JAPAN

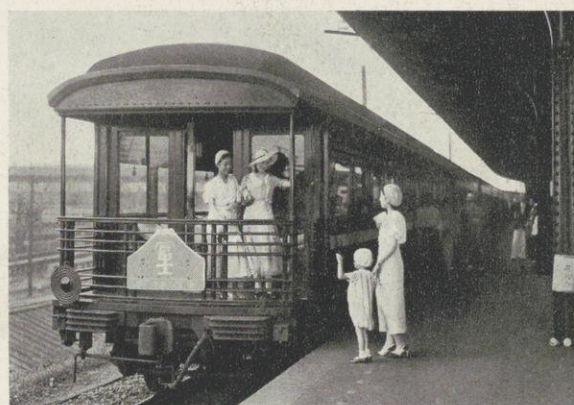

With her temperate climate and hospitable children, and a thousand and one other attractions, Japan is indeed a "Land of Color, Courtesy and Charm." It is an ideal holiday-land, fit to visit at any and every season of the year; it is the land where East and West meet in perfect accord, where the characteristic manners and customs of the East are kept intact, where the Oriental

CALLS

fine arts and ancient relics are seen in perfect repairs, and where the modern culture of the Occident is tempered by Oriental civilization.

Available throughout Japan are the latest travel facilities from automobile to airplane, plus riki-sha and palanquin, which assure the tourist a delightful trip at minimum cost of time and money.

Japanese Green Tea is Delicious

Not only in Japan is Green Tea a popular drink; most persons in the United States and Canada in the past 70 years and a great many in Soviet Russia in recent

years, have been drinking Green Tea because they like it. It is a healthful and pleasant drink, imparting an excellent taste and retaining a high percentage of Vitamic C.

新聞寫真年鑑一九三三年—三四年版

BY THE SHIMBUN RENGU-SHA NEWS PHOTO DEPT.

PREFACE

THE SHIMBUN RENGU-SHA, BY FAR THE MOST POWERFUL NEWS AGENCY IN JAPAN, UNDERTAKING TO BE THE CENTRAL SYSTEM FOR THE SUPPLY OF NEWS AND NEWS-PHOTOS DEMANDED BY NEWSPAPERS ALL OVER THE WORLD, IN THE FIELDS OF POLITICS, ECONOMICS, FINANCE, HUMAN INTEREST, SPORTS, THE STAGE AND SCREEN, AND WHAT NOT, HAS PROVED ITSELF TO CONSTITUTE THE MOST EFFICIENT EYE AND EAR OF THE EMPIRE OF JAPAN. WHAT WE GATHER AND DISTRIBUTE, FOREIGN NEWS AND NEWS-PHOTO, FROM OUR ASSOCIATES AND SPECIAL CORRESPONDENTS ABROAD, HOME NEWS FROM ALL POINTS IN JAPAN, PERIODICAL PUBLICATIONS OF FINANCIAL, SCIENTIFIC AND LITERARY INTEREST, ARE ALL VEHICLES FOR THE PROMOTION OF KNOWLEDGE AND CULTURE. THE STUFF WE SUPPLY IS DISPLAYED PROMINENTLY NOT ONLY IN JOURNALS AND MAGAZINES AT HOME BUT ALSO IN SIMILAR PUBLICATIONS ALL OVER THE WORLD.

THE PHOTO SERVICE ESPECIALLY IS ONE OF OUR STRONG POINTS, AND WE NOTE THAT A LARGE NUMBER OF PHOTOGRAPHS SUPPLIED BY US ARE CARRIED BY DIVERSE PUBLICATIONS HOME AND ABROAD WITH OR WITHOUT THE CREDIT, "RENGO".

THE HISTORY IN THE MAKING, SO TO SPEAK, IS CONTAINED IN THE PAGES OF THE DAILY NEWSPAPERS, BUT IT DOES NOT NEED ANY STRETCH OF IMAGINATION TO SEE HOW MUCH THE HISTORICAL VALUE OF SUCH RECORDS WILL BE ENHANCED WITH THE ADDITION OF NEWS-PHOTOS WHICH AT A GLANCE GIVE THE WHOLE IDEA OF THE THINGS THAT HAVE HAPPENED. THIS IS THE VERY WORK WHICH WE HAVE PROPOSED TO UNDERTAKE, AND HERE WE OFFER TO THE PUBLIC THE FRUIT OF LABORIOUS WORK IN THAT DIRECTION.

