# *Building . . .* **for the future**

The construction of the girls dormitory marks a new milestone in the development of the River Falls State Teachers College. It is the first step in a building program planned for the future, which also includes construction of a new fieldhouse and library.

As the students of the college build for the future, by widening their education, so the college itself is building for the future by constructing adequate buildings to keep pace with this strong endeavor.

If the building project is to succeed, it must have the support of the graduates of yesterday, the graduates of today, and the graduates of tomorrow. When this is accomplished we will indeed be able to build for the future of our college.

# Foreword

The 1951 Meletean must stand as the final act of the year, the one achievement that includes all other achievements.

We have endeavored to put within the bounds of one volume, a cross section of these achievements, and also to turn your eyes to the future progress of our college.

If to any degree of satisfaction we have been able to fulfill this aim, we shall consider our efforts amply rewarded.

## *Dedication*

We dedicate this 1951 Meletean to Dr. Rudolph Karges in grateful recognition of his many years of service which have played such an important part in the progress of our college.

DR. CHALMER DAVEE  
Regent

## BOARD OF REGENTS

Dr. Chalmer Davee is to be commended for his fine list of accomplishments while a member of the Board of Regents at River Falls. Since his appointment, the college has received the barracks apartments, completed the industrial arts building, secured the new dormitory, and been granted permission to give the liberal arts degree. Recently Governor Walter Kohler recommended to the legislature allocation of \$650,000 toward a new library building.

## THE PRESIDENT

The 1950-51 Meletean sketches a memorable year in the life of the River Falls State Teachers College, as Hathorn Hall, the first major building added to the campus in twenty-five years, nears completion. The addition of the Arts degree has opened new opportunities for greater service. Students and friends of the college hope that the legislature will see fit to approve the library appropriation proposed by Governor Kohler.

Surely the Meletean theme, "Building For The Future," has had an auspicious beginning in this college year. Even greater things are ahead for the supporters of the Falcon.

## WORK ON DORM PROGRESSES

This scene shows early stages of work being done on the girls' dormitory. The dormitory is to be completed by this fall.

Construction of the new dormitory, the first major building program at River Falls in the last 25 years, was started July 31, 1950, shortly after the release of funds by Governor Oscar Rennebohm.

Completion of the dormitory in time for use next fall will make possible the housing of approximately 90 additional women students. Incorporated in the plans are an apartment for the housemother, a basement lounge, recreation room, first floor lobby and mail room, and four "date rooms."

The two-story building will be faced with Bedford limestone to the first floor level and will have a decorative limestone trim around the three front entrances. The remainder will be of brick.

The Student Senate is the student governing body of the River Falls State Teachers College. It consists of eleven members, seven of which are nominated and elected in May by the student body. The remaining four members are the class presidents. This group acts as a representative body to which are presented students needs and desires. The aims of the Student Senate are to promote the best interests of the college and to develop a spirit of cooperation and good fellowship throughout the school.

The Senate receives the allotment from the activity fund and makes recommendations to the Senate appointed Social Committee for its disbursement. This Social Committee handles all social events.

The editors of the student publications (the Student Voice, Meletean, and Student Directory) are elected by the Senate from nominations made by advisors of these publications.

This year's biggest accomplishments were the purchase of a United Nations flag and amending the constitution.

The year's program of the YMCA began with the Freshman Mixer which was planned by the YWCA, Newman Club, and the YMCA. Our next event was the annual bean soup supper held in the park. This event climaxed our "Y" Day on campus which is essentially a membership drive which introduces new members to the club.

A reception for new members was held at a banquet supper in the college cafeteria. The YMCA and YWCA again held joint meetings in February discussing "Marriage and the Family." We also sent a delegate to the meeting of the National Christian Council which was held at Miami University, Oxford, Ohio.

Thanksgiving, Christmas, and Easter Vesper services were again held in the local churches jointly with the YWCA.

Several years ago the cabinet announced that as a christian organization the "Y" stands for honest class work, clean athletics, pure social relationships, and service to others. That remains our motto and purpose as a campus organization.

