bay and vicinity are especially interested as on the Republican ticket our local citizen, William H. Froytag has opposition for the office of District Attorney. It is important that his supporters go to the polls, for his opponent has been doing a lot of campaigning.

Sheriff Dorr has opposition in the former sheriff of years ago, Geo. L. Harrington. The custom for many years in Walworth County has been to reelect a Sheriff for the second term and then not let him run a third without a term lapsing. There does not seem to be any valid reason for changing. Joe is young, aggressive, a good executive and a fighter.

On the Progressive Ticket, note that our present Congressman Thos. R. Amlie is running for U.S. Senator with opposition.

Wm. L. Seymour of Elkhorn is out for the nomination of Congressman.

The Republicans have several choices to make. For governor, the race is principally between Heil and Henry (the latter is on both

during heavy rains.

INTERESTING LETTER RECEIVED FROM
FORMER WMS BAY RESIDENTS NOW IN
CALIFORNIA

Mr. and Mrs. Howard Hotton, formerly residents of Wms Bay, who are now living in Los Angeles, Calif. send us this interesting letter-
"Los Angeles, August 29-

" Mr. and Mrs. Harry M. Algeo wanted me to write you that we four attended the big Wisconsin Picnic here in Los Angeles last Saturday, August 27.

The tables were all arranged alphabetically as to counties, and a county register on each table, which all signed. A fine program was staged in the amphitheatre after lunch, which all attended. It was a big day for "BADGERS" in Los Angeles and surrounding cities. The following is a list of the Walworth County registrants present. Pretty good attendance percentage for little Williams Bay, don't you think?

Vinita F. Gillette Elkhorn;
Mr. and Mrs. J.O. Anderson, Delavan;
Elfie M. Olfner, Elkhorn; John Lumbird, Troy Center; Tom Mahon, Lake Geneva; Mr. and Mrs. Harry M. Algeo, Williams Bay; Mr. and Mrs. Howard S. Hotton, Williams Bay; Mrs. E.M. Colman, Delavan; C.A. Perk, Elkhorn; Charles Robinson, Lake Geneva; Mrs. Inez Morgan Wilbur, Whitewater.

The affair was held in Sycamore Grove, Los Angeles."

Howard and Marge, as we call them, also sent us an interesting program of the Sunday services at the First Congregational Church, Los Angeles, Sunday, August 28. The Golfer's Church Service is from 8 to 8:30 A.M., the Morning Worship Services, 9:30 to 10:30 A.M. and 11 to 12 O'clock. About 1800 were in attendance at this last service, which is very inspiring. The Evening Service is from 7:30 to 8:15 P.M.

Rev. Francis A. Drake, son-in-law of Mr. and Mrs. S.B. Chapin, Lake Geneva, is an assistant pastor

of the church, in charge of the Church of Youth.

ERWIN G. KAITSCHUK DIES FROM INJUR-
IES RECEIVED IN ACCIDENT

Mr. Erwin G. Kaitischuk of Chicago, who suffered a fractured skull last Wednesday when the bicycle he was riding skidded on the wet pavement on Conference Point Road during a heavy rainstorm, passed away at Passavant Hospital in Chicago on Monday morning, September 12, where he was taken on last Thursday morning.

Mr. Kaitischuk was the husband of Marjorie Ladd, daughter of Mr. and Mrs. John Ladd of Congress Club, in whose home he was visiting for a few days.

He leaves beside his wife, a little daughter, Jean Carolyn, his mother, Mrs. Wilhelmina Kaitischuk four brothers, Oscar, Arnold, Harold and Walter; four sisters, Wilma, Elizabeth; Mrs. Irma Brosche, and Mrs. Evelyn Richman. His father, the late Rev. Albert Kaitischuk, died several years ago.

Funeral services were held on Wednesday at 1 P.M. at the Bethel Lutheran Church, Austin. Interment was in the cemetery at Sharon, Wis. Wednesday afternoon, September 14.

SUMMER RESIDENT PASSES AWAY

Mrs. Charles W. Stiger, a summer resident in Lake Geneva for many years, passed away on Sunday morning, Sept. 4, after a brief illness following an accident in which she broke her arm in a fall, from which she seemed to be recovering when she suffered a heart attack.

Services were held in her Oak Park home, 547 Linden Ave. Wednesday afternoon, Sept. 6. Interment was in Forest Home cemetery.

She leaves a husband, Charles W. Stiger; one son, Charles Warren Stiger, Jr., and a daughter, Mrs. Marion S. Butler, to mourn her passing.

WILLIAMS BAY RESIDENTS MOVE TO NEW WILLIAMS BAY GARDEN CLUB MEETING LOCATIONS

Mr. and Mrs. Wm H. Freytag and family moved to their new home in Loch Vista on September 1, which they recently purchased. They plan to do some remodeling.

Mr. and Mrs. W.F. Phipps and two children from Wilmette, have leased the Carl Ridell property on Congress St. vacated by the Freytag family, and will make their home in Williams Bay. We are glad to welcome them to Williams Bay.

Mr. and Mrs. Robert Anderson moved last Saturday from the E.H. Hollister apartment to the Sawyer cottage on Geneva St.

