IV. Budget Transfers

The Vice President of Business and Finance presented the report of budget transfers for June, 1954, for the information of the Regents. (EXHIBIT C attached)

The Secretary reported that the Wisconsin Alumni Association has appointed Miss Maxine Plate of Wauwatosa, Wisconsin, as a member of the Board of Visitors for the term ending July 1, 1958.

Regent Gelatt presented the report of the Educational Committee.

Upon motion of Regent Gelatt, seconded by Regent Renk, it was VOTED, That Leonard L. Ingersoll, emeritus professor of physics, be employed on a special service contract, part-time basis, for the period June 16, 1954, to June 15, 1955; salary not to exceed \$4,052.50 for the period; charge to Office of Naval Research contract.

Upon motion of Regent Gelatt, seconded by Regent Watson, it was VOTED, That John R. Roebuck, emeritus professor of physics, be employed on a special service contract, part-time basis, for the period July 1, 1954, to June 30, 1955; salary not to exceed \$5,700 for the year; charge to Department of Army, Ordnance Corps research contract.

Upon motion of Regent Gelatt, seconded by Regent Wanvig, it was VOTED, That the retirement as of July 1, 1954, of Bernice D. Kuney, associate professor of English, Extension Division, be accepted; and that she be appointed emeritus associate professor of English, Extension Division, effective July 1, 1954.

Upon motion of Regent Gelatt, seconded by Regent Renk, it was
VOTED, That Bernice D. Kuney, emeritus associate professor of English,
Extension Division, be employed on a special service contract, on a part-time basis,
for correspondence English instruction for the period July 1, 1954 through June 30,
1955, at a total salary of \$2,820 to be charged to the Extension Division 1954-55
budget.

Upon motion of Regent Gelatt, seconded by Regent Laird, it was
VOTED, That Don D. Lescohier, emeritus professor of economics, be employed
on a special service contract, part-time basis, for the academic year 1954-55;
salary not to exceed \$3,775 for the year; charge \$2,760 to open item for asst. prof.
($\frac{1}{2}$), p. 67, and \$1,015 to L & S Undistributed Instruction, 1954-55 budget.

Upon motion of Regent Gelatt, seconded by Regent Wanvig, it was
VOTED, That Oliver S. Rundell, emeritus Dean of the Law School, be employed
on a special service contract, on a part-time basis, for instruction in law, for the
first semester, 1954-55, at a total salary of \$2,400; charge \$362 to the Jackson Law
Professorship Trust Fund, and \$2,038 to the Law School 1954-55 budget.

Upon motion of Regent Gelatt, seconded by Regent Renk, it was
VOTED, That Mrs. Lillian M. Gilbreth be appointed Knapp Visiting Professor,
Mechanical Engineering Department, for the second semester of 1954-55; salary \$7,500
for the semester; charge to Knapp Visiting Professors.

Upon motion of Regent Gelatt, seconded by Regent Renk, it was
VOTED, That Robert L. Clodius, associate professor of agricultural

2. That Graham B. Hovey, associate professor of journalism, be granted leave of absence, without pay, for the academic year 1954-55.

-

Upon motion of Regent Gelatt, seconded by Regent Watson, it was VOTED, That the appointment by the President of the University of Mr. Martin Below to replace Mr. J. F. McManus, Jr., as an Alumni representative on the Athletic Board be confirmed.

Regent Jones presented the report of the Business and Finance Committee.

Upon motion of Regent Jones, seconded by Regent Gelatt, it was VOTED, That the President and the Secretary be authorized to execute an agreement with the City of Madison granting an easement and right-of-way for sanitary sewer purposes in and over the following described property:

A strip of land ten feet in width and centered upon the following described Northeast and East lines:

Beginning at a point on the South line of the University of Wisconsin farm property, said South line being 891.4+ or - feet North of the center line of Mineral Point Road and parallel thereto, last mentioned point being 416 feet West of the West line of the 8th Addition to Sunset Village in the City of Madison, Dane County, Wisconsin, measured along said South line of the University of Wisconsin farm property; thence Northeasterly to a point of intersection with a line which is 285 feet South of, measured at right angles to and parallel to the South line of Lot 803 in the 8th Addition to Sunset Village; thence East 360 feet along last described line to the West line of said 8th Addition to Sunset Village.