Eno Toomsalu .....	Vice-President
Mary Jo Boardman .....	Secretary and Treasurer
Dr. Wyman .....	Adviser

International Relations is a club organized for students to discuss current world issues. Membership in this organization is open to all who are interested.

This year we have discussed the following topics: "Is Communism a threat to the world?", "Life in Estonia," "India in today's crisis," "Which way to world government?", and "Toward a new Far East policy."

The group meets bi-monthly. The topics are presented in various ways, such as by a panel, group leader or by a guest speaker. The club attends some meetings in St. Paul to hear speakers on world affairs. This year the International Relations sent Ambrose Murphy as a delegate to the Midwestern International Relations Club Conference at Milwaukee on February 24-25.

Adviser — J. M. May

The River Falls Collegiate Chapter of the Future Farmers of America has its main purpose training and developing advisors and leaders for high school FFA organizations, and providing fellowship for students who are majoring in agriculture.

In addition to organizing and staging a successful rural fair, sending out degree teams to high schools, and helping with homecoming activities, which included sponsoring the queen, a very successful FFA banquet with A. R. Upgren of the University of Minnesota as the principle speaker was held January 24.

Two new additions were made to this year's program. These were: the election of regular and associate officers to provide experience in leadership to more future FFA advisors; and cooperating with the Rural Life Club in staging an all-school basket social with a dance following. At the close of the year an annual picnic was held at Glen Park.

This year 13 rural schools from the surrounding area participated in the rural fair sponsored by the FFA in November. The fair has a dual purpose in that it gives children and teachers from local rural schools a chance to exhibit their projects, and it provides our prospective teachers of vocational agriculture with experience in planning and directing fairs. It also provides experience in judging.

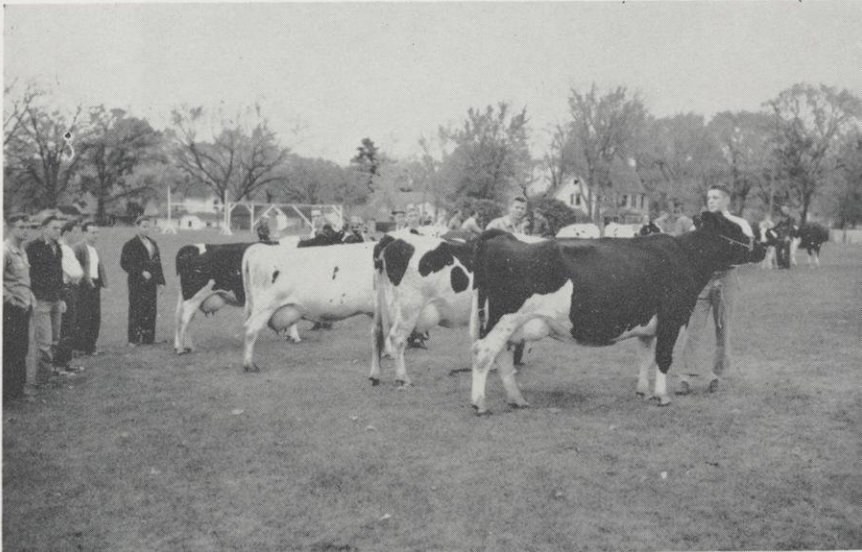

Rural fair chairman Paul Sylla and adviser John M. May were largely responsible for the successful completion of this event. Monetary prizes were provided by the FFA.

## CATTLE INSPECTING AND JUDGING

**Judging a class of mature Holsteins.**

Every student enrolled in agriculture at River Falls receives practice in judging various types of farm animals under the watchful direction of Arthur N. Johnson, teacher of animal husbandry.

Pictured here is a freshman dairy husbandry class. In the background one sees the main dairy barn. The low brick structure beside it is a modern dairy which pasteurizes and bottles milk for the cafeteria, boarding clubs, and a small route in town.

A highly productive herd of 28 Holstein and Guernsey cows comprise the main enterprise of the farm.

