MADISON, WIS., THURSDAY, OCTOBER 18, 1894.

[PRICE THREE CENTS

A GLAD TIME FOR ATHLETES

FIELD DAY WAS A GREAT SUCCESS.

HOPKINS BREAKS THE MILE RECORD.

Standing of the Classes—Sophomores Are Ahead.

The first 'Varsity field day held in the fall was a great success and characterized by unusually good records for the condition of the track and day. The star performance of the day was Hopkins' mile in 4:35, breaking the previous record by 22 3-4 seconds. The time by quarters was .58, 2.07, 3.27 and 4.35 and Hopkins seemed to have considerable run left in him after the finish. This is so far as known now the fastest mile ever run by a western amateur, and one of the fastest miles ever run in an American college in the fall. The records in the other events were excellent for the fall and, contrary to the general expectation, '98 had out a very large number of men and made a fine showing, winning the high jump and bicycle race and a large number of places in other events. Mayburg, '96, showed up well in the 220 yard dash, winning easily, though the judges failed for some reason to catch the correct time. The sophomores won in the total score by a fair margin, the two under-classes being scored separately. The best individual performances were by Hopkins, Mayburg, Montgomery, Kull, Day, H. Frame, Royce and Smith, and the general standards of the events was very encouraging to those who wish to see a strong team sent to Chicago next spring.

The following are the events:

First Event—100 yd dash: 1, C. C. Montgomery, '97; 2, H. Frame, '98; 3, W. Frame, '96. Time, 10 2-5 sec.

Second Event—Running high jump: 1, H. Frame, '98; 2, J. Day, '98; 3, W. Frame, '96. Height, 5 ft. 6 1-2 in.

Third Event—120 yd hurdle race: 1, F. C. Smith, graduate; 2, J. Petley, '97; 3, J. Day, '98. Time, 18 1-4 sec.

Fourth Event—Mile run: 1, N. Hopkins, '96; 2, Elsner, '96; 3, B. Petley, '97. Time, 4:35 flat, breaking the old record of 4:57 3-4.

Fifth Event—Mile bicycle race: 1, F. B. Royce, '98; 2, Fred Warner, '96; 3, Gray Montgomery, '98. Time, 2:42 1-4.

Sixth Event—Pole vault: Postponed on account of Holt's accident, the last vault recorded being 9 ft 8 4-10 in.

Seventh Event—440 yd dash: 1, C. C. Montgomery, '97; 2, Aston, '98. Time, 59 1-2 sec.

Eighth Event—Putting the shot: 1, H. Cochems, '97; 2, A. Lees, law '97; 3, B. Petley, '97. Distance, 35 ft. 6 1-10 in.

Ninth Event—220 yd hurdle: Declared off for lack of competitors.

Tenth Event—Half mile run: 1, J. Bell, '97; 2, R. Walker, '97; 3, Comstock, '97. Time 2:16.

Eleventh Event—Hammer throwing: 1, Fred Kull, law '96; 2, J. Day, '98;

3, Cochems, '97. Distance, 86 ft. 9 1-2 in.

Twelfth Event—Mile walk: 1, T. A. Blackburn, '97; 2, H. A. Harding, '96; 3, Clauson, '97. Time, 8:45.

Thirteenth Event—Running broad jump: Postponed.

Fourteenth Event—220 yd dash: 1, J. Maybury, '96; 2, Harry Tower, '98; 3, C. C. Montgomery, '97. No time was taken.

The relative standing of the different classes, marking by the 5, 3 and 1 system, is as follows:

Sophomores, 37 points.

Freshmen, 27 points.

Juniors, 26 points.

Seniors, 3 points.

Graduate students, 5 points.

By disregarding the two upper classes, the standing of the freshmen and sophomores alone may be secured, thus giving virtually the same result as in a Sophomore-Freshmen field-day. By this reckoning '97 obtains fifty-three points and '98, thirty-five.

Owing to some mistake in judging Harry Tower, '98, was not awarded second place in the 100 yard dash. Although almost abreast with Montgomery, '97, the judges somehow failed to see him and he was not given a place among the winners.