NEEDLESS TO SAY, THIS SIGNIFICANT WORK OF COLLECTING EXHAUSTIVELY NEWS-PHOTOS FROM ALL PARTS OF JAPAN, SUPPLEMENTED WITH A COLLECTION OF ARTISTIC PHOTOS TAKEN BY CAMERAMEN OF OUR ASSOCIATED NEWSPAPERS, HAS BEEN MADE POSSIBLE THROUGH THE HEARTY COOPERATION OF OUR FRIENDS IN VARIOUS FIELDS.

WE HAVE TAKEN THE TROUBLE OF PREPARING CAPTIONS IN ENGLISH WHICH WE HOPE WILL BE FOUND TO BE A VALUABLE ADDITION.

THIS NEWS-PHOTO YEAR-BOOK WILL BE A PRICELESS HISTORICAL DOCUMENT AS A SOCIOLOGICAL HISTORY OF JAPAN AT A GLANCE, GIVING YOU THE IDEA OF THE CHANGES THAT ARE TAKING PLACE IN JAPAN, ESPECIALLY AS THIS WILL BE PUBLISHED ANNUALLY TO FOLLOW THE PROGRESS OF EVENTS.

BEFORE CONCLUDING THIS BRIEF PREFACE, THE EDITORS WISH TO OFFER THEIR PROFOUND THANKS TO THOSE WHO HAVE ASSISTED THEM AND HOPE THAT THEY AND MANY OTHERS WILL KINDLY COOPERATE WITH US IN THE FUTURE IN THE PREPARATION OF NEW ANNUAL EDITIONS OF THIS PUBLICATION.

THE SHIMBUN RENGU-SHA PHOTO DEPARTMENT.

新聞寫眞年鑑發行に際して

(一) 新聞聯合社と寫眞ニュース

我新聞聯合社は日本に於ける一般の新聞ニュース、即ち社會、政治、經濟、運動、演藝等あらゆるニュースの中樞機構を形成してあるのみならず世界に向つては正に日本の眼であり耳である重大な役割を仰せつかつてゐるのであります、而して其完璧なる施設と機關は普く内外に認識されて居り、凡そ我社に於て晝夜發受せらるゝ「聯合電」と各種通信、出版物は須らく世の文化開發と之が指導的精神に立脚して間斷なく世に送らるゝものであります、我寫眞部も亦此の機構中に包含せられ眼で見るニュースの大源泉として全國新聞に其の流れを頒つてゐるのであります、即ち、現在全日本の主要新聞雑誌は勿論全世界の一流紙に掲載される日本の寫眞ニュースは其大部分が聯合寫眞部の供給になるものであり「レンゴウフォト」の盛名は今や全世界の出版界に喧傳されて居ります。

(二) 寫眞ニュースの歴史的價值

日常社會に起る百般の記録は活字に依つて新聞紙上にのこされて居りますこれは正しく立派な歴史の保存であります。然し若しこれを寫眞に依つてのこすことが出来ればどれ位有爲であり效果的であるかは想像に難くはありません。幸ひ弊社では全世界の日々の出來事を寫眞ニュースに依つて蒐集する完全なる機構を有して居りますが、其全部を一巻に收録することは其尠大さに於て到底困難な業であります。其處で差當り内地及滿洲に於ける重大ニュースのみを選んで毎年の懷古的記録出版とし、これに全國各新聞社撮影に係る代表的ニュース寫眞を以てする既刊の新聞寫眞年鑑をも加へて有意義なるニュース寫眞年鑑とし、特に英文解説を添へて内外に弘く「眼で見る日本の社會史」を頒布すれば其價值たるや獨り單なる美術寫眞誌たるのみならず歴史の調査參考資料たるは勿論我文化の世界的紹介に好個の逸材たるを失はないと思惟するものであります。

(三) 新聞寫眞年鑑の眞價

斯様なわけで本年鑑は現在日本の社會情勢の推移を描き、現實の日本の歴史を保存するに最も適せる美術寫眞史であります。故に其保存價值は永久的であり、其觀賞さるゝ所は極めて世界的であります。従つて今年版に止まらず毎年上梓さるゝ本年鑑が愈々内容外觀を整備し有終の美を齎らすに於てはたいに我聯合寫眞部の名譽たるのみならず、本年鑑の作製に多大の御援助を惜しまれなかつた新聞社及び各方面の御厚志に酬ゆるに足るものがあると聊か自負するものであります。

1. The first part of the report is a general statement of the purpose and scope of the study. It is followed by a brief review of the literature on the subject. The next section is a description of the methods used in the study. This is followed by a presentation of the results of the study. The final section is a discussion of the results and their implications.