Mr. James C. Halpin, our former C&NW railroad Station Agent in Williams Bay, has been appointed agent for the company at Rochelle, Ill. and will move his family to his new location this fall. We are sorry to lose the Halpin family from the Bay as they have always shown the community spirit, being interested in community affairs. May good luck go with them to their new home.

Mr. and Mrs. M. Abraham have moved from their place on upper Geneva Street to the John Anderson cottage on Valley Street.

The Perkins family have moved into the Eric Werner cottage on Collie Street for the winter.

Mrs. Rietz and daughter Mildred of East Delavan will occupy the Cliff Mustin apartment in the Mackey Block, for the winter.

Twenty-four members of the Wms Bay Garden Club and guests, gathered at the home of Mrs. E.N. McDonnell on the North Shore, Tuesday afternoon to hear Mrs. Robert Alder talk on "Gardens of Switzerland and Alpine Flowers". She told of the many beautiful cultivated flower gardens in Switzerland, describing the different types of gardens and gave an interesting description of the many beautiful wild flowers seen on the roadsides in Switzerland, showing pictures of the flowers and gardens. Some of the flower specimens shown were gathered and mounted by Micheline Van Biesbroeck when she visited Switzerland a few years ago. The colors were still very beautiful.

The hostess served assorted cakes, cookies, sandwiches, tea and coffee. After which the group enjoyed a walk through the beautiful gardens of the estate. The rose garden was especially attractive with so many beautiful colors and varieties of roses blooming, and you wouldn't believe that one-third of the people of our nation were ill fed if you could see the grand vegetable garden.

Mrs. Lynn Bartlett, President of the Lake Geneva Town and Country Club and Mrs. Kenneth Goodrich of Elkhorn, were guests.

On Monday evening, October 17, the club is invited to be the guests of the Town and Country Garden Club to hear Mrs. Kremlon of Dundee, Ill. who will talk on "Evergreens".

THE BELFRY PLAYERS

The first fall meeting of The Belfry Players will be held on Friday, Sept. 16, at the home of Mr. and Mrs. Glen Rietz at East Delavan, at 8 P.M. Reports of the summer season will be given and discussions held as to the possibilities for an even more successful season next year. Anyone interested in membership in the organization is urged to contact Mrs. George Hotton at Wms Bay, or come to this meeting.

NEWS ABOUT THE LAKE

Mr. and Mrs. Lloyd Myers have returned to their home in San Francisco after vacationing at the home of Mrs. Myers' parents, Mr. and Mrs. A.W. Craven in Elgin Club. Miss Ruthwood Craven went with them to attend Miss Kennedy's School in San Francisco.

The A.W. Craven, Jr.s. are back at their Evanston home, but will spend many week ends, with the Craven Srs. during Autumn days.

Julian Styvesant and family who made their home on a boat at the Wisconsin Transportation pier this Summer, the better to care for the boat business, have moved back to their Lake Geneva home on Center St.

On Sept. 7th a group of 22 ladies who have a social organization in Cicero came out on a Chartered Bus and also chartered a boat for a trip around the lake. Several other charters are expected on weekends this Fall.

Harry Melgas attended the dinner of the Mendota Yacht Club last Saturday night at which the season's trophies were presented.

The F.R. Meyer family who lived in the Elgin Club this Summer have returned to their River Forest home. F. Richard (Dick) enters Mass. Inst. of Technology at Cambridge as a Freshman.

William Pope of Elgin Club goes back to Cornell University, Ithaca, N.Y. as a Senior.

Harry N. Gifford, Jr. will enter Williams College, Williamstown, Mass. as a Freshman, this Fall.

A.K. (Sonny) Maxwell will return to Princeton.

Fred Gartz goes to Lawrenceville, N.J. Prep School, where he will be a Junior.

Dick Clifford and Gilbert Bills also enter Williams College.

LAKE GENEVA YACHT CLUB CLOSES SEASON WITH PARTY.

Big Foot Country Club has been the scene of many a wonderful party this Summer, but none larger nor gayer than the Dinner dance which was given by Lake Geneva Yacht Club last Saturday night.

They dined and danced and watched the season's race winners receive the numerous cups and trophies. Foster Diley's Orchestra of ten pieces from Racine furnished the music.

Many parties reserved tables and made them very attractive with flowers and other decorations.

The Robert Tarrant table had a Crystal Bowl representing a boat, with mast of crystal, with white dahlias massed to represent the water.

Jack Vilas, Jr. table was decorated by Gloria Gartz. In the center was Pop Eye, The Sailor with pockets bulging with favors, such as fire engines, whistles, boats, etc. which those at the table drew out by ribbons at their plates. Place Cards were pale blue sailboat sketches, with 11 on them.

At the A.F. Gartz, Jr. table the nut cups were pretty little sailboats.

The Harry N. Gifford table had a beautiful sailboat on a mirror.

Mrs. W.F. Petersen, Mrs. A.W. Wakeley, Mrs. C. Wallace Johnson and Mrs. H.R. Lyons very beautifully decorated a long table for seventy young "C" Boat and Cub sailors with blue cellophane and an abundance of flowers. It was Dutch Treat for the young people and a happy idea it turned out to be.