DEMOCRATIC MEETING.

There will be a democratic rally under the auspices of the Students' Democratic club this evening. The meeting will be held in the assembly chamber at 8 o'clock. The Hon. H. J. Schmitz, of Manitowoc, democratic candidate for lieutenant governor arrived in the city this morning and will make the principal address. The Hon. Thomas L. Cleary, of Platteville, United States assistant district attorney for the western district of Wisconsin, will also make a speech. Music will be furnished by Lueders' band. A part of the hall will be reserved for the U. W. Democratic club. A large attendance is expected and a special invitation is extended to republicans.

SPARRING CLUB.

Mr. Everett gave the first lesson in sparring yesterday. It consisted of points as to positions; also one blow and parry. This class has just been organized. The class in wrestling will meet for the first time today. These classes will alternate, one coming every other day, at the hours of 8 and 12 o'clock. The lesson lasts one hour.

Other classes will be formed at different hours for persons who wish to take lessons but are unable to take them at those hours. The price is \$2.50 for 10 lessons. Arrangements can be made with Mr. Everett as to the hours for these classes. Mr. Everett has a reputation as a good instructor in these exercises and the present members of the class are well pleased with the outlook.

TENNIS TOURNAMENT.

On account of a scarcity in the entries for the fall tennis tournament, it has been deemed inadvisable to hold a tournament this fall. The tennis department is in very bad shape and is running behind financially. It is expected that a report from the management in regard to its financial condition.

ENGINEERS WILL DEBATE

A SOCIETY ORGANIZED LAST EVENING.

WILL INCLUDE MEMBERS OF ALL CLASSES.

Professors Bull and Smith Speak—Meets Again Saturday.

As was announced in yesterday's Cardinal the engineers met in Science hall last night to organize an engineers' debating society. About forty representatives from the engineering college and all four classes were present. A somewhat imperfect organization was effected. W. S. Hanson, '95, was elected chairman of the meeting and C. C. Loyd, '96, secretary. A committee of five to draft a suitable constitution was appointed by the chair as follows:—A. H. Ford, '95; Fred Warner, '96; C. McDonald, '97; H. C. Schneider and the chairman. Suitable quarters will be secured and if possible on the first floor.

Professors Bull and Smith addressed the meeting in regard to the benefits to be derived from a good engineering organization and both briefly outlined the work which they thought would be most profitable for them to take up. Both said they would do all they could to make it a success. The general sentiment was that the society should not be a class organization, but like the hill societies choose its members from all four classes. Also that debating should be the primary object of the society, subjects to be discussed that will be different than the technical and daily routine. However technical magazines will be reviewed and other matters of importance to students in engineering will not be neglected. Efforts will be made to unite the new organization, the sophomore and freshmen engineering societies, it being the prevailing sentiment that one strong organization would in the end give better results than two or three weak ones. The next meeting will be Saturday night, and at this meeting the organization will be completed.

DECIDED TOMORROW.

The championship game of the inter-class baseball league will be played at Randall Field tomorrow afternoon, at 2:30 o'clock, by the sophomores and juniors. The juniors have greatly improved in their playing of late and the game promises to be close and exciting.

WILL DISCUSS HOLMES.

On next Monday evening occurs the "Oliver Wendell Holmes night" at President Adams', when the President and Mrs. Adams entertain the Madison Literary club. There will be brief discussions by a number of well-known people: Dr. Butler, "My Two Last Hours with Holmes;" Professor Freeman, "Holmes as a Man of Letters;" Professor Birge, "Holmes as a Man of Science;" Professor Chas. N.

Gregory, "Three Glimpses of the Autocrat;" while Mr. Wilder will speak of Holmes as a "Man of the World."

DEBATES FOR FRIDAY.

The programs of the various societies for tomorrow evening are as follows:

Philomathia.

Declamation—Farrish.
1st Debate—Would the annexation of Canada to the United States be desirable?

Declamation—Patzer.
2d Debate—Should there be an educational qualification for suffrage in United States?

