DeVoe's Weather Forecasts and Cardui Weather Signals for 1929

THE ARRANGEMENT of Weather Signals used in this Almanac makes a daily reading of the weather indications simple and practical. The Weather Forecasts at the top of each calendar page more fully indicate the kind of weather that may be expected. Forecasts are made for the day that a storm will make its appearance. It may be several days before it will reach another section of the country. Each Weather Signal covers three or more days. Local storms or fair weather cannot be predicted with certainty, unless they are general over the whole country.

CARDUI HOME TREATMENT HELPED

Stearns, Ky., March 22, 1927.

I was weak and so tired, I did not feel like going anywhere or doing any work. I just felt like I must sit or lie down after the least exertion. I had two small children, and knew it wouldn't do to give up. I was also very nervous. I had read of Cardui and thought it might help me. I did not notice so much improvement until I was on my second bottle, when I found I was not nearly so nervous. I ate more and slept better. I kept on taking the Cardui. I was suffering some, too, from constipation. My legs would ache, and there would be a dull feeling in my head and neck, and my mouth tasted bitter. I sent for a package of Black-Draught and took a few large doses, and I felt still better. I used the Cardoseptic tablets, and they relieved the itching and inflamed condition. I am in so much better health, thanks to the Cardui Home Treatment.

**Lady Who Was Weak and Suffering Intense Pain
Says It Was Fortunate That She Decided To
Try The Cardui Home Treatment.**

R. F. D. B, Statesboro, Ga., Jan. 17, 1927.

In 1915, my health was very poor. I was so weak that I was almost past going, and I ached continually. My left side gave me a great deal of trouble; when I would lie down the pain was intense.

During this time I was very constipated, and found it almost impossible to get any relief. My color was sallow. My back hurt, and for days at a time it was all I could do to creep around the house. Every move was painful. My food did not digest, and I felt miserable.

I had read of Cardui and Black-Draught in the papers, and I thought I would try the Cardui Home Treatment, as I was not being helped by anything I had taken so far. For years, we had kept a Ladies Birthday Almanac in our house, and I had read about women who wrote that they had been benefited by the Cardui Home Treatment, and they described symptoms similar to mine.

It was a fortunate day for me when I came to the decision to try the Cardui Home Treatment, for I improved remarkably. My weight increased from 104 to 136 pounds after I had been taking Cardui a short while. My strength began to return, and the dull, achey feeling left. I was able to get about again, and the swelling in my side left.

Much of my trouble had been caused by constipation, so I took Black-Draught right along with the Cardui. My system had become poisoned because of improper elimination and I suffered dreadfully from this neglect.

I have often recommended Cardui and Black-Draught to my friends, because I found them such a help when my health was poor.

I have used Cardoseptic tablets and have found them excellent for local trouble.

PAINFUL INDIGESTION

**West Virginia Man Says He Felt All Out of Sorts,
Had a Thumping Sensation In His Side, Bad
Taste, Sour Stomach. Took Black-Draught.**

Crystal, W. Va., May 26, 1927.

For several years, I suffered with indigestion. I had a pain in my right side which rarely ever left me. When I woke up in the morning, it was always with a bad taste in my mouth, and I frequently was troubled with sour stomach.

MR. W. M. BARGER,
Crystal, W. Va.

Sometimes a thumping would start in my side, which made me very nervous. I was all out of sorts. At times I would have the headache so bad, I would have to leave my work.

Black-Draught was recommended to me by a friend, and so I began taking it. I started by taking a small pinch after each meal, and

before very long I was feeling much better.

I kept up the medicine for some time, and my improvement was so great, I felt better than I had felt in years. The pain in my side left me, and the sour stomach quit altogether.

I have found Black-Draught an effective preventive for sick headache and constipation and those troubles which come from it. I can heartily recommend it to others. We try to keep Black-Draught in our home, and use it as a family medicine.

