

I was interviewed & (photographed) for several hours a couple of weeks ago - (which makes 4 times this year) & the gal said the article was for the Milwaukee Journal - or the Sentinel? Darned if I remember!

I don't think Ray & Vi can make it to the festival. Ray's dad, (my brother Waino) & wife are celebrating their 50th wedding anniversary early in August & the (clan) will start gathering the last week of July, from all over the U.S.A. & many will stay at Ray's & Vi's, so they'll have to start getting ready. I still plan to go, but will try & find someone else to accompany me, - just for companionship even, whether they are musical or not.

I'm enclosing a tape of a young friend of mine down the road here, (Christene Nakkula) - who does not (play by ear) as the rest of us do. She (sings music) - as we say. -

She seemed terribly disappointed when she listened to the tape - said she was badly out of practice -

Boy, I wish George Noursiainen, the fiddler, was coming to Ironwood! Matt knows him!

Transcribed by Nakkula into Finnish - ha, ha, & then some!

something puzzles me: -

The tape you had marked with
Osku Kyllonen - did not
have Osku playing at all -
In fact Matt played the accordion
on it. - ~~So~~ I never did
hear Osku with us on any of
the copies - Is it possible
I forgot to press the record
button ???! That would be
the tape I recorded on my
little cassette before you guys
got to Laamaneus. - + I
did mark it - ??? Laamaneus
we never played it back!
Let me know if it came
out blank - ?
We sure are enjoying the tapes
tho' - lotta laughs