Hesperia.

Violin solo—Heyn.
1st Debate—Resolved, that the government of the United States should subsidize her merchant marine.

Declamation—Ochsner.
1st Debate—Resolved, that the single tax be substituted for the present system of taxation.

Athenae.

1st Debate—Resolved, that trusts are detrimental to the best interests of society.

2d Debate—Resolved, that church property should be taxed.

Pharmaceutical Society.

Music—Quartette.
Biography—Schule—M. F. Ellis.
Recitation—Miss L. M. Jones.
Prescription work—C. Freytag.
Recess and specimen review.
Practical illustration on pill making—E. L. Haswed.

Aniz on the Halogen Group—John Breman.

Columbian.

1st Debate—Resolved, that the general sentence law (R. S. 4733) in Wisconsin should be repealed.

Recess.
Seven minute speeches on Sir William Temple, John Hampden, Voltaire.

E. G. Ryan Society.

1st Debate—Resolved, that church property in the United States should be subject to taxation.

Recess.
Declamation—Russell.

Forum Society.

1st Debate—Resolved, that the single tax system of taxation would be preferable to our present system.

2d Debate—Resolved, that the United States senators should be chosen by the direct vote of the people.

Engineers' Club.

Meets in room 29, Science hall.
Five minute discussions on the following papers:

1. Scientific American—A. N. Fowle.
2. Scientific American Supplement—W. T. McGregor.
3. Western Electrician—C. Schildhauer.
4. Electrical Review—M. P. Kiehl.
5. Street Railway Gazette—T. J. Short.
6. American Machinist—William Kratzsch.
7. Electrician—N. Comstock.

'97 ENGINEERS ELEVEN.

The sophomore engineers met on lower campus this afternoon for the purpose of selecting a football eleven. Work will begin immediately and a strong class team will undoubtedly be the result.

—Mr. H. D. Latimer, '88, is visiting friends in the city.

The Daily Cardinal.

President—J. B. Kerr.
Secretary—S. H. Cady.

*Any failure to receive the Daily Cardinal
promptly should be reported to the
Business Manager.*

The Cardinal was mistaken in regard to the adoption of the cap and gown. A uniform style was adopted but not a uniform quality. Each member of the class can buy as fine or as poor a gown as he or she wishes. It would be better if a certain quality would be selected and have all caps and gowns purchased by the class made in this quality.

In the field day yesterday one record deserves special notice. It is that in the mile run, made by W. S. Hopkins. A record of 4:35 for the mile is one that is very seldom equaled by any runners. When the shape of the track is taken into consideration the record is much better. The record shows what can be done by persistent hard work. If every one who competed in the field day yesterday will make up his mind to work hard and break the records next spring, we will see more of our records going down.

Students heretofore showing little enthusiasm for our football eleven, certainly must be aware of the excellent team work it is capable of by this time. If they have read the accounts of late regarding the shameful treatment we received at Purdue their sympathies ought to be enlisted. Great financial loss is the result. Though considerable was raised yesterday at field day, yet we have a large sum to make up. Voluntary subscriptions we hope will be forthcoming and that those who can, will take some of these short trips with the team. Low rates can be secured if enough are ready to go and it being Saturday they will not materially interfere with studies. Those who cannot accompany the team either to Chicago or Beloit surely

can attend games here and make subscriptions, since we have comparatively few home games this year.

—Though nearly three weeks remain before election all students who intend to vote in Madison should remember that they must register on Oct. 30 and 31. While the Cardinal is non-partisan in politics it is anxious that all student voters of whatever party inclination be informed of this fact. Many cast their first ballot this year and labor under the belief that because it is too far to go home or they are unable to secure passes, it will not be possible for them to vote here. The chairmen of the county committees in both parties make this statement to us that provided only each student voter is legally registered on dates mentioned he may enjoy the privilege as well as any citizen of Madison. Let each student make note of this date and see that he fulfills this important obligation. If not sure of your precinct consult those in a position to inform you.

FOOTBALL AND ITS VOTARIES.

