The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

		Cap.	<i>About 30 freight cars and passengers</i>		

HISTORY:

Built as the MANISTIQUE, MARQUETTE & NORTHERN I. She was built to carry cars between Northport and Manistique.

In the fall of 1908, she was sold to the Grand Trunk, Milwaukee Car Ferry Line and was put on the run between Grand Haven and Milwaukee to run alternately with the car ferry GRAND HAVEN. On December 1, 1908, her name was changed to MILWAUKEE.

On October 22, 1929, she left Milwaukee about 12:30 p.m. in a heavy gale with 27 freight cars and a crew of 46. It is thought to have foundered the same day about 6:30 p.m.

She is a favorite wreck for divers. Located in 125 feet of water only six miles north of Milwaukee and three miles off shore. She is sitting upright on the bottom.

For more information on her see the file for articles and photographs.