## THE DEPARTMENT OF AGRICULTURAL EDUCATION

**Director**  
**MR. JOHN M. MAY**

Since 1919 Mr. John M. May has served as director of Agriculture Education at River Falls. He received his bachelor's degree at Kansas State and later completed his master's degree in Agriculture Education at Cornell. He has also taken advanced work at Ohio State in agriculture economics.

In addition to directing the Department of Agriculture, Mr. May is instrumental in finding positions for his graduates, and he serves as advisor of the Collegiate F.F.A. Chapter on the campus.

## CHEERLEADERS

With the opening of the football season begins the work of a small but nevertheless important organization — the cheerleaders. The cheerleaders led the students in cheering the team on, and also formed a pep club to further support the team. Their teamwork was backed by hours of practice. There were new yells this year in addition to the old ones, but a game would not have been complete without at least one "Fight, Team, Fight."

#### RIVER FALLS 6 — AUGSBURG 6

In the opening game of the season River Falls battled the Augsburg Auggies to a 6-6 deadlock. The game got under way with both teams playing a scoreless first quarter. In the second quarter a 17 yard pass from Harkness to Morgan gave the Falcons a first down on the Auggies 26 yard line. Six plays later Vogel plunged over left guard for the touchdown. On a 45 yard pass play the Auggies scored in the third quarter. Trying desperately in the last quarter, the Falcons unleashed a series of passes but failed to score.

#### RIVER FALLS 20 — MILWAUKEE 7

The Falcons fell behind in the first period when Milwaukee's Art Derksen scored from the two but took over in the second period and never were in danger the rest of the way. In the second quarter Morgan intercepted a Milwaukee pass on his own 12 and raced 88 yards to score. A few minutes later Harkness passed 24 yards to Morgan for the touchdown that put River Falls out front. The third quarter found both teams unable to score. In the final period Pat Christie's 71 yard dash brought the Falcons' final marker. Some of the season's greatest runs were made during this game.

#### RIVER FALLS 7 — SUPERIOR 7

Playing scoreless football for almost three full periods the Falcons finally scored when Alexander broke through and blocked the Superior punt on the 30 and defensive Bagott picked it up on the 20 yard line and ran over for the score. Linehan's kick was good and the Falcons led 7-0. It looked as if Superior was going to lose their first homecoming game since 1930 until West passed to Kovie Kallio for the touchdown with less than a minute to play. Their kick was good and the score stood at 7-7. The Falcons held off a Superior drive on the one yard line in the first quarter and again in the second. Christie made the outstanding run of the game on a 42 yard punt return in the first period.

#### RIVER FALLS 0 — LA CROSSE 19

The Falcon grid men were handed their first defeat of the season by La Crosse by the score of 19-0. With forty seconds left to play in the first half Sladsky passed 14 yards to Hallub in the end zone to make the first score. The second half saw the Indian attack get moving by scoring two quick touchdowns in the third quarter. Curry broke away for a 67 yard run and Hallub plunged from the one foot line to end the scoring. The Falcons could get no closer to scoring than the 25 yard line.

#### RIVER FALLS 7 — STEVENS POINT 21

River Falls failed to hold a fast first quarter pace and lost to Stevens Point 21-7. The Falcons tired quickly after the first quarter in which they gained 101 yards rushing and held Stevens Point to 5 yards. In the first period Matthias made the only Falcon touchdown when he broke around the left side of the line to run 19 yards into the end zone. Linehan made the kick and River Falls led 7-0. Midway in the second quarter the Pointers made their first score. This was followed by a 21 yard pass and three more runs to make the second touchdown for Stevens Point. From here the Pointers marched 95 yards without stopping before Samelstadt tasted pay dirt on a quarterback sneak from the two yard line. The extra point was good and Stevens Point held the long end of a decisive 21-7 victory.