The first sweep of the October breeze, with its suggestion of frost and of coming furs, gives a real pleasure to vigorous exercise and ushers in the football season with all due eclat. It is already upon us, and nearly all the larger associations through the northern belt of states have organized their teams, and are prepared to do battle and to win honors on the field. Played with a certain amount of moderation and with a decent and humane regard for the proprieties the game stands almost unparalleled in the realm of sport for its muscle-bracing, nerve-stimulating qualities. Football is neither murderous nor suicidal if properly played and in accordance with the rules. Any other game could easily incur an overwhelming odium for brutality if the same disregard for the regulations was practiced as that which brought football into such disrepute in the eyes of a considerable portion of the civilized world last year. It was an unfair attack because it was based entirely on a few conspicuous instances of rough playing.

Football has a large measure of inherent vitality, and the number of its votaries has certainly not diminished to any appreciable degree this year. The fact that so many aspirants for field honors have appeared evidences their abiding confidence in the game, and it rests with them to rescue it from those shades of ignominy into which it has been cast.

There is no reason why association teams should not acquit themselves on the football field as well as they have done in other athletic events during the past season. Some association teams have already arranged matches with college and other outside organizations. Let them go in and win. The more pennants any association can hang on the wall of its gymnasium the greater will be its power as a center of attraction. By several well-conducted football contests the members of the competing teams will be benefited physically, and the association to which they belong numerically and in other ways.

It would be deplorable if any number of associations should take action against football because of the roughness displayed on a few fields last year. The game is a noble one, it is susceptible of improvement, and as a health-promoter has no superior and few equals.

—Herbert Swett, law '94, has been nominated for district attorney by the Fond du Lac county republicans.

THE YALE-PRINCETON GAME.

A New York dispatch in today's Chicago Tribune in regard to the Yale-Princeton game reads as follows:

"There is more back of Yale's refusal to play Princeton on Thanksgiving day than the closeness of the Harvard and Princeton games. The design of the Yale management seems to be not only to have no Thanksgiving day game this year, but to abolish it permanently. Alumni are back of it all. It seems the spectators that attend the annual Thanksgiving day game are not wanted. The Yale management is in favor of excluding all but college graduates, their wives and sisters. As to how far the prohibiting line would extend concerning other collegiate favorites is not plain yet. Today Harry Brooks, who was a world's champion at Yale and keeps thoroughly in touch said:

"We are going to take the game out of New York City and play it in some college town or small place, where the crowd will be smaller and limited, for the most part, to college men. It has got to be the fashionable thing for people to come to the Thanksgiving game. Something must be done to save the game and keep it respectable. We are tired of having Yale students misrepresented by ill-behaved persons who have never been inside a college hall. There would be less of this if the game were played in a town like Springfield. I don't know whether Princeton men favor the scheme or not, but I do know Yale men favor it. I don't care to say that any organized movement to that end has been made, but I am going up to New Haven soon to try and put it through."

The following give the Yale and Princeton views:

New Haven, Conn.—"A New York paper tonight quoted the manager of the Princeton eleven as saying: 'It's the Thanksgiving day game or nothing; unless we play Yale, on that date we shall not meet her at all.' Manager Cable of the Yale team said tonight: 'If that statement is true there will be no Yale-Princeton game this year. For many reasons we can not and will not play on Thanksgiving day.'

If Princeton persists in her determination it will mean the dissolution of the Intercollegiate Football association, of which Yale and Princeton are the only surviving members.

Princeton, N. J.—It was rumored on the campus tonight that Yale had given Princeton the alternative of playing here Dec. 5 or not at all. Manager Munn denied having heard anything definite from Yale, but said that Princeton would not play Yale any later than Dec. 1, and that if Yale did not play then there would be no Yale-Princeton game.

Football has made its way so far in Germany that a Frankfort team has just visited England. It plays the Rugby game.

EXCUSED FROM DRILL.

In a meeting of the Athletic Council held Oct. 12, 1894, the following named persons were excused from military drill:

C. E. Phoenix.
L. A. Crocker.
E. C. Noyes.
