JUNIORS GIVE PROM PROFITS TO UNION FUND

\$1,000 Donated at Meeting of Class; Follet Reports

\$1,275.38 Cleared

The juniors took up with a vim the gauntlet thrown by the other classes in the Union Memorial drive when they unanimously voted at the meeting yesterday to give \$1,000 of the profits from Prom to the fund, thereby taking the lead in the race between the various classes.

The meeting was to have been held in Music hall, but atmospheric conditions were too alluring and it was held on the upper campus instead. Lothrop Follett, Prom chairman, gave the financial report of the big social function and stated that the total profits amounted to \$1,275.38. The \$1,000 that was voted to the Union fund will be a great impetus to the drive which is being carried on until the close of the semester.

The statement of the Prom finances shows that the class actually lost money on Prom itself, but they were able to more than make up this deficit by the Grand theater benefit, the Glee club concert and the pre-Prom dances.

The statement as prepared by Taylor H. Seeber, Prom treasurer, is as follows:

Income From Prom

Prom ticket sales (\$7)	\$4,634.00
Prom ticket sales (\$5)	50.00
Spectator ticket sales (\$1)	286.00
Box rentals	455.50

FRIDAY LAST DAY TO ORDER CAPS AND GOWNS AT CO-OP

Friday will be the last day that seniors can order caps and gowns at the Co-op, according to Fred Bickel, president of the senior class. No seniors will be permitted to march in procession to Main hall commencement day unless properly dressed in cap and gown.

MICHIGAN HERE FOR BASEBALL

Will Meet Badger Nine Friday With Record of No Defeats

Badger baseball fans will have a chance to see the championship contending University of Michigan nine in action at Camp Randall on Friday afternoon of this week in the last game of the season for the local team. The game will start at 3:30.

The Wolverines, led by their star pitcher and captain, Parks, have traveled the road of conference games thus far this season without defeat, a record of which no other team can boast, and need only one more game to make them undisputed champions. Their schedule will be completed on this trip with a game at Illinois Saturday, and since Ohio has lost only two games Michigan can drop one of the two battles and still take the title. If she should be so unfortunate, however, as to lose them both the result would be a tie with Ohio for first place.

It is doubtful if Coach Lundgren will start Captain Parks in the Badger game, but he has two other twirlers who are almost as good. Ruzicka has not lost a conference game and Schiedler was effective enough to blank the Badgers by a 5 to 0 score at Ann Arbor a few weeks ago.

Tony Zulfer, who lost the only two games he has pitched all year by bad breaks in the last innings of both games will probably be Coach Kent's pitching choice, with Miller and Ogle in reserve. The remainder of the line-up will be the same as has played together in the last four games.

Whether or not the Wisconsin record for defeating prospective conference champions, during the year, earned by virtue of victories over Chicago in basketball and Illinois in track and football, will be maintained in baseball remains to be seen.

28 MEN ELECTED TO HONORARY FROSH ATHLETIC SOCIETY

At the last meeting of the Athletic board, 28 men were elected to the Freshman Athletic association, an organization which was begun last year as an incentive to keep freshmen in school and urge upon them the necessity of keeping eligible for athletics. Four men are elected each year from football and track, three each from baseball, basketball, swimming, and cross country, and two from gymnastics, wrestling, tennis, and hockey.

The men elected are:

Football—H. H. Holmes, R. Irons, Don Murray, Clarence Post.

Baseball—C. Reudiger, H. A. Vanderhoof, J. M. Pickford.

Basketball—G. Tebell, L. R. Gage, E. J. Frawley.

Track—D. G. Noble, R. O. Blodgett, R. F. Gibson, L. W. McClure.

Cross country—G. Wade, L. C. Tschudy, G. H. Finkle.

Gymnastics—F. Kubosch, M. E. Hanson.

Wrestling—W. H. Klass, R. L. Mason.

Tennis—A. T. Treadwell, N. Aagesen.

Hockey—J. R. Shields, M. G. McQuade.

Swimming—H. Roy, A. H. Lahman, R. V. Davies.

GREEN BUTTON BANQUET ENDS FROSH EVENTS

Will be Held Tonight at 7:30 at the Candy Shop

The biggest and last event of the freshmen year will be the Green Button banquet to be held at 5:30 tonight at the Candy shop. Marjorie Severance, president of Green Button, will act as toastmistress and the following will respond to toasts: Dean A. C. Andreson, Isabel Capps, Angeline Bates, Helen Badenock, Helen Elliott, Olivia Fentress, and Alice Outhouse.