#### RIVER FALLS 18 — EAU CLAIRE 6

River Falls spotted visiting Eau Claire a 6-0 second period lead and then powered for three touchdowns to grab an 18-6 Homecoming victory. A 37 yard pass play from Schomisch to Emmanuel provided Eau Claire a tally. But River Falls hit pay dirt moments later when Christie bucked over from the six to make it 6-6 at halftime. The Falcons went ahead late in the third period on a nine yard run by Matthias. Harkness tossed a 21 yard aerial to Vogel midway in the final stanza for the Falcons' final score. Christie, Matthias, and Vogel were the three Falcon players scoring.

#### RIVER FALLS 13 — STOUT 44

Seven touchdowns and two placekicks kept the Stout gridmen in a favorable edge against River Falls in the final conference game of the season. At only one time was the score close. That came when River Falls recovered a Stout fumble on their own 40 yard line and drove to a touchdown with Onstad going over from two yards out. The score then was 13-6 in Stout's favor. Stout's passing attack lived up to all expectations as they completed 14 out of 20 attempts. They gained 166 yards through the airways. The final two tallies for Stout came on a four yard plunge by Hansen and a one yard smash by Jacobson. The Falcon final tally came late in the fourth quarter when Harkness stole the ball on Stout's 45 yard line and scampered over for the touchdown. Linehan's kick was good leaving the final score at Stout 44, River Falls 13.

#### RIVER FALLS 30 — MANKATO 27

Onstad led his Falcon mates to a thrilling 30-27 conquest over highly rated Mankato Teachers in the Falcons' final game of the season. Onstad stole the show as he crossed the last chalkline three times and massed a net yardage of 242 yards. Linehan shared the spotlight by tallying twice on pass plays. Mankato carried the ball around right end for 15 yards and the first score of the game. From five yards out Onstad made the first Falcon score. Still in the first period Onstad scored again, leaving the score in their favor 12-6. A pass from Vogel to Linehan resulted in the Falcons' third touchdown. In the third period after five minutes of play Mankato scored. Onstad again tallied after running 45 yards, putting River Falls out front again. A 19 yard pass from Vogel to Linehan in the end zone led to the Falcons' final touchdown. Mankato scored with a minute left in the game when Mauzer tossed the longest pass of the game, a 40 yard one, to Dunn. River Falls emerged the victors in spite of the fact that Mankato tied with Bemidji for the Minnesota Teachers Championship.

## KUSS BREAKS RECORD

Roger Kuss, sophomore, hit 21 field goals and 10 free throws for a grand total of 52 points to set a new Wisconsin State Teachers College Conference scoring record at Eau Claire, February 6. He hit 62 per cent of his shots from the floor.

This record was previously held by another Falcon star, Nate DeLong, who scored 47 points against Eau Claire in the '49-'50 season.

Rog has also topped another mark of his predecessor, Nate DeLong, by totaling 384 points in 12 Wisconsin State Teachers College games this season. This topped by 12 points DeLong's record total of 372 points last season.

Kuss' feat is all the more remarkable when it is noted that River Falls lost eight of its twelve games this season. DeLong's record was made last year when the Falcons were leading the conference.

Counting both conference and non-conference games, Kuss scored a total of 502 points this season for an average of 26.4 a game. His conference average was 32 points.

## RIVER FALLS 28 — ST. THOMAS 86

In the opening game of the season the Falcons were defeated by a determined St. Thomas quint. St. Thomas was consistent in both shooting and defense. They made 36 out of 82 shots attempted, while the Falcons made only 6 out of 42. Carver Fouks paced the Falcons with nine points and Sandstrom collected 21 for St. Thomas.

## RIVER FALLS 39 — AUGSBURG 64

River Falls suffered their second defeat to the Augsburg Auggies with a score of 64-39. Showing some improvement over the previous game, the Falcons still were unable to keep pace with a balanced Augsburg team. The Falcons netted 22 per cent of their shots and 13 out of 19 free throws. Augsburg hit 32 per cent of their attempts. High scorer for River Falls was Harkness with eight points and freshman Virgil Gehing led the Auggies with 21.