2. The second part of the report is a detailed description of the methods used in the study. This includes a description of the subjects, the materials, and the procedures. It also includes a description of the data collection and analysis methods.

3. The third part of the report is a presentation of the results of the study. This includes a description of the data and a presentation of the statistical analysis. It also includes a description of the results of the qualitative analysis.

4. The fourth part of the report is a discussion of the results and their implications. This includes a discussion of the strengths and limitations of the study, a discussion of the implications of the results for theory and practice, and a discussion of the need for further research.

5. The fifth part of the report is a conclusion. This includes a summary of the findings of the study and a statement of the overall conclusions.

來朝したる東亞醫學界の諸大家

第九回日本醫學會に出席のため來朝したる滿洲、中華民國、印度等の醫界の諸名士は、四月二日、ヘーフェ菌劑の始祖、「わかもと」發賣元、榮養と育兒の會社長、長尾欽彌の招宴に臨み、同學會會頭入澤達吉博士、副會頭長與又郎博士、傳染病研究所長宮川米次博士等も參會せられ、甚だ盛會であつた。寫眞は長尾社長邸庭園に於ける記念撮影。

Big Figures in Medical World of Far East Arrive.

Leading medical savants of Manchukuo, China, India etc. here to attend the 9th Japan Medical Congress were guests at a banquet on April 2 of Mr. Kinya Nagao, originator of the "Heafe" remedy (yeast treatment), head of the "Wakamoto" Sales Company and President of the Nutrition and Nursing Society. Among those present were Dr. Tatsukichi Irizawa, chairman of the Japan Medical Congress, Dr. Mataro Nagayo, vice-chairman, and Dr. Yoneji Miyagawa, director of the institute of Infectious Diseases. The affair was a success. The photograph shows the distinguished company in the garden of Mr. Nagao.

「わかもと」は現下治療界を風靡するヘーフェ菌劑の基を開きたる製法にして、各種榮養素と活性酵素の綜合作用により、胃腸を強健にし、榮養を増進するは、在來の化學製劑の企て及ばざるところなり。

發賣元 株式會社榮養と育兒の會
海外代理店 三井物産株式會社

The "Wakamoto" is a preparation which has become the basis of the yeast cure, the most spectacular of therapeutic methods. By a synthetic process of the various nutrients with active enzymes, the stomach and intestines are kept in health and vigour. The effect of the "Wakamoto" in stimulating nutrition surpasses by far all chemical preparations in use.

GINZA, TOKYO NAGOYA
SHIZUOKA OSAKA

Women Divers and wooden rafts from which oyster cages are hung down for 6 years to get pearls, at Mikimoto pearl farm.

We are cultivating more than 10,000,000 pearl-oyster, from baby pearl-oysters to the grown up pearl-oysters. After the pearl-oysters has been cultivated for three years, a slight operation is performed on it.

About one hundred pearl-oysters are cultivated in a wire basket which is called a culture cage. Several times a year the pearl-oysters in these cages are hauled up from sea so that seaweeds and barnacles, which fasten themselves to the oystershells and thereby hinder their development, may be scrapped off.

Today Twelve Mikimoto Pearl Cultivating Farms are located in different parts of Japan, Gokasho Bay, Miye Prefecture, which is the center of the Mikimoto Pearl Industry, and Palau Island, in the South Seas. The entire area covers 40,830 acres, where 5,000,000 pearl-oysters are cultivated each year

TOKYO

MATSUYA DEPARTMENT STORE, ON THE GINZA, TOKYO.

東京銀座松屋百貨店に於ては春夏秋冬を通じて國民に最も關心ある各種展覽會及實演會を絶えず催し觀覽者の神益する所極めて大なるものがある。此寫眞は其内でも曾つて見ざる史實の再現を期した大掛りなもので五月一日の端午の節句に因んで錦着出陣式の光景である。

The Matsuya Department Store, on the Ginza, Tokyo, all the year round offers diverse entertainments and instruction for the public in the form of exhibition and other displays attractively arranged to suit the varying tastes and appreciation of men, women and children in all walks of society. These pictures shown here are snapshots of scenes from the enactment of the ancient samurai's martial life, staged on the occasion of the Boys' Festival on May 5. A large number of men, buckled in armour, enacted the ancient ceremony used to be observed in days when feudalism was in full swing to mark the departure for the front.

