THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its constitution; to obey its laws; to respect its flag; and to defend it against all enemies.

— William Tyler Page —

AMERICA FIRST

Whatever the shores that your forefathers hailed from,
Whatever the flags that they fought for afar,
Whatever the lands that yourselves may have sailed from,
Today you must cherish the land where you are.

From "America First" by Denis A. Mc Carthy.

William, Edward and Conrad Petersen are studying Latin at the Chicago Latin School and came upon the above word " Incitatus " which in English means " Hurry Up " which is very appropriate for this new boat which was launched last Sunday morning at the Lake Geneva Yacht Club at 11 o'clock.

It is a Clinker Built Boat, something new on Lake Geneva. It differs from others in that each plank overlaps and is fastened to the preceding one.

Sibyl Reese had the honor of christening the boat. Sibyl is the daughter of Dr. and Mrs. Hans H. Reese of Madison. The Petersen boys are sons of Dr. and Mrs. W.F. Petersen., Chicago and Lake Geneva.

The Petersen boys and Sibyl are grandchildren of Mrs. O.L.Schmidt and great grandchildren of the late Conrad Seipp. Another great-grandson of Mr.Seipp who was present was Henry Bartholmay III.

The editors of the Regional News, Walworth Times and Bay Leaves were treated to a ride in the new boat, by the Peterson Brothers who are the owners of the boat.

Among those present besides those mentioned above were Messrs Henry Bartholmay, Ernst C.Schmidt and A.F.Gartz.

The boat was a gift of Mrs. O.L. Schmidt to her grandchildren.

OPEN THEIR LAKE SHORE HOMES FOR THE SEASON

Mr. and Mrs. E.C. Blomeyer, Chicago, have opened their north shore estate "Sunny Hill", and will come May 15 for the season.

Mr. and Mrs. E.N. McDonnell are at their lake shore estate East of Wms Bay, since their return from a trip to Hawaii during the latter part of the winter.

Our Senator Alexander R.Wiley and Representative Stephen Bolles, members of U.S. Congress in Washington are doing a fine piece of work in promoting their native state.

Rep. Bolles recently spoke before the House of Representatives on "Vacation in Wisconsin, a two minute speech which inspired members who heard it to say they were taking the next train for the Badger state.

"From where the Rock River, famous in Indian legend and history, breaks into Illinois, to the Apostle Islands in Lake Superior, with the ancient mission churches and burial places God's tremendous panorama is stretched."

"No artist could paint and no European landscape equal the fields glistening with green and threaded with silver streams; of the wooded dells and shaded glens, through which the traveler may wander."

"Cherry blossoms in June, and apple blossoms too, the smell of the pine and hemlock and tamarack, the odor of the wintergreen, even the acrid smoke of the campfire thrills with new and intoxicating delight."

"This tumultuous riot of entrancement lasts all the way. There is no end. Each horizon is world; each world complete. It invites you", spoke Rep. Bolles.

Sen. Alexander Wiley interrupted senate debate on neutrality to say that the "United States will not go to war if its senators, representatives and citizens will eat Wisconsin cheese."

"Wisconsin cheese does not form gas on the brain and if you don't have gas on the brain you won't want to go to war," he said. "Wisconsin cheese doesn't make you hate Germans or Italians, it keeps you rational." He spoke 20 minutes.

WISCONSIN THE SAFEST STATE.

PAST PRESIDENT'S NIGHT AT M.C.C.

"A very interesting evening" all agreed after the regular May meeting of the Men's Community Club at the Normandie Hotel and Coffee Shop.

It was past president's night and all former presidents were there to respond to a request for remarks.

The Club is in its tenth year, R.E. Burton, being the 10th president. Wm. L. Elbert was the first president upon its organization back in 1930. Others who have served as president are: Chauncey Grimm, F. Arthur Anderson, William H. Freytag, Myron Piehl, Carl M. Bjorge, Dr. C. Y. Wiswell, L. A. Hollister, M. T. Peterson.

Prior to the formation of the M.C.C. Williams Bay had had two organizations, such as Chamber of Commerce but they had dropped by the wayside. The talk by William H. Freytag gave voice to the general feeling that the M.C.C. be continued for years to come as the combination of Chamber of Commerce and Community Club, rather than divide into two organizations, one of which would be less strong.

At present other communities look upon our Community Club as a great organization and all agreed that it was worthy of everyone's continued loyal support.

President Burton was authorized to appoint a Committee for the Williams Bay Picnic Day in June and also to appoint a Committee to wait on the Governor to ask him to be the speaker at the August Banquet. On the latter committee he appointed M. T. Peterson, L. A. Hollister, Mrs. Wm. H. Freytag.

The August meeting will be held at one of the Camps as in former years and be a ladies' night, with guests.

Mr. J. P. Carlson, Mr. A. H. Furlong and Mr. G. Bramberg of Cedar Point Park were visitors at the Club on Tuesday night.

All men in the Bay are invited to join the Club. \$1.00 dues and monthly dinner meetings at 60¢.

COUNTY SUPERVISORS MEETING.

Victor Hansen, the County Board member from the Bay attended the meeting Tuesday and Wednesday.

Tuesday morning was spent in organization. It was the 101st meeting of the County Board. Three new members were introduced by Horace Mills who was re-elected Chairman: Beverly Aplin, Whitwater; Francis Cantwell, Elkhorn; Wm J. Lawton, Genoa City.

In the afternoon a visit was made for an inspection of the new Hospital Building and the meeting was called at 3.00 p.m.

The committee appointments were given out. Victor Hansen is on the Committee on Justice's and Constable's Accounts and the Committee to Settle with the Superintendents of the Poor.

The Finance Committee is R. J. Lacy, R. S. Young, T. J. Crew, Chas. McCabe.

Not many important matters are before the Board this time.

BIG FOOT COUNTRY CLUB

The "Arrowhead" announces that Big Foot Country Club is ready for players and that the Clubhouse is open. On May 15th Louis Sullivan will be on hand as the Golf Professional and that May 20th Chef St.

Clair and his staff will arrive so as to be ready for the big Memorial Day weekend.

President: Arthur R. Colwell;
Vice President: Robert Tarrant;
Secretary-Treasurer: Nathan B. Hunt.