BLINDING HEADACHES

**"Everything Would Get Black Before My Eyes,"
Says Missouri Lady. So Nervous, Couldn't
Bear Noise. Took Cardui and Improved.**

516 S. Seventh St., Poplar Bluff, Mo., Oct. 31, 1927.

For several months, I had suffered with severe headaches. These would come on me with such force that I could hardly see. My head would pain, just over the temples, and everything would get black before my eyes. I was very nervous. The least noise was torture to me.

I had read of Cardui in the Ladies Birthday Almanac, and also had read statements of ladies, which were given in the newspapers, about their use of Cardui. Many years before that, I had taken Cardui, when run-down and weak, and I had gotten so much better after I took it, that I decided to take it again.

I took Cardui regularly for several months in 1926, and when I finished, I was feeling like a different person, I had improved so much. I have been in perfect health ever since, and have not needed any medicine at all, since then.

I sleep well, and have a good appetite. I am a firm believer in Cardui, because I recognize how much it helped me. I can recommend it to other women who suffer as I did.

WEAK, RUN-DOWN

Kentucky Lady Suffered With Headache and Backache. Got Stronger After Taking Cardui Which "Has Been a Wonderful Help."

821 E. Washington St., Louisville, Ky., Sept. 26, 1927.

I was in a weak and run-down condition, only 105 pounds in weight, and very pale. I suffered with my back and head.

I read about Cardui, and what it was doing for other women, and so I began taking it, and when I did, I began to get stronger.

I took about four bottles, and after that I had no more headache and backache. I have taken it once or twice since then, just as a builder. I know that Cardui has been a wonderful help to me.

As for the Cardoseptic tablets, I am never without them, and if other women knew how cleansing and restful they are, they would be using them, too.

MRS. LELA WIGGINS.

"SO MUCH STRONGER"

Ben Lomond, Ark.

I have found Cardui to be a splendid tonic. I certainly derived much benefit from its use. I was in a very weakened, run-down condition, and felt I must get my strength back before confinement. I had read about Cardui, and after taking a few bottles I was so much stronger, and did not have any trouble. I took it twice this way and found it very helpful.

MRS. ALICE FAWCETT.

"FREE FROM PAIN"

North Emporia, Va.

I am a strong friend of Cardui. I was weak, and at times I had pains in my back and sides. I was extremely nervous and worried a lot. One day I chanced to hear about Cardui, and begin to take it. From the very first dose, my health began to improve, and continued to do so. I gained in weight, the nervousness passed, and I was free from the pain which had bothered me so at times.

CONSTIPATION TROUBLES

Virginian Says He Felt Dull, Lifeless, and Suffered From Gas Pains and Headache. Found Great Relief in Using Black-Draught.

Coeburn, Va., May 6, 1927.

I have found great relief in using Black-Draught for constipation. I have been bothered with spells of constipation, more or less, for years.

Often I would experience considerable discomfort. I had the headache, felt dull and lifeless, and had no inclination to do my work. Everything I had to do dragged along. I had these symptoms often, and sometimes I would have pains, from accumulation of gas, which gave me a lot of trouble. I tried several medicines, but the best of them did me little good.

I had read about Black-Draught in the Ladies Birthday Almanac, and made up my mind to try it. I found that it was all that the people said it was. After I had taken Black-Draught, I improved wonderfully. I did not have any more headache, and the gas pains left me.

Most of my trouble seemed to have come from constipation and when the cause was removed, I felt fine.

indigestion. I could eat what I liked and not suffer after meals.

For several years, I was troubled by bad spells of indigestion. My color was bad, and I suffered from bad pains in my stomach. Everything I ate soured on my stomach, and I was frequently uncomfortable from gas.

I began taking Black-Draught, and soon found that I was rid of the bad symptoms. I took a small dose after each meal for several days, and it was marvelous how my health improved. I had no more

UP ONE DAY, DOWN THE NEXT

"Never Felt Like Doing Anything, I Had So Little Strength," Says Texas Lady Whose Sister Persuaded Her to Try Cardui.