Subject, however, to the following conditions:

(Cont.)

- a. That the City of Madison shall cause the surface and ground covering along the route of the sewer to be restored to their original condition to the extent required by the University, and
- b. That the City of Madison will not make or levy special assessments against the University for the construction and maintenance of said sewer, and will permit the University to connect to said sewer from time to time for University purposes without cost to the University for such connection.

-

Upon motion of Regent Jones, seconded by Regent Watson, it was VOTED, That approval be given for a Foreign Student Orientation Program under the jurisdiction of the College of Letters and Science and sponsored by the Institute of International Education during the period July 25 through September 4, 1954, that tuition of \$181 per student be charged (35 enrollees estimated), and that the Vice President of Business and Finance be authorized to establish a separate budget for the program, expenditures not to exceed total fee receipts.

-

Regent Jones moved and Regent Laird seconded the motion for the adoption of the following recommendation of the Business and Finance Committee:

"That, upon recommendation of the University Campus Planning Commission, the preliminary plans and specifications for the new West Wing to Birge Hall and for the remodelling in the old portion of the building, be approved; and that authority be granted for the completion of the final plans and specifications."

There was discussion of the destruction of the aesthetic aspects of the University campus as a result of constructing additions to present buildings and placing additional new buildings on the present campus. The question of giving more attention to, and obtaining more expert advice regarding, the overall development of the University campus was discussed. Upon motion of Regent Laird, seconded by Regent Arveson, it was

VOTED, That the President of the University be requested to obtain for the Regents information regarding the availability and cost of services of experts in overall campus planning.

The question was then put on the motion by Regent Jones, seconded by Regent Laird, relating to the preliminary plans and specifications for the new West Wing to Birge Hall, etc., and the motion was voted unanimously.

-

Upon motion of Regent Jones, seconded by Regent Wanvig, it was

VOTED, That the Special Regent Committee on Agricultural Lands be authorized and directed to have an appraisal made of the value of the University Hill Farms which are to be sold and that not to exceed \$1,000 be appropriated for that purpose.

President Werner read a letter dated July 17, 1954, addressed to the Board of Regents by Mr. Hugh H. Gauper of La Crosse, Wisconsin, who was present at the meeting, with reference to the compulsory draft law. Upon motion of Regent Jones, seconded by Regent Arveson, it was

VOTED, That the communication dated July 17, 1954, from Mr. Hugh H. Gauper to the University Board of Regents be received and filed. (Copy on file)

(Secretary's Note: The subject matter of the above communication was not a proper one for Regent consideration.)

Regent Renk stated that this kind of a meeting of the Regents was one of the great compensations of being a Regent, and that the visit to La Crosse had been very enjoyable and worthwhile. Upon motion of Regent Renk, seconded by Regent Laird, and, by a unanimous rising vote, it was

VOTED, That this Board thank Regent and Mrs. Gelatt for their gracious hospitality.

(The meeting recessed at 10:25 A.M. and reconvened at 10:35 A.M.)

Regent Watson called attention to the report, a copy of which had been sent to each Regent by President Fred, relating to Advantages and Limitations of Using Contract Arrangements or Rental Land for Agricultural Research Purposes. (This report was made pursuant to the suggestion made at the Regent meeting on April 10, 1954 - see page 16 of Regent minutes of April 10, 1954 - and a copy of the report was sent to each Regent by President Fred under date of July 8, 1954.)

Regent Watson stated that this report was worthy of further consideration by the Regents and upon motion of Regent Watson, seconded by Regent Arveson, it was

VOTED, That the report on "Advantages and Limitations of Using Contract Arrangements or Rental Land for Agricultural Research Purposes" be referred to the Special Regent Committee on Agricultural Lands. (Copy of report on file)

President Werner stated that a report by the committee representing the University Regents on the Inter Higher Education Boards Committee should have been made at the time of considering reports of special committees under the order of business. He said that copies of the recommendations of the Inter Higher Education Boards Committee (dated July 1, 1954) had been sent to each Regent, and asked what

(Cont.)

consideration the Regents desired to give to that report at this time. There was discussion of whether the Regents should act on the report at this time, with varying viewpoints being expressed by several of the Regents regarding the recommendation contained in the report which related to publicly supported institutions of higher education in Milwaukee. The question was raised as to whether it was necessary for the Regents to act on this report. Although there was some feeling that the Regents should act on the report at this meeting, there was to a greater extent expression of a desire to defer consideration for further study and information. Several Regents requested additional time to study the matter because the report had been received by them only shortly before they came to this meeting. The discussion developed that the report was ambiguous with respect to the types of publicly supported higher educational programs which were contemplated for the Milwaukee institutions, with the result that several Regents indicated that their viewpoints regarding the recommendation under consideration would vary depending on the types of educational programs contemplated.