## RIVER FALLS 70 — ST. JOHN'S 66

River Falls thundered through for a 70-66 victory over St. John's Jonnies in the local's first home contest. The Falcons were trailing by one point, 39-38, at the half but came from behind as Roger Kuss limbered up to pile up a lead of ten points at one time. Kuss was high scorer for the game, gathering 21 points, eight baskets and five free throws. Shields and Erickson each scored 11 points for the Falcons.

## RIVER FALLS 47 — REGIS 49

Two free throws in the final minute of the game gave Regis college of Denver, Colo., a 49-47 victory over the Falcons. The game, being close all the way, was tied seven times. At the half Regis led 25-23. The Falcons sank 15 field goals for a 38 per cent average while Regis averaged 25 per cent. Bud Fossen led the Falcons with 15 points and Kahl paced Regis with 18.

## RIVER FALLS 65 — ST. JOHN'S 76

Losing their second straight game in the final two minutes the Falcons were defeated by St. John's 76-65. The score was tied eight times and the Falcons held a one point lead with two minutes to go. St. John's then made six long set shots in succession. Kuss led the Falcon scoring with 17 points while Christopherson and Litsby both netted 16 for the victors.

## RIVER FALLS 52 — U. of M. DULUTH BRANCH 53

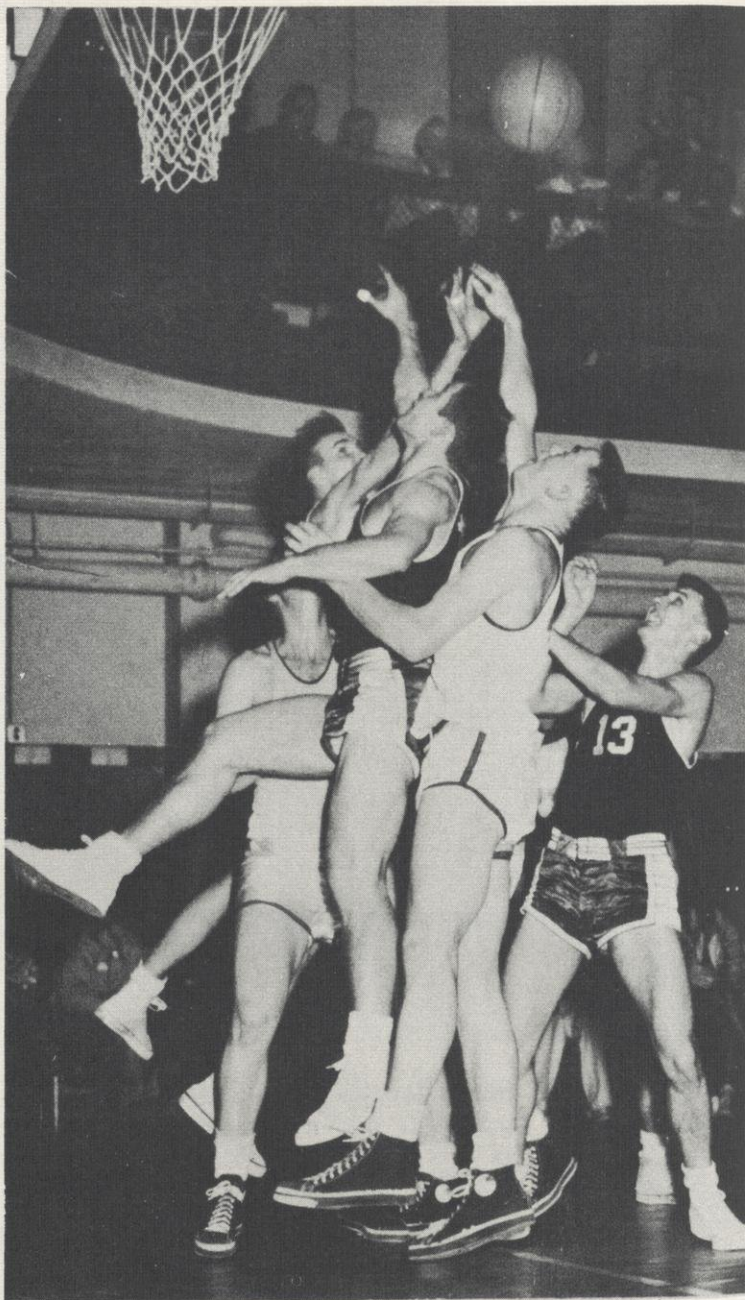

In the second game of their northern tour the Falcons lost a hard fought overtime battle to the U. of M. Duluth Branch 53-52. Kuss got three quick baskets in the overtime period to put River Falls out front 52-47. Duluth tied it up quickly and on a last second attempt Paulson made a free throw to put the home team in the victor's position. Duluth froze the ball in the remaining seconds to win. Kuss again led the Falcons with 17 points.

## RIVER FALLS 53 — SUPERIOR 55

River Falls lost its second conference game to a hard fighting Yellow-jacket quintet 55-53. The game got under way very slowly with both teams playing control style of ball and shooting only when in good position. With eight minutes gone the Falcons had an eight to seven advantage. The second half was close all the way with neither team out in front for long. Superior stalled the last two minutes of the game after Henessy's six point splurge had put them two points ahead.