R. F. D. 5, Terrell, Texas, Sept. 22, 1927.

I was run-down and nervous, and for several months my health had not been good. I was up one day and down the next. I never felt like doing anything, I had so little strength.

I worried all the time, and I could not sleep well at night. I did not get any better.

Periodically, I would suffer from pains in my back and sides, and I would have awful headaches. I would lie in bed, and everything seemed black before my eyes, or like little spots, and I would feel dull and dizzy.

My sister had taken Cardui, and she persuaded me to try it. She said to me one day: "If you will only try it, you will see for yourself how much good it will do you."

So I got a bottle (of Cardui) and began to take it. It was not long until I felt fine. I got stronger, and my nerves did not bother me any more.

The pains stopped coming in my back, and I could do my work without any trouble.

I think Cardui is a fine medicine, and I am glad to recommend it.

BACK ACHED, FOR DAYS

Oklahoma Lady, Who Was Weak, Run-Down and In Pain, Says Her Health Improved Remarkably After She Had Taken Cardui.

905 E. 13th St., Ada, Okla., Oct. 7, 1927.

I was in a weak, run-down condition, several years ago.

MRS. C. S. COPE,
Ada, Okla.

I was not able to be on my feet, and had to spend most of my time in bed.

I had read in the Ladies Birthday Almanac about Cardui. My mother came to see me, and told me to try it, which I did, and it was remarkable how I improved after I had taken it awhile. I was stronger and felt fine.

Before I began taking Cardui, I was nervous. It was hard for me to sleep, and I did not feel rested in the morning. I had pains in my side and back. My back would ache for days at a

time. I was so weak I could not keep up.

I tried several remedies, but nothing did me any good, until my mother prevailed upon me to take Cardui. After the first bottle, I was so much better, I continued taking it for several months. All this time I was improving. That was seven years ago. Since that time, my health has been good, and I have had no recurrence of the trouble.

I have recommended Cardui to a number of my friends, and they, too, have improved after taking it.

COAL MINER'S TROUBLES

Says He Was Bothered With Constipation and Felt Poorly. Took Black-Draught on a Friend's Suggestion and Found It Helpful.

R. F. D. 1, Cambria, Va., May 6, 1927.

I can heartily recommend Black-Draught, for my health improved greatly after using it. For more than thirty years I have used this splendid medicine, whenever I needed a remedy for constipation.

MR. SILAS HAMBLIN,
Cambria, Va.

For many years, I was a coal miner, and worked every day in the mines. This life was very confining, and my health was not good. I suffered with gas, and often had sick headache, due to constipation.

My breath would get bad, and often I would get up in the morning with an awful taste in my mouth. My skin was yellow, and I felt pretty poorly generally.

An old friend recommended that I try Black-Draught for this, and because he spoke of it so highly, I bought some.

I found it an excellent medicine, and have used it ever since, whenever I needed anything for constipation.

I keep a box of Black-Draught in the house, and I find that a small dose, taken occasionally, keeps me in good shape. I can recommend Black-Draught to others, for I have found its use satisfactory.

"ON THE ROAD TO HEALTH"

**Missouri Lady Says She Was In Very Poor Health,
Pale and Sallow. Felt Better Than In
Years After Taking Cardui.**

Clarksburg, Mo., May 5, 1926.

For two years, I was in very poor health. Some of the time I was almost past going. I was very weak and run-down. I tried to make the most of what little strength I had, by taking frequent rests, but I could find nothing which would start me on the road to health again, until one day I decided to try Cardui.

I had heard about other women, who had been benefited after taking it, so I made up my mind to see what it would do for me. I took Cardui for several months, and was very much gratified with the results.

I began to do my own work again, which I had not been able to do for a long time past. My color, which had been pale and sallow, became natural, and my complexion cleared up. I gained in weight, and was pleased to have an improved appetite.

When I finished my last bottle of Cardui, I was feeling better than I had been in many years.

I found Cardui to be just the tonic I needed for that weak, run-down condition which so many women find hard to overcome.