Cleo Parsley has charge of the ticket sale for the banquet, and tickets are now on sale in Barnard and Chadbourne halls. All women expecting to attend must purchase their tickets before this evening, as no tickets will be sold at the Candy shop. Gertrude Heller is handling the publicity for the banquet, and Maude Killam and Beatrice Perham will provide special music.

All freshmen women are urged to be present this evening, as this is the last get-together this year. Nominations for next year's officers will be made at the banquet, and election will be held on Monday. Next year the vice-president of the class will act as social chairman, and the secretary will act as publicity chairman. All women who expect to vote on Monday should attend the banquet this evening.

COMMERCE "MAG" EDITORS PRESENTED WITH LOVING CUP

Schmidt and Neisser Receive Appreciative Tokens at Club Banquet.

Silver loving cups were presented to Arno J. Schmidt and Walter Neisser in appreciation of their services with the Commerce magazine at a banquet attended by 30 of the staff last night. Lloyd Strope, acting in behalf of the Commerce club, presented the cups.

Both men have been active in commerce affairs. Arno Schmidt has been with the magazine since it started, working up from circulation manager to business manager. He has also served as secretary of the Commerce club, and at present is president.

Walter Neisser was assistant editor last year, and during the present year has been editor of the magazine. He is also a member of the Commerce club.

Prof. F. H. Elwell spoke on the co-operation needed in publishing a magazine, while Prof. E. H. Gardner talked on "The Functions of the Magazine."

LAST OCTOPUS TO BE ON SALE JUNE 9

The Octopus board of editors has at last passed on the copy for the First Annual Last Number of the Octopus, and it has passed on to the printers. It will come out Wednesday, June 9.

The rumor is spreading around the campus that "Bob" Herz, retiring managing editor, and John McPherrin, retiring business manager, are intending to have one last splurge in this Octopus. It is said that they will do all the astounding things they have not quite dared to try up to this time.

There is no doubt that if this rumor is founded on fact, there will be nothing slow about the First Annual Last Number. An unprecedented circulation is expected by the board.

TRACK SEASON TO CLOSE WITH BIG TEN MEET

Badgers Have Chance to Place High; Many Teams Entered

Coach Tom Jones' track athletes headed by Captain Andrews, will close one of Wisconsin's most successful track seasons by competing in the Western Inter-collegiate track and field meet on Ferry Field, Ann Arbor, Michigan, next Saturday afternoon.

The mass meet this year, the 20th annual conference meet, promises to be the biggest and probably the hardest fought for several seasons with a list of entrants numbering up to the hundreds representing 23 schools throughout the country.

Outside Colleges Entered

Besides the universities belonging to the "Big Ten" conference the institutions which have entered men are the Universities of Missouri, California, and Kansas; Notre Dame university, Wabash college, Butler college, Iowa State college, Des Moines college, Cornell college, Michigan Agricultural college, Kansas State Agricultural college, Knox college, and Mississippi Agricultural and Mechanical college.

Because of the fact that this unusual number of schools are entered, dope on the outcome is rather obscure. A few individual stars will decide the results one way or another, and the chances of favorite teams can be ruined by a dark horse plucking a first here and there.

Suckers and Badgers Favorites

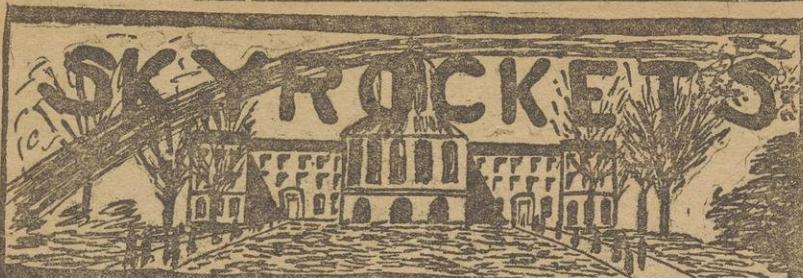

At present, Illinois and Wisconsin are looked to as the strongest competitors for first honors. With Johnson of Michigan probably out of the way the Badger chances for firsts in the hurdles look good with Andrews and Knollin running in fine form. Other firsts that Wisconsin should take are the broad jump with Sundt entered and the pole vault with Endres, who has cleared the bar at 12 feet 3 inches.

