# BAY LEAVES

VOL. VIII  
NO. 6

WILLIAMS BAY, WISCONSIN.

ABRAHAM LINCOLN  
FEBRUARY 12, 1809  
SIXTEENTH PRESIDENT  
ASSASSINATED APRIL 15, 1865

WE ARE NOW IN THE LENTEN SEASON

Yesterday was Ash Wednesday, the first day of Lent which lasts for forty days, ending with Easter, March 24th.

It is well that we turn our thoughts to holy ideals during this time. We may not attend church regularly, but we must admit that the Church has held steadfast through the ages to all that is best in life and safely weathered many a storm. It is well expressed in the hymn "The Church's One Foundation" which it is our pleasure to print as a Lenten Message.

The Church's one foundation  
Is Jesus Christ her Lord;  
She is his new creation  
By water and the word,  
From Heaven he came and sought her  
To be his holy bride;  
With his own blood he bought her,  
And for her life he died.

Elect from every nation,  
Yet one O'er all the earth,  
Her charter of salvation  
One Lord, one faith, one birth;  
One holy name she blesses,  
Partakes one holy food.  
And to one hope she presses,  
With every grace endued.

Mid toil and tribulation,  
And tumult of her war,  
She waits the consummation  
Of peace for ever-more;  
Till with the vision glorious  
Her longing eyes are blest,  
And the great church victorious,  
Shall be the church at rest.

Yet she on earth hath union  
With God the Three in One,  
And mystic sweet communion  
With those whose rest is one;  
O happy ones and holy;  
Lord, give us grace that we,  
Like them, the meek and lowly,  
On high may dwell with thee.

Our Williams Bay churches welcome you during this Lenten Season.

## SCHOOL NOTES

met at Mrs. C.Y. Wiswell's home in Oakwood Estates, last Friday afternoon for their regular meeting.

The topic, Homemakers as Consumers begun on January 19, was concluded with the showing of the moving picture "ALASKA'S SILVER MILLIONS", Miss Sarah Ruhl was the operator, using her picture projector. This is Uncle Sam's largest salmon fisheries, doing thirty million dollar business yearly, the season being from the middle of May to the middle of August.

When one sees how scientifically the process of canning salmon is carried on, they would want to eat more salmon. They are caught in large nets from boats. One machine used removes the heads and tails and cleans the salmon; they are steam packed, and sealed and carried by a machine to the loaders ready for shipping. The entire industry is under government supervision.

Mr. and Mrs. Ernst Ayers and daughter, Joyce Mary, while returning from Chicago last Sunday evening at 7:30, were injured when their car collided with another car on Route 50, between Genoa City and Lake Geneva. Mrs. Ayres suffered painful injuries about the head and face and is now in the Walworth County hospital. Mr. Ayres and their daughter suffered only minor injuries, as did the occupants of the other car.

Miss Mildred Krause and Mr. and Mrs. Wm Swanson (Bertha Krause) of Chicago, came Monday to see their sister and family, who were injured.

Mr. and Mrs. Eric Johnson and daughter, Alice are enjoying a motor trip to Florida and other points south, leaving this week.

The Messrs Victor Hansen, Elmer Hopkins and Bert Willis went to Chicago to attend the Boat Show at the Navy Pier this week.

Scoutmaster Kenneth Viste held a special meeting of the Scouts on Wednesday evening at the High School. Seven boys were officially enrolled in the Troop, namely- Glen Johnson, Kenneth Spetz, Blake Burton, Jerry Prochaska, Steve Horvath, Frederick Sleeman, and John Fridlund. All the scouts were prepared to pass one test. The mothers and fathers of the Scouts were invited to attend the meeting. Refreshments were served.

At a meeting of the Troop Committee Friday, two assistant scoutmasters were elected, George Kelso and Norman Johnson.

The Fourth, Fifth and Sixth Grades will visit the Regional News in Lake Geneva today to see the printing of the newspaper. The Sixth Grade is publishing a paper of their own and desired to see a printing press in operation.

The Grade pupils in the school sold 5902 Christmas Seals, under the direction of Mr. Arvid Thompson.

The Wms Bay High School Basketball team defeated the Capron high school team last Friday night by a score of 32-22. The Bay team is still in first place in the Southern Regional conference. ## JACK VILAS, JR. WINS INTERNATIONAL REGATTA

Taking a first and two seconds in the only three races weather permitted, Jack Vilas, Jr. showed that he really had the skill to be rightly called the International Skeeter champion. This win along with the second place he won in the Northwest Ice Regatta should leave no doubt in any ones mind that Jack Vilas is a skipper of real repute and ability.

The Skeeter Ice Yacht Club of Lake Geneva also shared the second second honors as Don Campbell and Chuck Edwards of the local club shared second place with R.E. Langford of Fox Lake.

Because there was very little wind during the three days of the regatta very few races of the large schedule could be held. This was a distinct disappointment to the entrants and more so to the spectators who had hoped to see some of the hair raising spills and thrills that go with fast ice boating.

Class "B" races were all postponed except one which was held on Sunday morning. In this race the 1st two places were taken by Fox Lake men: John Lane in Scat and Dave Hall with Blue Fox. Charles Sawyer of Williams Bay placed 3rd in Sandy III. The remaining Class "B" races will be held at Fox Lake at a later date.

The women's races had the same fate as the Class "B" races with weather holding them to only one race. Mrs. Audrey Mead of Chicago won 1st in Lockwood Pirie's "Panther"; Vera Granath was 2nd and Sue Vilas, 3rd, Lucille Fitzcharles, 4th

A distinctly unique trophy was presented Sunday evening at the Award Banquet held at Hotel Normandie which was given to Clark Wormer, Detroit, Mich. for coming the greatest distance and winning points. Mr. and Mrs. Dick Lennox came a longer distance but unfortunately didn't win any points.

At the business meeting held Saturday night: Don Campbell of Delavan was elected Commodore; T.E. Mead, President, Harry Nye, Vice President, L.M. Pirie, Secretary-Treasurer, of the International Skeeter Association. The last three are from Chicago.

## RACES EVERY WEEKEND-WEATHER PERMITTING.

The Skeeter Club will keep right on with its schedule of races as long as ice keeps thick enough to support the boats.
