LIBERTY GROVE

Has the greatest natural advantages of any township in the county as a summer resort. It has the longest, most varied and picturesque shore line, with many bays and harbors for boats, the best of boating, fishing, and bathing, and the excellent roads make automobiling a pleasure. If you desire a tract along the Bay or Lake or a lot for a cottage consult us.

Some of the finest orchard tracts in the county are located in Liberty Grove. Several of the leading horticulturists of Wisconsin have secured land here through us. Large orchards are being set out and the excellent soil make trees grow rapidly. Let us tell you about our bargains in farm and fruit lands. Write us, or better visit us and see for yourself the opportunities we can offer.

Malleable Arcadian Charcoal Iron Range

America's Best

The Arcadian Malleable Range accomplishes what has been the long cherished wish of all householders—
A Range That Will Bake Perfectly Always

Hundreds of experienced, practical householders have investigated this range's merits; have seen it perform under every possible condition and without dissenting voice they have declared in effect that the Arcadian Range is the greatest boon to womankind within the century.

It costs a little more, but it is easily worth it, for its quality is visible.