The best bets of Coach Gill of Illinois are Emery and Donohue in the 440 yard dash, Spink in the half mile and Wilson and Bennet in the weights. If California proves stronger than the Suckers in some of their best events, it might mean victory for Wisconsin. Bruin, a Pacific coast weight man has a record of 134 feet in the discus and 157 feet 10 inches in the hammer throw.

Because of her supremacy in the weight events Chicago has been doped by many to place high in the meet. Higgins should be good for firsts or seconds in the shot put and hammer throw, and the Maroon coach has Otis and a few other good distance men who are counted on to win points. Twenty points in a meet in which so many are entered are usually enough to win and two firsts would be half of the total required.

MARJORIE HUBER'S CONDITION IMPROVED

Marjorie Huber, who was injured in the automobile accident Monday evening, will recover, although she is still in a serious condition, according to the statement of Dr. Joseph Dean yesterday afternoon. Mary Voorhees, who was hurt in the same accident, will be out of the hospital in two or three days, according to the doctor's statement.

AFTER the awful attack made by the women upon this column of piffle, we are really at lost to know just what a good opening is. Someone told us we had some good contribs, but we must answer that the contribs were pretty much beyond use. We haven't got any ice, and they didn't keep well.

LAWS TO BATTLE
COMMERCE FOR
COLLEGE HONORS

Commerce and Laws will clash in the final game this afternoon at 5 o'clock on the lower campus to decide the inter-college championship. If the lawyers win they will be the undisputed champions, but if Commerce wins three teams will be tied for top place, Commerce, Law, and the Agrics.

Batteries for today's game will be as follows: Commerce—Paddock and Prokop; Law school—Robinson, Duncan, Kearns, and Spohn.

Yesterday afternoon the freshmen beat the sophomores 5 to 4 in the first inter-class game. The freshmen will play the juniors tomorrow at 4:30 p. m. on the freshmen field.

Inter-class captains are as follows: Lonsdorf, seniors; Pfrang, juniors; Taylor, sophomores; Ruder, freshmen.

FROSH ORATORICAL
CONTEST POSTPONED

Freshman Oratorical contest between Castalia and Pythia, women's literary societies, has been postponed from Thursday night, June 10, until next fall, because of freshmen Green button night on that date. There is no open date between then and the close of school, making it necessary to postpone the meeting until next fall.

THE TENNIS HOUND
Of all the pests that e'er had birth

Upon this mercenary earth;
By far the worst that I have found,
Is the infernal tennis hound.

At four a. m., or sometimes three
I hear his noisy repartee;
He amputates my peaceful snooze
And gives me forty kinds of blues.

To me there is no sporting name
More pleasing than the tennis game;
And championships of every sort,
I've captured on the tennis court.

But there's a time for making hay,
A time to eat, to sleep, to play;
And no half-educated pup
Plays tennis ere the sun is up.

One of these mornings I declare,
I'll be obliged to more than swear;
I'll interrupt his serenade
With a 6-cylinder hand grenade.

SOCIOLOGY CLASS TO
TAKE TRIP TO STATE
PRISON AT WAUPUN

Prof. J. L. Gillin's class in sociology will take a trip to the state prison at Waupun Friday for the purpose of examining an institution for criminals and the construction of the places.

The study of the architecture is important as having connection with the cells and means of confinement. The class will go through the twine factory and the prison farm. Special attention will be given the provisions for the health of the occupants and sanitary conditions.

The members of the class will make the trip in cars starting from Madison at 7:30 a. m. and returning at 6 p. m.

SQUARE CLUB GIVES
PALM BEACH PARTY

The Square club will hold a Palm Beach party at Edwards park on Lake Waubesa, Friday afternoon and evening. The club members will leave Wirk's boat landing at 5 and 7 p. m., for a basket picnic followed by a dancing party in the park pavilion. Music for the dance and boat ride will be furnished by Thompson's orchestra. The party will be chaperoned by Mayor and Mrs. Milo Kittleson.

SEMI-FINALS IN
INTER-FRATERNITY
LEAGUE THIS WEEK

Semi-finals in inter-fraternity baseball will begin this week and games played off as soon as they can be arranged. At present there are a number of ties for second place which will have to be played off before the team entering can be determined. Drawings for the semi-finals have already been made by designating the teams in each division:

Div. 3—Team 1 vs. Div. 1, team 2.
Div. 5—Team 2 vs. Div. 2, team 1.
Div. 2—Team 2 vs. Div. 4, team 1.
Div. 3—Team 2 vs. Div. 5, team 1.
Div. 1—Team 1 vs. Div. 4, team 2.

