# Are You Just Keeping Chickens? Let Our Chicks Keep You.

Get out of the rut of the ordinary farm system of just keeping chickens and make the chickens supply part of your farm income.

It is just as easy and a source of much more satisfaction to have a nice flock of standard bred, quality chickens, as a lot of mongrel stock, and your cash returns therefrom will be much greater. You will find the cost of carrying such a flock is less also.

Every bird, male and female in every flock furnishing eggs for our hatchery is individually examined for health, vitality, and the capacity to lay many eggs, by a competent poultryman.

Every flock is a State Inspected and Accredited one and 98% of our flocks carry the State grading as EXCELLENT. This is a record unsurpassed in the state. We hatch:

Barred and White Rocks  
Rhode Island Reds

S. C. W. and Brown Leghorns  
Buff Orpingtons

S. C. White Wyandottes

Right now is the time to get your order in for Baby Chicks.

## Thinking of Tomorrow

Q If by some magic the curtain of the future might be drawn back and you could see life as it will be ten or twenty years from today — where would you be?

Q You know the answer. The men and women who will then have the most independence and influence in our community will be the ones who today think and plan most wisely for the tomorrows — and hold themselves ready to take advantage of every opportunity that comes.

Q Nothing will help you more, five or ten years from now, than the dollars you can save by starting today — and you can save best by getting some bank to co-operate with you. As members of the Federal Reserve Banking System we are prepared to co-operate with you in every way. Let us show you how to save and to make your money work for you.

**PLEASE NOTICE**

Every effort has been made to give the people of Rock County a complete and reliable directory of the farmers of the county.

We are not to be held liable for any mistakes which might be found in this directory or names which might be omitted as there were a very small number who refused the necessary information.

This directory would not be possible had it not been for the support of the business men whose advertisements you will find represented and we ask that you favor them with your patronage whenever possible.