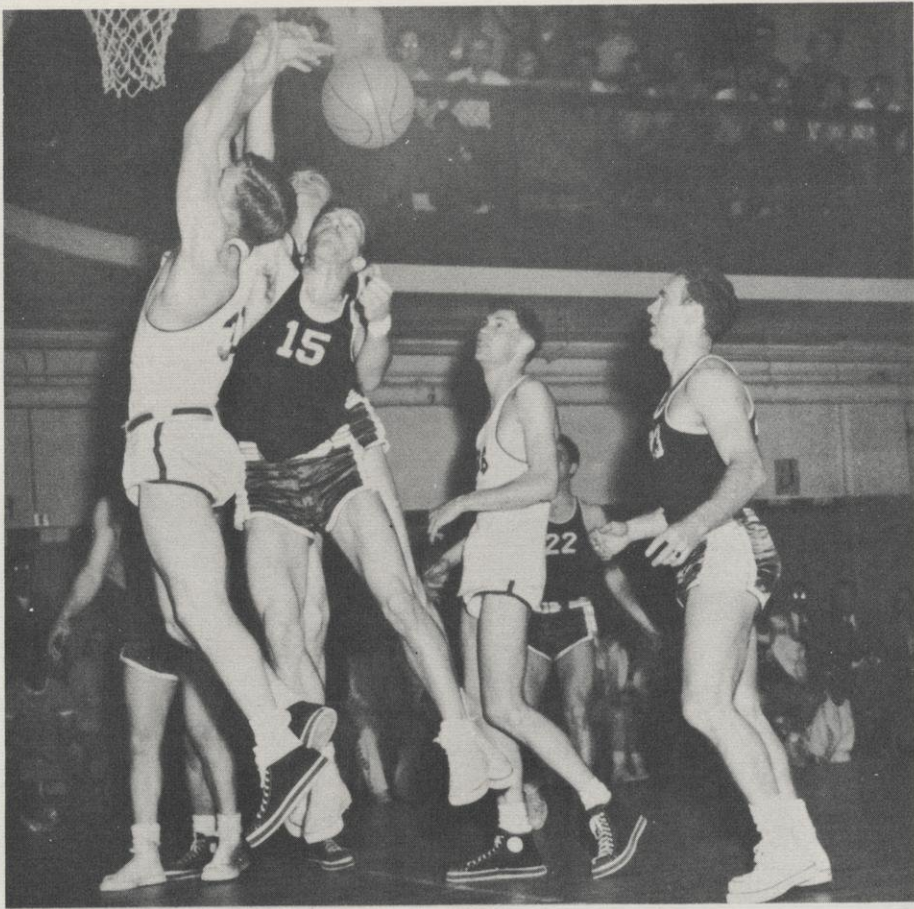

## RIVER FALLS 58 — LA CROSSE 59

Bob Richter stole the ball with 30 seconds remaining to play to sink an easy layup shot for a 59-58 win for the Indians. With a minute and forty seconds left to play the Falcons led 59-55 and had possession of the ball. While dribbling around the backcourt in an attempted stall Fossen was accused of stepping on the 10-second line. This gave La Crosse the ball and set the stage for Knapton and Richter's last minute baskets. River Falls led most of the game except for the last six minutes of the first half when La Crosse gained the lead 23-32 and the first two minutes of the second half. Kuss, with 20 points led the Falcon scoring.

### CZECH LOOKS FOR A RECEIVER

#### RIVER FALLS 87 — WHITEWATER 79

River Falls played its best game of the season when they knocked Whitewater from its top rung on the conference ladder by a thrilling 87-79 win. It was not until the final minute began ticking away that Falcon fans became sure of a victory. The lead changed hands nine times and was tied five times during the course of the game. Whitewater led at halftime 44-42.

#### RIVER FALLS 64 — LA CROSSE 68

After snatching a four point lead the Falcons let the Indians take over and were behind from that point on. The game ended with River Falls on the short end of a 68-64 score. The Falcons apparently couldn't get going and their play never reached a peak. As usual the Falcon scoring was led by Kuss with 23 points, seven buckets and nine free tosses. La Crosse led at halftime 38 to 29 and held about that margin most of the game.

#### RIVER FALLS 66 — MILWAUKEE 44

A greatly sharpened Falcon quintet led by center Roger Kuss, defeated Milwaukee Teachers 66-44. Kuss stole the whole show as he poured 47 points through the hoops. River Falls was out front at half time 27-24. Kuss made 21 of the points thus far. This brilliant splurge continued throughout the game, and when the final horn sounded Kuss had tied a conference record set by his fabulous forerunner Nate De Long. The game was not at all one sided until long after the second half. Milwaukee collected a total of 37 personal fouls in vain attempts to stop the Falcons.

