GOLF IN WILLIAMS BAY

Among Williams Bay's many summer attractions there is a Golf Course with eighteen beautiful and more or less sporty greens--divided into a long nine and a short nine.

In 1900 -- one-third of a century ago -- this course began as a 3-hole affair with greens like a sheep pasture and fairways like a hay field. During the years, land has been purchased and holes added, until in 1929 it became a full-fledged 18-hole course.

Likewise in 1929, a comfortable, cozy Club House was erected with dressing rooms for men and women, a workshop for club repairs, and a refreshment counter with a chance for a snack or a cooling drink.

During the later years, Glenn H. Reitz has been keeper of the greens. Glenn is an expert and knows his onions when it comes to grass culture. Lou Cross is director of play, and Marge Hotton hostess at the Club House.

In 1932 the greens were reported to be as good as any in the Geneva Lake region. The fairways are fast and offer a full chance to the long driver. From end to end the course has a gentle roll and is not tiresome. Each hole has tricks of its own.

The course is open to the public at the prevailing daily rates.

The course is operated by College Camp under the name of the Y. M. C. A. KISH-WAU-KE-TOK Golf Club.

BETTER BUSINESS

Reports from all over the country seem to point to better times. Some of the usual indices have shown a gradual upturn for several weeks past. Car loadings are a good index. For the week ending June 3rd cars loaded were 508,234 or an increase of sixty thousand, eight hundred twenty two over corresponding week in 1932. Moody's index figures show a substantial increase. To get the picture of percentages, count 1928 weekly averages as 100. Then study figures below:

Car Loadings	Electrical Products	Steel
Yr. ago 48.4	94.6	27.3
1933 high 57.8	100.	47.7
1933 low 45.6	88.7	15.5
Latest wk. 55.	100.	47.4

Sale of stocks last week was the third largest in History of Exchange, being 32,312,735 shares. The largest week ended Nov. 2, 1929 was 43,499,440 shares. Of the 1,107 stocks traded in last week, 761 showed gains, 257 declines and 89 remained unchanged. The advance in prices showed paper profits of over a billion dollars.

Thus looking at things in the large we feel that at last we are on the road upward in economic recovery.

BAY LEAVES WILL CONTINUE

The response to the appeal for a small subscription fee has been encouraging. A few subscriptions coming in each week help to get more copies out. This issue about 600 copies will be run off so that every one at Cedar Point may have a chance to get one. We will try to get copies into the hands of other Summer residents also.

The Kish-wau-ke-toe Golf Club is helping this time by using the Bay Leaves as a means of publicity and copies are going to their mailing list. The Hotels are all listed in the Directory. Study the list.

TUTORING

Summer is a good time to get caught up on those extra credits you might need for school.

FOUNTAIN SERVICE

A visitor to Williams Bay can be recommended to any one of our dozen clean, cozy little hotels with confidence that they will get excellent meals.

The explanation is simple. The hotels are run by women and they do the cooking themselves, or, if run by a man, the wife handles the kitchen.

It is the woman's touch and the woman's enterprise. She selects her food with care and seasons and serves it with skill.

CHURCHES

At the Congregational Church last Sunday Rev. Keiser preached on the Prophet, Jeremiah. This was the last of a series of sermons on the prophets, Amos, Hosea, Isaiah and Jeremiah. The series was very interesting and helpful.

It was evident that the list of sins the old prophets preached against has not changed much through history up to our times.

Next Sunday will be children's Day and a very fine program will be given by the Sunday School at the regular Church hour, 10:30 a.m.

At the Gospel Tabernacle Rev. K. P. Wufflestad of Seattle, Wash. preached both morning and evening. He married Anna Peterson, who passed away several years ago. Anna Peterson, who was a daughter of Mrs. Bertina Peterson, was Post Mistress in the Bay for several years. Services will be held throughout the Summer with different ministers in the pulpit.

The Lutheran Mission will meet as usual at the Community Room at 9:30 a. M.

There is a Catholic Church at Fontana. Several families from the Bay attend the services there regularly. There are large Catholic Churches at Elkhorn, Lake Geneva and Delavan.

