The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Kaiser Country

Southern California

RNs nurse here. Learn here.
Grow here. Play here. And
stay here. For the many
advantages, such as the
freedom to transfer among

nine facilities without losing
seniority. The wide range of
RN specialties and career
alternatives. The educational
opportunities. Salaries and
benefits that are nothing short
of excellent. And a very special
benefit: Southern California.

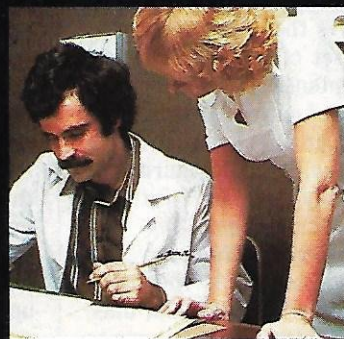

With its sunny beaches, famous
attractions, and panorama of
lifestyles, this region offers RNs
the diversity that makes a
difference.