PAINS IN SIDE AND BACK

This Lady Says She Suffered Dreadfully, But Cardui Seemed to Reach the Cause of Her Trouble and She Got Well.

R. F. D. 3, Columbia, S. C., March 13, 1925.

Several years ago, I was badly run-down. I was in bed for several weeks and had to hire a girl to come and take care of my house. I could not do any of my work. I was so weak I could not wash a dish. My back and sides hurt me, at times, dreadfully. I dragged around until I finally got down in bed.

I had heard of Cardui, and in some way a Ladies Birthday Almanac came into my hands. I read in it about cases similar to my own. My husband thought it would be good for me to try Cardui, so he brought me a bottle the first time he went to the store.

Cardui seemed to reach the cause of my trouble at once. I did not take it long before my appetite began to improve. I gained in weight from 114 pounds until now I weigh 125 pounds. I soon was able to be up around the house. I took up my household duties and was delighted with my returning strength. I let the girl go, and now do all my own work. The pains in my back and sides have disappeared, and I feel like a different person.

I think Cardui is simply fine. Every now and then, when I feel run-down and need a tonic, I get a bottle and take it.

"POISONED"

Constipation Symptoms Went Away, Following Use of Black-Draught for Several Weeks, and Texas Lady Says She Felt Fine.

R. F. D. 1, Winfield, Texas, March 23, 1927.

For eight or nine years, I have used Black-Draught in my home, and it has come to be our family standby for constipation.

Several years ago, I was suffering from a bad pain across my back, and from sideache. I became sallow and my complexion was dull. I felt sluggish and lifeless.

I realized that I was becoming poisoned from improper elimination. I was constipated, and this was causing a condition which was making me ill. I lost my appetite, and did not relish anything to eat.

I had always found Black-Draught to be a useful purgative, so I thought I would take a course of this medicine to thoroughly cleanse my system. I took a small dose every night for several weeks, and found that it was just what I needed. I soon began to feel better. The sluggish, dull feeling left, and I felt fine.

I almost always keep Black-Draught in my medicine cabinet, as I know it can be relied upon to give good results. I give it to my little boy, as it is about the only medicine I can get him to take without an argument. When he needs a purgative, I give him Black-Draught. His health is good and about all he needs is something to keep his bowels open when he has a bad cold, or an upset stomach.

JUST TOTTERED AROUND

Felt Shaky, Weak, and Didn't Seem to Get Any Better Until She Took Cardui, After Which She Regained Her Health.

R. F. D. 5, Dothan, Ala., Dec. 16, 1926.

I read about Cardui in the Ladies Birthday Almanac, and it occurred to me that it was just what I needed for my trouble. I was in a bad state of health and was going through a critical time of my life.

Several different things were recommended to me. First one and then another would suggest remedies, but I did not get any real relief until I began to take Cardui.

I was as weak as I could be. My legs were shaky, and often I would just totter around the house. I finally got so bad I was in bed for several weeks.

It was then that I began to take Cardui. I kept it up for quite a while, and at last I regained my health. Cardui was certainly a friend to me in time of need.

I was much better after taking Cardui, and I have recommended it to others who suffered as I did. My health is splendid now, and I seldom have to use medicine, but I gladly say a word about Cardui whenever I find a friend going through the same suffering which I endured.

I took Black-Draught along with the Cardui, and followed the Cardui Home Treatment according to the directions. Occasionally I will have a little spell of indigestion, but I recover from it quickly when I take Black-Draught.

LOCAL FEMALE TROUBLES

**Cardoseptic Treatment of Women's Local Troubles
Has Been Found of Benefit to Many Thousands
Of Women, By Relieving Itching and Other
Disagreeable Symptoms.**

Thousands of women have reported great relief by the use of this treatment, and all women who suffer from these local troubles should give Cardoseptic a thorough trial.

When the symptoms are not caused by germ infection, Cardoseptic is recommended for local itching and irritation.

