CELEBRATED COMPOSER,

PIERRE LATOUR.

WITHOUT doubt, the above four pieces are issued with the finest title ever printed upon Sheet Music. It is an Oil Chromo, printed in 6 colors and in the best style of the lithographic art. Many an inferior picture is sold for the price of any of these pieces, and it is eminently suitable for framing. The compositions are in Latour's finest style, thoroughly artistic and very characteristic in their conception, and worthy a place in the repertoire of all good pianists.

Also, by the same composer, we enumerate a number of pieces, each of which can be recommended as filling a want in teaching:—
