WISCONSIN STATE UNIVERSITY

RIVER FALLS

VOLUME 53

'65

FOREWORD

The 1964-65 school year ushered in a new era for River Falls as the old normal school established in 1874 achieved university status.

A new look spread across campus with the erection of a modern heating plant, the start of construction on Johnson residence hall and the opening of an addition to the student center. Enrollment kept pace with the changes and reached 2600 which was a 22 per cent increase over the 1963-64 figure. Further changes were planned including the construction of off-campus housing for married students on Ramer Field and the relocation of Ramer Field behind the South Fork.

The 1965 Meletean has also tried to achieve a new look and to keep pace with the campus changes. For the first time since 1943 the Meletean appears in 9x12 form. Although we cannot claim to be the first to try a new size, we can claim to be the largest with our 240 pages.

As the reader thumbs through the following pages he should bear in mind what was first said by the 1954 Meletean editor, "This year's Meletean was published under most adverse conditions. The conditions being the complete incompetence of the editor. If your name is with your picture and even by greater coincidence you are in the right class, consider yourself favored by the gods of chance."

The pages of the calendar slip by, past football games and pep rallies, theatre productions and Christmas concerts, ski jaunts and Valentine parties, on through picnics and proms to the solemnity of commencement.

The unity in the changing academic calendar is the student and his pursuit of knowledge—in lecture hall and classroom, laboratory and library, and finally, late at night, under the bright arc of a desk lamp in a silent room. The quest for truth is the silent, steady current of purpose beneath the gaiety of the student's social calendar.

WISCONSIN STATE UNIVERSITY-
RIVER FALLS
RIVER FALLS, WISCONSIN

OFFICE OF THE PRESIDENT

Dear Student of the 60's:

A yearbook is history written as it happens. Over the years, Meleteans, dating back to 1912, have reflected changes in curricula and classrooms, faculty and functions, and even costumes and customs.

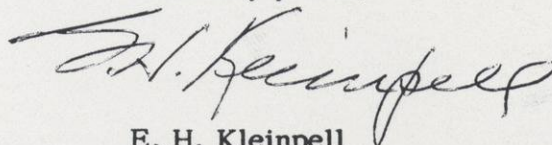

The very first Meletean was published in the Normal School era. The publication has continued through the era of the State Teachers College and the State College.

This year's edition will have special historic significance for it will be the first to bear the imprint of "Wisconsin State University - River Falls." Behind the new name is an expanded concept of the role and purposes of the institution. Those now on campus are laying the foundation on which the future of the University will be built.

Some examining this yearbook in 1970 may sigh, as some do now, for the "good old days" when the student body was small and the campus was confined to a few city blocks. By then the University will have grown to approximately 5,000 students and, in a decade from now, to more than 8,000. If the Meletean continues its present format, the 1975 edition will have more pages devoted to photographs of individual students than are contained in this year's entire book. There will be 250 to 300 additional faculty pictures.

However, it is my sincere hope and belief that, even then, River Falls will be known as a friendly institution, interested in each student as an individual, and worthy of the warm support of its alumni.

Sincerely yours,

E. H. Kleinpell
President

DEDICATION

THEODORE F. SETTERQUIST

To whom the Meletean pays tribute not only for the qualities which have brought achievements in his field but also for that friendly and personal interest in the student body which he has shown during his three decades of service at River Falls.

Since 1934 Ted Setterquist has served River Falls as a chemistry professor and assistant coach in the physical education department. Although he has retired from coaching he still maintains an active interest in sports and can be seen at most River Falls sporting events.

In our opinion Ted Setterquist should be remembered for his ability to put students at ease by taking an interest in each student and for his ability to make chemistry "fun" for most students.

To Theodore F. Setterquist we dedicate the 1964-65 Meletean.

The Meletean Staff

In this 1965 *MELETEAN* we have tried to reflect the life of a university—our university. We have used the camera to portray the image that *WSU-RF* has created. Had it not been for the staff's ability to work together this could never have been accomplished.

The Search

For Knowledge

Ignores The Calendar

The pages of the calendar slip by, past football games and pep rallies, theatre productions and Christmas concerts, ski jaunts and Valentine parties, on through picnics and proms to the solemnity of commencement.

The unity in the changing academic calendar is the student and his pursuit of knowledge—in lecture hall and classroom, laboratory and library, and finally, late at night, under the bright arc of a desk lamp in a silent room. The quest for truth is the silent, steady current of purpose beneath the gaiety of the student's social calendar.

Autumn Is . . .

A Time for Enthusiasm

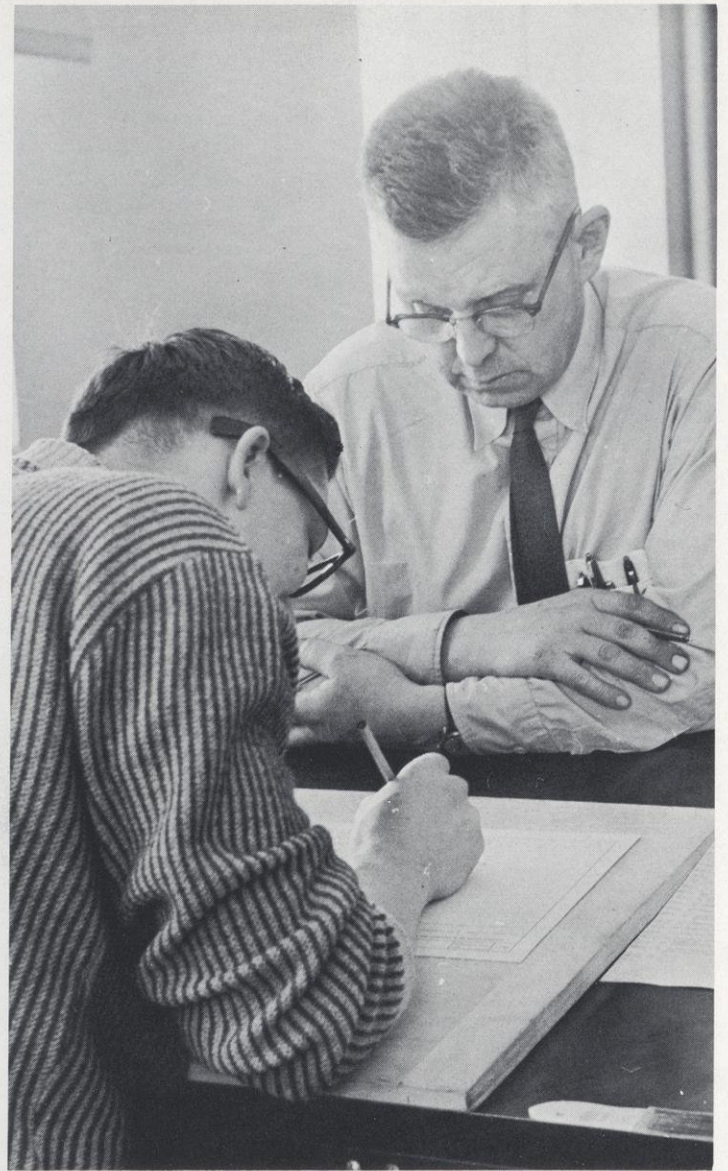

The indolence of summer wanes and ushers in the fresh enthusiasm of September when the campus skyline is touched with the golden, orange and red hints of autumn.

The students embark on studying and socializing with a bright, new spirit. Cheering the football team or listening intently to a lecture, making new friendships or renewing old ones—all have a new purpose in the first months of the academic year.

And still, in September and October, the student is drawn to the outdoors, to the last tantalizing warmth of the vanishing summer and the fragrant crispness of the new season.

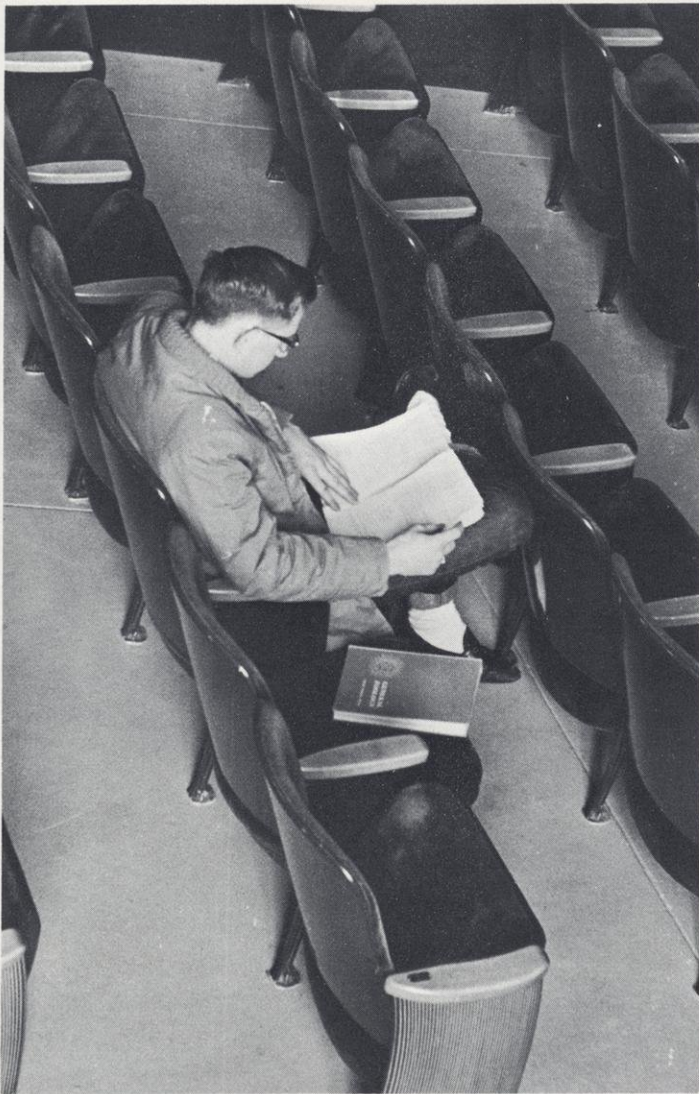

Winter Is . . .

