The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

July, the waxwings
on my berries
have dyed red
 the dead
branch.

Old man who seined
to educate his daughter
sees red Mars rise:
 What lies
behind it?

Cold water business
now starred in Fishes
of dipnet shape
 to ache
thru his arms.

I see something - "to educate his daughter"
beyond him for seined long ago, but
to get that in rd. have ruined the
form. Maybe one can squeeze
things down too much. But the art
of the Japanese - they did it.