Summer residents are urged to attend any or all of the Churches while living here. They will find good sermons and music at all of them. A welcome awaits you.

Children will find the Sunday Schools of unusually high standards. The teaching staffs are made up of trained workers.

GO TO CHURCH ON SUNDAY

SCHOOL NOTES

The faculty of our school will be busy folks this Summer. In order to better fit themselves for the school years ahead many will attend Summer Schools.

Supt. V. Sorenson will attend the University of Minnesota; Arvid Thompson, Stout Institute; Herbert McConnell, University of Illinois; Mary Hussa will attend the Band Clinic at Madison; Dorothy Williams will enter Stout Institute; Lucia Tappen will go to National College of Education in Evanston and Emma Quale and Marjory Purdy will attend Whitewater Normal School.

Nell Miller has gone to her home at Monroe and Miss Bergeman drove to Ft. Dodge with her sister-in-law Mrs. Bergeman (Hilda Nuhn). Miss Phelps will for the present stay with her parents in La Grange township and later go to the University of Wisconsin.

Annual Meeting of the School District will be held at the School Tuesday, July 11th.

As a rule Williams Bay folks are on hand in large numbers.

At this meeting the School Board presents a financial statement for the past year and submits the proposed budget for the coming year.

Burton and Burton sold 480 Sunday papers last Sunday, which is a good index to the fact that the Village is fast filling up this Summer.

The Bay took on a Summer appearance Sunday as Motor Boats were doing a rushing business. Many pleasure boats were out for the first time.

Whether in need of a spool of thread or a Motor Boat you will find it in Williams Bay

Mr. G. Van Biesbroeck Attends
Boy Scout Executive Meeting

Some twenty Boy Scout Executives of the McHenry County District, to which Williams Bay belongs, gathered last Friday night in the rustic setting of the Huntley Cabin, where they were treated to a rabbit supper furnished by Paul Cault of Marengo.

Reports and plans were discussed. Arrangements were made for the Scouts who wish to see the Fair. At the price of \$7.50 they will find lodging and food for three days in the South Shore Club, and have their daily free entrance in the Fair grounds which they will visit in groups. They will have the advantage of swimming in Lake Michigan under Red Cross Instructors. All that they need to bring is a couple of blankets and their usual toilet articles.

The Huntley group expressed the hope that they could hold their Fall Meeting in the Williams Bay Scout Cabin.

Our Troop was represented by G. Van Biesbroeck.

LOCAL COMMITTEE of CENTURY
of PROGRESS

Goal of Finance Committee \$875.00
Secured to date 724.00
Balance to Secure \$151.00

As a part of the publicity of the Committee a headed article appeared in the Chicago Tribune last Sunday. It read "Williams Bay Springs into the Limelight Again". If you did not run across the article, you will find it on the Village Bulletin Board.

The attendance at the Observatory last week numbered 388.** On Monday there visitors from five different states.

Remember that the Committee has secured the co-operation of the Observatory Staff and will be open each day from 5 to 6 p.m. with Mr. Geo. C. Blakslee in charge as lecturer. On Saturday it will open at one o'clock and remain open until all crowds are out.

Concert Next Week

An event of unusual interest to all music lovers will occur next week when Mr. Paul McMains, Tenor, and Mr. Merald Tollifson, Baritone, will sing in concert at the Congregational Church.

These artists sang for several seasons over prominent radio broadcasts from Chicago and were known as "The Balladiers".

Previously they sang in several Broadway Musical productions; among them "The Student Prince" and "The Vagabond King".

Their vocal training has been under the direction of prominent teachers both in America and abroad.

Their Concert will be given Thursday evening, June 22, at 8 P.M. at the Congregational Church. Admission is 25¢. Tickets will be on sale by the young people of the Church.

Birthday Party

Monday night about 30 gathered at the M. T. Peterson home to help celebrate Mrs. Peterson's birthday. Those from out of town were Mrs. A. H. Ackley, Mr. & Mrs. Milo Katzman and children of Troy Center; Mr. and Mrs. Chapman and son of Eagle; Mrs. G. M. Talyor and sons of Elkhorn and Miss Marion Halverson of Chicago.

