Lyrics

When it's prayer meeting time in the hollow,
In that vine covered shrine 'neath the pines,
When the one that I love
Sends a prayer up above,
Where we first told our love so divine.
'Til the day I go back to that hollow,
I would follow the old golden rule.
For it taught me to pray,
And to live for the day
When we'd meet in that hollow back home.

Critical Commentary

Transcription by MB.

HST notes:

In the Professional Papers series:

Mrs. Bessie Gordon, age circa 40, Schofield.

Has known it for years and years - learned it from her mother.

K.G.
