INDOOR MEET, FEB. 23

SECOND ATHLETIC CARNIVAL TO CONTAIN NOVEL FEATURES.

Inter-fraternity Potato Race—Law
Students and Engineers Will Meet
in Relay and Tug-of-War.

The next indoor meet will be held next week on Saturday evening. From present prospects this meet will not only surpass all similar ones as an athletic event but the introduction of several new novelties will make it especially interesting for the spectators. It is also intended to use this meet as the last try-out to determine in the team which will represent Wisconsin at Milwaukee on March 3. From the competitors in this meet about twenty men will be picked and will then be entered in the various events of the Cream City meet.

Among the innovations of this meet will be the relay race between the engineers and law classes. The disciples of Blackstone were challenged by the students under Dean Johnson and have already subordinated their fastest men to represent them against the shop boys. The engineers in turn are confident of showing up the laws and assert that nothing less than an injunction or writ of mandamus will prevent them from crushing the race. To each winning team a cup, donated by the various fraternities, will be given. The two schools will also meet in a tug of war and here again the brawny engineers expect to defeat their pettifogging rivals.

An inter-fraternity potato race will be among the decided novelties of the program. Although not as exciting as a relay race, the rivalry in this event will be fully as strong while the fun for the spectators will be greater.

One of the most exciting numbers on the program will be a relay race between the Champion West Side High School of Milwaukee and Madison High. The West Side boys won the relay at the interscholastic meet last spring. In the recent race with the Academy the Madison team was not called upon to show their speed but the individual men of the team have excellent records and a close race is expected.

In addition to these there will be the regular number of the customary events.

Sphinx Prizes.

The Sphinx management has decided to extend the time on their prize competition until Saturday, Feb. 16.

All contributions both in the literary and art classes must be handed in by that time. The prizes offered are unusually fine including in the number a fifteen dollar set of Dickens, and eight dollar set of Shakespeare, pairs of Barney and Berry skates and stick pins, divided between the literary and art classes of the contributions.

—W. H. Kelly, '02, is a candidate for Superintendent of Schools of the east district of Dane county. The appointment will be made this week. The vacancy is caused by the resignation of the former superintendent.

—A number of Senior engineers have just completed a test at the Gisholt works.

FINE CONCERT PROGRAM.

To be Presented by Choral Union, Orchestra and Soloists this Evening.

A large audience will hear the opening concert of the Choral Union series at Library Hall tonight, the advance sale of seats having been very gratifying.

The program, which has been arranged, will be found of a popular character, being composed of short interesting works.

Following is the program:

Part I.

Jubilee Cantata, (Harvest cantata), Weber. For solo voices, chorus and orchestra.

Part II.

1. Selections from Faust, Gounod. Nitschke's Orchestra.

2. Solo—Amour viens aidee ma faiblesse, C. Saint Saens. From Sampson and Delilah. Mrs. Frances Richards Hiestand.

3. Solo—By the Splendor of the Heavens, Edward Taylor. Words by Jas. Whitcomb Riley. Mr. Edward Taylor.

4. Three Songs—a. Irish Love Song,

"BILL" GIBSON CAPT.

WILL LEAD 'VARSITY CREW FOR
COMING SEASON.

Elected to Succeed Linn Williams
Who Resigned—New Captain Has
an Envious Record.

At a meeting of the 'Varsity crew men held this afternoon W. J. Gibson, '02, was elected as captain of the 'Varsity crew for the coming season. The vacancy was caused by the resignation of Captain Linn A. Williams who was compelled to retire on account of extra heavy work.

Mr. Gibson has an enviable record as an oarsman. He came to Wisconsin three years ago from St. John's Military Academy where he had pulled stroke-oar on the crew of that institution. At Wisconsin he made the 'Varsity crew in his freshman year rowing at number 5 which seat he held again in last year's

Mrs. Genevieve Clark Wilson.

Lang. b. Sweet Susetta, Dalayrac. c. The Merry Maidens, Thome. Mrs. Genevieve Clark Wilson.