Regent Arveson moved adoption of the report (of the Inter Higher Education Boards Committee, dated July 1, 1954), but there was no second to the motion.

Regent Jones moved the adoption of the following motion, but there was no second to the motion:

That the report (of the Inter Higher Education Boards Committee, dated July 1, 1954) be received by this Board without approval and filed; and that this Board give special attention to setting forth its ideas regarding the kind of program which can be developed for the Milwaukee metropolitan area, starting with the present Milwaukee Extension Center as a base.

Upon motion of Regent Wanvig, seconded by Regent Renk, it was unanimously VOTED, That action on this report (of the Inter Higher Education Boards Committee, dated July 1, 1954) be deferred at least until the August 1954 meeting of the Regents.

President Werner read the following letter addressed to him under date of July 13, 1954, by Mrs. Horace R. Goodell, Chairman of the Committee for the Preservation of the Camp Randall Memorial Park:

"3415 Sunset Drive
Shorewood Hills
Madison 5, Wisconsin
July 13, 1954

Mr. A. Matt Werner,
President Board of Regents,
University of Wisconsin,
Sheboygan Press,
Sheboygan, Wisconsin.

Dear Mr. Werner:

The associated veterans and patriotic organizations of Madison, Wisconsin, who object to the proposed appropriation of 2.5 acres of the Camp Randall Memorial Park property for the erection of an athletic practice building by the

University of Wisconsin, in order to clarify the matter and to justify the contemplated appropriation of this land, request the Board of Regents to ask the Attorney General of the State of Wisconsin for an opinion on the legality of the proposed use of this land for the erection of a building by the University of Wisconsin and the athletic department.

Since these associated organizations contemplate further action on this matter at a meeting to be held in Madison, Wisconsin, July 22, 1954, we would appreciate your reply to this request by that date.

Sincerely yours,

/s/ MRS. HORACE R. GOODELL

Mrs. Horace R. Goodell, Chairman
Committee for the Preservation of
the Camp Randall Memorial Park

Copy to Mr. E. B. Fred,
President University of Wisconsin"

President Werner stated that he had informed Mrs. Goodell that the above letter would be brought to the attention of the Regents at this meeting. The question of the necessity of requesting the Attorney General for an opinion as to the legality of a use of a portion of Camp Randall Memorial Park for part of the site of the proposed Camp Randall Memorial Building was discussed. The extensive consideration which had been given to the use of a portion of Camp Randall Memorial Park for this purpose was reviewed. It was pointed out that prior to the approval of this location for the proposed Camp Randall Memorial Building by the Regents on October 24, 1953, the University administration and the Regents had concluded that there was no question as to the legality of the use of the proposed site for this purpose. It was suggested that the Secretary reply to the above communication and more fully inform the writer regarding the opinion of the Regents and the University administration as to no question of legality being involved. There being no objection, it was so ordered.

The Secretary reported that the Board of Curators of the State Historical Society, at its meeting in June, had requested its University-Society Affairs Committee to confer with the Regents regarding Camp Randall Memorial Park. Inasmuch as there was not an opportunity for that committee to meet with the Regents prior to the July Regent meeting, they met with President Fred and other representatives of the University. As a result of that meeting the University-Society Affairs Committee of the State Historical Society requested, in order to express more fully the original intent of the Regents, that Paragraph (4) of the action of the Regents on October 24, 1953, approving the location of the proposed Indoor Practice Building, be revised to read as follows:

- (4) The Legislature shall be invited by the Board of Regents to dedicate the remainder of Camp Randall Memorial Park as a perpetual memorial to the Union Veterans of the Civil War. To that end this Board will suggest to the Legislature that it take appropriate measures to