A Time for Commitment

Harsh winds whip around corners, snow flurries fly and the last leaves of autumn disappear under the light layer of the first snow. The pace of campus life accelerates as the end of the fall quarter approaches—term papers are due; final exams require intensive study. Students scurry across the windswept campus from library to dorm to classroom—but always make time for a warming cup of coffee in the Student Center.

After Thanksgiving, winter quarter classes begin with a renewal of enthusiasm for new courses, new instructors and new schedules. The rush of Christmas activities sweeps the year along toward its end with plans for preholiday parties, dances and concerts—and thoughts of two restful weeks at home.

Winter Is . . .

A Time for Introspection

The campus is comforted with snow. It falls day after day, layer upon layer. Winter in River Falls is a quiet time—the heavy white covering seems to soften sound, to lessen the need for raucous activity.

Winter is a time for introspection and deep, silent study, a time to pursue the trail toward knowledge with renewed dedication.

An annual political conference brings noted speakers on topics of current controversy. Winter is a time for testing ideas against new concepts, for insuring that private philosophies have not degenerated into unthinking stereotypes.

But winter occasionally erupts into intense activity. Students emerge from their hibernal life of study to construct snow sculptures during Winter Carnival and to exult in slaloming and sitzmarking.

Spring Is . . .

A Time for Creativity

Impatient with winter's ungracious refusal to leave, the student again is caught up in a round of term papers and final exams as the second quarter ends. As spring approaches, the heavy residue of snow begins to melt, repents, and freezes again, leaving shiny trails of ice across the campus.

Spring quarter ushers in a fresh view of academic and extracurricular life. The approach of the new season inspires creativity; students work with a new vision in music rooms, art studios and theatre.

Famous lecturers, concert artists and touring repertory groups visit the campus, awakening the student to cultural awareness.

As April blossoms with warming winds and soft rains, the student senses the pull of the world outside the once-frosted window and is easily distracted from study.

Summer Is . . .

A Time for Endings . . .

Balmy May is hard to combat. Both students and faculty fight the distractions of the season to focus on the matter at hand—completing the last weeks of the academic year.

Warmer weather means it's time for a picnic on the South Fork, for sitting on the banks of the Kinnic. May is the time to make summer plans and, for the seniors, time to think about a life ahead.

Beyond the distractions of May, there still must be time for long hours of study. The loose ends of the academic year must be gathered up; projects put aside must be finished. And finally, another week of final exams to be endured. The student pushes aside thoughts of green lolling spots and settles down to study.

... And Beginnings

The new heat of June rests lightly on untanned skin. A light breeze filters through thickly leaved trees. Students in black robes and proud mortarboards, faculty in black touched with the bright colors of academic accomplishment, march down the shaded campus walks to the final collegiate ritual.

Words of praise, words of inspiration are spoken by veterans of the ancient rite. A small white scroll is passed from hand to hand.

Time now for a final, reminiscent look at the campus, quiet now that the rush of student life is over. The bright greenness of early June has settled, rounding out the flux of the seasons. The last page of the calendar has been turned.

Is it the end of the path? Has the end of the trail toward knowledge been reached? The pursuit of learning is not a process that ends with the academic year or with graduation. Commencement brings the student to a fork in the road. Down one path lies stagnation, stultification, complacency.

But the brighter, more difficult road leads toward continuing education, toward a life of grappling with ideas and seeking new paths of learning.

At River Falls, guidelines are set for the future, but the graduate must choose which road he will take. The pages of the calendar will continue to turn. Knowledge is for all seasons.

In Memoriam

Life must go on,
And the dead be forgotten;
Life must go on,
Though good men die.

—Edna St. Vincent Millay

During the past year death claimed “Mr. River Falls.” Dr. Rudolph “Doc” Karges died in December in Karges Center while on his way to a River Falls basketball game.

Dr. Karges taught for 43 years at River Falls before his retirement in 1951. In this time period he served as chemistry professor, basketball coach and college vice-president.

Dr. Karges will be remembered most for his friendly wit. In summing up his coaching days he said, “At that time (1910) we could afford only two college games so we played the local high school teams. We never lost a high school game, and we never won a college game.”

Two students also lost their lives during the school year. They were Bruce Stanton, 22, of West St. Paul, Minn. and Robert Daft, 19, of River Falls, Wis.

Stanton, a sophomore, died during his wedding ceremony when he fainted and struck his head on the aisle. Stanton served three years in the Marine Corps in Hawaii before enrolling at River Falls.

Daft, also a sophomore, was found dead in his father's gasoline truck in a gravel pit near River Falls. Daft had lived in River Falls since 1953 and had attended local schools before coming to WSU-RF.

Interest is pictured on the faces of fans at the Hamline game which the Falcons won 25-12.

FALCON FOOTBALL

Gifted with exceptional team potential but plagued by a mid-season team let-down, the 1964 Falcons ended the football season with an overall record of five wins and three losses. A four and three conference record left the Falcons in sole possession of third place in the WSU Conference behind Eau Claire and La Crosse, the number one and two teams respectively.

The Falcons started the season impressively with a 25 to 12 non-conference win over Hamline University, and three consecutive conference wins including a 30 to 0 romp over Superior State.

The let-down came when River Falls, undefeated in four games and rated 17th among the nation's small colleges, lost a cliff-hanger to Eau Claire State in the last six seconds of the game, 34-28. The Falcons never recovered as they finished the season by winning only one of their remaining three games.

Coach Gwynn Christensen, in his third year as head football coach, can probably look forward to a bright season next year as only six players will graduate this spring. They are seniors Wayne Burich, Duane Johnson, Co-Captain Glenn McNaughton, Orland Olson, Bob Pritchard, and Co-Captain Reno Rizzo.

Dejection is apparent on the faces of these Falcons (Mick Branstatter, Dick Hodgkins, Jim Baier, Mark Nelson, Phil Waller) during one of the low points of the season. The game was the last of the season in which River Falls lost to Stevens Point 17 to 0.

Most Valuable Player, Ted Ragatz, gets perfect block from Harv Ankley on kick-off return.

CROSS COUNTRY

The cross country team, coached by Byron James, experienced a winless season as it failed to win any of its matches.

The top seven runners this year earned letters and competed in the conference meet. They were: Chuck Woiwode, Oscar Skoug, Gary Harelstad, Mike Breed, Mike Jirovec, Roger Williams and Fred Lindberg.

The whole team is expected to return for next season with the exception of senior Oscar Skoug.

FALCON BASKETBALL

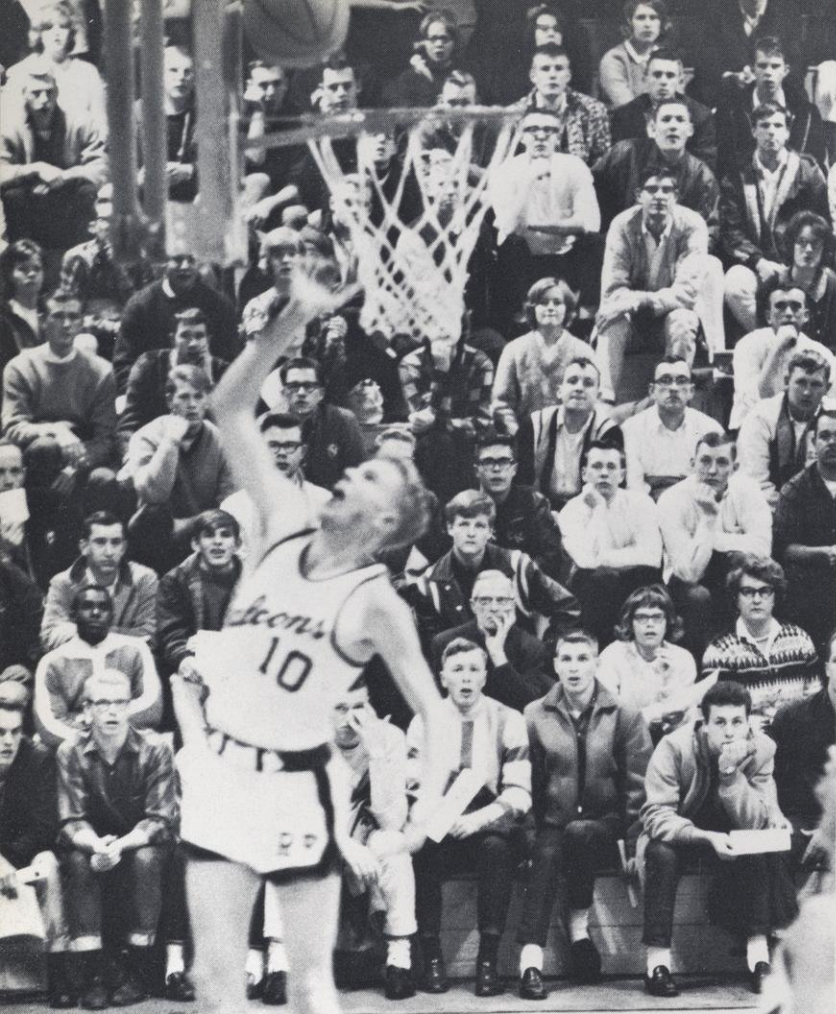

This year was a rather disappointing one for Coach Don Page's young cagers. After playing slightly better than .500 ball for the first half of the season, the Falcons won only three of their last 11 games leaving them with an over-all record of nine wins and 13 losses. A record of five wins and 11 losses in conference play put the Falcons in seventh place in the WSUC.

