The Door  
To Opportunity

## YOUTH MARCHES ON

When former governor, Alfred M. Landon of Kansas, addressed the graduating class in a town in his State recently, he told the young people that there was a tendency today to overthrow the fundamental truths of life that have been learned from long experience.

"Change is not always a good form and many times proves to be dangerous when people do not understand what it is they are trying to change. A change is not always beneficial, especially when it is made from a selfish motive."

At this season of the year when hundreds of thousands of young people are being graduated from the schools and colleges of our country, they must hear and be given a word or promise from their elder advisers that will give them confidence and a desire to go out into the world willing to do their part in a work which will make the world a better place in which to live and assume their share of the duty of spreading the blessings of civilization.

Youth must have faith in his own talents and with his equipment must do his life work in cooperation with others, as he cannot work and live apart from others.

Many finish their college work without any practical training to make them able to meet the problems in life so as to adapt themselves to circumstances. Youth is left to find his own way these days. Youth needs one main chance- that is opportunity.

The best counsel which can be given to youth today and on which they can rely is-"Keep thy heart with all diligence, for out of it are the issues of life."

"I am the master of my fate;  
I am the captain of my soul!"

COMMUNITY PICNIC WELL ATTENDED  
IN SPIITE OF WEATHER

The two hundred people who attended the Williams Bay Community Picnic on Tuesday, June 1, found a variety of activities to occupy their time. Most of the men enjoyed the softball and seven different games were played during the afternoon. The golf course came in for its share of activity and the putting and driving contests attracted quite a group. At the club house the women participated in bridge, monopoly and croquet.

A number of pictures painted by residents of the Bay were hung in the club house and all had a chance to vote for the picture they liked best. The archery range on the golf course was a popular spot throughout the afternoon. The track meet originally scheduled for the afternoon was postponed.

The program following the picnic supper was furnished by the Junior Acappella Chorus of the Williams Bay School and the Delavan High School Band. The chorus sang well and the band music was excellent. During the program the prizes won for the afternoon events, were presented by Mr. Lawrence Hollister, president of the Men's Community Club. Mr. Louis Horvath received a vase for the best liked picture. Mrs. Lou Hennes won both the driving and putting contests for women, receiving a box of face powder and stationery. A can of paint was awarded to Art Werner for performing best on the putting green. Bud Johnson received an ash tray and a can of peaches for winning the driving contest for men and for turning in the lowest score for a round of golf. Marilyn Johnson received an ash tray for excelling in monopoly and Gertrude Peterson won a shampoo and a hair set for making the highest archery score. For the high score in Bridge, Mrs. L. Henyey was awarded a bridge lamp. Mrs. G. Moffitt received a pair of hose for second prize and Mrs. Freytag a box of face powder for third prize.

Mr. ARNOLD J. HOPE and MISS LILLIAN V. RIEHECKY, of Chicago, MARRIED

Oakwoods Estates was the scene of a very pretty lawn wedding on last Saturday, May 29, at two o'clock, when Mr. Arnold J. Hope took Lillian V. Riehecky for his bride, at the home of his parents, Mr. and Mrs. O.J. Hope, Chicago.

Both young people are residents of Chicago. The groom's brother, Mr. Harold P. Hope, Chicago, was best man, and the bride's sister, Mrs. A. Munsen, Chicago, was matron of honor. The bride's father, Mr. Wm Riehecky gave his daughter in marriage. Rev. Torrey M. Johnson, pastor of the Midwest Bible Church, Chicago, and a boyhood friend of the groom performed the ceremony. Miss Loraine Ulfeng of Chicago, who is a summer resident at Beulah Heights, Wms Bay, sang several appropriate selections before the ceremony and during the dinner hour.

Some sixty relatives and friends witnessed the ceremony under the trees at Oakwoods Estates after which a wedding dinner was served at Rose Lane Hotel.

"Lake Geneva Observer" and "Bay Leaves" to be published together on June 17.

On June 17 "Bay Leaves" broadens its scope to include the whole lake shore.

Word has been received from enough lake shore residents to convince the publisher that there is a place for such a publication, and it might as well be a Williams Bay publication.

In order to assure its success the cooperation of all Williams Bay residents is asked. No less effort will be given to securing all the news about the Bay and its activities.

A large number of the subscribers to "Bay Leaves" live on the lake shore and are interested in the activities around the lake.

The six months is about up and all who have not paid their subscriptions to "Bay Leaves" for the past six months, can help right now by paying their subscriptions.

Many paid for the year at first and some who paid for the six months are paying now for the balance of the year.

The cost of sending out 1500 copies of the June 17 issue is considerable as it will be a double number.

There will be no June 10 (next week) issue of "Bay Leaves" as all the effort will be placed on making the next number a credit to Williams Bay.

Those who pay \$1.00 now for "Bay Leaves" will receive the "Lake Geneva Observer" also for the year. After June 17 the subscription will be \$1.00 for the summer months only. This is the last time the rate of \$1.00 for the year will be announced.

### LARGE CROWD VISIT THE BAY OVER THE HOLIDAY WEEKEND

The weather man favored the holiday crowd for the three days vacation over Memorial Day. All lake regions were visited by many thousands of vacationers and all summer sports were enjoyed. The bathing beach at the Bay was crowded each of the three days.

Hotels were filled to capacity, and many tourists having to be turned away that could not be accommodated. All places of business report business in excess of a year ago. Private homes were filled with guests and home owners were asked to take in tourists.

Everybody talks about the weather, but nobody ever does anything about it.