(Cont.)

assure that no structures shall henceforth be built in the remainder of that Park except those which depict Camp Randall during the years 1861-1865, or which might house meetings of patriotic organizations which have a special interest in that historic struggle. The attention of the Legislature will be invited to the fact that during the forty-one years which have elapsed since the creation of the Camp Randall Memorial Park out of lands owned by the University since 1893, it is the University which has furnished the care of the grounds and its memorials. To help assure proper planning and care of an area so rich in its historic associations, this Board will also recommend to the Legislature that it create a permanent commission to plan the development and maintenance of the Park and any structures or memorials which it may contain and that it appropriate sufficient funds to permit the fulfillment of these desirable purposes.

The Regents unanimously agreed that the above request to revise the Regent action of October 24, 1953, relating to the location of the proposed Practice Building, be referred to the Educational Committee.

In answer to questions relating to the status of the proposed parking lot northwest of the Carillon Tower and of the proposed lake-fill, the Regents were informed by the administrative officers that a survey was being made of the number of trees that would have to be removed for the proposed parking lot which had been approved by the Regents, and that a map would be ready for the next Regent meeting covering the proposed lake-fill area.

Upon motion of Regent Renk, seconded by Regent Arveson, it was VOTED, That the meeting adjourn.

The meeting adjourned at 11:50 A.M.

Clarke Smith, Secretary

- (gg) \$1,200.00 - American Cyanamid Company, Lederle Laboratories Division, New York City, to support two fellowships of \$600 each in the Medical School, during 1954 summer period. Recipients shall be selected by the Committee on Scholarships and Fellowships of the Medical School. (15-1137)
- (hh) \$ 400.00 - The State Bank of Elkhorn, Elkhorn, Wisconsin, for the continuation of the State Bank of Elkhorn Farm Short Course Scholarship Fund. This fund is to be used to award two scholarships of \$200 each for two students enrolled in the 1954-55 Farm Short Course. Selection is to be made by the State Bank of Elkhorn and approved by the Dean of the College of Agriculture. (15-975)
- (ii) \$ 380.00 - Union Carbide and Carbon Corporation, South Charleston, West Virginia, to continue for the second year the "Union Carbide and Carbon Corporation Scholarship in Chemical and Mechanical Engineering", sponsored by the Carbide and Carbon Chemicals Company. The scholarship shall be awarded by the Engineering Fellowship and Scholarship Committee to a student for use in his senior year and will provide \$180 for fees in addition to the \$200 stipend. (15-795)

GRANTS:

- (a) \$ 7,800.00 - National Science Foundation, Washington, D. C., for support of a research project entitled "The Role of Perception in Patterned Motion" for a period of approximately two years - Department of Psychology. Grant No. NSF-G928. (16D-861)
- (b) \$15,100.00 - National Science Foundation, Washington, D. C., for support of a research project entitled "Verbal Factors in the Learning of Motor Skill" for a period of approximately three years in the Department of Psychology. Grant No. NSF-G927. (16D-859)
- (c) \$ 9,550.00 - National Science Foundation, Washington, D. C., for support of a research project entitled "Speciation of Animal Pathogens of the Genus Vibrio" for a period of approximately two years - Departments of Veterinary Science and Bacteriology. Grant No. NSF-G960. (16D-860)
- (d) \$ 5,000.00 - University of Wisconsin Foundation in behalf of the Fairchild Foundation, Milwaukee, Wisconsin, in support of research relating to leukemia in children and laboratory animals, particularly involving research in amino metabolism. In the event that the Dean of the Medical School in his discretion decides that a diversion of the fund from research on leukemia is advisable, any balance may be applied to research on any disease or diseases of children. Department of Pediatrics. (15-826)
- (e) \$ 3,000.00 - Wisconsin Alumni Research Foundation, Madison, Wisconsin, an additional contribution to provide funds for salaries in the Department of Physics, relating to work of the Midwest Accelerator Group. Any unexpended balance of this grant, as of September 15, 1954, shall be reverted to the Foundation. This also amends the acceptance of the initial contribution on May 8, 1954, to call for return of unexpended funds as of September 15, 1954 rather than July 1, 1954. (15-1087)
- (f) \$ 2,500.00 - National Oak Wilt Research Committee, Memphis, Tennessee, to support the renewal of an industrial research project to determine whether or not oak wilt is transmitted by insect vectors, and if so, how the "long distance" spread of the disease might be controlled, June 1, 1954 to June 30, 1955, Department of Entomology. (15-39)
- (g) That the termination date of a grant of \$10,476, made by the National Institutes of Health for research in the Departments of Zoology, Physiology, and Chemistry, which was accepted by the Regents at their meeting on November 22, 1952 and extended by Regent action on December 12, 1953, be again extended to expire as of August 31, 1955. Grant RG-1327-04 (16D-722)

