The observatory will also be open to the public during the evening, when visitors will have access to the telescope.

### THE DELAWARE RACE.

On the last day of examinations, Friday, June 14th, the Delaware-Wisconsin eight-oared shell race occurs on Third Lake. The race will be started at 7 o'clock p. m. Socially the event will assuredly be a success. Several of the steamers on Third Lake were chartered by parties of students and town people two weeks ago. The navy officers have charge of the matter of letting the boats and will keep two of the larger steamers open to the public. These two steamers will carry about 200 persons and tickets for this number will be on sale at Moseley's book store on Monday.

A party of ladies and gentlemen of the city will be aboard the Winnequah steamer. The Chi Psi fraternity has engaged the steamer Satirio, Theta Nu Epsilon has chartered the Tonywatha for the race and to take them to the Tonywatha Hotel, for a dance after the race. The U. W. band will also have a steamer assigned to it, and will be accompanied by the referee of the race.

The Delaware club crew of Chicago beat the first Wisconsin shell crew that was ever put upon the water. That was two years ago and the varsity has become very much faster since then. But the Delawares have improved some also. Two years ago it was necessary for Chicago crews to practice whenever Lake Michigan was quiet enough. This was not very much of the time. Now, however, the crews are able to practice daily inside the breakwater at Lincoln park and consequently are rowing in much better form than ever before.

Our eight-oared shells will start in the race, preceded down the course by two eight-oared gig crews. The Delaware crew will be in a white uniform, rowing shirt trimmed in blue, their club colors, with the club device on the breast. This device consists of a white letter D set in a blue diamond-shaped frame. The varsity's rowing shirt is dark red with the crew device upon the breast. The crew device consists of a red letter W set in a circular field of white. The freshman and second varsity crews will also be in uniforms.

### BILDUNGSVEREIN.

The following program will be carried out this evening: Paper, Prof. Rosenstengel, "Werth der deutschen Sprache; essay, Mr. Jones; sketch, Miss Reel, "Eine wahre Geschichte;" reading, Miss Griffith; declamation, Geo. Kroncke, "Der Taucher;" reading, Miss Sauthoff, "Ahasver;" original poem, Mr. Liesenfeld, "Die Verlassene Kirche. The meeting will be called to order at 7:15.

### FREE BIBLE INSTITUTE.

The charge of admission fee to the lectures of the Bible institute this evening has been withdrawn. The program, as far as determined, will be as follows: At 8 o'clock this evening Chas. Longbridge, Esq., of Chicago; subject, "The City of Jerusalem," illustrated with lantern slides. Sunday, 3 p. m., lecture, Prof. W. W. White, Ph. D., of the Bible Institute, Chicago. Sunday, 8 p. m., lecture, Prof. White, subject, "The Fourth Gospel." All meetings will be held at the Congregational church.

### BEAT GEMS AGAIN.

With Some Men Not Playing—Score Was 9 to 8.

The varsity played its first extra winning game yesterday, against the Madison Gems. George and Hagenson, of the university nine, played with the city team. The umpire failed to give satisfaction to either side.

The game began with the Gems at bat. George was hit by the ball and went to first, but was put out while running to third. The next two men struck out. The varsity team had the bases full in the first inning, but did not succeed in scoring. In the second inning each side made two runs. In the fourth inning, by means of a little timely batting and more timely errors, Gregg, Kummel, Dudgeon and Hayden succeeded in scoring for the varsity team. The fifth inning proved a lucky one for the Gems. First, Dean made a safe hit for first base, which Haagensen followed up with one just like it. Then the umpire, who had all the time been calling strikes balls, and balls strikes, began to play the game in absolute disregard of all rules and regulations. Gregg muffed the third strike by Haney. With a man on first Haney was out even though Gregg failed to catch the last strike. Nevertheless, the umpire didn't think so and since there was no book of rules on the field the decision stood. Cossiboiné with a three-base hit brought in three men and things began to look dubious for the varsity team. Outside of rank decisions nothing of importance happened until the eighth inning, when the varsity team succeeded in bringing in two runs. In the ninth the Gems, by means of errors and a three-base hit by Haney, succeeded in tying the score.