Semi-finals will be played as arranged by the committee so that the final game may be played Saturday, June 12.

In the semi-finals, the five win-

ners of the first round will draw for the second round. The team drawing the lye will play in the third round. The two winners in the second round will draw to see which team will play the team drawing the lye in the second round.

WOULD REPEAL WARTIME ACTS

House Committee Favors Killing of Emergency Legislation

WASHINGTON—By unanimous vote the House judiciary committee today ordered out a resolution repealing all war time emergency legislation excepting the Lever food control act, the trading with the enemy act and the District of Columbia rent proffering measure.

Chairman Volstead told the committee that he would attempt to have the House adopt the resolution before adjournment Saturday. House action he said would be attempted under suspension of the rules which would permit only 40 minutes of debate.

The wartime prohibition act also would be repealed by the resolution.

"Wets" on the judiciary committee insisted on having this act included in the list in the hope that the way to the sale of liquor would be reopened through a supreme court decision holding the constitutional prohibition amendment invalid. Congress, however, has gone on record against repeal of the wartime act through the passage of the Volstead enforcement law over the president's veto.

EXHIBITION OF STAGE LIGHTING FEATURED BY ARTS AND CRAFTS

An exhibition of stage lighting on a model stage was the main event on the program of the Arts and Crafts club which met last night at the manual arts laboratory.

Stanley McCandless is the constructor of the model stage, and the lighting problem is his thesis. Lighting effects from night to noon and noon to night were the range.

After the demonstration McCandless answered questions about the theory of the problem, and its working out.

8 DELEGATES TO LEGION MEETING

William Cairns post of the American legion elected Col. John G. Salsman, Maj. George F. O'Connell, the Rev. T. B. Johnson, Theodore Lewis, Glenn W. Stephens, Timothy Brown, H. L. Garner and Robert S. Allen Tuesday evening as delegates to the first state convention of the legion in Green Bay June 29-30. O. T. Toebaas and Leo Levenick were elected alternates. The meeting was held at the G. A. R. room in the capitol.

The executive committee will designate a committee to collect souvenirs of the war for the post club rooms, which are to be fitted up this week. Pocket billiard tables have been donated by James L. Clark, B. H. Doyon and Harry Kessenich. A 50-piece band is the aim of the local post.

What the College Editors Say

NEEDED ADVICE

Choosing a life work or the picking of the line which is sure to lead to success is today one of the most serious questions which the average American college man or woman has to face.

Consider for one minute how many men and women there are at this university who ramble joyfully through the first and second—yes, perhaps the third—year of their college career ever forgetful of setting a goal of achievement or of establishing a definite aim toward which they can work. Picking a subject here and another one there, with little concentration on any one curriculum, these unfortunates miss entirely the chief aim of the university until it is too late. Many a man or woman is compelled to withdraw from schools entirely or return for another year or two because he or she gave little thought to the future while in college, when action counted for everything.

Yearly this university spends thousands of dollars in publishing bulletins outlining the courses offered by the various departments and a carefully drawn-up curriculum to be followed.

How many students use these suggested courses to advantage? Very few, and it would be safe to say that many would not even know where to look for them. In most cases, little thought is given to the selection of courses. Too frequently the easiest and most convenient subject is scheduled, which invariably leads to trouble in the future. Many underclassmen in the university today regret bitterly that they did not early in their school career specialize and, after choosing the road, follow it to a letter, as the advisory books suggested.

These people now carry heavy hours, are forced to draw up irregular schedules and are overburdened in trying to squeeze a mountain of work into one small semester, while the wise student sails along, glad in his own mind that he has used advice to good advantage.—Ohio State Lantern.

CLEAN EXAMINATIONS

WITH final examinations only nine days off it is well to consider what attitude the student body is going to take on the question of common honesty. Undercurrent rumors have been circulating recently to the effect that the faculty has determined to employ all possible means to reduce alleged cheating to a minimum.

It is doubtful whether increased vigilance or more efficient spy work on the part of the watchers can permanently root out the evil of dishonesty in examinations. Fundamentally it is a problem for the student himself. It involves the most sacred principle in the life of the individual—honor. This virtue cannot be superimposed from without any more than goodness can be beaten in by a policeman's club.

It would be a sad commentary on student life at Wisconsin if the faculty found it necessary to fight alone to eradicate cheating. Such a condition would indicate that the students are indifferent in the face of a great moral issue. Lest this impression should get abroad, every man and woman in school should enlist at once in the campaign to blot out the last trace of dishonesty in examinations.

The object can be accomplished without a blast of trumpets, massmeetings, oaths, pledges, and the like. When every student on the hill stops considering cheating as a minor offense to be joked about and regards it as a serious breach of personal honor the problem is largely solved. Any student who persists in looking upon the matter lightly is fatally deficient in his spiritual make-up and does not deserve the respect of his school mates.

Thomas Jefferson was once president of a university in Virginia. He was called on to administer a rebuke to the students one day for a grave breach of discipline. Standing before the assembly of students he was overcome with emotion and said only this in broken tones:

"Young men, remember you are sons of Virginia."

Such an appeal was more effective than anything else Jefferson could have said or done.

It is the same appeal to honor that should forever save Wisconsin from any suspicion of dishonest examinations hereafter.

WOMEN'S FIELD DAY

NEXT Saturday women will occupy the athletic limelight at Randall field. All-university tilts for premier honors in baseball, archery, and track will combine to make the day one to be long remembered in Badger annals.

There are many reasons why students should lend unanimous support to the annual Women's Field Day activities. In this manner women get their share of athletic leaders. Although the love of competition supplemented by the benefits derived is enough to warrant a field day for women, that is not the place to stop. Bleacher backing is a certain means for showing that the ideal is the girl who does not overlook physical self in preference to social leadership.

Another chief consideration is the fact that the funds derived will go to swell the Union Memorial building fund. Here

a large turnout again serves a double purpose: it will encourage the women to keep up and further their good work besides enabling us sooner to realize our quota, now long past due.

The entrants are not mediocre performers. Several Wisconsin women hold intercollegiate records in their events. The group of aesthetic dancers that will top off the day's activities has been heralded throughout the college world for its splendid performances during the past year. On invitation its members have entertained with their distinctively original dancing, capacity audiences at Indiana, Ohio State, Michigan, Chicago, and Illinois. For to "miss out" on this new departure in the field of classical dancing is nothing short of self-denial of a real treat.

The BULLETIN BOARD

COMMUNICATIONS

TO CORRECT FALSE IDEAS

To the Editor of The Cardinal:
Due to distorted stories of the recent killing, in The Chicago Tribune and other newspapers, our university has received one of the "blackest eyes" in its history. All over the state, the impression is being given that this place is a veritable "den of iniquity," a "hell-hole" of the worst description. Something must be done to correct this false idea, and The Daily Cardinal is in a position to do it.

There is just one course of action to take. Write truthful accounts of the killing, have it signed by President Birge, and then mail a copy to every paper in the state of Wisconsin. In addition to this every student should write home and give his folks a correct account of the whole occurrence.

H. E. SCHRADER.

DISCLAIMS SIGNATURE

To the Editor of The Cardinal:
Whoever attached my signature to the communication in Friday's Cardinal pulled a colossal "boner." I am not attempting to seek cheap notoriety nor am I trying to gain the favor of any group as the communication would indicate.

TELL MOTIVES OF CONGRESS

Mothers Meet Here to
Stress Welfare of
Child

"The object of the National Congress of Mothers and Parent-Teachers' associations is the welfare of the child. We work through the home, the school, the church, the state," said Mrs. Frederic Schoff, president.

"Our 'slogan' is 'Children are our tomorrow and as we mould them today so will they deal with the world then.' By promoting the establishment of Parent-Teachers' associations we reach the home and the school. By cooperation with the churches we establish the spiritual welfare of our children; one-half the protestant children of the United States have no spiritual training, we have discovered. We agitate for larger and better school boards, for larger appropriations for education. We discuss state and national legislation. We are greatly interested at this time in the Smith-Tower Maternity and Infancy bill.

"The emphasis of this congress is especially on child hygiene. Dr. C. C. Pierce, assistant surgeon general, U. S. public health service, will give one of the chief addresses on this subject."

The opening general session of the 25th annual conference of the National Congress of Mothers and Parent-Teacher associations will be held Thursday night, 7:30, in the capitol. All meetings are open to the public and will be held in the capitol except that scheduled for Saturday in university hall, and that Tuesday evening in music hall.

Dr. Jessie A. Russell, state president of the California congress of Mothers and Parent-Teachers associations, is here as the personal representative of Gov. William D. Stephens of California. She has just come from the California state convention at Los Angeles, which was attended by 889 delegates, and the same number of alternates.