#### RIVER FALLS 52 — OSHKOSH 60

The River Falls Falcon five ran into a hot Titan five and came out on the short end of a 60-52 score. Tom Paul, forward for Oshkosh, could not miss the basket and accounted for 25 of the Titans' points. Roger Kuss, Falcon center, was closely guarded by two Oshkosh players throughout the game, but shook them off often enough to mark up 26 points for high individual honors. He hit on eight out of 11 free throws.

#### RIVER FALLS 71 — AUGSBURG 73

A spirit that never says die was not quite enough to overcome the height advantage and superior shooting ability of the Augsburg team, as they registered a 73-71 victory over River Falls. Ray Czech was the outstanding man on the floor as he dribbled and shot his way through for a total of 24 points. A few seconds before the regular play ended he tied the score 69-69 with a free throw. Trailing in the five minute overtime 71-68 with 45 seconds left to play, Czech staged another rally. The score ended again tie 71-71. At this stage the two opposing coaches decided to play a sudden death version of completion in which the first team to score two points wins. Augsburg tallied two free throws on two separate occasions to win the contest.

#### RIVER FALLS 92 — EAU CLAIRE 104

Roger Kuss hit the buckets with 21 field goals and 10 free throws for a grand total of 52 points to set a new Wisconsin State Teachers College Conference scoring record. His efforts, which totaled 62 per cent, together with good shooting from his teammates were not enough to subdue the hot Eau Claire peds. River Falls was in the game all the way through although they led only by a 3-2 score. They trailed by as many as 19 points midway in the second half.