Part III.

Gallia, Gounod. For Soprano Solo, Chorus and Orchestra.

The final rehearsal was held this afternoon. The entire company of soloists, orchestra and characters were present.

Skating is Fine.

The ice rink operated by the U. W. Skating Club at the foot of Francis street is in excellent condition. Those who are taking advantage of the good ice these days report fine sport. The rink can be approached from either Lake or Francis street. Tickets can be obtained at the Co-op, Y. M. C. A., Menges' Drug Store, cor. Univ. Ave. and Park St., and from a number of students. Season tickets are 25 cents, single admission 5 cents.

—Professor G. C. Comstock returned last week from a trip East where he attended several astronomical meetings among them the annual meeting of the Astronomical and Astrophysical Society of America of which he is secretary. Professor Comstock while on the trip arranged for the publication of his text book of astronomy which will be issued in the spring.

boat. Mr. Gibson is a physical giant, standing 6 ft. 2 in. in his stockings and weighing 180 pounds.

Progress of Prom. Decorations.

The Prom. committee is working hard at the decorations in the gymnasium and the work is progressing rapidly. Already the girders are entirely covered with white bunting, concealing the iron work in the roof. The south end above the gallery seats has been draped in red bunting. The box which is to hold the musicians is suspended from the ceiling in the middle of the east side, above the stairway to the locker room. The box is supported on the side toward the wall with two-by-fours and on the other side by wire cables, making it secure.

At the further end of the hall is the reception committee's box, which is raised slightly from the floor. It will be decorated with the class colors. The other boxes have not yet been put in place, but will extend around the hall as in previous years.

The hall will be lighted by rows of electric lights on the girders, and this will be supplemented by a new device, which will be sprung as a surprise Friday night.

—Chester Lloyd Jones has the mumps.

Communication.

To the Editor:—

A national holiday which commemorates the life and work of one of the nation's founders is an event which should be marked by special and appropriate exercises.

Particularly is this so in the University of a great state. Yet, apart from the mere suspension of recitations, no recognition is made of Washington's birthday at Wisconsin. For the past few years the President of the University has gone off to Chicago or to other cities to pronounce an oration at some Washington memorial or banquet. One naturally wonders why these addresses are not delivered before the students and why the University takes no notice of such an important national day.

In most of the eastern colleges some noted speaker is procured for the occasion, or a program is made up from faculty or students. There is no reason why this could not be done here. There are many able speakers in the faculty and in the city whom the students would be glad to hear deliver an address upon such an occasion.

The criticism if often made of Americans that we live too much with the present,—too little with the past. One way to encourage this spirit is for a University of two thousand students to permit to pass by without celebration a day which should be sacred as commemorating the life of one of America's truest heroes.

Request of Prom. Committee.

The Prom. committee has requested that students remove their belongings from the lockers in the locker-room until after the Prom. so that an opportunity can be given to air out the room. This room will be used for a ladies' cloak room and it is needless to state that the fitness of the room for that purpose could be vastly improved if the gentle February breezes were allowed free range for a few hours. The ordinary condition of the place scarcely fits it for such a purpose and the request of the committee seems to be a reasonable one and ought cheerfully to be complied with.

Support Needed for Crew.

The refusal of the drainage canal board to permit tracks to be laid along the canal for running observation trains to view races on the canal will make a great difference in Wisconsin's aquatics this year. The navy department had hoped to hold a regatta in the West this year and thus create a greater interest in aquatics in this section of the country and at the same time to try and pay some of the expenses of the eastern trip. As the matter stands at present it will be necessary for the student body to help out the finances of the department far better than they have in the last couple of years.

The student subscription lists will be started soon and every student owes it to the University to contribute as much as possible. Last year's student subscription was shamefully small, being only about two hundred and fifty dollars. In all it takes about thirty-five hundred dollars to put a crew in the Poughkeepsie race, and most of this came from the business men of the state. This is a condition of affairs which should not exist at Wisconsin and if the student body expects to uphold its record of loyalty

and show some true Wisconsin spirit this is a chance to manifest it. The crews have always done their part and will do so again this year if they can be sent to compete on the Hudson, but it depends entirely upon the attitude of Wisconsin undergraduates whether or not the Badger oarsmen can be sent East this spring.