CORRECTION!

Proprietors of SHERWOOD
Resort are L. and S.
Lundberg

On account of the lack of space an article about the Men's Community Club Meeting was left out last week. It was an unusually good meeting. Miss Edith Hatch of Ferndale Inn served a fried chicken dinner to the Club. Mr. Alfred L. Godfrey of Elkhorn gave an instructive talk on Telephone Service.

What To Do In Case Of Fire

During the day Call Hopkins & Waker
Garage, 380-W-1.

At night tell Central to call the
Williams Bay Fire Department.

The Village has a very efficient
Volunteer Fire Department and up-to-
date equipment.

The Fire Chief is Vic Hanson; Ass't
Chief, Mike Ambrose; Capt. of Hook
and Ladder Company is Louie Rasmuss-
en; Lt. is Geo. Krause; Capt. of
Engine Company is Ben Koeller, Lt.
is Rudolph Johnson; Secretary, E.
Stenstrom and Treasurer, Frank Vavra.

How To Prevent Fires

- 1) Keep matches out of the way of
children.
- 2) Do not throwaway cigars, cigar-
ettes and matches without first ex-
tinguishing them.
- 3) Do not allow accumulations of com-
bustible waste materials in or near
the house.
- 4) Keep chimneys and stovepipes
clean with all joints and connect-
ions tight.
- 5) Provide separate metal cans for
ashes and for rubbish.
- 6) Place substantial fire-resistant

guards in front of all woodwork
close to sources of heat.

7) Be careful in the use of nap-
tha, gasoline and benzine for
cleaning. Use them only out
of doors.

8) Keep all flames away from gas
leaks.

9) Avoid hanging lace curtains
where there is any possibility of
them blowing over a lamp or
flame.

10) Turn off current of any
electrical device immediately
when through with its use.

11) Insist that all wiring be
done in accordance with state
code.

12) Be careful in use of any
comb made of celluloid or similar
composition as it will ignite
in a flash if it comes in con-
tact with a flame.

W.C.T.U. Elect Officers

The W.C.T.U. met at the Con-
gregational Church for their
annual meeting on Wednesday after-
noon, Miss Ragnild Nelson presid-
ing.

Mrs. Storrs Barrett gave a
very interesting talk on "Our
Trip Home". Musical numbers were
given by the quartet who were
MMES. Granzow, Van Epps, Pederson
and Jorgensen.

Officers for the year were
chosen as follows:

President -- Mrs. H. Granzow
Vice Pres. -- Mrs. L. Rook-
feller
Secretary -- Mrs. Wm. Lackey
Treasurer -- Miss Ragnild
Nelson

Refreshments were served.

Mrs. Walter Everson was
called to Beloit Monday because
of the serious illness of her
mother.

Miss Laura Barrett is spend-
ing several weeks with her parents,
Mr. and Mrs. Storrs Barrett.

PEOPLE TODAY ARE CONSIDERING COSTS
AND VALUES AS NEVER BEFORE, WHATEVER
THE NATURE OF THE EXPENDITURE

OUR POLICY IS CONSERVATION

We can furnish a complete funeral service, with a
very fine casket for only \$100.

Excellent roads plus modern motor equipment bring
to patrons miles away WIGHTMAN'S complete and
satisfying service.

Rural and out of town calls receive the same
attention as those in Lake Geneva.

No matter what the distance, there is no added
charge. WIGHTMAN'S modern funeral service may be
had at lowest prices in this section.

CEDAR POINT PARK

At the March meeting of the Village Board the Cedar Point Park Association filed signed petitions from owners of 173½ lots for the extension of the Village Water works to Cedar Point Park with the hopes that the water-works will be extended in 1933.

There are 118 houses at Cedar Point Park, all being sure to use the Williams Bay Water when extended and after the private water works of Cedar Point Park will be discontinued. All of the houses are equipped with bathrooms and sinks and must be necessarily purchasers of water.