In order to relieve this, a douche should be taken night and morning, or whenever the discomfort makes itself felt. Cardoseptic, used in this way, relieves itching and helps to stop discharge and restore a healthy condition to the parts.

Cardoseptic is dissolved in warm water and makes a fragrant, soothing solution to be used as a douche or wash. It is non-poisonous and non-caustic, and the tablets may even be swallowed without harmful results, unlike many antiseptics which are dangerous to have lying around.

It may be obtained at all druggists' or dealers' or will be sent direct, in plain wrapper, by parcel post prepaid, upon receipt of price, 50 cents. See Page 32.

CARDUI AND BLACK-DRAUGHT

Lady Tells How These Medicines Have Helped Her. Has Taken Black-Draught Since Childhood, and Found It "Splendid."

6 South Columbia St., Lake City, Fla., Nov. 2, 1927.

When just a child, and when I would be feeling puny, my father would say: "Give her Black-Draught." And give it to me, he did. I thought: "When I get grown, I won't take Black-Draught."

But I always felt so much better, after taking the Black-Draught, I kept it up until I was grown, and until now, and I am married and have grown children. I gave them Black-Draught and it certainly was helpful.

I have a business to manage, and am closely confined. I suffer from constipation, which causes me to suffer with my back and limbs. I have found Black-Draught just splendid for this.

I was in a very much run-down condition. I wasn't able to do my work. My back was so weak I couldn't straighten. I was down in bed, I was so miserable, restless and tired. I read of Cardui in the almanac. I had only taken half a bottle when I found I was feeling better. I kept on taking it. I was stronger, my back did not hurt so, and soon I was able to do my work, and feeling like new. I took six or eight bottles. I have taken Cardui since, as a tonic, and it sure is helpful.

THIN, SUFFERING, WORRIED

Badly Run-Down Lady Says She Tried First One Thing and Then Another Without Benefit Until She Began to Take Cardui.

Latexo, Texas, March 19, 1927.

About ten years ago, I was in very bad health. I looked like a walking skeleton. I was so thin and wasted looking that my friends scarcely knew me.

I suffered a lot. I had pains in my back and sides, and often was past going. I was getting worse. Nothing did me any good, and I was worried about myself. I tried first one thing and then another, but I did not get any better.

One day as my husband started to the drug store for medicine for me, a neighbor suggested that he get Cardui. He brought it home to me, and I began to take it.

I soon began to feel better. I could see that my appetite was picking up, and I began to gain in weight. I slept better and was less nervous. I continued the medicine for some time, and I became strong and well. I had weighed 95 pounds, and after awhile I weighed 160 pounds.

Several times since then, when I felt run-down, I have gotten Cardui and taken it, and always after a course of the medicine, I have greatly improved in health.

It is remarkable how I have responded to the Cardui Home Treatment, and I do not hesitate to recommend it to any woman who is suffering from weakness or nervousness.

HUSBAND ADVISED CARDUI

**This Alabama Lady, Who Was Weak and Sickly,
Took Cardui and Found It Did Her Much
Good. Also Helped Her Daughter.**

R. F. D. 2, Troy, Ala.

Cardui has done me good, and it has done my 16-year-old daughter so much good, that I felt I wanted other women to know the facts about it, so I wrote to The Chattanooga Medicine Co., telling them about my helpful experience with this medicine, Cardui. I have used it, at intervals, for sixteen years, when I suffered with weakness, and it always helped me.

Mostly I was afflicted with bad spells of back-ache. At times, I felt as if my back would break. I would drag one foot after the other, in a helpless sort of way, and once I got down in bed.

My husband told me about Cardui, and brought me the Ladies Birthday Almanac to read. He got me a bottle of the medicine and urged me to take it. I soon found what a fine medicine it really was.

Several times since my first experiment with Cardui, I have taken it, and after a few bottles, I have been as well as I ever was. When my second child was a little thing, I was in very bad health. I did not pick up as I should have. I was weak and sickly. I do not believe I would have come through, but for Cardui. MRS. INA MAE JINRIGHT.