The Falcons were a young team as only one senior, letterman Bob Pritchard, will not return next year. Other lettermen for this year were juniors Ken Lee and Nate Schilling, sophomores Paul Kramer, Jim Bloomquist, Craig Thoeny and Randy Hall, and freshmen Jack Orgeman, Joe McAbee and Tom Snyder.

Guard Ken Lee led the team in scoring again this year by averaging 21.4 points for the 22 game schedule. Nate Schilling, who was lost for the last part of the season due to a leg injury, was second with a 14.9 mark while center Paul Kramer was a close third with a 14.5 average.

FALCON WRESTLING

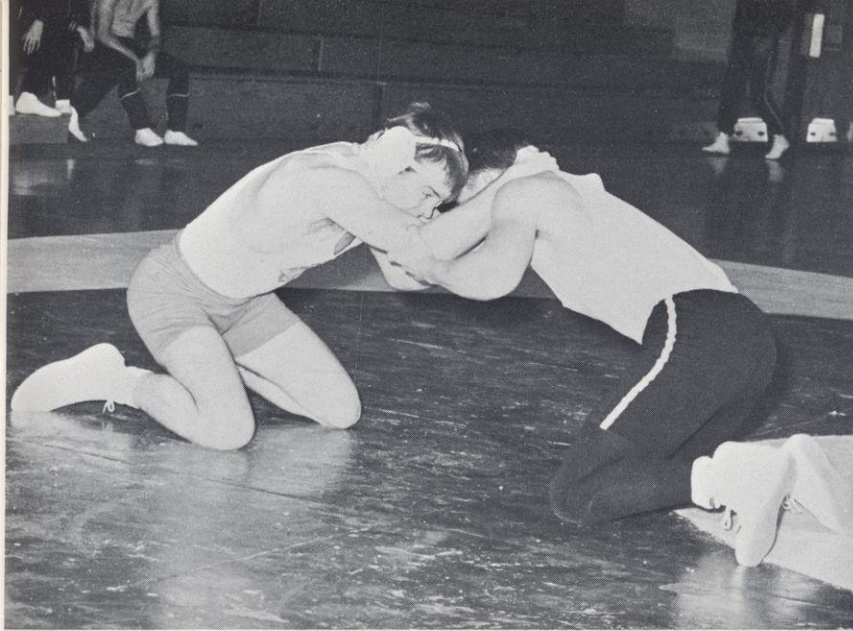

The past wrestling season was one of rebuilding and improvement for Coach Byron James' young wrestling team. The first half of the season saw the grapplers winning only two of eight matches. They improved as the season wore on, however, by taking five of the last seven matches.

Over-all, the Falcons had a 7-8 record. In conference action they were 4-2, winning the last three matches of the season from conference foes.

The young matmen were not so fortunate at the conference meet in Platteville where Superior State walked away with most of the honors. The Falcons were able to place only four men. Dave Amdahl placed second in the 167 lb. class, Ron Knutson took third at 191 lb., Dave Starke was fourth at 115 lb., and Bob Olson placed fourth at 130 lb.

The wrestlers ended the season by traveling to the NAIA tournament at Indiana State. Results were not available before press time, however.

Dave Amdahl was elected captain of next year's squad and he was also voted most valuable wrestler of this year's squad. He had a record of 11-4, while Ron Knutson and Alvin Gross both sported records of 7-4.

Falcon wrestler, Tom Madison, and opponent, seem to have reached a stalemate.

SWIMMING

The swimming team failed to get on the winning track again this year as it won only one meet the entire season, and that was against St. Olaf College. Over-all the poolmen were 1-9 for the season and 0-5 in the conference.

There were, however, some bright spots in the long season as several team records were set this year. Jim Daniels, Bob Machacek, Jon Ogren and Lloyd Nelson combined to set a new 400 yard medley relay team record of 4 34.4.

Dennis Muller set records in the 50, 100 and 200 yard free style events. Jim Daniels set records in the 200 yard individual medley, 200 yard butterfly and 500 yard free style.

Ogren, Muller, Bob Peterson and Bob Sawyer combined to set a record in the 400 yard free style medley with a time of 3 51.4.

Lettermen for this year were Dan Buelow, Jim Daniels, Phil Foster, Bob Machacek, Lloyd Nelson, Jon Ogren, Mickey Olson, Bob Peterson, Jean Riviere, and Michael White.

The River Falls Hockey team, in its first year of competition, compiled a record of two wins and three losses. The Falcon pucksters showed some strength despite their inexperience as they split a two game series with Carleton College, and beat St. Olaf once, and lost to them twice.

FALCON HOCKEY

The last game of the season, a thriller which St. Olaf won 3-2, was played as a benefit game for the family of Jim Ikhaml, a member of the team who was killed just a few weeks before in an automobile accident.

Next season should prove to be a winning one for the new Falcons in light of their record and the experience gained this year.

GYMNASTICS

Gymnastics, a new sport this year at River Falls, was a bright spot in the school's sport picture. The gymnasts, under the coaching of Al Evans, took third place in the conference meet by scoring 65 points. LaCrosse won the meet with 178 points and Stout was a close second with 167 points.

Winning a bronze medal for the Falcons this year was Tom Bauman who placed third in the meet on the long horse. Bill Driscoll copped three sixth places despite an injury sustained in an earlier meet. John Christison, with two seventh place finishes, and John Newman, with one, were the others to place.

Coach Evans, commenting on the season, said that the experience gained this year should enable the team to take on the best in the league next season.

BOWLING

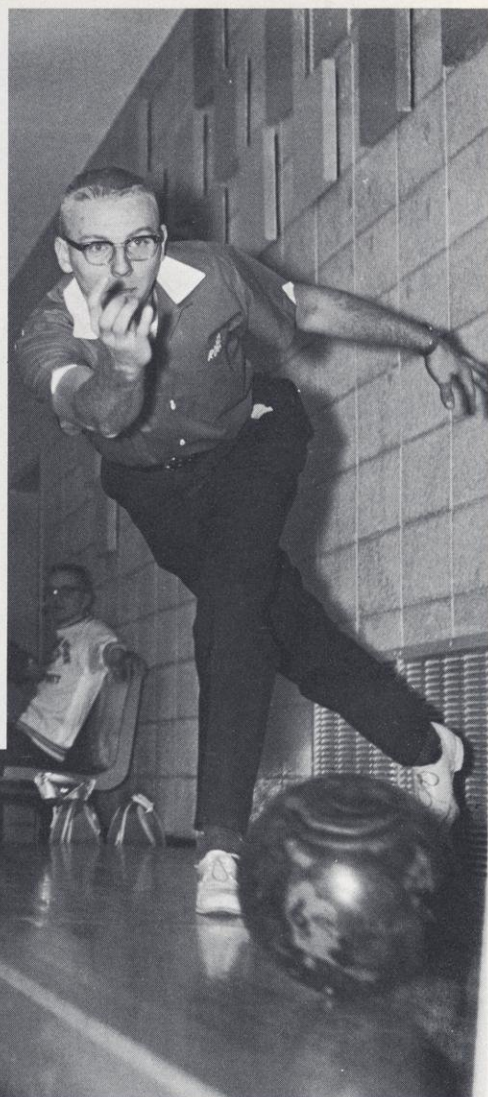

The Falcon bowlers, completing their third season in the Tri-State Bowling Conference, ended up in eighth place for the second straight year.

The University of Minnesota proved to be the team to beat this year as it took first place while last year's champion, Mankato State, fell to the fourth spot.

This year's keglers were led by Roger Neitzel who sported a 184 average and Leroy Schultz with a 176 average in league games.

1964 BASEBALL

1964 proved to be a very successful year for Falcon baseball team as Coach Don Page's squad won not only the school's first WSCC baseball title but also the state title before bowing out in the NAIA double-elimination area tournament in Waverly, Iowa.

The Falcons, improving from a 6-9 record in 1963, compiled a 15-6 over-all slate in 1964. In conference play the batmen took two from LaCrosse, 9-2 and 11-5, two from Stout, 4-3 and 10-2, and two from Superior, 11-2 and 11-4. The only loss suffered in conference play was to Eau Claire, 6-2 in the second game of a double-header. The Falcons won the first game 5-0 giving them a final 7-1 conference record.

After winning the conference title River Falls engaged in a marathon three-game series with Wisconsin's leading private college baseball team, St. Norberts. The Falcons took the first game, 10 to 7 lost the second one 8 to 6, and won the nightcap by a score of 8 to 5 to earn the right to represent Wisconsin in the NAIA area tourney in Iowa.

After losing the first game of the double-elimination tournament, the Falcons won the next two only to be defeated in the fourth and last game.

The winner of that tournament advanced to the NAIA championship tournament in St. Joseph, Missouri.

River Falls seemed to be in for another fine season this Spring as only two players, John Boortz, and Dennis Kaiser graduated last year.

1964 TRACK

Last year's track team had a somewhat dismal season, placing seventh in the conference meet. The only Falcons to place in the meet were Danny McFarlane who took second in the quarter mile event, Bob Bray, second in the half mile, and Glen McNaughton who placed fifth in the three-mile event.

There were some bright spots in the season, however, as two school records were set. McFarlane, Falcon dashman, set the record for the quarter-mile with a time of 50.2 seconds. He combined with Bray, Tom Bosman and Jerry Jensen to set a new mile relay record of 3.28. Both of these records were set at the conference meet.

McFarlane and McNaughton, the top point-getters for the Falcons last year, were named the most valuable trackmen.

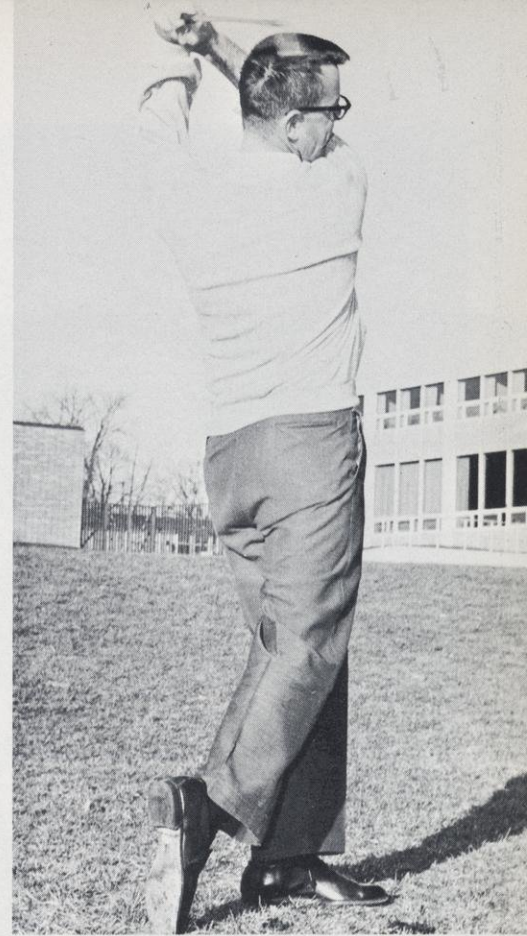

Three men, Bray, Larry Feltes, and Jensen will not return this year.

1964 FALCON GOLF

The 1964 season proved to be a disappointing one for the Falcon golfers as they could muster only two wins and one tie in six matches.

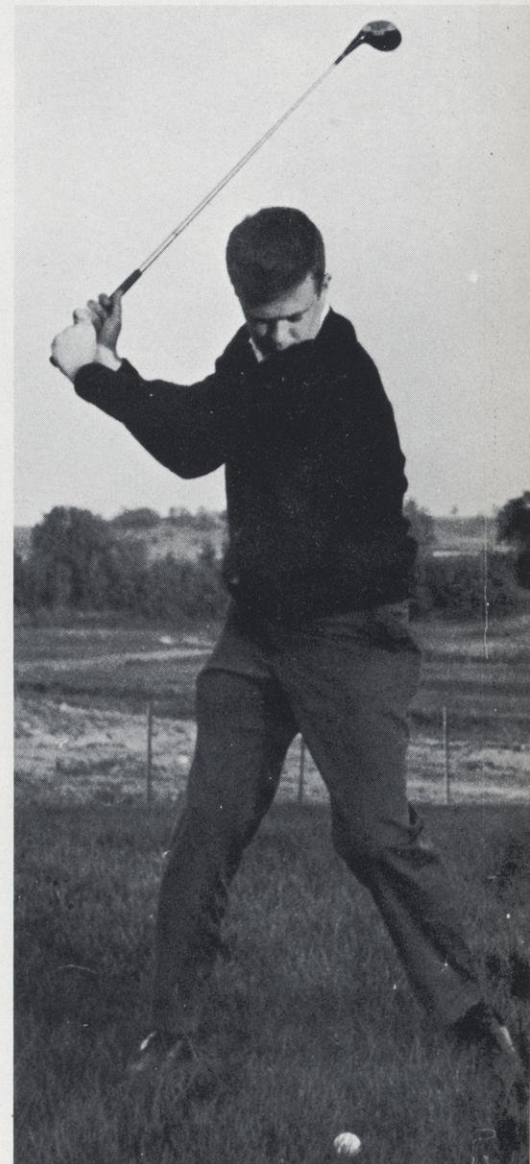

At Green Lake, sight of the conference meet, the Falcon team, consisting of Dave Stone, Roger Miller, Ed Ganske, Dick Ricci and Gary Marquand, ended up in eighth place. Stone placed eighth individually in the meet with scores of 80-77.

The 1965 season looked fairly bright for the linksters since four of the top five golfers from last year's team returned.

Several promising freshmen were also expected to bolster the squad.

NETMEN

Mark Harris shows good form during Hamline match.

The 1964 tennis team enjoyed a fairly successful season as it compiled a record of four wins and three losses. The Falcon netmen started the season strong with three straight victories but then ran into some tough competition as they lost the next three.

At the state conference meet at Oshkosh held in May the Falcons drew tough competition right at the start and none of them advanced past the second bracket.

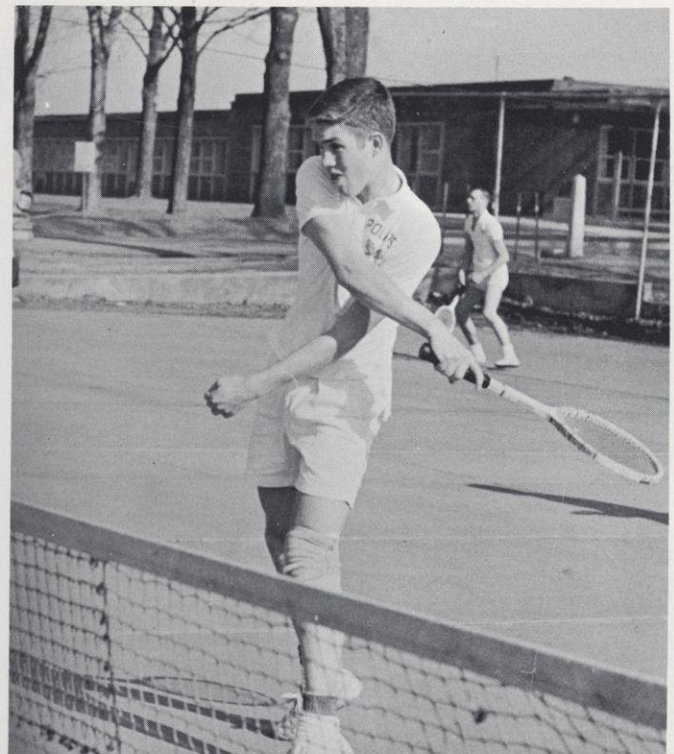

Lettermen for the year were Dan Carlstrom, Mark Harris, Ed Anderson, Al Carrier, Paul Anderson, Sanders Howse and Dan Collins.

Only three of the lettermen were expected to return this Spring, those being Carlstrom, Carrier and Howse.

RODEO

The River Falls Rodeo Association has become part of the intercollegiate sports scene by joining the National Intercollegiate Rodeo Association.

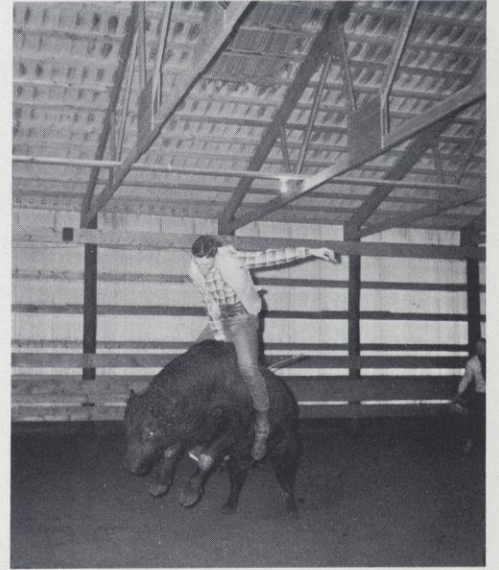

This means that River Falls will sponsor a team composed of the following rodeo members: Dave Stafford, Ted Fetting, Jeff Rudell and Chuck Overbeck. They will compete with other collegiate teams this Spring.

These teams will be from schools in the states of Kansas, North Dakota, South Dakota, Nebraska and Colorado.

Last May the rodeo association held its first rodeo and another one was planned for May 8-9 of this year. This rodeo is one of seven which will be part of the intercollegiate schedule for 1965.

Football Runner-up Team, The CH's: Row 1: Coach Mark Lynch, Dennis Schulke, Ron James and Dick Ricci. Row 2: Dick Baribeau, Roger Wasielewski, Bruce Neuenfeldt, Bob Margenau, Stan Johnson and Dave Taube.

The intramural sports program, under the direction of Athletic Director Owen Bergsrud, was expanded this year to include, not only basketball, football and softball, but also wrestling, track, badminton, bowling, swimming and free throw shooting. Some of these had not either started or been completed at press time, hence they will not all be covered here.

FOOTBALL

The Grapes, led by the passing of Mark Hosteland and the catching of Fred Johnson, won the intramural football championship by beating the CH's 6-0 in a close, hard-fought battle. The Grapes ended the season with a record of 11-0 while the CH's had a 9-2 record. Both teams were from the "R" league and reached the finals by beating the two top teams from the "F" league.