Since the original petition was filed, thirty two additional signers have been secured.

Arrangements have been made this week so that a copy of "Bay Leaves" is delivered to every home in Cedar Point Park. Hereafter, if you wish a copy, send your name to Bay Leaves and it will be mailed without cost. If your name appeared on the copy delivered to you, your name is on the mailing list already.

Though the paper will be delivered to you anyway whether you subscribe or not, it has been suggested that a small subscription would help to make a better paper. You can place any amount you feel the paper to be worth to you in an envelope and place it in the Post Office addressed to Bay Leaves.

One of the old timers at Cedar Point Park suggests that a careful reading of the advertisements will convince the reader that it is not a saving anymore to bring things along. The stores have complete stocks at very reasonable prices.

OUR VILLAGE BLACKSMITH

You will be interested in stopping in to see Louis Rasmussen at the Blacksmith shop at the north end of Walworth Avenue.

He is always busy helping to fix up things. No job is too big for him to tackle, and the reverse is also true.

Though he is ready to shoe horses and does do all that kind of work needed for miles around, he does many other things. Does your lawnmower need sharpening? Let Louis make it like new. Do you need an iron rod welded? He has the equipment to do it.

Work is brought to him from miles around because all know it will be done right. The County Highway Department has a lot of its work done in his shop.

Louis has taken a real interest in the Village affairs and has served on the Village Board for several terms. He has served on the Park and Fire Committees almost continuously, and this year he is also serving on the Finance and Relief Committees. During the construction of the Water and Sewer Plants he gave a lot of thought and attention to its successful completion.

THE ITALIAN ARMADA

We here on Lake Geneva do not usually wish for a fog in Chicago, but just the same we hope that it will be necessary for the Italian Armada of twenty six army planes to land on Lake Geneva upon its arrival in these parts.

Already this Armada is on its way to the Century of Progress. It is the largest group of airplanes undertaking so long a jaunt.

Arrangements have been made by the Italian Government for the landing to be made here on Lake Geneva if weather conditions do not make it possible to land in Chicago on Lake Michigan.

The Armada will comprise 26 planes, each equipped with two 750 horse power motors.

Mr. & Mrs. Alfred Hornigold are occupying the Bjorge Apartment this Summer. Mr. Hornigold is a teacher in Wisconsin Rapids.

Miss Edith Kellman was numbered among the graduates at Wheaton College yesterday. Vivian Peterson attended the Baccalaureate exercises last Sunday.

Simone Van Biesbroeck graduated from the Library Course at the University of Illinois on Monday. Mr. and Mrs. Georges Van Biesbroeck motored to Champaign.

Word has just been received that J. O. Bingham, brother of Chas. L. Bingham, passed away at Fond du Lac about four weeks ago. He used to do carpenter work around here for two or three years and took an active part in the work of the Congregational Church.

Mr. and Mrs. E. C. Blomeyer and sons Edward and Earle of Winnetka are at their summer home "Sunnyhill" on the lake shore for the season. Since purchasing the estate from the late M. E. Mogg, the Blomeyers have made extensive improvements which make it one of the beautiful homes around Lake Geneva.

Katherine Peterson, daughter of Peter Peterson, was valedictorian of her class at the Lake Geneva Graduation Exercises last Thursday night. Her grandmother, Mrs. Bertine Peterson, Mrs. M. T. Peterson, Loretta and Hayden attended.

Mr. and Mrs. E. N. Hendricks and son John and Mr. and Mrs. Meyers are at their Cottage on Elm Street for the Summer.

Mr. & Mrs. Arthur Pederson and Junior spent the week end in Chicago.

Simone Van Biesbroeck will be at the Library of the University of Chicago after July 1st.

Will rent our house either for the Summer or for year around.

Mrs. Wm. Pearson 1270-R-1

PERSONALS

Jas. O. Johnson and wife were guests in the Chas. Blakeley home in Harbor View this week.

Mr. and Mrs. John Tiplady were weekend visitors at the Walter Jewell home on the Lake Shore.