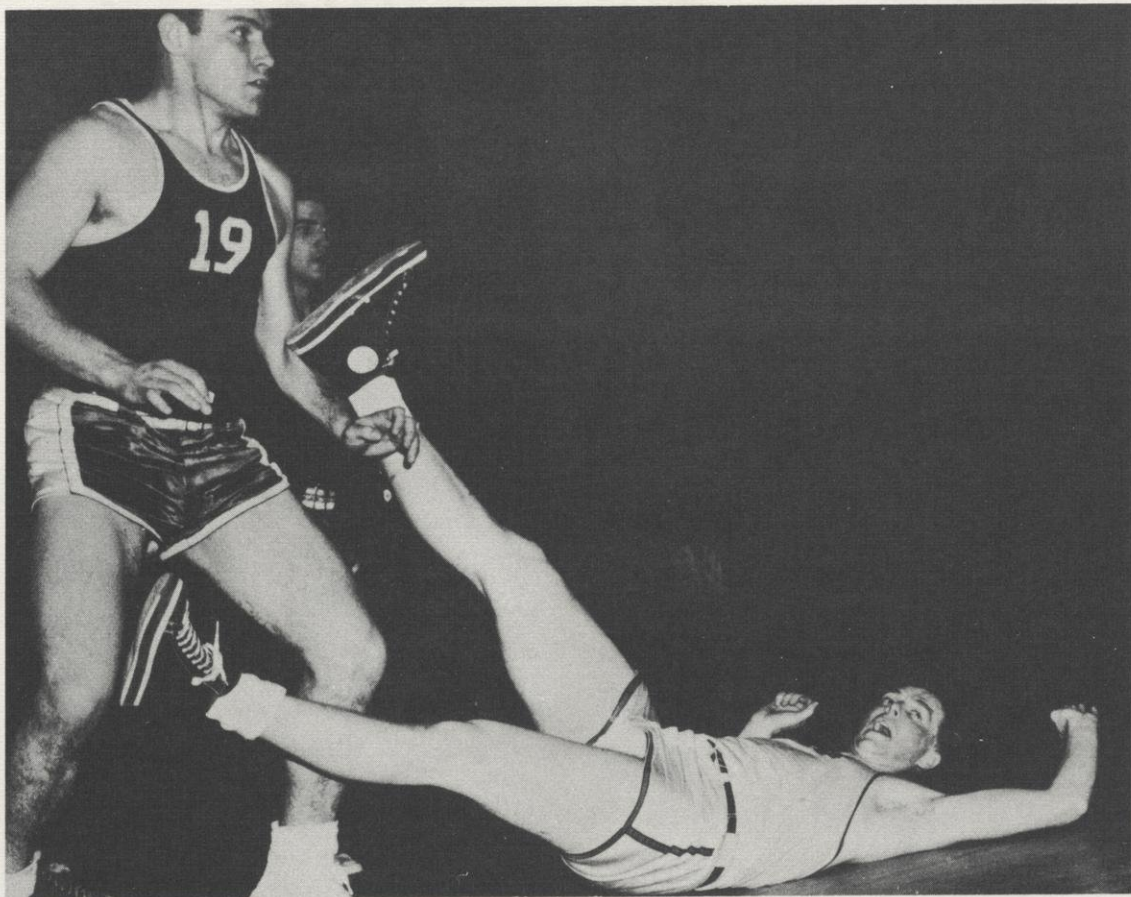

#### RIVER FALLS 78 — SUPERIOR 84

River Falls suffered another conference tilt loss when Superior emerged on the long end of a 84-78 score. River Falls led in the opening minute of play 2-0. Then the onslaught began. Walker and West paced Superior in the opening half, running up to 51-36 at halftime. Kuss kept the Falcons in the game with a 24 point total at the halftime. Fine passing and fast, driving basketball by Czech sparked a second half Falcon rally which saw them take the lead at 71-70, with eight minutes left to play. Superior stalled the final two minutes of play, taking the ball out of bounds every time.

#### RIVER FALLS 76 — STEVENS POINT 86

Stevens Point handed the Falcons their eighth conference setback, 86-76. At one point in the first half Stevens Point led by 26 points, 42-16. The Pointers faltered badly during the second half as the Falcons staged a brilliant comeback which saw them narrow the margin to three points at 51-54 and again at 53-56. However, the Falcons attack slowed considerably with ten minutes remaining to be played and they soon trailed by ten points.