GRANTS(Continued)

- (h) \$ 6,000.00 - American Feed Manufacturers Association, Inc., Chicago, Illinois, for continuation of an industrial research project to study the nutritional requirements of dogs, with special emphasis on the requirements for reproduction, during the period July 1, 1954 to June 30, 1956, Department of Biochemistry. (15-386)
- (i) \$ 2,000.00 - H. J. Heinz Company, Pittsburgh, Pennsylvania, for the continuation of an industrial research project to study the relation of various strains of cucumber mosaic virus to the stability of resistance to mosaic in new varieties of cucumber, May 1, 1954 to June 30, 1955, Department of Plant Pathology. (15-28)
- (j) \$ 500.00 - Wisconsin Cannery Association, Madison, Wisconsin, for the establishment of an industrial research project to study the distribution of sieve size of peas and the percentage of sinker peas in salt brines of various concentrations, July 1, 1954 to January 1, 1955, Department of Dairy and Food Industries. (15-1128)
- (k) \$84,000.00 - United States Steel Corporation, Pittsburgh, Pennsylvania, to establish a research project to study (a) new methods for processing milk and milk products, particularly for converting fluid milk into concentrated forms; (b) methods of packaging such products; (c) the utility of cans for packaging such products; and (d) consumer acceptance of such products, July 1, 1954 to June 30, 1956, Departments of Dairy and Food Industries, Bacteriology, Agricultural Economics, Agricultural Engineering, and Dairy Husbandry. (15-1124)
- (l) \$ 6,000.00 - Dried Milk Products Cooperative, Eau Claire, Wisconsin, to support an industrial research project to study ways of improving the methods used in manufacturing dried milk products, July 1 to December 31, 1954, Department of Dairy and Food Industries. (15-1126)
- (m) \$41,499.00 - Muscular Dystrophy Association of America, Inc., New York City, providing for a continuation of a grant-in-aid for research on "Integrated Cytological Distribution of Enzyme Systems in Skeletal and Cardiac Muscle," July 1, 1954 to June 30, 1956, Medical School, Department of Pathology. (15-343)
- (n) \$ 6,500.00 - American Foundrymen's Society, Chicago, Illinois, for their continued support of research on malleable cast iron, during 1954, in the Foundry Laboratory of the Department of Mining and Metallurgy. (15-565)

STATEMENT BY PRESIDENT FRED IN PRESENTING THE ALEXANDER AND MARGARET STEWART
GRANT TO THE REGENTS -- July 17, 1954

I would like to take this opportunity to express on behalf of the McArdle Memorial Laboratory, and for the University as a whole, our gratitude for what has become one of the most important annual contributions to cancer research.

This contribution is the fund provided by the Alexander and Margaret Stewart Trust. Beginning with a grant of \$30,000 in 1950, and following that with a grant of \$45,000 annually, this fund has enabled the scientists in McArdle Laboratory to conduct research on a level which literally would have been impossible had they not had it.

I think it would be appropriate to tell a little of the history of the family which has been so generous in their support of research at the University.

Alexander Stewart came to Wisconsin in the middle years of the 1800s. He found the village of Wausau to his liking, and in the years that followed he achieved his measure of success in the lumber and logging industry, becoming one of the most prominent figures in the northern part of the State of Wisconsin.

Two daughters, Mary and Helen, lived in Washington, D. C. after the year 1926. Mary died in 1946, leaving the bulk of her estate to her sister with the agreement that upon her sister's death the estate would then be devoted to cancer research. Her sister, Mrs. Helen Devore, made it immediately available for research in this important field, establishing a trust in the name of their father and mother, Alexander and Mary Stewart.