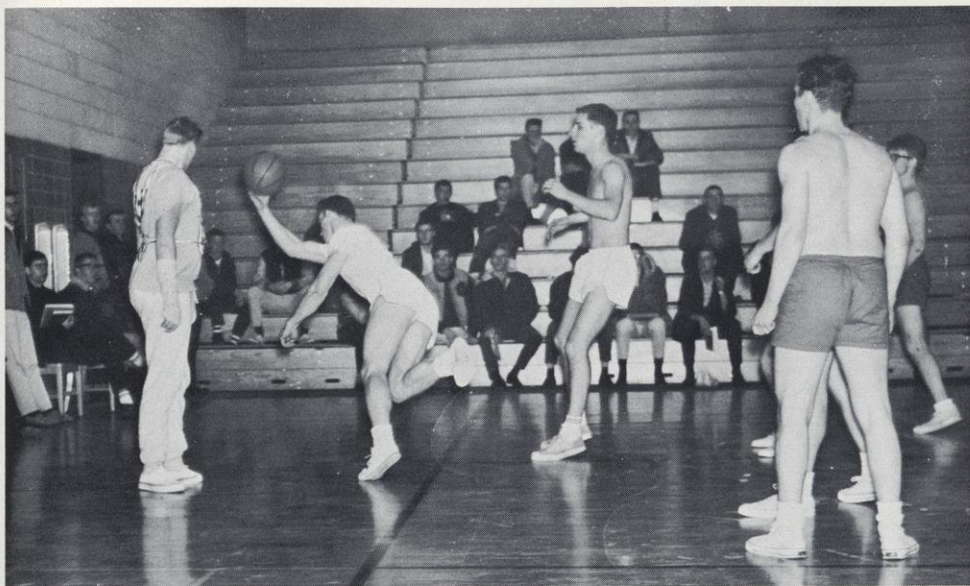

Basketball Champions, The Untouchables: Row 1: Bob Summerville, Reno Rizzo, Dave Henderson, Glenn McNaughton. Row 2: Ken Mouw, Tom Bosman, DeWayne Johnson, Dave Leapholm, and Tom Sempf.

BASKETBALL

In a double elimination tournament, the Untouchables emerged as the intramural basketball champions. In the championship game they edged Ric's Reck 27-25 for the title.

BOWLING

As of March 1st, three Prucha Hall bowling teams were leading the inter-dorm intramural league. The standings up to that time are on the next page.

It was a good try.

WRESTLING

Eight division champions were named this year in the first intramural wrestling tournament.

In the 123 lb. class Bob Miller bested Gordon Fleury to take that division title. In the 137 lb. class Paul Vick beat Allen Sinclair. The 147 lb. class saw Sam Erickson pair off against Roger Williams with Erickson taking the championship.

The 157 lb. class had Bob Haverud and Kerm Nykreim paired with Haverud coming up the victor. Walt Hammond won the 167 lb. class by beating Dick Hass. Ron Sarno won the 177 lb. class by outpointing Dennis Erno. Mike Breed won the 191 lb. class over John Popowski.

The heavyweight class saw Joe Jilek defeat Larry Johnson for the title.

TRACK

Speedy sophomore and freshmen runners highlighted the intramural track and field meet. Tom Hetzel accounted for three firsts in the 60 yd. dash, 100 yd. dash and broad jump, while anchoring the first place 880 yd. relay team.

Jim Baier was another big point-getter placing second behind Hetzel in the 60 yd. dash, 100 yd. dash and broad jump. Baier also won the 70 yd. high hurdles, placed first in the pole vault and was a member of the first place 400 yd. shuttle relay team.

In the field events, Warren Smallidge placed first in the shot put and discus. In other events Tom Bauman won the 440 yd. run, Greg Hartman won the 880 yd. run, Frank Dummer placed first in the 120 yd. low hurdles and Tom Sitz won the high jump.

ORGANIZATIONS

STUDENT GOVERNMENT

STUDENT SENATE

The Student Senate has achieved its goal of "developing a spirit of cooperation and good fellowship throughout the school" by establishing a "Kleinpell Roundtable" where students have a chance to discuss their problems with the administration and vice versa.

The River Falls Student Senate is unique in that it is the only Wisconsin State University government body which does not have a faculty advisor. Consisting of eleven members, seven elected at large by the student body and the four class presidents, the Student senators meet each Monday at 6:30 p.m. in their new offices in the Student Center.

The Senate holds many duties and powers necessary for the smooth functioning of the campus social and intellectual life. This year the Senate attempted to act on issues of national concern such as the Draft and the Southern Christian Leadership Conference.

FOUNDATION COMMITTEE

Row 1: James Feltes, Kathrine Olin, Harvey Stower, Marlin White, Candyce Carlson, Mary Dougherty, advisor. Row 2: Del Johnson, Wayne Weiss, Robert McGregor, Marilyn Neilson, Orland Olson, Maxwell Gibson, Joseph Valenta, George Wilbur.

The Student Foundation Committee working on the South Fork Amphitheater project, is unique inasmuch as it works with the faculty, alumni and students. The purpose of the organization is to work to improve the reputation and beauty of the River Falls campus. The amphitheater project stems from the South Fork project which began last year.

STUDENT ADVISORY COUNCIL

Row 1: Frederic Markus, Harvey Stower, Mary Loeber, Judith Hofbauer, Cleo Goers, Tod Planer. Row 2: David L. Sartori, Coralee DeLong, Molly Ann Schultz, Thomas Hetznecker, Richard Kammerud, Sharon Johnson. Row 3: David Frazer, Jerry Kolasinski, Dell Max, Sue Finke, Sandy Danielson, Rogers George. Row 4: Donald Genrich, Burnell Anderson, Jamie Swanson, Ward Winton, Rolf Derikartz, Douglas Best, Dean Ringger, Lane Esswein, Dan Brandenstein.

Representatives of all campus organizations constitute the Student Advisory Council. This year the Student Senate voted to suspend any organization which did not have a SAC representative at all the meetings of the Council.

SAC serves as a sounding board for student opinion and also an opportunity for all legislative matters to be presented to the entire campus for action.

LEGISLATIVE ACTION COMMITTEE

A new branch of student government was instituted this year on several of the Wisconsin State University campuses through the efforts of the United Council meeting held at River Falls last Spring.

The Legislative Action Committee at River Falls has studied such programs as off-campus discrimination, People-to-People, and the possibility of joining a national organization. In addition, they have worked with the Personnel Office on the sub-standard housing problem in the men's dormitories and in revising the off-campus housing standards. The Committee has arranged for a mock OAS convention during Spring Quarter, drawn up resolutions concerning the Southern Christian Leadership Conference, the Draft, and the House Un-American Activities Conference. They have reported their findings on these issues and a works-study program to the Student Senate and the United Council of Wisconsin State University Student Governments.

STUDENT CENTER GOVERNING BOARD

Row 1: Marilyn Neilsen, Dean Ringer, chairman, Robert Linaberry, Brenda Finses. Row 2: Gary Peterson, Lynn Smyth, Burt Potocnik, Carol Fuhs, Thomas Knutson, Hampton Wilmot, student senate liaison, Jay Hayden.

The Student Center Governing Board's jurisdiction extends throughout the "old" and new parts of the Student Center, including the games area, the offices and meeting rooms, the Cage and the dining area.

This year the SCGB has provided a "Riders-Drivers Board" in the corridor of the new area, mail boxes for the various student organizations and lockers for students to use during the day.

Because of the increased size of the Student Center and the greater responsibility the Student Center Governing Board and the Social Committee were merged in the Spring under the title of the Union Activities Board.

SOCIAL COMMITTEE

The coordinating and promoting organization for all-school activities on the River Falls campus is the Social Committee. It works closely with the Student Center Governing Board.

The Committee schedules events, sponsors movies every Friday and Sunday evening, and is in charge of the Luau held annually.

GREEKS

Organized in the Spring of 1963, this was the first year the Greek organization had a chance to prove their worth. The groups, totaling six fraternities and three sororities, promote campus social activities and school spirit.

The Greek Letter Council provides for the general welfare, regulates and governs social, scholastic and recreational activities of the members of the fraternities and sororities at the University. It is the regulating body of all member Greek organizations.

POLITICAL

Political organizations came into prominence this year as they actively participated in national, state and local campaigns. The Y-Dems backed the winning presidential candidate, but the Y-GOP supported candidates won in the gubernatorial and local races. Also this year the two political organizations divided on liberal-conservative lines for the first time.

RELIGIOUS

The religious organizations on the River Falls campus provide for their members a religious and social atmosphere. Programs featuring speakers from all fields, religious services and prayer, discussion and conventions can be found on their yearly calendars. The "cost suppers" of these groups combine a pleasant atmosphere of religion and good food.

Although each organization has its own ideological emphasis, they are alike in that they serve the needs of the students.

DORM COUNCILS

Each of the four dormitories on campus have coordinating and decision-making groups known as Dorm Councils. The objectives of the councils are to determine and maintain such standards of dorm living which will reflect creditably on campus. The dormitories have been active in planning and sponsoring social events and in participating in such all-school events as Homecoming, Winter Carnival and Foundation Week.

HATHORN HALL COUNCIL

Row 1: Rebecca Peterson, Bonnie Becker, Barbara Rheault, Marcia Bosman.
Row 2: Gloria Hiatt, Patricia Hanson, Barbara Larson, Patricia Snyder, Irene Johnson, Tina Graves. Row 3: Joyce Felch, Sharon Lee, Carol Paulsen.

HATHORN HALL OFFICERS

Hathorn Hall, the girls' dormitory, houses all women students residing on campus.

