Date: May 10, 2000

To: Chief Mike Dombeck

Here is a collection of the photographs I took during the Presidents visit to Sequoia National Forest announcing the Giant Sequoia National Monument. I was hoping to include one of the group photo's taken by the White House staff but I haven't received any of those. If you have a contact there, could you ask if they would send us some of those pictures. Most of the people here on the District were very involved and are asking for copies of the group pictures and the "hand shaking" pictures.

Additionally, I have added some of the pictures taken at the all employee meeting held in Porterville the Monday following the Presidents visit. Names of those employees pictured with you are added in the memo. If you would like enlargements of any of the photo's enclosed please let me know, I have kept all the negatives.

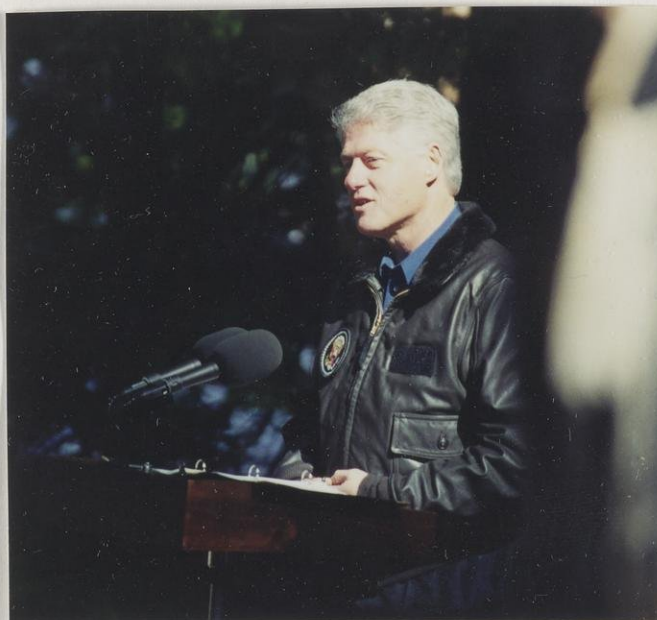

I was honored to transport you and others around during this historical event. It was a pleasure getting to know the Chief of the Forest Service on a more personal basis.

Sincerely,

Denise K. Alonzo