The average attendance at the California convention was more than 2,500, according to Dr. Russell, who said that the congress has a membership of 40,000.

Mrs. David O. Mears, Cambridge, Mass., and Mrs. Milton P. Higgins, Worcester, Mass., were chosen by members of the national board of managers of the National Congress of Mother and Parent-Teachers associations at a meeting in the Park hotel on Wednesday, as delegates to the International Council of Women in Christiana, Norway, Sept. 8-17. The purpose of this council is to interest all the women of European countries in public affairs.

PALMER SCOFFS AT CRITICISM

Attorney General Not Impressed by Charges of "Communists' Lawyers"

WASHINGTON — Atty. Gen. Palmer turned aside today from his prepared answer to criticisms of Assistant Secretary of Labor Post to discuss before the house rules committee the criticisms of the department of justice in regard to deportation proceedings contained in a report of a committee of twelve lawyers recently made public by the national popular government league. The attorney general said he did not know all of the signers of the report but that he was "not favorably impressed" by those he did know.

"We find several of them appearing as counsel for communist and communist labor party members at deportation hearings" he said. "I have difficulty in reconciling their attitude with that of men who have sworn to uphold the constitution of the United States."

Mr. Palmer said he had investigated every charge made in the report and that all excepting two he was prepared to refute without fear of further contradiction.

The two he excepted would be answered as soon as investigation of them could be completed, he said.

The attorney general also told the committee that while he was before it yesterday, Assistant Secretary Post had cancelled the deportation warrant of Paul Bosco, a Russian.

At the deportation hearing Mr. Palmer said Bosco told the im-

migration inspector he thought "the red flag should fly above the stars and stripes because the red flag represents internationalism."

SUGGESTIONS FOR MUSIC LOVERS

No. 11. Distinguishing Between Music and Rendition

Most of us need training in distinguishing between the music and the particular way in which it is rendered.

Many a person thinks of Celeste Aida entirely in the terms of Caruso singing it. The same composition played with the cello might not be recognized as Celeste Aida. Songs, especially when we know the words, frequently interest us so much by the story they tell that we almost forget the music.

In the five semi-final contests stress is laid on the music alone. No words will be sung in the songs. They will either be replaced by humming or whistling or by the tones of the piano or some other instrument.

In the final contest at the Strand theater at 5 p. m., Friday, all of the 28 numbers will be played by exactly the same group of instruments, namely, a string quintette, that is, two violins, viola, cello, and piano.

A person, therefore, who is able to recognize and name these pieces as they are being played during the last three days will be so trained that no matter when or how he hears them rendered hereafter he will immediately identify the composition.

This is frequently of great value. For example, with the marked improvement that is being made in the music that accompanies moving pictures more excellent material is being introduced. Much pleasure can be had if the listener can, by quickly identifying the changing music, grasp the connection or correlation which the music director has in mind.

The same condition applies to pageantry, interpretative, dancing, the drama, and many musical compositions utilizing themes from master works.

REQUEST BAIL FOR LYNAUGH

Attorneys Apply to Judge;
Preliminary May be
June 10

"I have concluded that in view of the fact that the preliminary hearing will be held next Thursday, at which time I will get the full facts, that I should withhold the question of whether the defendant should be allowed to give bail or no, and if so in what amount until, that time." Such was the statement of Judge Hoppmann at 3 o'clock this afternoon.

Application for bail was made this morning by James M. Clancey, of Stoughton, attorney for Mathew Lyнаugh, Madison policeman, who is charged with shooting and killing Carl E. Jandorf, university sophomore last Friday. Judge Hoppmann, before whom the case will be tried has taken the matter under advisement. Although District Attorney Roman Heilman could give no definite statement, it is believed that at least \$10,000 bonds will be asked. Whether or not any bail will be granted is a matter for the decision of the judge. Alfred H. Bushnell, Madison attorney, is working on the case with Mr. Clancey.

The preliminary examination has been tentatively set for 10 o'clock Thursday morning, June 10, Mr. Heilman said this afternoon, and will determine the nature of the offense.

Matthew B. Lyнаugh, police officer who shot and killed Carl E. Jandorf, university sophomore, Friday afternoon, is to be arraigned in the superior court this month on two charges: murder in the first degree, and manslaughter in the second degree, according to an announcement by Dist. Atty. Heilman, following the inquest at which a coroner's jury recommended that Lyнаugh be held for trial.

