The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# MODERN! PRACTICAL! FUNDAMENTAL!

## Thorek's Surgical Errors and Safeguards

By Max Thorek, M.D., LL.D., F.I.C.S., D.C.M., D.Sc.

Though modern technics have reduced the incidence of surgical error to a minimum, unforeseen abnormal conditions present themselves when least expected. Dr. Thorek covers these situations with great clarity and thoroughness. He tells the surgeon *what to do* and *what not to do*, to reduce preventable errors. Virtually every common condition met in surgical practice is covered fully in this splendid book's 19 chapters. A final chapter on "Legal Responsibility in Surgical Practice" presents a clear-cut picture of the surgeon's position in relation to the responsibilities imposed by law. . . . . **\$15.00**

4th Edition. 1085 Pages. 794 Illustrations, many in color.

## Thorek's Modern Surgical Technic

By Max Thorek, M.D., LL.D., F.I.C.S., D.C.M., D.Sc.

A profusely illustrated, *how-to-do-it* work on surgery that dispenses with all unnecessary discussion and clearly presents procedures and technics used in daily practice. Says the Journal of the A. M. A.: "If it is possible to write a streamlined version of surgical procedure and art, this three volume edition comes close to the mark . . ." . . . . . **\$33.00**

3 Volumes. 2,045 Pages. 2,174 Illustrations.

J. B. Lippincott Company, East Washington Square, Phila. 5, Pa.