A goose egg in the ninth was all the varsity team could get and thus the game stood 8 to 8 with good prospects for several innings more. The Gems, however, were shut out in their half of the tenth and Freeman, with a double, and Hayden and Gregg each with singles, brought in a run, making the score 8 to 9. A home run by Falk in the second was the feature of the game.

### FERRIS WON THE CONTEST.

James, of Lawrence, Second—E. B. Smith for President.

The representative of the university prohibition club was the successful contestant in the oratorical contest at the assembly chamber last evening. W. C. Ferris, '95, was the one who carried off the honors, with an oration entitled The Great Issue. The contest was quite close, Edward James, of Lawrence university, being close second.

The orators and the subjects of their orations were as follows:

W. C. Ferris, University of Wisconsin—The Great Issue.

Albert C. Griffin, Ripon college—The Reformer in American History.

Edward James, Lawrence university—To Be, or Not To Be.

Herman Farr, Platteville Normal school—The Greatest Reformers.

The judges on delivery were Rev. E. G. Updike, T. C. Richmond and J. B. Smith. The orations had previously been graded on thought and style by three judges in different parts of the state. F. W. Barber, '95, presided,

and prayer was offered by Rev. J. W. Cochran.

The meetings during the day of the State Intercollegiate Prohibition association, under whose auspices the contest was held, were occupied with business and with discussions along this line of reform. Officers for the coming year were elected as follows:

President—Ernest B. Smith, U. W. '97.

Vice president—V. E. Palmer, Ripon college.

Treasurer—R. Willis, Platteville Normal.

The secretary is to be chosen by the local club.

### DEBATING SOCIETY NEWS.

Senior Banquets—Election of Officers for Next Year.

At the regular meeting of Athena last night but one debate was given on account of the sophomore orations. B. A. Monahan, '96, was elected for the Junior Ex., and the following officers chosen for the first half of the first semester next year: M. W. Kalaheer, '96, president; W. W. Hughes, '97, vice president; A. C. Shong, '98, secretary; H. R. Colver, '98, recording secretary; H. T. Ferguson, censor; B. A. Monahan, '98, assistant censor.

The orations given were by L. L. Strock, upon Present Day Reform Spirit; H. T. Ferguson, Robert Burns, and B. A. Monahan, The Sons of Erin.

Athena last night chose the negative in the coming joint debate. The question is as follows: "Would it be sound policy for congress to legalize contracts for the division of competitive freight earnings of railroad companies engaged in interstate commerce?" "Provided, that all such contracts before going into effect shall be filed with the interstate commerce commissioner, subjects to the supervision of that commission, which shall have power to suspend or abrogate such contracts whenever in the opinion of such commission said contracts are detrimental to public policy."

Philomathia's annual senior banquet will occur tonight at the Hotel Van Etta. E. R. Burgess, '96, will officiate as toastmaster. The following will respond to toasts: Seniors, including E. R. Buckley, W. L. Ball, E. H. Cassels, A. G. Hough, E. E. Gittens, P. H. Urness, E. L. Raish; juniors, A. H. Schmidt; sophomores, G. M. Link; freshmen, J. L. Edgren. Besides these a number of the alumni will speak.

Athena will give her annual banquet this evening. M. J. Gillen, '96, will act as toastmaster. A. M. Barton will speak for the juniors, B. A. Monahan, for the sophomores and L. A. Goddard for the freshmen.

### SENIOR FAREWELL.

The meeting of the Y. M. and Y. W. C. A. tomorrow will be the annual senior farewell meeting of the associations. All seniors, whether members of the associations or not, are cordially invited to attend. The meeting will be held at 5 o'clock instead of at the usual hour, 4:30 p. m.