This year, the women of Hathorn Hall sponsored the annual Christmas open house and dance, the spring all-dorm picnic, and a king candidate for Winter Carnival.

Left to right: Sylvia Wears, Patricia Christopherson, Georgeanne Schaffer, Susan Finke, Sandra Johnson.

MAY HALL COUNSELORS

Row 1: Wayne Weiss, Bruce Batley, Paul Giese, Charles Gross, Francis Haynes, Wayne Dunneman, Wayne Madson.
Row 2: William Eulberg, Thomas Socha, Peter Natzke, Craig Friedneor, Patrick Powers, Al Sinclair, Robert Olson, John Schuster, David Larken, Robert Sawyer.

MAY HALL ASSISTANT COUNSELORS

The men of May Hall sponsored an open house and dance in the fall as well as a Christmas party and entries in the various contests of Homecoming and Winter Carnival.

Row 1: Ralph Williams, Dennis Langkos, Wayne Brenhatt. Row 2: Tod Planer, Doug Dube, Gene Smith, Ken Fridsma.

PRUCHA HALL COUNSELORS

This year Prucha Hall began publication of the *Ferret*, a newspaper designed to reflect student opinion through subjective essays, poems, editorials and "slanted" news stories.

Row 1: Jim Hughes, Dave Barber, Ralph Tjelta, Keith Hobson, Lee Jabs, Dick Miller. Row 2: Bob Margenau, Stan Johnson, Arlan Anderson, John Christison, John Bittany, Steve Palmer, Jerry Huberty, Neil Leroux.

STRATTON HALL ASSISTANT COUNSELORS

Row 1: Sanders Howse, Jerry Sargent, Dennis, Jack Agnew. Row 2: David Wirtala, LaVern Cook, Edward Fick, John Bruce.

RECREATIONAL

Recreational organizations on campus are designed to give the student opportunities to participate in athletic, music, dramatic, forensic, journalist, and social events at River Falls.

ANIMAL CLUB

Animalus Scorbius, "affectionately" known as the Animal Club, was organized for the purpose of "studying those mundane forms of life found to be most beneficial to mankind." The organization's constitution is listed in the Student Senate file under "agricultural" organizations, but we feel that it could more properly be termed "recreational."

Since the Animal Club could not be assembled when pictures were taken, we decided to picture the natural habitat of the Animals.

THE PILGRIM MOTHERS

Actually, the Pilgrim Mothers is not an official campus organization as it has no written constitution and rises to action only when campus events deem crusading necessary.

Berkeley had its free speech movement this year, but River Falls had its Pilgrim Mothers. The group banded together to satirize the administration's "hush-hush" policy on the supposed outbreak of "social diseases."

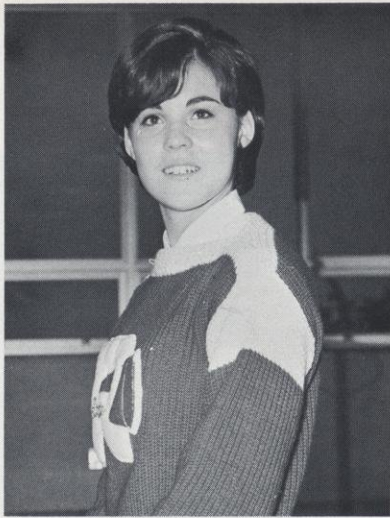

CHEERLEADERS

During each fall and spring quarter, the physical education department holds try-outs to select cheerleaders for the coming school year. This year, five freshmen and one sophomore were selected. These girls work throughout the year with Mrs. Mary Foss of the physical education staff and Ann Schleicher, the Student Senate coordinator, to prepare for the various sporting events of the University, both at home and away.

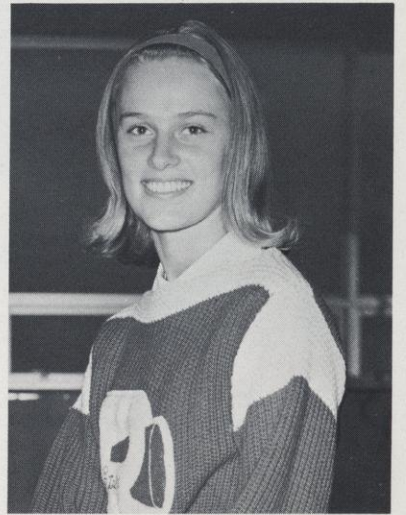

This year, Captain Judi Hillstead and the others attended games both "here" and "there" and organized many pep rallies to encourage and support the Falcon teams.

CHESS CLUB

Row 1: Gary Hoschette, David Taube. Row 2: Michael Webb, Roy Giesecker, Donna Kelly. Row 3: Alden Hook, David Frazer.

The Chess Club seeks to promote a healthful mental recreation and offers the members an opportunity to improve their skill in the game. Several tournaments were sponsored this year.

ORCHESIS

Row 1: Adele Boehm, Carol Ann Housel, Patricia Henneman. Row 2: Arlys Timm, Jean Morrison. Row 3: Jeanne Gustafson, Janet Griffey, Norma Fitzjarrell, Margaret Maloney.

SYNCHO - PATERS

Synchopaters, subsidiary of the WRA, specializes in water ballet and synchronized swimming. Each year their work is climaxed by an aquatic show in the Karges Pool.

Row 1: Mary Bowman, Patricia Karnik, Vicki Skeath, Sandra Hurd, Betty Potter. Row 2: Mary Pat Foss, advisor, Mary Youngman, Kay Collins, Ginger Townsend, Cleo Goers, Susan Jahn, Darcey Scott. Row 3: Ruth Ann Lindquist, Rosemary Loss, Carol Housel, Suzanne Nystrom, Frances Elmlinger, Marjorie Costello.

JUDO CLUB

The Judo Club provides interested students with an opportunity to learn the art of judo and a place in which to practice the skill.

Row 1: Bernard Uchtyl, Patricia Fuller, Rogers George, Frederick Olkev. Row 2: Nancy Goehring, Donna Kelly, Betsy Manion, Carol Batho, Margaret Olson. Row 3: Richard Cance, Robert Thornton, Einar Kippe.

SITZMARKERS

The Sitzmarkers promote skiing at River Falls by making trips to various ski areas during the winter months. This year the club planned and conducted the Ski Outing during Winter Carnival Week which included skiing, toboggoning and races of all kinds.

Row 1: Charles Garbe, Jerry Smith, Vance Grosser, Diane Giese, Sue Covnick, Judith Klimmek, Lynne Strothman, Patricia Karnik, Sherry Peterson, Robert Staebell, David Thoreson, David Kolasinski. Row 2: Scott Gaalaas, Michael Obradovich, Ronald Bahr, Allen Valley, William Goetzelman, William Gill, Richard Peterson, Larry Lark, John Rorvick, Warren Wilson, Charles Witzel, Dennis Regele, Thomas Root, Robert Zuleger, Richard Starkey, Charles Westen. Missing is Jerry Swedish.

PUBLICATIONS

The River Falls Campus publications include the *Prologue*, a literary magazine, *The Student Voice* and its *Daily Supplement*, and our yearbook, the *Meletean*. All are dedicated to reporting and recording campus events throughout the year in poetry, news articles, and photographs.

Donald Brod and Walter Bunge, publication advisors, check the AP wire for the *Daily Supplement*.

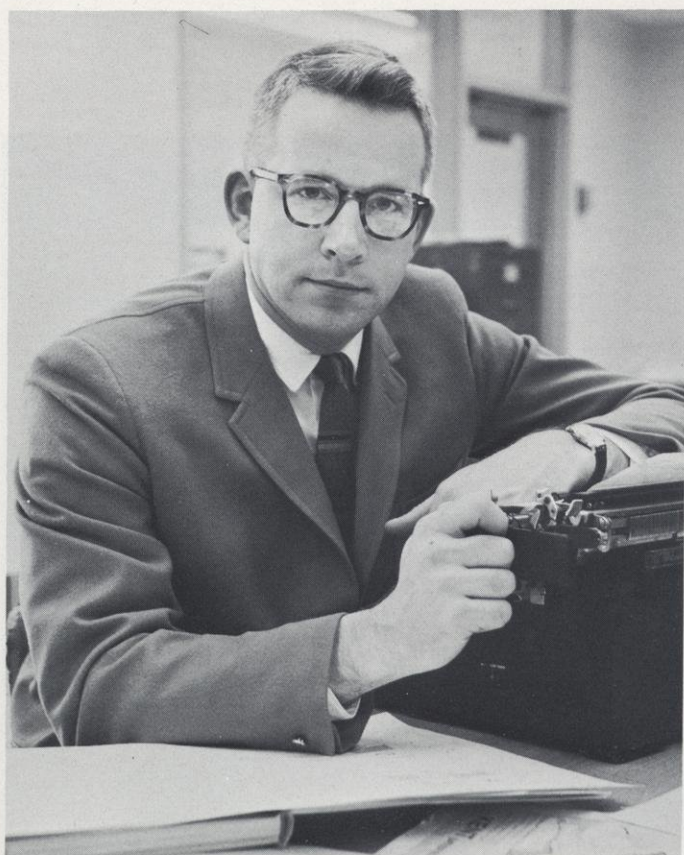

MELETEAN

The 1965 *Meletean* upheld tradition this year and came out late. The word "meletean" is an Indian word meaning "badger"; why this particular name was chosen for the River Falls yearbook remains a mystery.

According to past blurbs on the *Meletean* its purpose is to "provide a lasting record of the highlights and personalities of the preceding school year" through the use of "colorful comments and photographs."

Helen Avery, troop leader.