Lyнаugh faces a sentence ranging from four years to life imprisonment, said Mr. Heilman. The second count, second degree manslaughter, was added to the complaint to make a conviction more certain.

To Ask \$10,000 Bonds.

After the inquest Lyнаugh was taken back to his cell in jail. An effort will be made to have him released on bail Friday, and \$10,000 bonds will probably be asked.

John F. Baker, an assistant attorney general, will be Mr. Heilman's assistant during the trial.

Mr. Heilman interprets the statutes to mean that though murder in the first degree must be premeditated, yet the "design to effect death" need only be existent in the mind of the criminal for a moment. Using this interpretation, the complaint charges the patrolman with first degree murder.

1,000 TAKE PART IN MUSICAL FETE CLOSING MUSIC MEMORY CONTEST HERE

City and University Choral Bodies Unite in Brilliant Program at Gymnasium; 2,000 Attend

Almost 1,000 people took part in the musical fete Tuesday night at the University gymnasium which closed the music memory contest conducted during the last six weeks. A chorus of 750 grade school children, one of 250 high school girls, the Mozart club, Miss Margaret H'Doubler's class in interpretative dancing, a group of violins from the Wisconsin school of music, the university Regimental band, the chorale union, and the choirs of the city, were among those who interpreted some of the finest things there are in music.

Over 2,000 people, university students, school children and towns people overflowed the gymnasium, many being forced to line themselves along the wall.

Prof. Peter W. Dykema, director of the program, paid high tribute to the work of the public school music teachers who had so trained the children that they preferred good music to that of jazz level.

The semi-finals, or the preliminary tests of the music memory contest, which will give an opportunity for anyone to enter the final contest, will be conducted as follows:

SCHOOL BOARD MUST BORROW

\$200,000 Needed Until Feb. 1; New Teachers Are Named

The board of education must borrow more than \$200,000 before next February as additional funds with which to conduct Madison schools, according to the report by Secretary John Moran at the school board meeting Tuesday night. At the present time there is but \$35,000, for the use of the schools until February and the monthly payroll alone amounts to \$30,000.

The board confirmed the action by the committee on playgrounds in securing the services of M. H. Albertz in conducting garden work. The matter of securing specifications for connecting the heating plant of the Longfellow school with one of the adjoining buildings was referred to the building committee.

The request of the Madison religious day school for the use of four rooms in the Randall school and four in the Hawthorne on June 14 for the purpose of holding sessions was denied.

A petition asking the board to buy more ground adjoining the Harvey school will be referred to the special committee on school sites. J. A. Buckmaster was awarded a contract for installing a clock system in the Emerson school.

The committee on teachers reported that the resignations of F. J. Mallien, manual training instructor in the high school and Mrs. Helen Law, kindergarten assistant at the Randall school, Miss Marie Paltz of the Hawthorne school and Miss Margaret Vick of the Randall school have been accepted. The list of the following persons who have been elected to positions in the schools for the next school year was announced: Miss Mildred Overton, Miss Agnes E. Anderson, Miss Ruth Hendrickson, Miss Esther L. Snyder, Miss Ella C. Schuld, Miss Matilda Arneson, Miss Mabel White and Miss Dorothy B. Harrison.

FINED \$55,000 AS PROFITEERS

Syracuse Dealers in Wearing Apparel Convicted
On 11 Counts

SYRACUSE, N. Y. — The John A. Roberts Co., dealers in wearing apparel, was today fined \$55,000 by Federal Judge Howe following its conviction of profiteering on 11 counts.

In imposing the fine the heaviest the law would permit Federal Judge Howe said:

"I believe that convicted profiteers should be sent to jail. That would do more than anything else to impress the merchants who are doing business that they must confine themselves to fair and reasonable profits."

"But the defendant being a corporation in this case there can be no prison sentence. I believe it is plainly the duty of the court to impose the maximum sentence which is \$5,000 in each count or a total of \$55,000 and such is the sentence of this court."

FRESHMEN TO HOLD CONVO AT 4:30 FRIDAY

Will Elect Delegates to Soph Commerce Advisory Commission

A convocation for all Freshmen will be held in the auditorium of the P. E. building Friday afternoon at 4:30. The purpose of the meeting is to elect officers for the Sophomore Commerce Advisory commission. Although the time of the meeting will make it impossible for many to attend, it is requested that as many freshmen as possible turn out and elect the men they want to fill the executive positions.

Professor S. W. Gilman will talk for the first half-hour on the work of the Commerce school, and the importance of the first two years of work at the university in preparation for the last two years in the Commerce school. All freshmen know the importance of getting a good start during the first semester, and the purpose of the commerce advisory commission is to see that the men coming next fall get a good start and keep on the right track.

All commerce students should be interested in the work of the advisory commission, and in the commerce school particularly. Professors Gilman and Gardner are working hard for the success of the Commerce school, trying to make it the best in the country, and with the aid of the students they feel sure that this high standard will soon be attained.

All freshmen will notice that cap night has been officially called off, according to a report received from H. B. Perkins, president of the Freshmen class.

NINTH INNING RALLY BEATS SOPHOMORES

It took two upperclassmen to catch the fly hit by Frances Drake in the third inning of the 19 to 18 baseball game between the sophomore and the upperclass teams at Camp Randall yesterday. But they caught it, and continuing this remarkable team work, wrenched victory from defeat when, in the last half of the last inning, with the score 18 to 18 in favor of the sophomores, they scored six runs in rapid succession.

This game, the second one of the schedule, eliminates the sophomore team and leaves the freshmen and the upperclassmen to fight it out for the championship on Field day.

The championship baseball game will be only one of five interesting athletic matches which will close the athletic season for women on June 5. The track meet, the archery match, the quoits tournament, and the tennis game will all be played off that day, beginning at Camp Randall at 3:30.

ENGINEERS ELECT STRONG MINSTREL SHOW CHAIRMAN

At a meeting of engineers to decide upon the date for next year's minstrel show, Foster Strong was elected chairman, and it was decided to hold the big show during Homecoming week. The show will run two nights so as not to conflict with other parties on the campus, and to make it possible for all students to attend.

The committee has not decided as to the nature of the show, but work will be carried on all summer. The Minstrel show is one of the big events of the year, alternating each year with the university circus.

PRESIDENT BIRGE PRAISES SENATE HAZING ACTION

Commends Work Done in Suppressing Student Indignation After Shooting

"I want to congratulate you for the way in which you handled the hazing problem," declared President E. A. Birge before the student senate last night.

"The question of hazing, with all the complications which developed from time to time, was indeed well taken care of. For a time I was somewhat fearful of the real results, but now I am sure that it was only through your efforts and the goodwill of the student body that hazing has been brought to its proper sphere."

"The work done by the student senate last Friday night in quelling the indignation which was aroused over the shooting is also to be commended very highly. And in behalf of the faculty I wish to extend the best of praise."

Milton Borman was elected temporary chairman to act in place of President Vincent O'Shea who will graduate this spring.

Two committees were elected as follows: Student publications committee, Leon Kaumheimer, chairman; Milton Borman, and Reuben Chadbourne. Elections committee, Clyde Emery, chairman, Foster Strong, Reuben Chadbourne, Leon Kaumheimer, and Morton Frost.

DITHMAR WILL ADDRESS CLUB AT Y. M. C. A. TONIGHT

Lieutenant Governor Edward F. Dithmar, prospective candidate for governor, has been invited to address the members of the Dithmar-for-Governor club in the cabinet rooms of the University Y. M. C. A. tonight at 7 o'clock. Mr. Dithmar, who is a graduate of the university, will probably discuss the present political situation in the state and the issues of the coming campaign.

The Dithmar-for-Governor club is a voluntary student organization of some 30 members, composed of representative men from various school activities, who are interested in furthering the progressive Republican movement in Wisconsin.

The Dithmar club has held weekly meetings for the past two months and has been addressed by prominent speakers from different parts of the state on the history and organization of state politics. It is planned to make the club a permanent organization in the school to meet the needs of students, particularly those living in Wisconsin, who wish to know more about the political machinery and the political activities of their state. It is also planned to organize a girls' organization of similar character for the discussion of political questions and to arrange joint meetings to be addressed by prominent political leaders.

SENIORS SLOW IN SUBSCRIBING TO CLASS CHIMES FUND

So far only 275 seniors have mailed in their subscriptions to The Senior Chimes fund. This is less than half the total number of seniors and only 13 of the 40 organizations have made their contributions.

Members of the committee who have collected in their houses should mail subscriptions in at once. This class with its exceptionally large enrollment should be able to raise the full \$2,000 since other classes with war time enrollment fell only a few hundred short.

Seniors can fulfill their obligations by mailing \$4.00 to the Senior Memorial committee at 640 North Henry street at once.