Miss Winifred Upton is visiting Mrs. D. J. Oetjen this week. Miss Upton is a niece of Mrs. A. T. Newcomb, wife of the late Rev. Newcomb, former pastor of the Congregational Church who passed away suddenly four years ago this week.

Vic Ross of Lake Geneva is employed by Hopkins and Walker as mechanic. Vic is considered a very fine mechanic and will no doubt find plenty to do here this Summer.

Joe Steiner and family of Janesville were among those who were enthusiastic picnickers in Edgewater Park Sunday afternoon. Mr. Steiner is General Secretary of the Y.M.C.A. in Janesville. His daughter is on the staff at College Camp this Summer.

Another large Conference is in session at College Camp this week. It will pretty well tax the capacity of the Camp. It is The National Swedish Young People's Covenant Convention. The College Young Men's Conference concluded its sessions today. It was a small group compared to former years. Next week the College young women come for a Conference.

Next Sunday the Rev. Clarence A. Nelson, pastor of Salem Swedish Mission Church of Minneapolis will preach at College Camp.

Mrs. Grace Bruns is at her cottage at College Camp for the Summer. She spent the Winter at Lakeland.

Automobile Insurance is only financial protection in a case like this.

Mrs. Amy Jorgenson, Elsie Piehl and Mrs. Ralph Hirschberg were Fair visitors last week. Mrs. Hirschberg (Margareth Jorgenson) and daughter Virginia who are living in the Cottage at Rose Lane this Summer stayed in Chicago for a few days.

Dr. C. Y. Wiswell attended the National Medical Association Meeting at Milwaukee this week.

HIS FELLOW WORKERS CARRY
MR. FOOTE TO HIS GRAVE

H. M. Foote, who until recently was Superintendent of Buildings and Grounds at Yerkes Observatory, was buried Tuesday afternoon at the Brick Church Cemetery, west of Walworth. The funeral service was held at the Community Church at Fontana where Mr. Foote had his home.

His associates at the Observatory were the pall-bearers. They were Messrs. Crump, Krebs, Oetjen, Ridell, Sullivan and Babier.

Mr. Foote had been with the Observatory since 1903. Last Winter he took a leave of absence on account of illness and spent most of the time in Florida. He did not get his strength back as had been hoped by his friends.

SUMMER RESIDENT STRICKEN

ERNEST RIEFFEL who was at his home in Oakwoods Estates passed away rather suddenly last Thursday. He had been out to his Summer Home only a short time. He was sixty nine years old. His wife preceded him in death a couple of years ago. He was taken to Oaklark for funeral and burial.

PERSONALS

Mrs. Hermanson has rented the Tea Room to Mr. and Mrs. M.G. Spence who have opened it under the name of the "Tavern". Last Saturday was the first day they conducted business. Mrs. Spence was Helen McManus who attended school in the Bay and lived on Rt. 50 near Delap's Corners.

Charles L. Bingham, who was Superintendent of College Camp for many years, together with his son, Charles Jr. just returned from the University of Arizona, spent Saturday night with the Van Epps family.

The Village Park was a busy place last Sunday. The grounds were dotted with groups who were thoroughly enjoying themselves.

Robert Cook commenced his duties as Life Guard on Saturday. There was quite a goodly number of swimmers at the beach. Arnold Van Epps will help him as soon as the numbers of swimmers warrant it. They are anxious to have every boy and girl learn to swim. It will be a fine opportunity to learn to take care of oneself in case of accident.

Already we read in nearly every paper about children and even men drowning because of not being able to swim. A few lessons will make our children competent in the water. Every parent should urge his child to learn this summer.

The Life Guards cannot give lessons during busy hours but can help in the morning.

Even grown ups can learn with just a little help, and arrangements can be made for instruction at little cost.

Make good use of your Summer.

Stanley Johnson is back on the job at the Dairy. He was laid up for a couple of weeks. It was a new experience for Stanley as he has rarely been sick. We little think of the hard work some of our men go through daily (seven days a week) in order to supply our table with fresh milk every morning.