SHIROKIYA DEPARTMENT STORE

Souvenir Department

△
白木屋

東京・日本橋

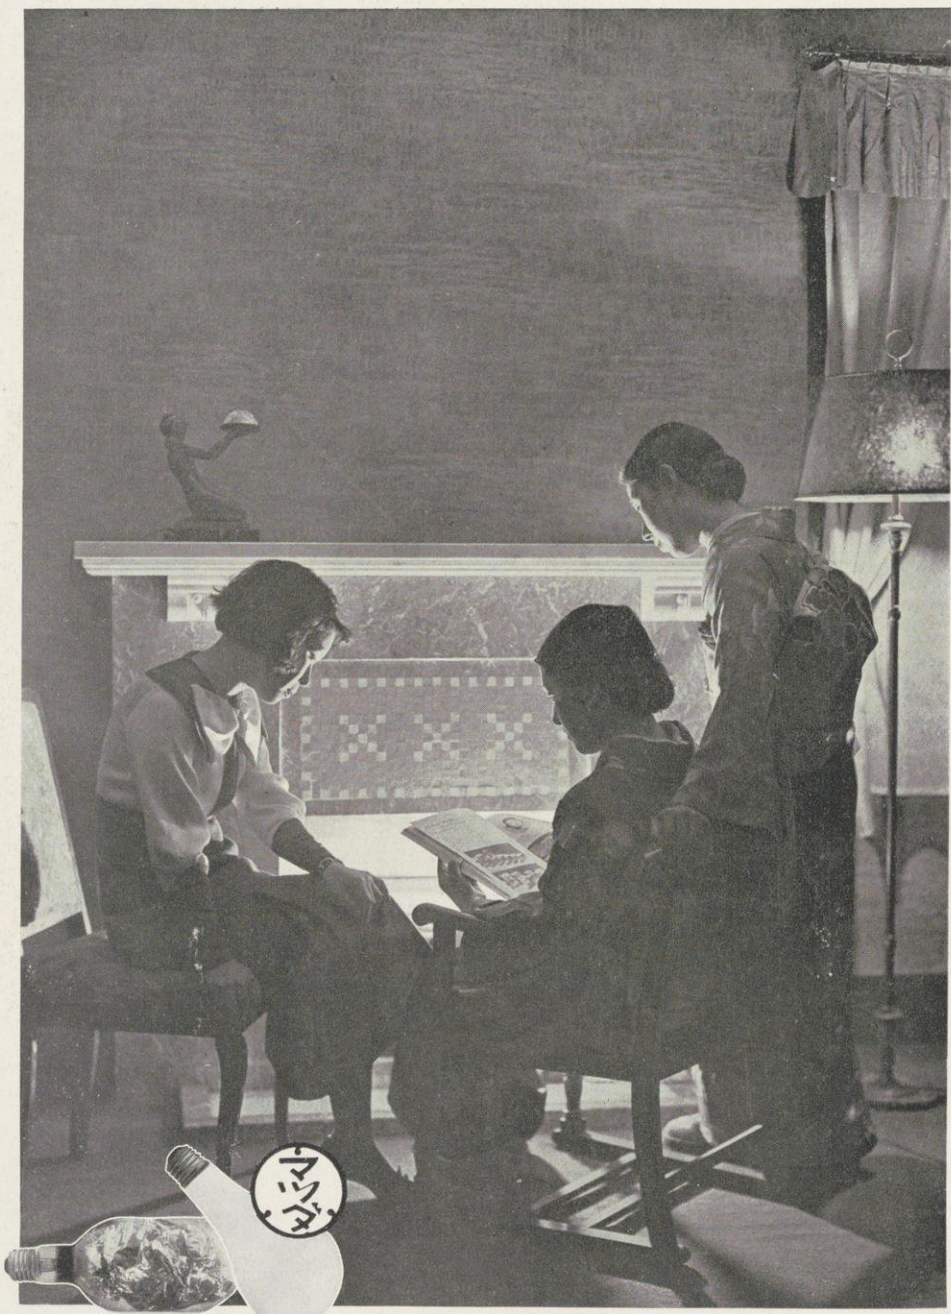

The Shirokiya Department Store, since the completion of the building after the disastrous fire of 1932, is making every effort to serve customers.

In carrying out this policy, not only to fill the needs of Japanese but foreign patrons as well, we have established the Souvenir Department and newly organized the Information Bureau to afford the occidental community and visitors from overseas better means to make themselves familiar with things Japanese.

The Souvenir Department was organized two years ago at the suggestion of the Board of Tourist Industry. Here you can purchase Japanese articles suitable as souvenir to take home.