Walter Bunge, faculty advisor.

Lynn Spalding, assistant editor.

Organization editors Nadine Amphlett and Ann Schleicher.

SECTION EDITORS

Jean Moen, class editor.

Margaret Beeson, class editor.

Rita Vollmer, faculty editor.

Editor's assistants Sharon Danielson and Carol Peterson.

Charles Westphal and Jerry Howe, activities editors.

Sports editor Richard Ricci.

Runners and typists — Bonnie Johnson, Karen Koeser, Gretchen Dicke.

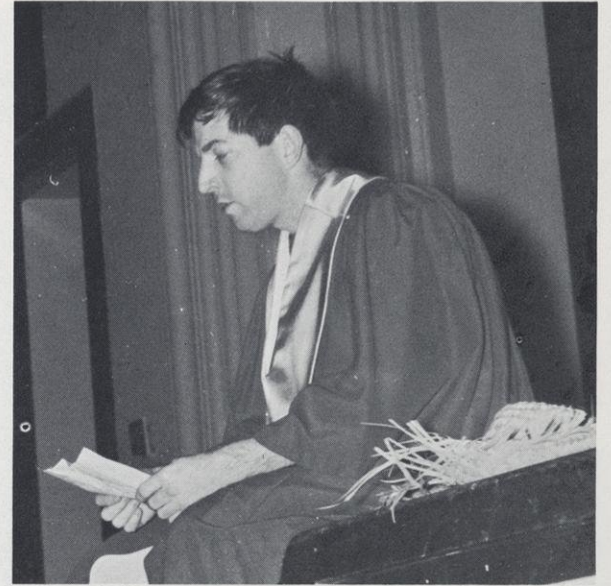

Art editor Loretta Knoepker.

VEGETABLE CLUB

"A vegetable in every pot and an office for every member" is the Vegetable Club's motto. Although unrecognized by the Student Senate, the Vegetable Club boasts a membership of over five hundred. When the Senate refused recognition of this organization, the *Student Voice* and *Meletean* formed "Vegetable Departments" in order to keep the club intact.

STUDENT VOICE

The *Student Voice* went crusading this year and can no longer list the Student Senate or the Dean's Office among its supporters. The alienation was a result of the *Voice's* stand against closed Senate meetings and a suggestion by the '64-'65 editor that the AWS be abolished because it functioned as a "tool for the Dean of Women" without regard to student interest.

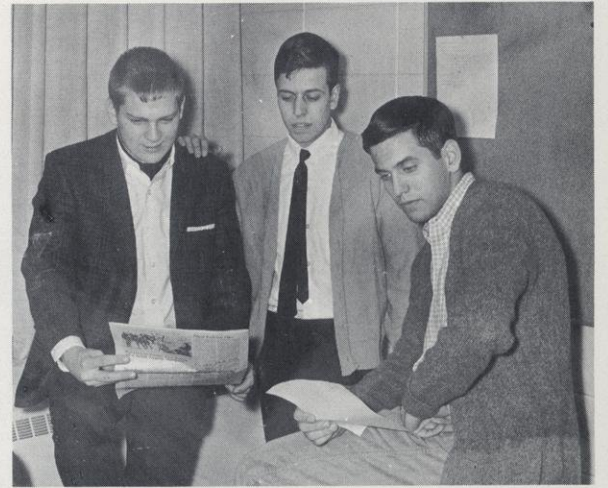

1964-65 editor David Taube and 1965-66 editor Warren Wolfe.

Donald Brod, faculty advisor.

Editorial Board — Fred Markus, Nadine Amphlett, John Bergene, Harvey Stower.

Special events reporters — Michael Brecke, Richard Ricci, Jon Graham.

Reporters — Row 1: George Wilbur, Judy Scribner, Ann Schleicher, Chris Kapun, Thomas Holloway, Keith Olson. Row 2: Marshall Simpson, David Peck, Ernest Guhr.

Sports staff — Christian Becker, seated, Dennis Stern, Michael McIntyre, Kurt Kleinhans.

Jane Churchill, business manager.

Circulation department — Wayne Weiss and Wayne Schilling.

SUPPLEMENT

The Daily Supplement is a unique publication in that it is the only newspaper printed four days each week. This daily news sheet of campus meetings, social functions and world news is published throughout the year by the advanced reporting class. A special election issue was printed in November giving the results of the national and state elections.

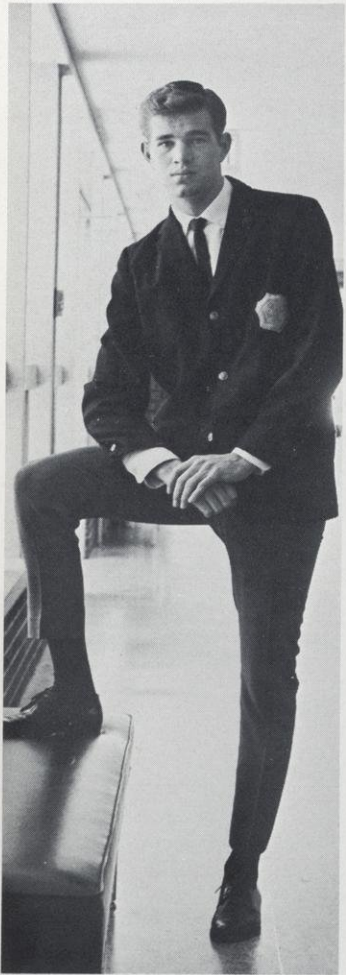

Margaret Johnson, Jay Walch, Ann Schleicher, Keith Olson. Ernest Guhr, Chris Kapun, Corinne Bittrich, Neil Tietz. David Peck, David Stern, Nadine Amphlett, David Jensen.

DAYS GONE BY

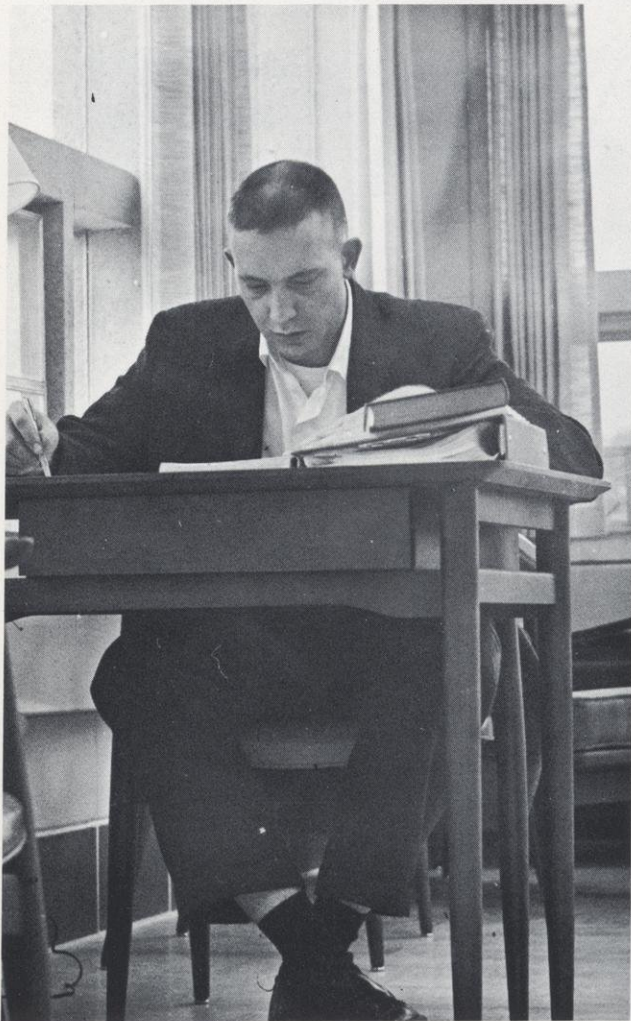

*Coffee, conversation, laughter;
 Time for study and time for fun.
 Support of tradition
 Faculty and friends—
 These compose campus life
 Now and forever.*