Some of the other reservations for tables were made by Mrs. O.L. Schmidt, C.W. Sills, Phil Starck, Mel C Spence, James Rawleigh, William Nelson Pelouze, (cont.)

Republican and Democrat tickets as a fusion candidate); For Senator six are in the race; for Congressman you will choose between Glenn W. Birkett , a farmer; Stephen Bolles an editor; Paul E. Jorgenson, an attorney, and Harvey C. Hansen.

The choice is important for whoever gets the nomination this year on the Republican ticket will be the next Congressman, according to the recent indications from other states. All are good men, but vote for one of them.

You will have the privilege of selecting a Party Committeeman for the County Committee of each party. That is important. In only the Progressive party is one named as a candidate.

BE SURE AND VOTE ON TUESDAY
SEPTEMBER 20th.

THOSE WHO CANNOT BE AT THE POLLS ON ELECTION DAY CAN MAKE ARRANGEMENTS WITH THE CLERK, F.M. VAN EPPS TO VOTE BY MAIL OR AT HIS HOME, 44 Elm St. Williams Bay.

TALKS ABOUT INDIA

Prof. S. Chandrasekhar of Yerkes Observatory Staff gave an interesting address on what the people in India are thinking about.

Naturally such an ancient and civilized country thinks of the time when it may be independent again. It is under the rule of England, which does not practice much of its democratic ideals in governing India.

Ghandi with his non - resistent policy is doing a great deal toward bringing about a spiritual awakening. It is a power hard to deal with.

There was a fine attendance at Andell's Resort on the 6th, with all places reserved full. Several visitors were present, including President Pattlock of Cedar Point

Park Association, and Mr. Knight,

Mr. H.C. Paterson of the Lake Geneva Safety Patrol asked that a committee be appointed to work with him on the All Lake Geneva Swim next year, suggesting that it might be held at night for a change.

President Peterson asked the Sports Committee to take that on. The Committee at present is Carl Bjorge, W.H. Freytag and Myron Pihl.

With such a fine start on the Fall schedule of meetings, the Men's Community Club bids fare to go far this Autumn and Winter.

BOAT HARBOR AT FONTANA RECEIVING FAVOR

Village President Harold Foote almost made me see the beautiful harbor which will some day take the place of the slough at Fontana.

You would enter it at the Fontana bridge which is already high enough for motor boats to enter. The dirt dredged out would be used for fill in making new land in parts of the slough.

Many would buy motor boats or small craft if there was a place for keeping same.

It would be a good business venture for Fontana.

RAINS DELAY FONTANA SCHOOL WORK.

The heavy and daily rains of the last week or so have made considerable delay in the construction of the new school building.

Drainage had not been completed for the basement and several inches of water stood in it.

It does not look as if the school could be finished for use this school year, especially if cold weather should set in before all the exterior has been completed.

School started in the old building with the same staff as last year.

Mr. Ed Perry has sold his farm on the Geneva-Delavan Highway 50- to Mr. Alois Hejtmánek and Mr. George Herman of Chicago. The new owners took possession September 1, but will not occupy the same before next summer after extensive remodeling has been completed. Mr. Perry will visit relatives in Iowa for a few weeks before going to California to make his home.

Mrs. Stella Morse of Berkley, Calif. was a visitor in the home of Oscar and Mrs. Waterbury, over last weekend. She is on an extensive trip through the middle west and east.

Mr. and Mrs. Alan P. Lovejoy who have been living in Janesville the past two years have gone to Ashville, N.C. to make their home.

Mr. John Lovejoy has come to Green Bay to be an announcer on Radio Station WTMQ.

Miss Barbara Walker of Kansas City, granddaughter of Mr. and Mrs. George C. Blakslee, will stay this fall and winter with Mr. and Mrs. Gordon Wares, Loch Vista Road and attend the Williams Bay High School.

Mrs. Elizabeth Sawyer was hostess to the Gospel Tabernacle Ladies Aid Society this afternoon (Thursday) at her home on Geneva Street.

Thirty-three relatives and friends of the Oetjens' from Chicago and neighboring towns, called at their home Sunday before Labor Day.

Mrs. Jacob Klein returned home Sunday from a three weeks' visit with her daughter, Mrs. Frank Derry at Minneapolis, who has just recovered from a severe illness.

The Klein's son-in-law, Mr. Derry, who is sales manager for the state of Minnesota for A. Nash Company, Clothiers, has been made sales manager for the state of North Dakota also.

Mr. L.H. Hennes will go to Philadelphia next week for the fall meeting of the Stetson Hat salesmen before starting on his sales trip for his territory. Mrs. Hennes will go later to Florida to spend the winter.

The O.A. Rosboro family of Chicago left last week but will come to their summer home on the lake shore in Oakwood Estates to spend weekends during the fall.

Miss Mary Calvert, who has been on a three months trip to Europe arrived in the states last week and is spending a few days with her sister at her home in Nashville, Tenn. before returning to Williams Bay.