The Weather.
Fair tonight, warmer Thursday.

C. F. Smith.

Mineralogy.

The class in Blowpipe Analysis and Determinative Mineralogy will meet in room 37, Science Hall, Tuesday at 10 o'clock. Text: Brush-Penfield, Determinative Mineralogy and Blowpipe analysis. The class in Mineralogy (long course) will meet on Tuesday at the usual time and place. Students intending to elect general Petrology should meet Thursday at 9 o'clock in room 37 (back) or confer with me before that time.
Wm. H. Hobbs.

Military Notice.

Headquarters U. W. Regiment,
Office of the Commandant,
February 11, 1901.

(Orders No. 20.)

I. All excuses from military drill given for any cause except service equivalent to two years drill in this University, for permanent physical disability, or where the terms of such excuse are unconditional, are hereby revoked.

Military drill at preparatory schools, National Guard or other recognized military organizations, will be taken as equivalent to one year's drill in University. Service in U. S. Army or Navy will be taken as full credit.

II. Students desiring to renew their excuses from military drill from Feb. 11th to June 20th, 1901, will present their applications to the Commandant between the date of this order and the 25th inst. Where students "working their way" have changed occupation, or employers, they will present with their applications for excuse from drill certificates from their employers that the applicants are working as stated.

III. As the number of military drills is frequently curtailed by special events or functions which occupy the drill hall to their exclusion, no "cuts" will hereafter be allowed, but all unexcused absences will deduct 5 from the final standing of 100.

By order of the Commandant,
Gustav A. Fritzsche,
Major and Adjutant.

RUSH MEDICAL COLLEGE.

In Affiliation with the Univ. of Chicago.

Organized 1837.

The academic year of Rush Medical College is divided into four quarters, corresponding with those recognized with the University of Chicago, beginning respectively the first of July, first of October, first of January and first of April, each continuing for twelve weeks. A recess of one week occurs between the end of each Quarter and the beginning of the next following.

The general course of instruction requires four years of study in residence with a minimum attendance upon three Quarters of each year. A student may begin his college work on the first day of any Quarter, and may continue in residence for as many successive Quarters as he desires. Credit will not be allowed, however, for more than three consecutive Quarters. At least 45 months must elapse between the date of a first matriculation and the date of graduation. For further information, address

Madison Choral UnionAssisted by the following solo ar-
tists: Mrs. Genevieve Clark Wilson
of Chicago, Soprano; Mrs. W. D.
Hiestand of Madison, Contralto; Mr.
Edward Taylor, late of London, Eng.,
Tenor; Mr. E. R. Williams of Mad-
ison, Baritone, and orchestra.The Jubilee Cantata—Weber—40
minutes.

Gallia—Gounod—20 minutes.

Season tickets, two concerts, includ-
ing reserved seats, \$1.00.Admission, each concert, 50 cents.
Reserved seat, 25 cents extra. Seats
may be reserved on and after Friday,
February 8, at L. J. Pickarts & Co.s,
or by mail of E. O. Kney, State bank.**"In The Blues"**is a common saying of a person
who exhibits low spirits, nerveless
action and a failure to enjoy even
the most cheery surroundings.
Nine times out of ten this condi-
tion is accounted for by poor diges-
tion, which affects the mind and
nervous system, besides enfeebling
the body.**Pabst
Malt Extract
The Best Tonic**is a complete remedy for the 'blues'
and a promoter of good health and
good cheer, being a pure, nourish-
ing, concentrated food of easy
digestion and soothing action.I prescribe your "Best" Tonic in all
cases where a pure and reliable malt extract
is indicated. It has given me the best satis-
faction. DR. W. R. PAYNE, Covington, Va.Makers of