—P. S. Renisch, '92, has been appointed instructor in history for next year.

—George O'Neill, '95, is visiting at the university.

The movement on foot in the various eastern institutions for the establishment of a uniform academic costume for American universities and colleges is outlined in another column. The suggestions made by the conference of representatives from the governing boards of institutions having the matter under consideration are deserving of attention. Just at this time the question is especially pertinent inasmuch as this is the first commencement at which the cap and gown has been worn here.

With this issue the Cardinal completes its fourth volume. When volume V. is born into the world with all the possibilities and good resolutions of the new school year it will be greeted by many new friends. Yet mingled with the pleasure of this prospect are the regrets and misgivings which come with separation from friends tried and true. We who are to return to form new friendships another year have but to wish each other a pleasant summer as we gayly hurry away from the busy cares of the class-room for home. Not so with those who now take a fond farewell to alma mater and set out with hopeful expectation to undertake the busier cares of active life. The least we can wish for them is the pleasure which comes with well earned success and the satisfaction which the Cardinal may carry to them if perchance it may be permitted to become a regular visitor in the new field of work.

#### ACADEMIC COSTUME.

A circular has recently been issued in regard to a uniformity of academic costume by a committee consisting of members from various leading colleges and universities. With it is also sent a draft of by-laws regulating such costume which it is expected will be enacted by Yale, Princeton, Columbia, and a number of others in the near future. The circular gives the following history of the movement, and its plans:

An informal conference of representatives from the Governing Bodies of Universities and Colleges interested in the adoption of an academic costume was held in the Trustees' room of Columbia College, New York, on Friday, May 11th, 1894. After a full discussion of the possible objections to and the advantages likely to result from the general adoption by American Universities and Colleges of a suitable academic costume, the matter having been considered in all its bearings, it was unanimously determined that those present should report to their respective Boards the conclusions reached by the conference as expressed in the following recommendations:

1. That it is expedient and desirable that the American Universities and Colleges should, as far as practicable, adopt an academic costume, consisting of gowns, hoods and caps, to be worn at Commencements and upon other appropriate occasions, to be arranged upon some uniform system, which will at a glance indicate the University status of the wearer in the following respects:

- A. The degree held.
- B. The Faculty to which it pertains.
- C. The University or College granting the degree.

It is suggested that the degree shall be indicated by the length and form of the hood; the Faculty to which it pertains, by the color of the binding or edging; and the University or College conferring the degree, by the color of the lining of the hood.

2. The conference also unanimously concluded to recommend that if the Govern-

ing Bodies of the respective institutions represented, after receiving this report, should determine to proceed with the matter, that the subject should be again referred to their respective committees, with instructions to perfect and settle, upon conference with the representatives of other Universities and Colleges wishing to co-operate in the movement, the details of a plan which will, as far as possible, secure reasonable uniformity in these matters, and without committing the respective institutions, in advance, to any plan, to submit such suggested plan, when perfected, to the respective Governing Bodies represented at such conference, for their final action.

The academic costume proposed at the meeting in January last, for general adoption, having been in the meantime considered and discussed by the Governing Bodies represented or by their Committees, a final meeting was held at Columbia College on Thursday, May 16th, 1895. After further discussion and amendment of the plan, it was unanimously "Resolved that the description of an academic costume proposed for use in the American Universities and Colleges, as now submitted, is approved and it is recommended that the Governing Bodies of the Universities and Colleges proposing to adopt an academic costume, should, at the earliest practicable date, enact a by-law, regulation or statute, providing therefor, substantially in the form following."

The conclusions reached and the recommendations made are the result of much study and investigation of the history of the academic costumes of European Universities, especially those of Oxford, Cambridge and the Scotch Universities.

#### OLYMPIC GAMES.

The international committee having in charge the reorganization of the Olympic games have decided on April 5 to 15, 1896, as the date. The Prince Royal, Duke of Sparta, will preside at the games. The following programme has been arranged:
