The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

THERE IS ONLY ONE...

Phospho-Soda

(FLEET)*

an ethical saline cathartic

Prominent clinicians are increasingly reporting^{1,2,3,4,5} the value of sodium phosphates for controlled catharsis—available in scientific formulation in Phospho-Soda (Fleet)*, which has enjoyed such wide acceptance by the medical profession for so many years.

In fulfillment of modern authoritative requirements, this dependable saline laxative provides an ease of administration and a gently efficient action that have made it a prescription favorite for many physicians whenever thorough, safe elimination is desired.

Phospho-Soda (Fleet)* is a precise combination of two official phosphates of soda in uniform, stable and palatable form. It is advertised exclusively to the medical and dental professions; supplied in bottles of 2½, 6 and 16 fluid ounces, at all pharmacies.

PHOSPHO-SODA AND *FLEET* are registered trademarks of C. B. Fleet Co., Inc.

Professional Samples
Available on Request

Phospho-Soda (Fleet)* is a solution containing in each 100 cc. sodium biphosphate 48 Gm. and sodium phosphate 18 Gm.