The Shirokiya Department Store realizing the growing desire of the foreign residents and visitors from abroad to become familiar with the arts and crafts of Japan, has founded the Information Bureau on the fifth floor in order to answer inquiries regarding commerce, art, science the theater, excursions etc. Inquiries by letter will also be answered in full detail.

Yanagawara Hydro-Electric Power Station. This is located in the lower reaches of the Kurobe River from which the Nippon Denryoku Kabushiki Kaisha gets its supply of electric power. With the capacity of 50 700 kilo-watts, it is equipped for supply of power to the two major industrial areas around Tokyo in the east and Osaka in the west, playing an important part in the industrial activities of the Empire. A power transmission line, 154,000 volts extends over the distance of 220 miles to Osaka and 180 miles to Tokyo districts. Yanagawara is situated at a distance of 12 miles from the Mikkaichi Station on the Hokuriku railway line, whereof 10.7 miles travelled by the Kurobe Railway and 1.3 miles by the Company's own railway line. The valley above this power station offers attractive scenic beauties.

Commissioner Mapp of Salvation Army visits Osaka, accompanied by Gumpei Yamamuro, Japanese commander. Feb. 28.

Shimbun Rengo Sha, better known simply as **"Rengo"**, is an association of the leading newspapers of Japan, including the ten biggest journals of Tokyo and Osaka, for the purpose of gathering and distributing both news and news-photos to member newspapers and individual subscribers on a non-profit basis.

"Rengo" has contracts with foreign news agencies and news-photo services all over the world for the exchange of news and pictures, these being distributed in Japan promptly upon receipt.

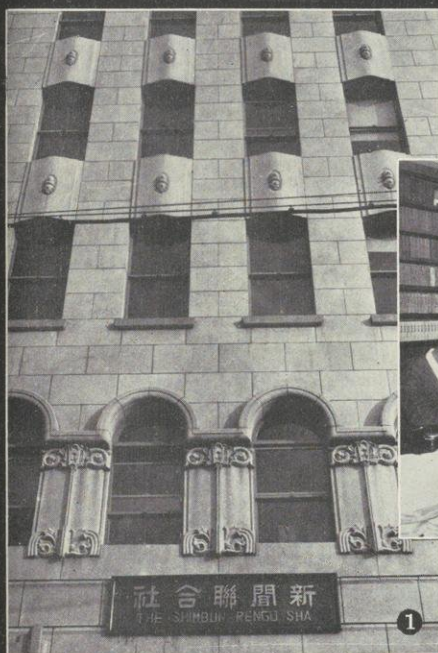

"Rengo"'s foreign news cables are carried by practically all newspapers in this country, giving due credit to our organisation. But photos and local news, on the contrary, are generally not credited to Rengo, though a large portion of what appears in the newspapers and magazines in Japan comes from our offices.

We maintain three central news-photo offices—in Tokyo, Osaka and Hsinking, Manchoukuo—with scores of competent cameramen to cover every possible angle of important news events. In addition to this, we have relations with a large number of local photographic artists who supply us with "spot" news-photos.

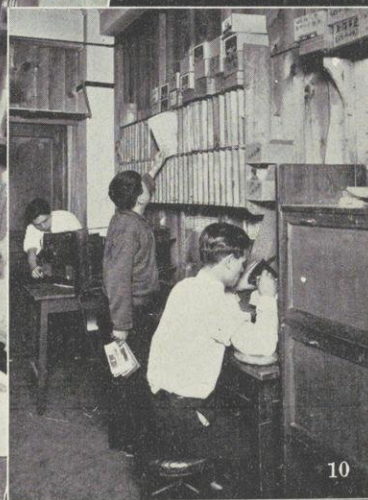

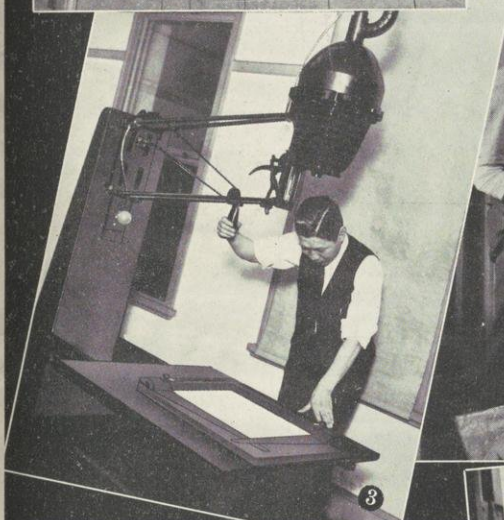

All these services are readily available for those who care to enter their subscriptions with us.