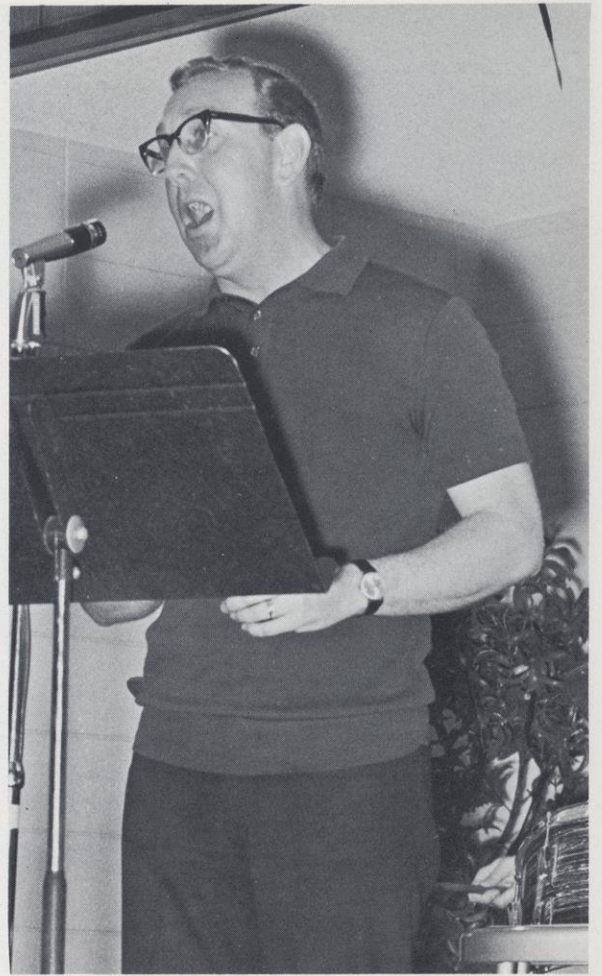

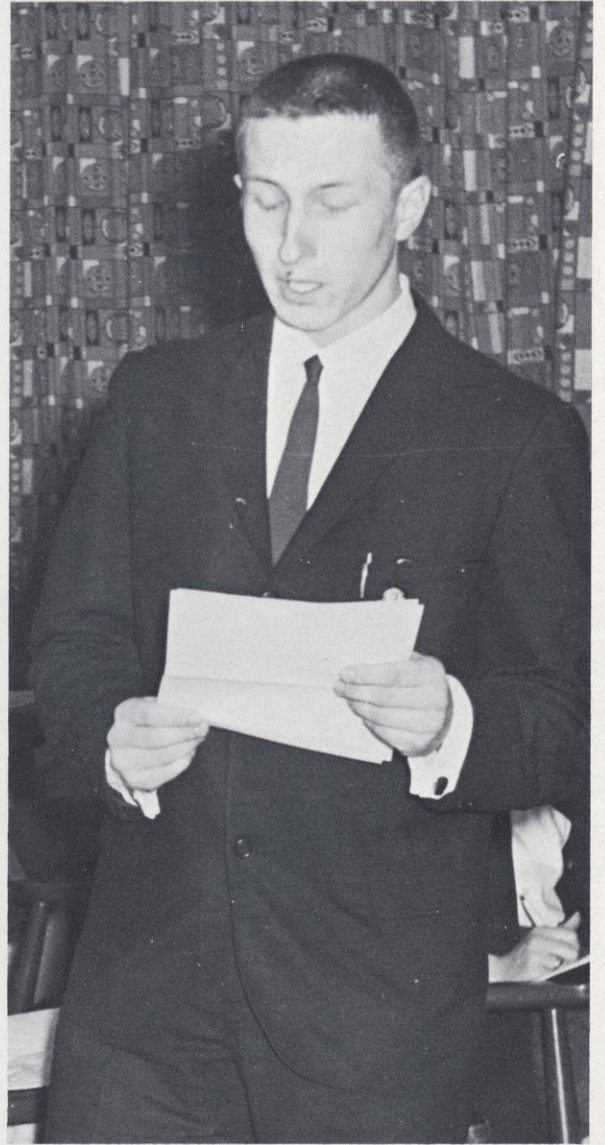

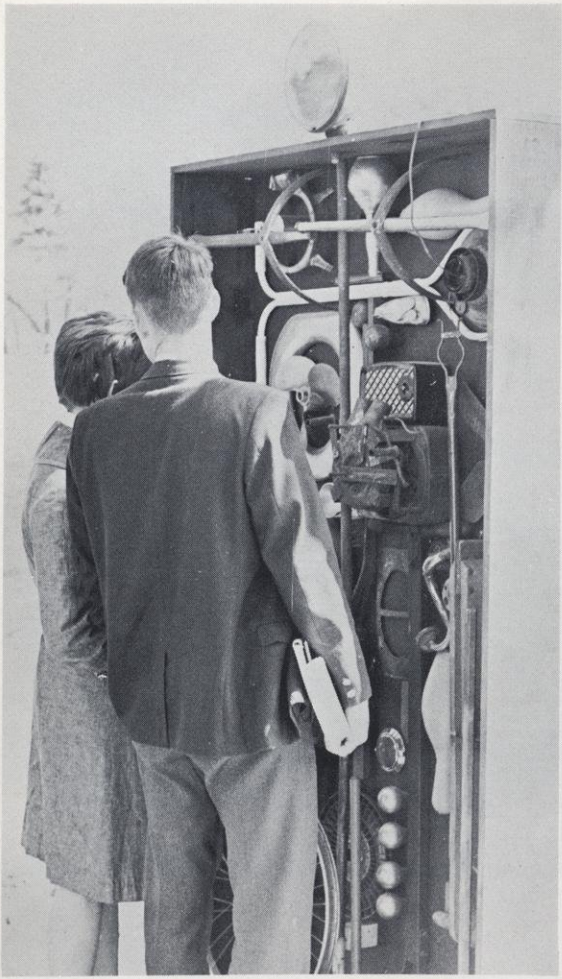

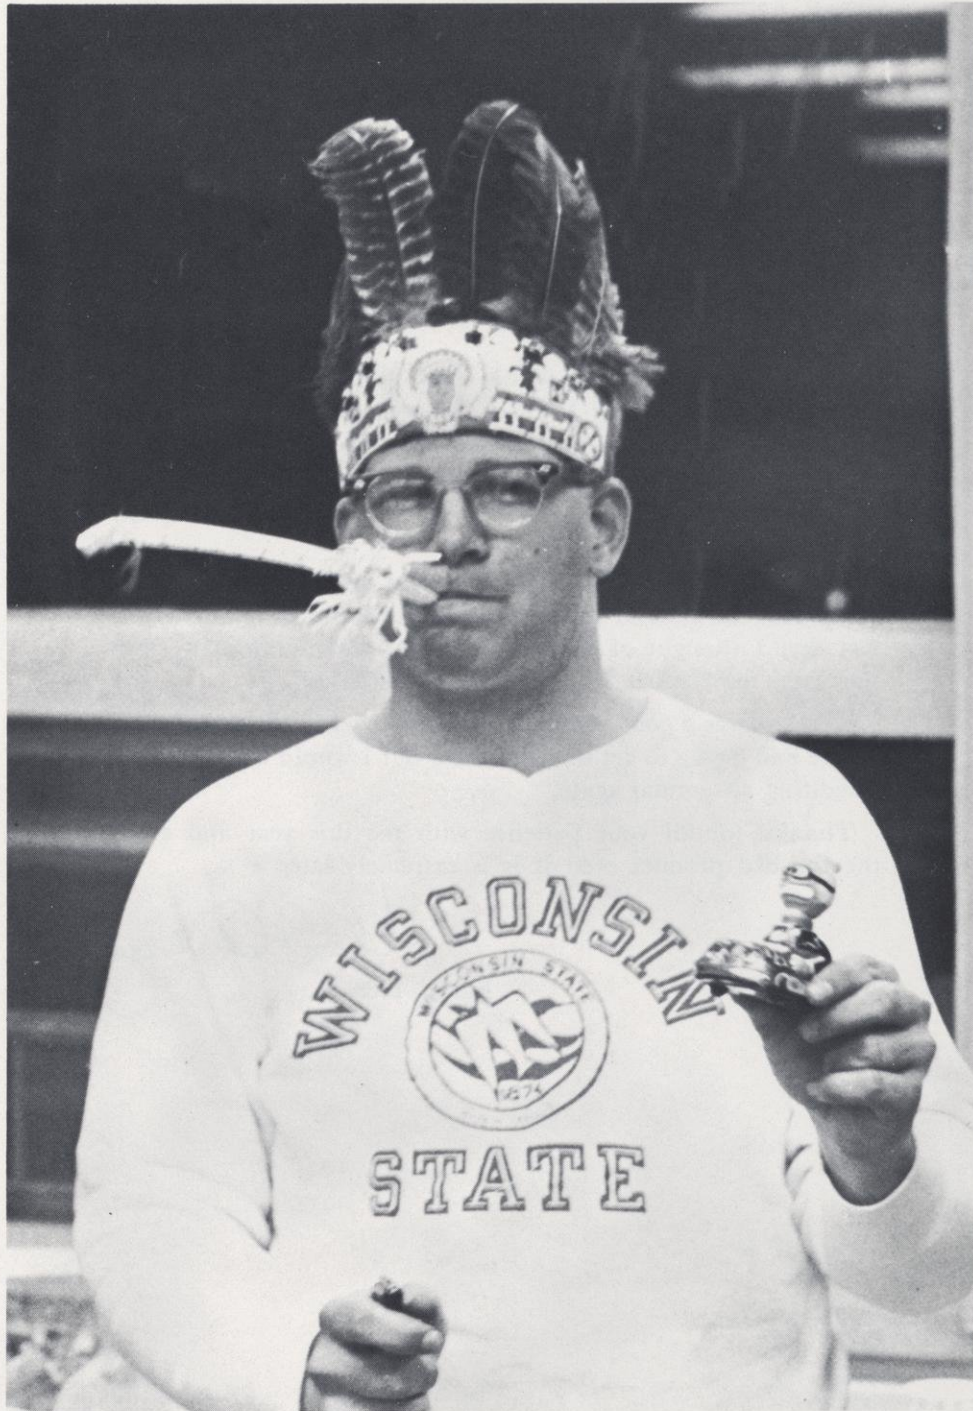

EPILOGUE

A word of explanation should now be forthcoming. In the first place, troops, in the Table of Contents a nonexistent "Index to Classes" is listed. In one of many fits of madness I thought an Index would add "class" to the book; it probably would have if I'd ever gotten around to doing it. So, enjoy the eight pages of pictures instead.

If you feel the MELETEAN reflects the editor's opinions more than the general student opinion it is probably due to the fact that I thought of the MELETEAN as "my annual", thus starting a new spirit in professional journalism.

In all, it was a good year and I wouldn't trade the experiences I have had trying to get this book out, but I would never consent to editing an annual again.

Thanks, for all your patience with me this year and enjoy the finished product even if it is extremely late.

Helen Avery

Editor 1965-66
